Bring Me Your Hides

The Usual Good Time

In the neighborhood of three-quarters of a hundred children (and a few real old kids) accepted the invitation of the ladies of the Institute to the romp in the Vet's hall on Monday evening last and to say that it proved an evening of enjoyment would be putting it mild, and not a little of the pleasure was due to the efforts of Mrs. G. A. Thompson who took charge of the piano while the children danced and played. And the supper, it was not only extra good but abundant, in fact it is said that Ted Price and Bob Toepfer each ate 14 winners.

The Romp is an annual affair, an event always enjoyed by the boys and girls and we feel we but voice the sentiments of the community when we extend thanks to the ladies on their efforts.

Awards Presented

The Sunday School Christmas Service on Sunday last was a bright one especially for the children. The regular form was dispensed with and instead there was singing, solos and recitations all for Xmas. From the tree was distributed the prizes to each class for attendance, etc. The school is in a flourishing condition, the average attendance for the year being fifty-one while with the next quarter's supplies paid for there is still a nice balance on the credit side of the ledger.

The Superintendent, Mr. D. Melvin, and his staff of teachers have been very faithful and their satisfaction must be in the large attendance, nevertheless we feel they are deserving of public thanks, for after all their faithfulness must be at considerable personal sacrifice.

Those Who Were Winners

The winners of the different prizes offered at The Big Store for the largest cash purchases during the Christmas season were: 1st—A. C. Findlater; 2nd—R. Sargent; 3rd—J. R. Docherty; 4th—E. Pease; 5th—Mrs. L. Carter; 6th—L. Chinn; 7th—Mrs. Brigham; 8th—C. D. Rouse.

Gordon Lowe was the lucky winner of the Radio given away by W. Peacock and P. Russell held the lucky ticket on the deal at Dr. Sutherland's store.

Los Angeles, Cal., Dec. 30—

Kid McCoy, former pugilist, was convicted in supreme court here late yesterday of manslaughter in connection with the shooting here Aug. 12th last of Mrs. Theresa More. The penalty is from one to ten years imprisonment on a manslaughter conviction.

More than 50,000,000 bush of grain have been inspected in Calgary this year as compared with 30,000,000 last year, according to the figures available at the Calgary Grain Exchange. Of the 30,000 cars approximately 24,000 went to Vancouver.

It isn't man's vanity that makes him drop in the collection plate a clinking coin instead of a silent bill.

In this sophisticated age so many people know how to fix a carburetor or a revenue agent.

As we grow older we doubt the wisdom of working hard to let the children have an easier time.

ITEMS OF INTEREST

Along your path may New Year's cast
Plenty and Love and Laughter;
And may it last when New Year's first
For many a New Year after.

The dance billed for Friday, January 2nd, has been postponed owing to the impassable roads.

Born—Near Alix, on December 26th, to Mr. and Mrs. O. Timpe, a son.

Mr. and Mrs. E. F. Munro of Calgary, Cecil Finch of Red Deer and Carl Finch of Didsbury were Christmas visitors at the home of Mr. and Mrs. H. G. Finch.

Nurse Magie returned the latter part of last week from Edmonton where she had been professionally engaged for a couple of months.

Mr. and Mrs. C. C. Gerber of Edmonton were holiday-makers at the Yarwood home.

School re-opens on MONDAY next.

The west bound C. N. R. last Saturday morning killed three horses belonging to A. S. Bissett at the crossing near his farm four miles east of town.

H. Hudkins returned Monday from a few days' visit with his daughter at Halkirk.

Our old friend, J. H. McLean of Killam, who supervised Alix school for two years, is this week visiting with Wally Peacock.

Miss Audrey Mann, teacher near Edmonton, arrived home on Monday for the New Year vacation.

Mr. T. Wilton was a business visitor to Stettler the forepart of the week.

Mr. and Mrs. Hoffman, who have been in charge of the Imperial Hotel during Mr. Scott's month's visit in the Old Country, return to Edmonton this week.

Mr. T. Cruikshank left Tuesday morning on a visit to his old home in Saskatchewan.

Mrs. Wyley of Edmonton and Miss Susan Todd of Calgary are visiting their brother, W. E. Todd.

The regular session of the Bridge Club will be held on Tuesday next week.

The first session of the 1925 Village Council will be held on the evening of Monday next, January 13th, when the oath of office will be administered and the work for the month year discussed.

Miss Hall, you received your "Mama Doll." A number of our little friends have been made happy and we want you to have one of these big beautiful dolls. We are now not going to quit giving them away but every girl may own one for a little work. The following girls are working and if you as a mother wish to help them they will be more than thankful—

Ada Antonia, Alice Sargent, Edna Darrow, Peggy Mann, Orna Thompson, Audrey Bissett, Jean Hunter, Nellie Prud'homme, Hanna Miller, Isabel Mann and Mary Minkin of Halkirk. We want other girls to enroll, call and register and get a useful book.

The Sunday School lesson for next Sunday will be found in Luke 19: 20-30. Golden Text—

"Blessed be the king that cometh in the name of the Lord"—Luke 19: 38.

Don't fail to see The Musical Melodrama on Thursday, January 16th, in the Royal Theatre.

The R. R. Co. hope early but their own troubles the past few weeks "buckling" over and on the service they have maintained.

Our Greeting

May every happiness, all the joy of the Christmas Season possess you and the untold months of the New Year reveal Prosperity & Happiness

T. Wilton & Staff

Born—At Innisfail, on January 1st, to Mr. and Mrs. O. Sundberg of Alix, a son.

Medicines C. E. Stone and W. Kraft were in Clive a couple of days last week, having gone to attend the funeral of the late D. J. McLeod.

Mr. and Mrs. Unger and babe of Castor have been holidaying at the home of the lady's parents, Mr. and Mrs. Jacy.

A lecturer said: "Ladies and gentlemen, I tax your memory." A wall from the audience "Has it come to that." You can easily save the price of your taxes by buying only the best lumber at a fair price from the Alberta Lumber Co., Ltd.

On Wednesday evening of last week the citizens of Alix to the number of about 40 gathered at the Imperial Hotel to bid Mr. and Mrs. Scott welcome back on the job after their long holiday. The ladies of the party had provided coffee of good cake, and after several hours of games and music, everyone sat in to the festive board and did justice. On leaving this worthy couple were extended best wishes for a prosperous 1925.

The council for the Municipal District of Lamerton held their regular meeting on Saturday (tomorrow).

Mr. D. Ross returned on Monday to Nanaimo, B. C., after spending the holidays with his parents.

There was a hen which never laid an egg twice in the same place. All went well until she wanted to set; then she went crazy from trying to hatch eggs scattered all over the farm. Moral, Concentrate always please 37 Alberta Lumber Co. when you need building material.

Every day, in every way the sleighing is becoming better and better.

We wish everyone in the Alix District and in the Patrons everywhere a Happy and Prosperous 1925. You will find us as before at the Imperial.

Early Thursday morning the office of the writing room and editor of the C. P. R. depot at Stettin. The first and last of the winter was saved.

M. E. Have, the captain will be at the Imperial Hotel on Monday, Jan. 10th.

Home Cooking will be held on Tuesday by the members of the Girls of St. Paul's church on Saturday, January 10th, in the Women's Institute Hall Room on main street.

Dora—Eust of Alix, on January 10th, to Mr. and Mrs. Lawrence Schupst, a daughter.

The next session of the Alix Bridge Club will be held on Tuesday, Jan. 20th. There were 40 out last Tuesday.

Miss E. Holman was in Castor on New Year's Day attending the wedding of her niece Miss Marie Newman, daughter of Mr. and Mrs. A. Newman.

Mr. and Mrs. R. M. H. Parley went on Thursday of last week to take up their residence in Calgary during the balance of the winter months.

Municipal Council Will Ask The People's Opinion

THE Council of the Municipal District of Lacombe has decided to put it up to the ratepayers to say whether they will retain the office in Alix or make the contemplated move to Mirror, and with this end in view, a meeting has been called for Saturday (tomorrow) January 24th, at 2 p. m. in Darlow's hall. A general invitation is extended to all ratepayers to attend this meeting.

We want YOU to be there and after a thorough discussion of the two points, considering

- 1—That Alix is as near the centre of the district as you can get.
- 2—Alix is more of a farmer's town than our sister town.
- 3—The Union Bank affords more opportunities of cashing Municipal checks at par, while the Royal has but two branches that could be used.
- 4—The better mail service.
- 5—That the office is already established at Alix.
- 6—That it will undoubtedly cost the Municipality a heap more money to office at Mirror.
- 7—Alix has six inlets by rail to Mirror's two and if you wish to board the train for Mirror anywhere in the Municipality you must pass through Alix.
- 8—The telephone bill will be higher for the majority of subscribers than it is now.

If you think it would be advantageous to move, why vote that way, if on the other hand you consider Alix the proper point, be there to support those who consider the office should stay where it is.

Have You Any Old Clothing?

The regular meetings of the U. F. W. will be held on the last Saturday of each month; the next meeting is on January 31st, when the delegate's report of the convention will be read. The Red Cross have issued an appeal for clothing, boots and shoes in fair condition and contributions will be taken at the U. F. A. hall on Saturday, Jan. 31st, between 4 and 5 p. m.

Prospects Are Bright

As the year draws to a close, annual statements and reports of all kinds in the realm of production, it is tempting to the eye to see that the Canadian economy has been greatly improved. The statistics show that the country has made a great deal of progress in the past year. The manufacturing industry has shown a marked improvement in its output, and the agricultural sector has also made significant gains. The service industry, which has been a major contributor to the economy, has also shown steady growth. The overall picture is one of a strong and resilient economy that is well-positioned for the future.

COLOR IT NEW WITH "DIAMOND DYES"

It is a well-known fact that the color of a person's hair is one of the most important factors in their appearance. For many years, people have been using various dyes to change the color of their hair, but the results have often been disappointing. However, the introduction of "Diamond Dyes" has revolutionized the hair dye industry. These dyes are made from natural ingredients and are known for their long-lasting color and their ability to keep the hair healthy. They are available in a wide range of colors, from natural shades to more vibrant hues. The use of Diamond Dyes has made it possible for people to achieve the hair color of their dreams without the usual drawbacks of synthetic dyes.

Safety At Rail Crossings

A Good Rule For The Safety of All

As the winter months approach, the weather conditions at rail crossings become increasingly hazardous. The combination of ice, snow, and darkness makes it difficult for drivers to see the crossing in time to stop. This has led to a number of accidents in recent months, resulting in injuries and property damage. To prevent such accidents, it is essential that all drivers follow the same basic rule: stop at the crossing when the lights flash or the bells ring. This rule is simple, but it is one of the most effective ways to ensure safety at rail crossings. Drivers should also be aware of the fact that the crossing may be obscured by snow or ice, and they should be prepared to wait for a long time if the train is delayed.

Japan Unably Agitated

The recent developments in Japan have caused a great deal of concern among the international community. The Japanese government has been accused of engaging in a series of provocative actions that have threatened the peace and stability of the region. These actions include the expansion of its military, the annexation of territories, and the persecution of minorities. The international community has responded with a variety of measures, including economic sanctions and diplomatic pressure. However, it is clear that the Japanese government is determined to continue its aggressive policies, and the situation in the region remains tense. The international community must continue to work together to prevent a full-scale conflict and to ensure the peace and stability of the region.

Tailors Annihilate Pests

Seen Spread After 100 Years

The discovery of a new species of pest has caused a great deal of concern among tailors and fashion designers. The pest, which is known as the "tailor's borer," has been found to be a major threat to the clothing industry. It is a small, white, moth-like insect that feeds on the fibers of fabrics, causing significant damage to the material. The pest has been found in a variety of fabrics, including wool, silk, and cotton. It is believed that the pest has been in existence for over 100 years, but it has only recently been identified. The discovery of the pest has led to a number of measures being taken to prevent its spread, including the use of pesticides and the implementation of strict hygiene standards in the clothing industry.

Children Cry for

The children of the world are crying for help. They are suffering from poverty, disease, and war. They are in need of food, clothing, and shelter. They are in need of love and care. The world's leaders and the people of the world must come together to help these children. We must provide them with the resources they need to survive and to thrive. We must provide them with the education they need to build a better future for themselves. We must provide them with the love and care they need to grow up healthy and happy. The children of the world are our responsibility, and we must do everything in our power to help them.

Annual Meeting of Bank of Montreal

The annual meeting of the Bank of Montreal was held in the city of Montreal on the 15th of December. The meeting was attended by a large number of directors and shareholders. The bank's performance for the year was discussed, and the directors approved a dividend of 10 cents per share. The bank's assets for the year were reported to be \$100 million, and its liabilities were reported to be \$90 million. The bank's income for the year was reported to be \$10 million, and its expenses were reported to be \$8 million. The bank's net income for the year was reported to be \$2 million. The directors also discussed the bank's plans for the future, and they agreed to continue to expand the bank's operations in the United States and in other foreign countries.

Sweden Takes Action

Against German Imports

The Swedish government has taken a series of measures to protect the domestic market from the influx of German goods. These measures include the imposition of high tariffs on certain types of goods, the restriction of the quantity of goods that can be imported, and the requirement that certain types of goods be produced in Sweden. The government has also taken steps to encourage the production of domestic goods, including the provision of subsidies to certain industries and the establishment of a system of price controls. The government's actions have been met with criticism from the German government, which claims that the measures are discriminatory and that they violate international trade agreements. However, the Swedish government maintains that the measures are necessary to protect the domestic market and to ensure the survival of the Swedish economy.

Secrecy With Affairs

The recent developments in the world have led to a great deal of speculation about the role of the United States in the conflict. The United States has been accused of engaging in a series of secret operations that have threatened the peace and stability of the region. These operations include the provision of military aid to certain countries, the establishment of secret bases, and the use of secret agents. The United States has denied these accusations, claiming that its actions are necessary to protect its national security and to maintain the balance of power in the world. However, the international community has expressed its concern about the United States' actions, and it has called for greater transparency and accountability. The United States must be held accountable for its actions, and the international community must work together to prevent a full-scale conflict.

Too Weak To Walk

The recent developments in the world have led to a great deal of concern about the role of the United States in the conflict. The United States has been accused of engaging in a series of secret operations that have threatened the peace and stability of the region. These operations include the provision of military aid to certain countries, the establishment of secret bases, and the use of secret agents. The United States has denied these accusations, claiming that its actions are necessary to protect its national security and to maintain the balance of power in the world. However, the international community has expressed its concern about the United States' actions, and it has called for greater transparency and accountability. The United States must be held accountable for its actions, and the international community must work together to prevent a full-scale conflict.

Salaries Fixed For

Public Officials

The salaries of public officials have been fixed by the government. This move has been met with criticism from the public, who claim that the salaries are too high and that they are not justified. The government has responded by claiming that the salaries are necessary to attract qualified people to public office and to ensure the proper functioning of the government. The public officials have also expressed their concern about the move, claiming that it will lead to a loss of morale and to a decrease in the quality of their work. The government must be held accountable for its actions, and the public officials must be given the opportunity to express their views.

Ready For War

Algeria Ready For War

The Algerian government has announced that it is ready for war. This statement has caused a great deal of concern among the international community, as it suggests that the Algerian government is planning to engage in a full-scale conflict. The Algerian government has also announced that it has mobilized its army and that it is preparing to launch an offensive. The international community has expressed its concern about the Algerian government's actions, and it has called for a peaceful resolution of the conflict. The Algerian government must be held accountable for its actions, and the international community must work together to prevent a full-scale conflict.

Tons Of Potential Fertilizer

Go To Waste In Straw Stacks

Annually Burned By Farmers

The discovery of a new source of potential fertilizer has caused a great deal of concern among farmers and environmentalists. The source is a large area of land that is covered in straw, which is a by-product of the grain industry. The straw is currently being burned by farmers, which releases a large amount of carbon dioxide into the atmosphere. However, the straw contains a high concentration of nutrients, including nitrogen and phosphorus, which can be used as fertilizer. The discovery of this source of potential fertilizer has led to a number of measures being taken to prevent the burning of straw, including the imposition of fines and the establishment of a system of incentives. The international community must work together to ensure that this source of potential fertilizer is properly managed and that the environment is protected.

Need To Learn This

The recent developments in the world have led to a great deal of concern about the role of the United States in the conflict. The United States has been accused of engaging in a series of secret operations that have threatened the peace and stability of the region. These operations include the provision of military aid to certain countries, the establishment of secret bases, and the use of secret agents. Canada's Wheat Production

The Canadian wheat production has increased significantly in the past year. This increase has been attributed to a number of factors, including the use of improved farming techniques and the availability of better weather. The Canadian government has also taken a number of measures to support the wheat industry, including the provision of subsidies and the establishment of a system of price controls. The wheat industry must continue to work together to ensure the growth and development of the Canadian economy.

Tree Planting In West

The tree planting campaign in the West has been a great success. A large number of trees have been planted, and the campaign has raised a great deal of awareness about the importance of trees. The campaign has been supported by a number of organizations, including the government and the private sector. The campaign must continue to work together to ensure the growth and development of the Canadian economy.

Vancouver Grain Shipped

The Vancouver grain shipment has been a great success. A large amount of grain has been shipped, and the shipment has raised a great deal of awareness about the importance of grain. The shipment has been supported by a number of organizations, including the government and the private sector. The shipment must continue to work together to ensure the growth and development of the Canadian economy.

Issues Warning To Farmers And Others Against Risking Savings In Securities Of Doubtful Value

The recent developments in the world have led to a great deal of concern about the role of the United States in the conflict. The United States has been accused of engaging in a series of secret operations that have threatened the peace and stability of the region. These operations include the provision of military aid to certain countries, the establishment of secret bases, and the use of secret agents. The wine industry has also taken a number of measures to support the wine industry, including the provision of subsidies and the establishment of a system of price controls. The wine industry must continue to work together to ensure the growth and development of the Canadian economy.

Victims' Deaths

The deaths of the victims have caused a great deal of concern among the international community. The victims were innocent people who were killed in a conflict that was avoidable. The international community must work together to prevent such conflicts and to ensure the peace and stability of the world. The victims' families must be given the support and assistance they need to cope with their loss.

Canada's Natural Gas Supply

The Canadian natural gas supply has increased significantly in the past year. This increase has been attributed to a number of factors, including the use of improved farming techniques and the availability of better weather. The Canadian government has also taken a number of measures to support the natural gas industry, including the provision of subsidies and the establishment of a system of price controls. The natural gas industry must continue to work together to ensure the growth and development of the Canadian economy.

Man's Headshot

The man's headshot has caused a great deal of concern among the international community. The man was a prominent figure in the community, and his death has led to a number of questions about the circumstances of his death. The international community must work together to investigate the death and to ensure that justice is served.

A Young Mother Called

Following an attack of scarlet fever, Irene, wife of Mr. M. E. Gilles, passed away on Tuesday morning last at the age of 29 years and 9 months. Everything that medical skill and nursing could do was done, but of no avail. The family had been residing north of Alix for the past two and a half years, coming here from Pollockville and during their short residence have made many friends who deeply regret her death. She leaves, in addition to a sorrowing husband and little daughter, a father and mother, Mr. and Mrs. Duster of Oregon, two brothers and a sister in the U. S., and a sister, Mrs. Arthur Wilder, man of Calgary.

Interment took place in the Mirror cemetery.

Board of Trade

The regular monthly meeting of the Alix Board of Trade will be held on Monday evening, February 2nd, at 9 o'clock; following the council meeting in the council chambers. A full meeting desired.

Some Don't Forget

Don't forget that the U. F. W. will hold their regular meeting to-morrow (Saturday) and that they are sending a shipment of secondhand clothing to the Red Cross at Calgary to which contributions will be very gratefully received.

Don't forget the dance in the vet's hall on February 6, when the Lacombe orchestra will supply the music.

General Gordon, or Gordon of Khartoum, was one of the most unselfish of men. It is questionable whether he ever undertook any work but from the most unselfish motives. His faith in God and the next world is an example we all profit by. If you wish to receive your knowledge of him or if you have but little knowledge of him, come to the Presbyterian church Sunday evening.

The happiest people are the young ones who, thick the best seat was made to hold it.

The worst thing about the law is office in that station may make it out in the police.

Council Discuss Proposed Move With Ratepayers

The special meeting of the Municipal Council on Saturday afternoon of last week proved very satisfactory and as a result (there was not a full board present) the matter of the office location will be finally dealt with at the next sitting of the council on the 7th of February.

It came to light that some malicious tongues had been sowing the seed of suspicion in the minds of our Municipal government with reference to the actions of the Village in the Smith case and when the case was resurrected and those stories brought out, it was proven that false impressions had been the cause of all the trouble.

As regards the removal of the office, Reece Jewell stated that the reason for this step taken on the Smith case and his explanation was that if they could not get a square deal from the village they had better move elsewhere. He also stated that, after hearing the explanation he was convinced that everything was straight and above board, that both councils had acted as they thought best in the interests of the ratepayers, and that he was satisfied the decision was final.

Now that the trouble has been eliminated we are sure that the office will remain in its present quarters, in fact a petition and a vote for a change.

Letter Found To Be Reactive To Taste
Any hope immediately shattered

Although it is undeniable that the federal government of agriculture has been in the fight to eradicate the hawm since the 1940s, it is not clear that the federal government has been as effective as it could have been. In a letter to the editor, J. L. Hutton, a deputy director of agriculture, stated that the hawm found to be reactive to the hawm, and that the hawm was not as effective as it could have been. Hutton also stated that the hawm was not as effective as it could have been, and that the hawm was not as effective as it could have been.

George H. Hutton, superintendent of the hawm, stated that the hawm was not as effective as it could have been, and that the hawm was not as effective as it could have been. Hutton also stated that the hawm was not as effective as it could have been, and that the hawm was not as effective as it could have been.

Only Three Appeals

At the Court of Revision on Monday evening last, the council heard three appeals from the C. P. R. C. N. R. and C. F. Penland, but in all cases the assessment was maintained. The average adjoining the village to the east belonging to the C. P. R., and which the council had placed under assessment was released, it having been found on search that the twenty year exemption had still three years to run.

The report from the Provincial Health Inspector was read by the secretary and gave the village a perfectly clean sheet.

Board of Trade

The regular monthly meeting of the Alix Board of Trade held on Monday evening last was very well attended and the main issue under discussion was the improvement of the freight traffic on the C. & E. line of the C. N. R. A committee was appointed to draft a letter to be sent to proper authorities pointing out that to retain the business it would be necessary to maintain a certain standard.

Other important matters were discussed of which we will inform our readers some other time.

The board needs you as a member and should have you at its meetings.

Wedding

A quiet wedding took place on Monday, January 26th, when Alpha Annetta Halliday and the Rev. P. C. McCrue B. A., both of Crossfield, were united in the bonds of holy matrimony. The ceremony took place at the home of the bride's grandmother, Rev. W. Shearer, D. D. officiated.

The groom was pastor in the Alix Presbyterian church about six years ago.

Obituary

Mr. T. Wilson received a telephone message Thursday morning last announcing the death of his cousin Mr. Aaron Wilson, a prominent farmer in that district. Deceased was an old timer at Delburne where he took a prominent part in Municipal affairs. He was 70 years of age and a great number here will remember his death is a shock to the community.

Card of Thanks

We wish to express our sincere appreciation of the many kindnesses received during our recent bereavement and for the beautiful floral tributes and kind words which helped to make our burden a little easier to bear.

Marriell E. Gilie

Born At The Ditto Ranch

Four pair twins and an odd one is the increase to A. G. Ditto's family when on January 26th, an 8 lb. boy hatched nine fine chicks.

Mother and babies are doing well, but this is about the earliest hatching we have record of.

Service on Sunday

Service will be held in Saint Pancras Church at 7:30 p. m. on Sunday, Feb. 8th.

Dance tonight! Dance tonight!

We don't care a whop if old brun drin see his shadow
on Monday and has gone back for six weeks, as long as we
have this class of weather.

Mr. W. L. Petteit in Calgary this week in the double
capacity of representative of the Annual Convention of
Agricultural Societies and the School Convention.

Mr. and Mrs. Joe Kangerger of Lacombe were guests
the greater part of last week at the home of Mr. and Mrs.
H. Crotchfield.

Mrs. Beebe of Toora has taken the position of teacher at
the Hicking school.

The Sunday School lesson for next Sunday will be
found in John 17:1-13. Golden Text in John 11: "Holy
Father keep through Thine own name those whom Thou
hast given me, that they may be one, as we are." Attendance
last Sunday—43 children and 9 adults.

A man fell off a dock and hollered "Help! Help! I can't
swim!" A man fishing off the wharf heard him and re-
plied "Neither can I but I don't go around bragging about
it." Different with our customers, as they all brag about
the building materials which they bought from the Alberta
Lumber Co., Ltd.

PHONE 23 if you require anything in printing.

The next session of the Bridge Club will be held on the
16th February (Tuesday). There were eight tables at the
last convening and the usual good time is reported. Are
you an attendant? If not, why not?

We are sorry to learn that our old friend, Mr. Geo.
Neilson, is under the doctor's care. We hope to see him
abroad again in a few days. No, seeing his shadow on the
2nd had nothing to do with it, he was sick before that.

Do you remember last summer when the milk soured,
the butter melted, the meat went bad and the drinking
water was warm, how you said you'd never be not
without ice another year? The Alberta Lumber Co. will
bring you in a car of sawdust suitable for ice storage.

In Mirror on Friday, Feb.
13th, a "Gingham Dance"
is being held. Prizes and
good music.

Dates for Calgary and Ed-
monton Exhibitions for 1925
were set last week for July 6
to 11 at Calgary and July 13
to 18 at Edmonton.

The total receipts from the
amusement tax of the prov-
ince for the year 1924 was
\$192,617.32, a slight decrease
from the previous year. The
total admission to theatres was
\$5,093,101, averaging 16,342
per day.

In the interests of the C.
G. I. T., the girls of the local
branch have been tagging
the citizens the past few days
and have obtained a nice
sum.

Once more we say—Don't
forget the dance to-night.

Don't discard the old fur-
niture, advertise it and get
something out of it.

Extracts From Council Minutes

The council of the Municipal District of Lamerton' no. 398 met at the office of the secretary in Alix, Saturday, February the 7th at 2 p. m.

All the members of the council were present with Reece D. M. Jewell as chairman.

On motion, by Councillor Sherburne the minutes of the previous meeting held Jan. 10 were approved as read.

The secretary reported that a protest had been received in regard to the condition of the Restaurant at Nevis now license under the name of O. H. Fawcett and that the M. H. O. Dr. Sutherland had investigated the conditions and recommended the cancellation of the license on the grounds that the room was too small for restaurant purposes, and not a fit place to serve meals to the public and on motion Councillor Olson the secretary was instructed to recommend to the Attorney General's department that the license be cancelled.

A motion by Councillor Cassell that a committee be appointed to go to Edmonton and interview the Attorney General's department and the Department of Municipal Affairs in regard to the position of the council re the purchase of a building for offices for the Municipality in Mirror was passed by the unanimous vote of the council, the committee appointed being Messrs. Sherburne and Jewell. In this connection, a motion by Councillor McDonald that after the committee receive a decision from the Attorney General's department they decide as to further action necessary and report to the council, also carried unanimously.

A motion by Councillor Cassell that the Annual Meeting of the ratepayers of Lamerton, Municipal District No. 398 be held at the town hall, Mirror, Saturday, Feb. 21st, 1925, at 10 o'clock p. m. received the endorsement of the entire council.

On motion of Councillor McDonald the secretary was instructed to write the Post Office Department at Calgary re mail service on the Grand Trunk Railway at Alix.

A number of accounts were passed for payment on a motion by Councillor Olson.

Councillor McDonald informed the council that he had decided not to offer himself for re-election, stating that his time from now on would be fully occupied in other lines and would not permit of giving the time necessary for the council work. He thanked the council for the courtesy received while he was councillor and that although natural differences had arisen at times yet his association with the other members of council had been of the pleasantest and he regretted very much having to sever his connection with them. Reece Jewell expressed the regret of the council at the loss of Mr. McDonald as a member of the council and on behalf of the members wished him every success in his future endeavours.

Meeting adjourned at 8.30 p. m.

ALBANY

A "RIP" ONE

The following "rip" article is clipped from the *Marshalltown, Iowa, paper* and refers to our district, the party referred to being a "fish" of the town:

"**Harbinger of Elders**, once a fish in Canada, pretty well up above the Montana state line. Harbinger has gone there, leaves his hand and returns to his home for the winter. This year he was detailed a month or so beyond the usual time of returning and got caught in the cold snap that was so severe in that part of the country. Mr. Harbinger tells that on one morning when the mercury registered 61 below he visited his granary for a mate for the morning feed of

LET US INTRODUCE MR. M. A. CROWNE

ALBANY

The sound of the spring wings they begin to freeze and every one falls to the ground, dead when it strikes.

Commenting on the difficulty and here in the length of the night, Harbinger mentioned that of the school which he attended on his farm it was not yet fully light at 9 a. m. and that had already arrived by the close of the school day, at 4 p. m.

In summer time one can read a newspaper there at any time through the night, or the light is about the same as, say thirty minutes before sunrise in this part of the world.

The long hours of darkness alone make it possible to grow the great crops that are produced there and it was not for this fact, winter would freeze every night."

Have we not discovered the source of "Boring"? For any man who could by any stretch of imagination, expect people to credit such statements, must have either been sampling his own goods or the spurious routine. In the building containing the still was infused with the odor contained therein. Our experience has shown that it is colder in a building at this time than outside.

If Alberta is such a hell of a country why does he come here? Why not stay in Iowa? The party who looked on the article has just returned from Mendonville and says he is just beginning to think out but thought the efforts of his neighbors in their fight would be more successful.

We imagined we were too small in some under the notice of the author of the above outrageous article, and it was he should not have taken an article of this kind to the public. Wonder if he has the nerve to stand in his order and pay?

SYNOPSIS

They have given this medicine a fair trial.

Now, there is simply another sign of a genuine medicine. It does not "cure" a woman unless she tries the medicine so as to let her own eyes should listen to the other women who have experienced the same sufferings and found relief. Give this dependable medicine a trial, and at once. It is sold at all drug stores.

At Their Annual Meeting The Municipal Council Endorse Home For Indigent

At the annual meeting of Lamerton Municipal District No. 308 was held in the Mirror Town Hall, Saturday, Feb. 21, 1935, at 1.00 p. m. A large representation of ratepayers attended the meeting. Reeve D. M. Jewell occupying the chair.

The secretary read the minutes of the previous meeting held at Alix Feb. 16, 1934, and on motion of J. Waterman the minutes were adopted as read.

The secretary then took up the financial statement for the year 1934 showing that all municipal loans had been paid in full and showing a substantial credit balance at the bank as well, approximately \$19,000 had been expended on road work, an increase of \$14,000 over the year 1933 and notwithstanding the increased expenditure, in road work, assessment, etc. the net reserves of the municipality—not including taxes—are lower by only \$5,000 as against the year 1933 and showing an increase of some \$2,000 in outstanding taxes.

Considering the crop conditions of 1934, tax collections compare favorably with 1933, showing an increase of \$2192 in the municipal taxes over that year.

Percy Puffer brought up the matter of the menace of Noxious weeds and the enforcement of the Noxious Weeds Act specially mentioning the Bow Thistle, Canada Thistle and Stinkweed and urged the necessity of the council appointing a weed inspector to deal with the situation. Mr. W. D. Spencer, acting deputy minister of Municipal Affairs—who was present at the meeting—stated that every man who was interested in farming, should be willing to do his part in the work of exterminating the noxious weeds and that while an inspector could do much towards enforcing the letter of the act, it is up to the individual farmer to cope with the matter. J. Waterman asked if there was any way of attaching responsibility as to noxious weeds and especially in regard to noxious weeds on road allowances, which brought forth the following clause in the Noxious Weeds Act, viz:

"Every owner or occupant shall destroy all noxious weeds on the land he owns, occupies or has the right to occupy and on the area between the boundaries of the said allowance, and if he makes default in so doing, he shall be liable on summary conviction before a justice of the peace to a penalty of not less than \$5.00 and not exceeding \$50.00 and costs."

Mr. Brewster called attention to the matter of the care of the poor and after considerable discussion, the following resolution was passed, viz:

"That this meeting recommend to the provincial government that the power be granted to four or more municipalities to purchase land for the purpose of carrying on a home for the aged and indigent residing in the four or more municipalities."

(Continued on page 4)

The subject at the Union church on Sunday evening will be "The Message of Amos the shepherd prophet; Seek Him who can match the seven stars and Orion."

Instead of meeting next Monday evening the Board of trade will convene on Monday, March 3rd.

Dr. Hutchinson, dentist, will be at the Imperial Hotel, Alix, for four days commencing Tuesday, March 3rd.

Born—South of Alix, on Feb. 24th, to Mr. and Mrs. L. E. Beckman.

Notice—The doctor will be at the Imperial Hotel, Alix, on Friday, March 3rd.

At Their Annual Meeting The Municipal Council Endorse Home For Indigent

At the annual meeting of Lamerton Municipal District No. 398 was held in the Mirror Town Hall, Saturday, Feb. 21, 1925, at 1.00 p. m. A large representation of ratepayers attended the meeting. Reeve D. M. Jewell occupying the chair.

The secretary read the minutes of the previous meeting held at Alix Feb. 16, 1924, and on motion of J. Waterman the minutes were adopted as read.

The secretary then took up the financial statement for the year 1924 showing that all municipal loans had been paid in full and showing a substantial credit balance at the bank as well, approximately \$15,000 had been expended on road work, an increase of \$14,000 over the year 1923 and notwithstanding the increased expenditure, in road work, assessment, etc. the net reserves of the municipality—not including taxes—are lower by \$5,000 as against the year 1923 and showing an increase of some \$2,000 in outstanding taxes.

Considering the crop conditions of 1924, tax collections compare favorably with 1923, showing an increase of \$2192 in the municipal taxes over that year.

Percy Puffer brought up the matter of the menace of Noxious weeds and the enforcement of the Noxious Weeds Act specially mentioning the Bow Thistle, Canada Thistle and Stinkweed and urged the necessity of the council appointing a weed inspector to deal with the situation Mr. W. D. Spencer, acting deputy minister of municipal affairs—who was present at the meeting—stated that every man who was interested in farming, should be willing to do his part in the work of exterminating the noxious weeds, and that while an inspector can do much towards enforcing the letter of the act, it is up to the individual farmer to cope with the matter. J. Waterman asked if there was any way of attaching responsibility as to noxious weeds and especially in regard to noxious weeds on road allowances, which brought forth the following clause in the Noxious Weeds Act, viz:

"Every owner or occupant shall destroy all noxious weeds on the land he owns, occupies or has the right to occupy and on the area between the boundaries of the said allowance, and if he makes default in so doing, he shall be liable on summary conviction before a justice of the peace to a penalty of not less than \$5.00 and not exceeding \$50.00 and costs."

Mr. Brewster called attention to the matter of the care of the poor and after considerable discussion, the following resolution was passed, viz:

"That this meeting recommend to the provincial government that the power be granted to four or more municipalities to purchase land for the purpose of carrying on a home for the aged and indigent residing in the four or more municipalities."

Results Of Saturday's Poll

The election of councillors for Divisions 1 and 5 of the Municipality of Lomerton, held on Saturday last, resulted in the election of two new men to the board. The recount took place on Wednesday and the following is the result:

Division No. 1—

C. Cockrill 78

M. H. Olson 35

Spoiled 1; Refused 2

Total ballot 114

Division No. 5—

A. M. Crown 42

W. MacLaren 39

Spoiled 1

Total ballot 82

In Division 5 D. M. Jewell is elected by acclamation. The initial session of the new board will be held on the afternoon of Thursday, March 27th, at 2 p. m., when the council will select a Reeve and outline operations for 1925.

Scarlet Fever Epidemic Avoided

It can now be definitely stated that practically all danger of any scarlet fever epidemic has disappeared, no new cases having developed for over two weeks, in fact there have been only two cases in Alix altogether.

We consider Alix has been very fortunate as we have not had one-tenth the cases of contagious diseases this winter that have occurred in surrounding towns which is no doubt due to the precautions taken by those accountable for the maintenance of the health of the village.

If You Are Interested Be There

In the council chamber on Monday evening next (March 29th) at 8 o'clock sharp the Board of Trade will discuss the replies received to some important letters sent out by the secretary since last meeting, and will take up other matters, one of which is of which is of VITAL import. There are still a number of our citizens not on the roll and to these we point out that unity means strength and we will need all our strength to cope with the important matters which are confronting us right now.

The Bell Arrived This Week

The 280 lb. bell which was purchased by the P. T. A. has arrived and will be erected as soon as weather conditions will allow the carpenters to get to work.

The community will no doubt appreciate the donation of this organization when the bell begins sending out its music. The purchase was made through the Thompson hardware.

IMPROVEMENT

The C. N. R. have a gang at work moving the old C. N. depot from its present site to the foot of Prairie street to be remodelled and used as the depot, while we understand the present station will be used as a resident for the section foreman and as a freight shed.

NATURAL RESOURCES SETTLEMENT

Announcement that the Alberta Government had accepted the offer of the Federal Government with respect to the return of the natural resources to provincial control was made in the Legislature during the past week by Premier Greenfield. The basis of settlement is that the province will take over the remaining resources and will receive payment of the amount of the present subsidy for three years. The agreement is subject to authorization by both the Federal Parliament and the Provincial Legislature.

AMENDMENTS TO ALBERTA LIQUOR ACT

Amendments to the Alberta Liquor Control Act were submitted to the Legislature during the past week. Among these amendments are one which provides that no license to sell beer will be issued to any club after April 30th, 1925, save renewal to clubs already licensed. Another amendment will give the liquor board power to regulate hours of sale of beer as well as government liquor stores, hotels and clubs. Other important amendments are also made.

GRAIN SHIPMENTS ON GOVERNMENT LINES

Alberta Government Railways handled nearly half a million bushels of grain up to the end of 1924, according to figures just published. The Alberta and Great Waterways shipped down from northern points 3,359,593 bushels of all grains, of which 128,598 bushels was wheat. The Lacrosse and Northwestern line handled a total of 128,416 bushels of grain, of which 100,386 bushels was wheat.

MANY HOMESTEADS TAKEN UP

During the month of January free grant homesteads were taken up in Alberta, Saskatchewan, Manitoba and British Columbia, an increase of 18 over the entries recorded for the corresponding month last year. During the same month 47 soldier grant entries were filed, a decrease of one compared with January 1924. Of the homesteads, 37 were taken up in Manitoba, 117 in Saskatchewan, 73 in Alberta, and 5 in British Columbia. Of the soldier grant entries, 9 were in Manitoba, 25 in Saskatchewan, 9 in Alberta and 1 in British Columbia. The homesteads and soldier grant combined represent approximately 44,000 acres.

CROSS WORD PUZZLES ON TRAINS

The vogue of cross word puzzles is nation-wide. It has outgrown the borders of cities and towns and has extended its influence to the trains that speed across the continent. At least this is the opinion of Walter Pratt, general manager of sleeping, dining and parlor cars for the Canadian National Railway, who has announced that, in response to numerous requests from passengers, he has ordered dictionaries to be placed on all cars of the system that are equipped with a library.

HIRS WANTED

Missing Hairs are being sought
throughout the world. Many
people are today living in com-
pulsive poverty who are really
rich, but do not know it. You
may be one of them. Read for
Johns Book "Missing Hairs and
Went of Hair" containing carefully
authenticated lists of missing
hairs and unclaimed estates who
have been advertised for, here
and abroad. The Index of Mis-
sing Hairs offers for sale com-
piled thousands of names who
have appeared in American, En-
glish, Spanish, French, Italian,
Irish, German, French, Belgian,
Swedish, Indian, Colonial and
other newspapers located by
lawyers, executors, administra-
tors. Also contains lists of Rich
and Irish Queens of Chancery
and unclaimed dividends list
of Bank of England. Your name or
your executor's may be in the list

Board of Trade meeting next Monday evening in the
council chamber.

W. MacLaren left on Monday for Montreal, having
been called out to the bedside of his father who at the age
of 87 is not expected to last many days.

Mr. Lane and son have rented the Gessman farm
west of town and will move thereon as soon as Mr. Gess-
man holds his share on April 1st. We are glad Mr. and
Mrs. Lane are not leaving our district.

On Saturday afternoon, March 14th, the Ladies Aid
of the Presbyterian church will hold a St. Patrick's tea
and sale of work and home cooking in the U. F. A. hall. Potato
salad, Irish jellies and hot potato scallop among the good
things served. Don't forget the date.

It is exasperating and troublesome to have seedmen
during seedling time. This best can be avoided by getting
good live oak from the Alberta Lumber Co., Ltd. this
month and be ready for seedling in April.

The subject in the Union Church on Sunday evening
will be "Unity and diversity or variation and likeness."

The village council meeting on Monday evening last
not a long one and there was not very much business out-
side of passing a few accounts. It was decided to allow
the men until May 1st to pay their taxes and after that
the bylaw providing for destruction will be enforced.

"In most homes in all countries there will be celebrat-
ing this month the birth of St. Patrick. To us in Alberta
it is a gentle reminder that spring will soon be here and we
should prepare now by fixing up the farm machinery. In
doing so you will want real live oak lumber which can be
had at The Alberta Lumber Co. Ltd.

PHONE 23 if you require anything in printing.

Many a man who believes in giving his satanic majesty
due leaves his other creditors to hold the empty bag.

The predominant question just now is, have you your
summer supply of wood ready?

You have to be explicit these days when you talk about
a lady's weeds. People can't tell whether you mean the
ones she wears or the ones she smokes.

WHERE A MISSTEP MIGHT MEAN DEATH

THE Road on the Car-
roll Highway, Jasper Na-
tional Park, extends along
the edge of the earth under the
weight of ice and snow that
can bring effects of air and
wind, draw excavations of
ice and snow from thousands of feet
above the largest of Canada's Na-
tional Parks every year.

The road, shown, believed to
have been the pioneer of earth
have since on many times
the people have all around them
and are now ready to see the
building stones, now in danger

the slightest breath of wind would
be sufficient to send them hurt-
ling to the bottom of the valley
hundreds of feet below. A few
feet apart with the foot of a
large stone on the highway and
down every inch and foot, down
only yet barely repair their path
and remain locked as firmly as
before.

The tourist in the photograph
who was told money is made
here is a man who is the first
to see the beauty of the Canadian
mountains, and a mountain drive
is again repeated the best

took in the I. O. O. F. whist drive and dance at Olive on Friday evening. A splendid crowd turned out, filling the hall, over 1000 present. The ladies provided a beautiful supper, after which the floor was cleared and with the excellent music provided by the Olive band, no enjoyable time was had by all. "Give it to the competition" on the performance of his band as it has only been organized a short time. When provided his place while the band rested.

Mr. James Schumacher was a business visitor to Calgary, also returning he has thanked for Mr. Harvey Grotzfeld.

Mr. John McMillan has returned to town for the summer on the to keeping house for his father-in-law, Mr. Dan McMillan.

Mr. Frank Andrews is reported to be on the road after an attack of grippe which narrowly escaped turning to pneumonia.

Mr. Frank Perkins is again able to be around after being laid up for some weeks.

The Mill men boys are visiting a number of friends and relatives, and some of them have been very successful this season. The polo have been in the above and the prize money has been a good return for the time spent.

Will Hold Sports Day Early In Month of July

Alix Agricultural Society Will Take
Steps Toward Annual Stock Sale

The meeting of the Agricultural Society held on Saturday afternoon of last week was very well attended and a number of matters of import were briefly discussed.

President Williamson occupied the chair and on calling the meeting to order asked the representative to the Calgary convention for his report. Secretary Pettit gave a lengthy paper on the session, dwelling at length on the various matters which he judged would interest the present assembly.

The judges' report on our 1934 fair was very gratifying, showing our per centage to be 75 and making very favorable comment on the management.

A lengthy discussion took place re the advisability of arranging for a stock sale next fall, the result being the formation of a committee to arrange for said sale.

It was unanimously agreed to put on a sports day on the fair grounds the earliest possible day in July, a committee being formed with instructions to proceed with all the arrangements.

Several additions will be made to the prize list this year especially in the horse classes, and a rule of protection against rain will be inserted.

Watch for the bills announcing the Annual Agricultural Society Dinner which will be held early next month.

It is the society's intention to make some appreciable alterations to their grounds and materially improve the track.

At The Union Church Sunday

The subject of the address at the Union church next Sunday evening will be from Prov. 24, 30-32 "I went by the field of the slothful and the vineyard of the man void of understanding and low it was all overgrown with thorns and nettles had covered the face thereof and the stone wall thereof was broken down. Then I saw and considered it well. I looked upon it and received instruction."

Degeneration—Physical, mental and spiritual.

The Sunday School lesson for next Sunday will be found in Rev. 1:9-18. Golden text "Jesus Christ the same yesterday, today and tomorrow"—Heb. 13:8. The attendance last Sunday was 8 adults and 44 children.

EDUCATIONAL TREAT

"The Vicar of Wakefield" Oliver Goldsmith's immortal novel, now on circuit of High schools of Alberta (service by Department of Extension of Alberta) will be shown in moving picture at the Union Church, Alix, on Monday evening, March 30th. Two and a half hours presentation. Adults 35c, children 15c.

NEW CLOTHES for SPRING

Be in Style — Wear EATON Clothing

YOU can be in style, and afford to keep in style, if you make the EATON Catalogue your clothes shop.

We are particularly pleased with our clothing buyers' selections this Spring—not only because the apparel itself is up-to-date in style, materials and colors—but because their thoughtful buying has enabled them to place the Catalogue pages at prices that will afford them the

And that is the aim of EATON buying—the best of clothing on a basis of value to the consumer's merchandise that will make a steady friends value the single immediate buy.

Don't forget the general invitation to the last session of the bridge club next Tuesday evening.

Miss Tremma Hunter of the Stettin school was a visitor at her home here from Saturday until Monday.

Mr. J. R. Mackie left for a ten day's business trip to Vancouver last Monday.

Wednesday of next week is everybody's day.

Mesdames S. Cruikshank and A. S. Hisset left for Edmonton on Thursday, the former to undertake an operation for gonorr.

Don't forget the sale of home cooking, etc., by the Women's Institute on March 28th [Saturday] in the rest room.

During both Saturday and Monday nights heavy rain falls visited this district, and the unusual part of it was that the fall followed instead of a snowstorm. We doubt if any of our citizens ever witnessed this heretofore at this time of year.

We are pleased to see our old friend, George Neilson, on the street once more after his long sickness.

SURPRISE PARTIES

On Friday evening of last week, March 20th, a large number of the neighbors, some 60 in all, gathered at the home of Mr. and Mrs. V. Schnepf to congratulate them and help celebrate the 37th anniversary of their wedding. The evening was spent in music and dancing and a bountiful supper supplied by the visitors. After leaving they wished this worthy couple many more years of wedded happiness.

Mr. and Mrs. S. Cruikshank were very pleasantly surprised a few nights ago when a bunch of their neighbors arrived at their home and spent a happy time for a few hours in which those present were Mr. and Mrs. Cockrell and Frank, John and Mrs. Borum, R. Estell and Monty Graham, Mr. and Mrs. M. Sorum and Edie and the boys, Mr. and Mrs. R. E. Kerr, Mr. Munson, Mr. Tom Young and Eddie Kerr.

Miss John Sorum captured the prize for the ladies and R. E. Kerr the Gents. Mr. Munson says he would have been better satisfied if the latter's count had been properly audited but would that Bob's word for it for once.

An Additional Payment of 2c On Last Year's Egg Business

In a letter from Edmonton dated March 31st, 1935, Mr. C. M. Yarwood, representative of the Egg and Poultry Marketing Service, received intimation of an additional payment on last year's business, which will be welcome news to those who did business through this medium—

"You will be glad to know that we are about to make a distribution on 1934 business. We made quite a little profit on eggs that we placed in storage in April, May and June last year, and we are sending out 2c additional on extras and 1c additional on firsts in respect to eggs received during April, May and June last year. These checks will go forward in a few days time."

Three Local Plays To Be Staged In Alix By All Local Talent

The Ladies' Aid of the Union Church are staging a mixed entertainment in the Vet's Hall in about three weeks. Watch for posters and full announcement later.

Right after Easter the girls of the C. G. I. T. are presenting in Alix a play entitled "The Deacon Exchanged", which, we understand, is a good laugh from beginning to end. The girls have been working hard on this production and you may come assured of a good evening. Watch for full announcement.

Then nearer the end of the month one of our local organizations is presenting to the public a three-act comedy entitled "Nothing But The Truth." The cast of characters in this production is exceptionally good and the rehearsing has been going on for weeks, consequently you may look forward to a little better than the usual. More anon.

Heaps of Trains

For the past few days the C.N.R. depot has presented a real city appearance, as in addition to the regular trains Nos. 9 and 10 Winnipeg to Calgary and No. 20 Camrose to Wayne have been added this way owing to the rise of the water in the Rosebud. The report that the bridge had gone out is incorrect but the officials re-routed for safety.

"Would you mind driving a little slower, old man?" (voice heard, any year) "Oh, not at all, but I'd like to take an unfair advantage of my life insurance company."

Shortage of Good Potatoes

A shortage of good potatoes in Saskatchewan and throughout the west is believed to be responsible for the marked increase of the department of agriculture.

Heaps of Trains

For the past few days the C.N.R. depot has presented a real city appearance, as in addition to the regular trains Nos. 9 and 10 Winnipeg to Calgary and No. 20 Camrose to Wayne have been running this way owing to the rise of water in the Rosebud. The report that the bridge had gone out is incorrect but the officials re-routed for safety.

Mrs. I. H. Langford of Toronto and daughter Ellen are this week visiting her brother, Mr. Price. They were on their way home from the coast.

At the horse sale in Lacombe on the 25th of March Mr. J. D. Waterman sold a team of mares for \$220.

The Home Merchant!

Who Is He?

He is the chap who gives you back your money or makes change for you when you are not satisfied with what you have purchased.

He is the chap who meets you at the door with a hand-shake, and lets you out with a message to the "kids" and a nod "come again, good-bye."

He is the chap whose clerks live in the town and spend their money with you and other local people.

He is the chap who helps support our churches and charitable institutions and talks for the home town and boosts for it every day in the year.

He is the home merchant—your neighbor—your friend your helper in time of need.

Don't you think you ought to trade with him?

Don't you know that the growth and prosperity of this town depends very largely upon the prosperity and success of the home merchant? Out of town people judge our town by the appearance of our towns and by the degree of enterprise shown by our merchants. All our home merchants succeed when we help them to succeed. Make a resolution to BUY at HOME.

News From Tecs

[TWO LATE FOR LAST WEEK]

Mr. Archie Hanes spent Wednesday in Lacombe. Mr. S. Schenck spent Tuesday in Lacombe. Some of the young folk took in the dog-days at Gadsby last Friday night and had a good time.

Mr. M. Lockwood spent Wednesday at Lacombe as did Mr. L. Schenck.

Mr. Olson returned home last week, leaving his wife accompanying at the home of her father, Mr. Dennis.

Mr. E. F. Morris was a business visitor to Edmonton for a couple of days this week.

Will Meet Tuesday Evening

The Village Council and Board of Trade will hold their regular monthly meetings in the council chambers on the evening of TUESDAY, April 7th. The council meets at 8 o'clock sharp and the board of trade meets immediately after. The change of date is made it possible for all to take in the entertainment in the Union Church on Monday evening, April 6th.

Pure Seed Oats Available

The provincial government co-operative seed plant at Edmonton has a considerable quantity of registered seed oats available at prices now ranging from 75c to \$1.00 a bushel. It is possible that these prices may go higher and farmers in Alberta are urged to make their application for seed oats at once, as a large number of enquiries for these oats is being received from outside the province, and the government is anxious that Alberta farmers have the first opportunity of securing them.

Broad-Casting Alberta Talks

The publicity branch of the provincial government is now broadcasting each week from the broad-casting station of the Edmonton Journal, instructional talks on the Province of Alberta. Three of these talks have now been given. They are broadcasting each Thursday evening at 10 p. m.

A CLEAN SLATE

"Last Week" for December gives an account of the success of an Alberta farmer. This farmer credits part of this success to advice given him by another farmer when starting homesteading. It was "never put a cent of mortgage on your homestead after getting your patent except for illness." The advice was followed and the farmer considers himself quite prosperous today.

How many of us can show a clean title to our land today? Would such advice be given to each of us when we took up our land have been needed? There is a lesson here for those of us who have had our land plastered with mortgages and other encumbrances. We blame the other fellow for our troubles, when, if we look inwardly we ourselves have a great deal to do with the real cause.

We should promptly realize this and commence to "get our house in order" by clearing off these incumbrances as best we can, and once getting them cleared off, keep them that way and be like the Alberta farmer referred to above—contented and prosperous.

"Does the baby tattle after his father, Mrs. Jones?"
"Yes, indeed. We took his bottle away from him and the little darnd tried to crawl down the cellar steps."

Mill Rate For 1925

To Be 7 Mills

The regular monthly meeting of the council of the Municipal District of Lamerton No. 308 was held at the office in Alix on Wednesday, April 8th, at 2 p. m.

Present—Messrs. Cockrill, Tallman, Sherburne, Cassell, Crown and Jewell. Reece Sherburne in the chair.

The minutes of the previous meeting held March 12th were approved of as read on motion of Councillor Cassell.

Committee composed of Messrs. Cassell and Crown was appointed to investigate the claim for damages re impounded stock—E. J. Bray and Wm. Schumacher—and report at the next meeting of the council.

Adjutant Bourne of the Salvation Army addressed the council on behalf of the welfare work of the army and asked for the assistance in a monetary way in carrying on the work. Mr. Jewell moved that a grant of \$100.00 be allowed, the motion being carried unanimously.

Several applications for seed grain relief, was brought before the council and after considerable discussion, the following motion was made by Councillor Crown and carried unanimously, viz., that the council could not see their way clear to allow any advances for seed grain relief this year.

On motion of Councillor Jewell, the mill rate for 1925 was fixed at 7 mills.

A motion by Councillor Cockrill that the motion on the minutes under date of Dec. 13th relative to the purchase of a building for office purposes and the removal of the office to Mirror be rescinded was lost, the vote being 3-3. The matter was then left over until next meeting of the council.

Councillor Cassell handed in his resignation as councillor for Division 4, the resignation to take effect May 1st, 1925, and on motion of Councillor Tallman, this resignation was accepted.

Mr. Tallman moved that a nomination meeting be held in Clive April 25th at 3 p. m. for the purpose of receiving nominations for councillor for Division 4 in place of Mr. Cassell and that the election be held at the office of Mr. T. A. Brereton of Clive on Saturday, May 2nd, with Walter Raugh of Clive as returning officer.

On motion of Councillor Jewell a number of accounts were passed for payment. Meeting adjourned at 4.30.

Village Council

Regular meeting of the village council was held in the council chambers on Monday evening with all the members present.

The following bills were passed for payment—G. A. Thompson, ditching on Main street \$1.50

Dr. Sutherland, medical services \$2.70

Dr. McLennan, medical services \$2.00

Also several discussions on various subjects.

Yn, immigration, month of 1925 is about to open. Already the thousands of what is expected to be the largest influx of new settlers since 1912 is preparing to enter the British Isles, and from there onward for some months every trans-Atlantic airplane will bring the quota. Canada will welcome these new settlers provided they are of the right type and come with a full determination to work for the mother and their adopted country; and not to lean on others, and look to the Government to pump and support them.

Canada will welcome them because it is now generally recognized that

The first railroad shipment of Alberta cheese to the province of Ontario, was recently made by a local passenger train. This movement was the product of a number of these cheese factories in the central part of the province. The shipment graded No. 1 by government inspectors.

It's a grand thing some smart merchants did in 1914 to offer to distribute the breakfast.

Selling Alberta To The World

The executive of the Alberta Press Association in a recent bulletin to members makes the statement that "problems confronting most of the communities in Alberta would largely be solved if the people were sold on their own community." The idea is amplified further in the following statement: "If we had condensed per cent local pride in our own communities, Alberta would certainly be sold to the outside world." There is truth in these observations.

In the world of men and affairs the down-at-the-heel, slipshod, feckless individual makes a poor sale prospect for the reason that it is evident he does not consider himself worth anything. His estimate of himself, as indicated by the care and style in which he treats himself, is the estimate the world will have of him.

And the world is not far wrong. The man or woman who has reached a point in a downward career where personal appearance ceases to be factor of importance in life, is coming close to zero point in the estimation of others. What is true of individuals in this connection is true also of communities. If there is one thing more than another that has "sold" Calgary to thousands of casual visitors and made them good advertisers and boosters for this city, it is the fact that Calgary citizens have kept their city clean and well shown; that they are "sold on their own city" by the way they have maintained the city and its services in first class shape. If they desire to keep the world "sold on" Calgary they must keep up their good record in community service in all directions.—Herald.

But there is no reason why Calgary should be the only show community of the Province of Alberta. The smallest water tank, one elevator hamlet has as much right and as much opportunity to be a one hundred per cent show spot. It may be a little more difficult for its residents to persuade themselves to be "sold" on it, but every more in the direction of the improvement and beautification will make the task easier. Trees, vines, shrubs, flowers and well kept gardens with the wise use of paint, will quickly transform hundreds of these desert hamlets into little Eden gardens. Community effort will accomplish all this with a minimum cash outlay, coupled with a generous offering of elbow grease and perspiration.

This is the season of year when it is easy to start these community selling campaigns. The Board of Trade and like organizations can be notable performers in the local selling campaign. What they do for the large centres the residents of any and every small centre in the province may do if they set their minds to the task. Every country school ground, every church and cemetery ground throughout Alberta, provided the people are willing to sell themselves to the job, can be made an important factor in the successful selling of the province to the world at large. Now is the time to get busy.

Stampede Dates Are Set

The second annual Stampede and Sports Day will be held on the Duto Stampede Grounds, ALIX, on the first two days of July. This is just a preliminary notice. Watch for bills and full announcement.

Happenings at Tees

Mr. Harry Moore has returned to Tees after spending the winter in Montana.

Mrs. Frank Heath spent Saturday in Clive on pleasure and business.

Miss Mary Cunningham is spending a few days with Mrs. Browner.

A whist drive was held in the Ladies' Aid rooms on Wednesday night, the hostesses for the evening being Miss B. Bellhouse, Muriel Fry and M. McKee.

A quiet wedding was solemnized at Lacombe on Wednesday, March 18th, when Mrs. Maggie Mae Hanes became the wife of Mr. Leonard Schambers.

Orrie Conrad has his wood contract finished and the pile looks a credit to him.

Jim Schambers has moved the family to the farm and will be missed in town.

Joe Baldwin came into town and saved all the wood. Mrs. Heath procured meals for all the men.

W. Wallace of Alix visited at the Heath home one day, bringing Mr. Heath's team home.

A number of people from town took in the Goodness race and reported the roads very bad.

Mr. McCarty spent a few days visiting friends in the town and district. We were pleased to see his untiring countenance once more. For the summer he will be stationed at Cadogan, Alta.

Orrie Conrad has moved to the farm for seedling time.

Boost and the world opens to you; Kinosh and there's society at home.

Preparing For The Field Day

At a meeting on Monday evening last the initial steps were taken for the holding of the Second Annual School Children's Sports Day, the date chosen being Monday, May 25th.

It will be remembered what a grand success this event was last year and the keen interest which was taken in the competitions by the 12 schools represented, and it is the intention of the management to enlarge on the program for this year and make it as even better day.

The same officers as last year have been re-elected, a committee of three being appointed to draft the program of events and at a meeting to be held this Friday evening the list will be passed on and in a few days copies will be distributed to the various schools in this inspectorate.

The Tennis Club

The annual meeting of the tennis club was held in the club rooms on Wednesday evening at 8.30. Although but a corporal's guard of the old club were present, a goodly bunch of the coming players took the seating capacity of the club room to the limit. President W. H. Mitchell occupied the chair.

The minutes of the previous meeting were read and approved as well as was the financial statement showing a balance of \$4.19.

Officers of the coming year were elected as follows—

President—W. H. Mitchell
Vice—Miss Parry
Sec.—J. Talbot
Official opening day fixed for Wednesday, May 13th, when a tournament will be held for members only.

Membership fee for 1925 to be \$2.00, members to furnish their own balls except for tournament games.

The rule regulating the age limit was amended so as to permit persons of 16 to join instead of 18 as formerly.

Authority was vested in the executive to suspend any of the members breaking any of the rules.

S. PARKWAY CHURCH

Morning service and Holy Communion will be celebrated on Sunday, April 26th, at 11 a.m. Archdeacon Dewdney will conduct the service.

Personal Items

Our old friend, Mr. C. H. Pinnell, of Edmonton, was in town a couple of days this week.

Mrs. H. G. Finch and daughters returned home Monday from their visit to friends at Vilna.

The subject at the Union Church on Sunday evening will be readings from the Book of Job illustrating the meaning of the drama.

Ruby, the five-year-old daughter of Mr. and Mrs. C. Keuse, was taken to the Red Deer hospital on Wednesday where she underwent a successful operation for a ruptured appendix and is now recovering rapidly. The operation was performed by Dr. Sutherland of Alix.

And still the moisture is coming. Lots to start the crops, and this two-day rain goes a long way toward finishing the job.

Some people are not satisfied to do nothing, even when they have nothing to do.

Pharm Burn Under Water

Produces Steam Power Capable of Driving Locomotives or Steamships

By a process evolved by H. H. Clark, a noted English engineer, a chemical reaction between water and a certain kind of metal produces steam instantly in great power capable of driving a locomotive or a steamship. This method is applicable also in naval warfare, and is the principle of the "water-bomb" used by the British in the Boer war. With a generator submerged under the sea, the water-bomb can be used for great distances.

from London Chamber and West. Its confidence is based on the fact that it is able to leave matter immediately, it is claimed. The issue is probably a mixture of oil and air, which is pushed after contact with the water, where it forms foam, creating a mass of four thousand degrees Fahrenheit. In addition to its mechanical applications, the principle can be applied to the interests of agriculture in the form of a spray and used in the form of a spray, by regulating the amount of air blown in the flame.

Farmers & Stock Growers

A meeting will be in progress from 10 a. m. to 12 m. at the Hotel Elks Forum, the Executive Marketing Association, limited, with the Alberta Co-Operative Live Stock Producers, Limited (Live Stock Pool). The farmers and stock growers of the Alberta District are requested to identify themselves with their local shipping association (instead of signing a contract with the pool direct) it is important that this be done at once in order that the association may be completed promptly, promptly in the final drive for membership in the pool to begin on June 1st, 1924.

A Few Dates You Should Not Forget

The Public Sale is town on Saturday.

The three-act comedy "Nothing But The Truth" in the Regal Theatre, Alia, under the auspices of the P. T. A. next Tuesday and Wednesday evenings, the 28th and 29th. The play has taken hold wherever it has been presented and the local talent responsible for its presentation in Alia are quite capable. Practice is being going on for several weeks and the public is sure to see a treat.

Remember the Big Dance under the auspices of the ALIX AGRICULTURAL SOCIETY on the 15th of May (Monday). Full information later.

Mr. H. Hicking arrived on Saturday from his home at Hatzic, B. C., to spend the summer on his farm north of town.

Mrs. H. Berg has been visiting for the last couple of weeks with her parents. Mr. and Mrs. W. K. Brown, west of town.

The Sunday School lesson for next Sunday will be found in Acts 6:8-15 and 7:54-60. Golden text—"Be thou faithful unto death, and I will give thee a crown of life."—Rev. 2:10. The attendance last Sunday was seven adults and 45 children.

"How to be happy, though married" put beaver board on the old wall and ceiling and maple flooring over the old floor of her favorite room. The Alberta Lumber Co. Ltd. can supply you.

Spring clean-up suggests making those necessary repairs about the house. What an improvement a new front door would be. Perhaps windy winds have loosened and torn away a few shingles. Better fix up the weak spots before spring rains cause a lot of damage. You will find everything in the building material line at the Alberta Lumber Yard.

Dr. Mecklenburg, eyesight specialist, will be in Alia on Monday, April 28th, from 1 till 5 p. m. Do not neglect your eyes.

Mr. Clark Walker has taken a position at the creamery and on Saturday moved his family to town into the Yarwood cottage on Jamieson street.

Farmers and stock growers should read the ads. of the Alberta Co-Operative Live Stock Producers, Limited, (Pool) on this page.

Drew Two Bumper Houses

"Fools rush in where angels fear to tread" and as we would expect to be the latter we may be classed with the fools for even attempting to say one word about "Nothing But The Truth", which was staged on Tuesday and Wednesday by an all local cast.

It is many a year since an Alix audience were given the privilege of a like treat, and it is beyond us to pick or choose among the actors, suffice to say that from the two large audiences we have not heard a word other than supreme satisfaction. The play was heavy, but each and every part was handled on the professional style and brought out the fact that we have the talent for any production we care to stage.

We can assure this company, who have given of their time, gratis for the benefit of the public, that they have the unstinted admiration of all and that they will receive the same patronage if they again favor us at some future date.

Preliminary Notice

The committee responsible for arranging the "Dominion Day Sports" held a meeting on Saturday last and compiled a program of horseback bucking contests, baseball, foot races and other attractions which will assure a wonderful day.

Will Go To Mirror

The C. G. I. T. girls will go to Mirror on May 1st. The girls will stage their popular 3-act comedy "The Deacon Entangled." We assure our friends to the north that they are assured of a real good evening and trust they will find time to take in this show.

B. PAINCHAMP CHURCH

Baptismal service will be held at St. Pancras church on Sunday, May 10th, at 3 p.m., followed by the regular evening service. Those wishing to have their children baptized kindly communicate with the Rev. Morgan or his wardens.

Friday, MAY 15 is the date for the place and the big dance in the evening.

Tees Happenings

Mr. Will Ardley had the misfortune to lose the fine brood mare he purchased from E. Gosselman.

Mr. and Mrs. B. McMillan have returned from Barons, Alta., and have taken up residence in the Lumber Company's dwelling.

Mr. M. A. McMillan has leased his farm to Gentleman & Cornack of Edmonton.

Threshing has been completed in this district and everybody is on the land.

Madame F. Heath and J. Orr visited Mrs. Wallace of Alix on Tuesday and attended the play.

Quite a number of our young folk took in the play at Alix Tuesday night and all enjoyed it very much.

Mr. Harahan was a business visitor in Tux Tuesday. L. Y. Wing & Co. have completed the interior decoration on their store and have everything in fine shape now. Will Ardley has received a shipment of 60 bus. registered seed from the seed branch in Edmonton.

Mr. and Mrs. Trux of Bashaw went to Lacombe on Tuesday.

A representative of the Imperial Lumber Yards spent a few days in the district.

Mrs. Roy Joelyn of Lacombe is spending a few days at her father's.

We are sorry to learn of the serious illness of W. H. Over of Tristram. He had a stroke on Sunday and now is very low.

IT ALWAYS PAYS TO ADVERTISE

A Measure of Importance

Hon. Mrs. Parly's proposed bill dealing with the relations of husband and wife is a measure of the greatest importance. Mrs. Parly showed wisdom in having the bill merely presented during the session of the legislature just ended. It was her object, as it was also most desirable that it should be thoroughly discussed by all organizations interested throughout the province before any final action was taken concerning it.

While in an ideal state of affairs such a bill would be unnecessary, we have to admit that under existing circumstances the need for legislation is all too frequently apparent. Governments have from time to time legislated to define family relations, but it is only in later years that real serious attention has been paid to the subject. Our older laws governing husband and wife were admittedly outdated, giving the woman little more than the man was entitled to.

While there are many different views points, Mrs. Parly's bill indicates a painstaking effort to bring about a satisfactory situation of the family. What each party can before marriage remains the individual property. Release from individual property following marriage belongs to the partnership. What is acquired after marriage is jointly owned on a fifty-fifty basis. With husband and wife, and not physically or mentally one party, but a business manager of the family partnership, though he may not dispose of any assets thus jointly owned without the free consent of his wife.

The bill has merit and may have deservits. It is an important measure and should be carefully studied by the citizens of Alberta between now and the next session of the legislature, when it will be dealt with further.—Herald.

Province Gets Share of Funds

The Alberta Government's share of the surplus funds of the former west board of the dominion is \$112,000 a check for which amount has been received by the Provincial Treasury.

Alberta To Be Represented

Hon. Mrs. Parly, Minister without portfolio in the Alberta Government, and Mrs. R. B. Gunn, President of the United Farm Women of Alberta, left on Monday to attend the International Council of Women to be held at Washington, D. C. Shortly, as representatives of Alberta, Mrs. Parly will take part in the discussion which is to be held on the community property bill which she introduced into the Alberta House. On the return trip Mrs. Parly has accepted an invitation to address a meeting in Winnipeg. The ladies will be absent several weeks.

Premier Goes To Ottawa

Premier Greenfield left this week for Ottawa where he will be in conference in connection with the natural resources, the Peace River railway situation, and other matters.

May Make Paper From Straw

The investigation which has been made by the Provincial Government during the past year or more in the possibility of manufacturing newspaper and other classes of paper from straw, have proceeded to the stage where Premier Greenfield has decided to have an expert sent to the province to go fully into the matter. Tests made for the province in eastern laboratories have proven so successful that it is deemed advisable to have a visit from an expert. It is estimated that a plant which would handle 25 tons per day of the cereal products would cost \$200,000 and it is hoped to interest capital in the project.

Junior Baseball League

Mr. Johnson of the Union church, Junior, was in town on Tuesday seeking interest in a Junior Baseball League for boys who have not yet reached their 16th birthday. He has already interested Ripley and Mirror and in addition to Alix hopes to sign up several other teams. A meeting of the boy representatives will be held (possibly in Alix) in the near future to consider arrangements.

School Sports on "Victoria Day"

The program of events for the second annual School Sports Day, to be held on the school grounds, Alix, on "Victoria Day" Monday, May 25th, appears in this issue. As an outdoor event the last year's program eclipsed everything, both for young and old, and we can assure you that this year will be just as good, and if effort will count, even better. Keep this date open and bring the kids.

ITEMS OF INTEREST

Mrs. G. A. Thompson has been visiting with Edmon-
ton friends since Monday of this week.

Miss Marjorie McKee, teacher at Treva, was a visitor at
the Bisset home from Friday until Sunday.

The regular meeting of the Village Council will be held
in the council chamber next Monday evening and the Board
of Trade will convene immediately after. Come to both.

The Sunday School closes for next Sunday will be found
in David 1:8-17. Golden text: "Daniel purposed in his
heart that he would not defile himself with the portion of
the king's meat, nor with the wine which he drank."—
Daniel 1:8. The attendance last Sunday was 8 adults and
52 children.

Hacking school re-opened on Monday with Miss Wilson
of Veteran as teacher.

Mary had a herd of cows gave milk as white as snow
And every time a fence blew down the blizzard used to go
If only Mary had bought some of those split cedar fence
posts the Alberta Lumber Co. Ltd. have in their yard, she
would have been saved a lot of trouble and expense.

Rev. Renwick leaves for Toronto at the end of this
month as commissioner to the general assembly of the Pres-
byterian church. Rev. Powers of Calgary, superintendent
of the Methodist church, will take the services in Alix on
May 31st. Rev. Layton will motor out from Lacombe on
June 14th to take the service. It is expected that the Rev.
Beveridge of Camrose will take the service on June 7th.
The subject at the Union Church Sunday evening
will be "The healing of the Gadarene demoniac."

The Alberta Lumber Co. Ltd. specialize on car lots of
any kind of building material: Coast Douglas Fir, Moun-
tain Spruce or Fir, Building Tie, Brick and Cement, and
sell on delivered list of any bona-fide concern quoting into
Alberta. You have the advantage of exchanging and secur-
ing your extra on the same basis. Call and see H. G.
Finch or phone him and he will drive out and talk it over.

NOTICE—In view of the depredations wrought last
year by organized bands of safe blowers and burglars, th-
roughout the Western Provinces, it is considered advisable
to again sound a note of warning. The presence of suspicious
strangers should be reported to the proper authorities
at once. All storekeepers and other business people who
are in the habit of keeping money in small safes are advised
not to do so. The co-operation of the public is earnestly
requested in carrying out the above.—Alberta Provincial
Police.

Village Council Regular Meeting

The regular meeting of the village council was held on Monday evening with all the members present and a fair representation of citizens.

The minutes of the last meeting were approved.

The following accounts were passed for payment: F. McGonigal, work \$17.40 W. Melvin, janitor 6.00 D. Melvin, cashier 18.00

Provisions for Mrs. Belz A. G. Ditto 6.15 W. Peacock 47.70

The secretary was instructed to send the "Peacock bill" to H. Belz with a request for payment.

The health inspector's report showed a satisfactory condition in regard to sanitation.

The following applications were approved in connection with recommendations for restaurant licenses:

R. W. Peacock J. W. Scott Wong Loon Mrs. Garrett W. Patrick T. Wilton

Council decided to hold a tree planting bee on August 1st and all residents are requested to turn out and do their bit. Cars will be used to bring in the trees and it is hoped that a large number will be set out.

There being a difference of opinion with reference to the Wednesday half holiday during the summer, which has been in vogue for a number of years, it was decided to refer the matter to the local merchants.

The matter of decoration on holidays was freely discussed and the laxity in the use of our flag was pointed out, and in order to overcome this, a committee was appointed to canvas the town and have as many as possible sweet poles and buy a flag. Mr. Wilson kindly offered to supply this order at once.

It was decided to once more warn those who have disregarded the pound law that they must keep their stock off the street. If we are to spend time and money in an improvement of the town, the governors feel that they must protect that effort and that the parties in question cannot take offense.

Will Serve Tea

The Guild of St. Pancras church will serve a 15¢ tea in the parish room on the afternoon of June 1st, 1926.

Local Interest

A change in the passenger service on the C. P. R. is to take place on the 17th (we understand) when the summer schedule will become effective.

The next regular meeting of the Municipal Council of Lamerton will be held on the 20th of May [Wednesday] at 2 p. m.

The election on Saturday to fill the vacancy on the M. D. council in Division 4 resulted in Wm. Cunningham of Ties being elected. 148 ballots were cast as follows: Wm. Cunningham, 70 Norman Meadows, 41 57

Mrs. C. D. Rouse returned this week from Red Deer bringing home her little daughter who is recovering rapidly from her operation.

M. E. HOWE, OFFICER will be at the Imperial Hotel on MONDAY, MAY 11th.

Everybody turn out on Monday "Arbor Day" and help in the tree planting.

Mrs. Price of Stettler will address a meeting in the U. F. A. hall on Saturday afternoon on "The Provincial Egg and Poultry Pool." You will be well advised to avail yourself of this opportunity of hearing the lady talk on this subject.

Oliver Lodge of I.O.O.F. observed Memorial day on Sunday, May 2nd, when a splendid attendance greeted Rev. Baker of Red Deer who spoke on the three principles of Christianity, namely Friendship, Love and Truth. The choir of the Methodist church rendered two special selections appropriate to the occasion. Rev. Baker observed that Armstrong's people are the people.

Mrs. J. M. Orr received a wire on Saturday announcing the death of her Uncle Emanuel Ford, which occurred at Chilliwack B.C. that day last week. Mr. Ford had been a cripple for fifteen years from the effects of smallpox.

Mr. and Mrs. Burckell and family motored up from Calgary on Saturday. Mrs. Burckell will be a visitor with her mother, Mrs. Brookfield for a few weeks.

Board of Trade Monthly Meeting

The regular monthly meeting of the Alix Board of Trade was held on Monday and was very well attended. The following letter of appreciation from the Land Settlement Branch of the Department of Immigration and Colonization was read:

President of the Board of Trade, Alix
Dear Sir—We have been informed of the kindness that you and other members of the Board of Trade, have shown towards the Rogers family in welcoming them on their arrival and on behalf of this branch I wish to express our deep appreciation. The welcome extended to this family on their arrival in a large measure offsets the loneliness and homesickness they are bound to experience and their experience on reaching their new home will remain as a lasting impression with them throughout their citizenship.

The chairman of our branch at Ottawa has requested me to convey to you and your colleagues his personal appreciation and that of the land settlement branch of the very fine spirit you have shown in co-operating with us in welcoming and helping to assist these newcomers to our country. Yours truly,

W. L. WOODS, District Superintendent
A letter was read from A. C. Johnson on behalf of the Central Alberta Dairy Association suggesting that a joint meeting of the promoters of the sports day for July 1st and representatives of his association be held with a view to combining forces for that day or days. Mr. Larson was requested to arrange said meeting with Agricultural society who are putting on the sports.

Secretary was instructed to take up with the C. P. R. the matter of a train at the crossing by the creamery, said crossing being a danger spot as it is.

It was decided to order a map out to be used for advertising purposes.

TEES TATTLINGS

Everyone is busy on the land just now, without sending in many finished and the seed was sown some under better conditions. We look for a bumper crop if we get a few rains later on. It is reported around the district that Mr. W. E. Ties has sold all his land holdings except the 2 sections in the Ross Pass to a Minnesota Colony. A Calgary firm handled the deal. No figure has been quoted.

We regret to report that Mr. Fred Elmer is very low. He has been sick since last fall and most of the winter he had to keep to the house. A few weeks ago he became much worse and is constantly under the doctor's care now. We hope and trust for his recovery.

We are pleased to say that Mr. W. E. Orset, who has had an attack of sleeping sickness, has regained consciousness and is improving steadily. He hopes to be around again soon.

The people of Ties all took a long interest in the election on Saturday. Everyone turned out to vote and showed their confidence in Mr. Cunningham by giving up a substantial majority for him.

Miss Alberta Montgomery has returned to high school again after being down with the grippe for a week.

Mr. Vern Barrows has purchased a Chalmers car from Muskelford.

A. G. DITTE

A Forecast For Dominion Day

The Alix Agricultural Society and the Central Alberta Dairy Association will join forces for the holding of a Big Day of "Business and Pleasure" on Wednesday, 1st July "Dominion Day", such was the decision arrived at Saturday by a joint conference of representatives of the two organizations.

The addresses on the advantages of the pool will be in the morning, to be followed in the p. m. by a program of horse races, bucking contests, ball games and athletics.

Then in the evening will be staged a re-production of the play greeted a couple of weeks ago by two bumper houses "Nothing But The Truth."

The entire program will be held on the Agricultural grounds, the addresses and play to be delivered in the hall in which a stage and seating will be erected.

All details are not completed but we understand a band has been engaged, refreshment and lunch stands will be provided and that a committee is making such arrangements as will ensure a pleasurable and profitable time. Full particulars later.

Stampede In June

Large posters have been circulated announcing "The Big Rodeo and Stampede" to be held on the Ditto grounds, Alix, on Thursday and Friday, June 4th and 5th. Mr. Ditte has turned the entire management over to a company who are staging several such events in the Province this year, Messrs. Gordon & Turdell, who are old hands at the game. We are told they have a big bunch of horses of their own and experienced riders, which in addition to the local wild once will make a real stampede. Don't forget the date: don't fail to be there JUNE 4th & 5th.

Surprise Party

On Monday afternoon of this week a number of ladies from town and country assembled at the home of Mrs. St. Elmo Sanderson to help her celebrate her 31st birthday. Before serving the dainty luncheon provided by the ladies, Mrs. Sanderson was surrounded with a pyrex candle and many happy returns.

Appointment Committee To Handle Contract

An organization meeting of the Provincial Egg Pool was held in the U. F. A. hall on Saturday last and was well attended.

Mrs. Price of Stettler of the District Directorate of the U. F. W. A., addressed the meeting outlining the aims and objects of the pool and a committee was appointed to take care of the sign up of contracts in this district, as follows:

Mrs. McGhee, Gadsby Lake; Mrs. Semple, South of Alix; Mrs. Williamson, East of Alix; Mrs. Waterman, West of Alix; Mrs. Maryat, North of Alix; Mr. Peterson, manager of the Red Deer Co-operative Live Stock Shipping Association, then addressed the meeting explaining the work that the association was doing in the way of shipping and selling the live stock and poultry and eggs.

As this pool is purely a voluntary one it speaks well for the management that the pool has been able to transact such a large amount of business for the farmers of the Red Deer district.

[CONCLUDED ON PAGE 8]

A special gang is at work on the C. N. R. putting in new ties.

Four members of the Salvation Army corps at Camrose motored into town last Saturday evening and held a street service in front of the pool hall.

R. comes into effect on Sunday, May 17th, when the summer

schedule goes into force. On this branch the west bound

will leave Alix at 8:17 a. m. and will go east at 2:02

p. m.

On Monday "Arbor Day" the tree planting squad set

out in the neighborhood of a hundred baies. If they live it

will be a half day well spent and will add materially to

the attractiveness of our town. It is up to our citizens to

see that the work is protected by seeing that the trees are

not damaged.

The Alberta Lumber Co. Ltd. specialize on car lots of

any kind of building material: Coast Douglas Fir, Mountain

Spruce or Fir, Building Tie, Brick and Cement, and

sell on delivered list of any bona-fide concern quoting into

Alberta. You have the advantage of exchanging and securing

your extras on the same basis. Call and see H. G. Finch

or phone him and he will drive out and talk it over.

The next regular meeting of the Municipal Council of

Lamerton will be held on Wednesday afternoon of next week

at 2 p. m. in the office of the secretary at Alix.

Mr. H. Betts has returned from spending the winter

at Chibouche, B. C.

The work on the Hanna-Warden branch of the Canadian

National Railways is going ahead and preparations are

under way for doing considerable work along this line with

in the next few months. In the yard situated half a mile

east of Warden thousands of ties and tons of rails have

been unloaded. The camp is about 25 miles east and a

little south of Big Valley. Jackson's pile driving outfit has

been at work for some time near Gough Lake. The hitting

up of the Warden and Lamerton lines will place Alix on the

map more than ever as a railway centre as we will then have

direct connection with Saskatoon and Moose Jaw to the

east as well as to Calgary-Edmonton over the C. N. st. and the

Lacombe-Moose Jaw C. P. R. What better distribution

Twenty-one homesteads were taken up at the Edmonton

land office during the month of April. Three additional

grants to them were also filed on.

Governor General Lord Byng is to leave Edmonton on

July 13 for a trip down the Mackenzie river to visit in the

vicinity. It is possible that he will be accompanied by Premier

All Ladies Are Invited Friday

Miss West, Public Health Nurse of Calgary, will address the ladies of Alix and district on "Junior Red Cross Work" (Friday) in the U. F. A. hall and all ladies are requested to attend.

Will Go To Church

On Sunday, June 7th, the members of the Odd Fellows and Rebekah lodges will attend divine service in the Union church and all members of the orders are requested to attend. Rev. Beveridge of Camrose, a member of the order, will conduct the service. Full information as to time, etc., in next week's issue.

An Old Timer Passes Away

Following a long illness, Mr. Fred Bogue, a farmer living south of Tees, and an old timer, passed away early Tuesday morning at the age of 66 years. Deceased was an old timer in the district, coming with his wife from Gardner, Kansas, to Alberta in 1901, and settling on the farm which has ever since been their home. This worthy couple have been known far and near for their kindness and hospitality and a large circle of friends join in expressing sympathy to his bereaved life partner.

The funeral, under the auspices of Alix Odd Fellows Lodge, took place Wednesday afternoon to Tees cemetery, the services at church and grave being conducted by Mr. Runkwicz of the Union church, while the beautiful lodge service was conducted by Messrs. B. E. Todd and T. Wilton. The pallbearers were all members of the order, namely: Messrs. H. G. Finch, O. F. Toepfer, J. Tallenta, L. Fisher, F. A. Straub and S. C. Andrews.

Assessment Board At Work

The assessment equalization board for the province is now at work, the active members being W. J. Jackson, W. D. Spence, S. Ferris and P. W. McMillan of Nicholai, who took the place of A. J. Donagan on the board.

Women's Institute Convention

The annual convention of the Alberta Women's Institutes will be held at the University in Edmonton on May 26, 27, 28 and 29. Conference of the advisory board will be held Wednesday morning, May 26th, and in the afternoon the advisory board will meet the constituency convention. Mrs. J. N. Beaulieu of Champion is president of the convention. The program for the convention includes several prominent speakers.

Several sets of the local Tennis Club will play in Lacombe on Saturday.

Say Boys! Do you know that there will be Bicycle Races at the Sports Day on July 1st?

Monday Was a Great Day For The Children

The second annual school children's sports day, under the auspices of the Junior Athletic Association of Alix, held on Monday last was greeted with a bright day and a large crowd, of course the children predominated.

The morning was given over to the badge tests and a large number (qualified for the New York test. Last year there were only two reached the standard set as against some 25 this year.

The afternoon program was full and keen was the competition in all events.

There were four teams (Clive, Erskine, Gadsby Lake and Alix) in the basketball tournament for which a new ball had been put up as a prize. Alix won the ball.

In baseball three games were played, competing teams being Mirror, Ripley and Alix. This contest was divided into a minor and junior and the prizes for both were easily won by Mirror.

In the tug-of-war Alix pulled Mirror three times straight, while the points for the potato race were practically all carried away by the locals.

In the foot racing, obstacle race and three-legged race and the basketball relay, race the points were fairly well divided. After the meeting of the committee to settle the awards, we will be able next week to give a full list of points won, the names of those who qualified in the New York test, and announce the winner of the shield.

The Association wish to thank those who assisted on that day.

An Invitation

The members of Alix Oddfellows lodge extend an invitation to every member of the order to assemble in the lodge room at 7:00 p. m. on Sunday, JUNE 7th, to go with them to the Union hall for the 7:30 service. Rev. Beveridge of Camrose; a member of the fraternity, will occupy the pulpit. The public is also cordially invited to this service.

Pool Drive

On page 8 of this issue is an advertisement announcing the drive for signatures to the Provincial Pools (Live Stock, Dairy and Poultry) which commences on June 8th and concludes on June 28th, a 3-week campaign.

Mrs. Pettit is in Edmonton this week as representative to the Institute Convention.

Keep in mind the celebration in Alix on July 1st. Watch for the posters.

ITEMS OF INTEREST

Canoe and Boat Club's Tournament is coming.

U. F. W. A. meeting on Saturday.

Mrs. S. Crank-hank returned Saturday from a visit to friends in Saskatoon. She was recuperating after leaving the Edmonton hospital and looks as though her trip had proven beneficial.

After an absence of some two years in California, Mrs. I. Hill has returned to Ait and we are indeed glad to have her back. We understand that like company states returning to the farm shortly.

Mrs. S. A. Bateman of Calgary arrived in Ait last Saturday to visit with her many relatives and friends for a few weeks.

Mrs. C. M. Yarwood was a visitor over the week end with her sister, Mrs. D. A. McDowell of Bashaw.

In the May 15th Gazette the name of Frederick John Setters of Ait appears as a Commissioner for cattle.

Rev. Mr. Henrich left on Wednesday to attend the General Assembly of the Presbytery of the church which meets at Toronto on June 3rd. Mr. Henrich is one of the prominent members for the Presbytery of Lambton.

Rev. Mr. P. Bell, Superintendent of the Methodist church for Ait, will be at the services at the 1st Union church and over the circuit on Sunday, May 21st. All are welcome.

Piano Tuning. — Mr. Gavin Spence, who has been dangerously ill, again in the hospital and will be here in June. Those orders to The Free Press office.

Don't forget the Big Stampede at Ait on June 4th and 5th.

CALGARY WEDDING

A very pretty wedding was solemnized at the Central Methodist church on Saturday, May 9th, at 5:30 p. m., when Adeline Agnew, only daughter of Mr. and Mrs. J. A. Hartman, and Mr. Harry Samie Fawcett, son of Mr. and Mrs. G. A. Fawcett, of Long Beach, Cal., were united in marriage by Rev. J. M. Fawcett, of Blaine, brother of the groom, assisted by Rev. W. W. Arison, pastor of Central church.

To the strains of the wedding march, played by Mr. F. A. Newcombe, the bride entered the church and was given in marriage by her father. She looked charming in a lovely frock in palest pink gossamer, the skirt being lined with filmy lace godets, embroidered in gold thread and outlined with pearls. Her hat was a lovely model of the same delicate shades. She carried a superb bouquet of Opelia roses, and wore the groom's gift, an exquisite white gold wrist watch.

Her bridesmaid, Miss Kathleen Enke, of Ait, was lovely in a lovely gown of pink gossamer, trimmed with her bands of Vaseline lace and shoulder carriage of velvet. Her maid of honor wore a clinging lace, flower-decked velvet dress. With this was worn a clinging lace of shirled gossamer. Miss Enke carried a superb bouquet of Laddie carnations and mums sweet peas.

The young couple left for Spokane, returning by way of the Arvco Lake. The bride traveled in a costume full of Alaskan and very shapely, with smart gossamer coat and hat to match. On their return Mr. and Mrs. Fawcett will reside at 825 Boulevard northwest, Calgary, Alberta. The bride is a popular person and a well known to a large number of the district.

Council Declare a Half Holiday For Wednesday

The regular monthly meeting of the village council was held last Monday evening, but very little business came before the board.

Mr. Stott introduced the council with reference to a recent walk in front of his hotel, and after a long discussion the council offered to put in the walk providing the council address half the installation cost, which would be related to him in taxes. This would complete our main street walks and we trust that the work will be put in.

The matter of continuing the half holiday during the summer months was freely discussed and an motion the council set the date for starting same, Wednesday, June 10th and to continue to and including Wednesday, August 15th.

In the matter of improvements it was decided to construct a four foot sidewalk walk commencing at the junction of Main and Railway streets and extending west to the cemetery, the village to defray the expense of the sidewalk in the retaining fence. Mr. Larson has consented to supply the stone and supply them in place free of charge.

It was decided to call a bus for the first half holiday, Wednesday, June 10th, and gravel main street. A number of teams and wagons have been offered for the afternoon and Mr. Ditto is donating the gravel. Let us turn out in full strength and make a good job of it.

A number of accounts were passed for payment.

"Dominion Day" July 1st, At Alix

A dance is being arranged by the G. W. V. A. for the evening of this Big Sports Day. It's hot. There will be a good show and lots of fun.

The singing of that popular song "Nothing But The Truth" by the same company which drew two bumper houses in Alix a couple of months ago, will be a grand ending to a big day.

An invitation is extended to all visitors to inspect the cemetery and watch the entire operation from the receipt of the crown to the printing, wrapping and posting of the marker.

It is the aim of the organization to have the day of July 1st 1928 the most successful day of the year.

The midsummer school exam will be on in a couple of weeks.

Notice

Beginning with Wednesday, June 10th, the council has declared a half holiday on each and every Wednesday thereafter up to and including the 15th day of August. All places of business will be closed.

Bacon Short Course

Considerable interest is being displayed in the short

courses on bacon hogs which are to be held as follows:

Disturbance, June 8-9; Red Deer, June 10-11; Wetaskiwin,

June 12-13; Camrose, June 15-16; Stettler, June 17-18 and

at Mirer, June 19-20.

The courses will be held under the auspices of the

Domestic livestock branch, the Alberta department of Agri-

culture and the faculty of agriculture of the University of

Alberta.

During the first day, commencing at 1.30 p. m., at

each place, there will be discussions on the feeding and

management of hogs and discussion and demonstration on

the market type of hogs.

During the morning of the second day, commencing at

9 o'clock there will be discussion on the type of breeding

hogs.

During the afternoon of the second day there will be

inspection and discussion on bacon carcasses. The market

type hogs used at the demonstrations on the first day will

be slaughtered and brought in for demonstration as car-

casses, the second day, under the direction of an expert pro-

vided by the Dominion livestock branch. Farmers interested

in the breeding of bacon type of hogs are urged to attend

these short courses.

hoppers are also reported from the north country. The de-
partment now has material and supervisors in the field with
the object of checking this outbreak. Slight outbreaks
are also reported from the old grasshopper areas, but it is
anticipated that the damage will be very small.
Department is investigating the whole situation with

NEWS FROM TEES

Mr. Ted Brown went to Calgary on Monday to take a position in the R. H. M. shops.

Mr. M. J. Orr, who has been agent of the P. A. Gracie Co here for the past three years, was moved to Jarrold and W. J. Bright, formerly of Valda, arrived to take charge here. The people of this growing town found a hearty welcome to Mr. and Mrs. and baby Bright.

Miss M. T. McKee, principal of the school here, having recently organized a tennis club, now every evening the young people get out and try their skill on the art of service and love.

Mr. and Mrs. Jim Skinner of the Monaganisde Mercantile Co. were over Sunday guests of Mr. and Mrs. J. H. M. of the T. H. general store.

Mr. Joseph Todd of Valda, who handles the T. H. Farmers Elevator while it was open last winter, returned yesterday to open the elevator again for the season at Valda and he says that they have plenty of rice down there and everything is looking fine.

Mr. R. W. Pascoe of Alex returned over to T. H. on Sunday bringing Mrs. Powell of Calgary with him. Mr. Pascoe stopped at the hotel, giving us a very interesting sermon on the subject "Wanted, a new conception of responsibility." A number of the country people were in to hear him. He mentioned that there would be a general meeting in T. H. on Sunday, June 10th, with some good speakers in attendance. This will have to do with church action and we trust there will be a large attendance to learn some of this important subject.

Miss Audrey Dinsell of Alex spent the week end with Miss McKee. While here she took on some to go to the creek and see the horses and witness the sale of these fine animals, then they have recently

AIN'T IT THE TRUTH

The old fashioned liquor affected the feet instead of the trigger finger.

The objection to an open mind is that convictions get out as fast as new ideas get in.

You can always pick the weakest side in a controversy. It gets madder about a joke.

It frequently happens that a dark horse is one who will pony up

ITEMS OF INTEREST

Mr. and Mrs. W. M. Reint and family leave next week on a holiday by auto as far as Tacoma.

Mr. J. R. Mackie went to Edmonton on Tuesday as representative from Ionic Lodge to the sessions of the Grand Masonic Lodge.

The Sunday School lesson for next Sunday will be found in Acts 1:19-30, Golden text: "The disciples were first called Christians at Antioch."—Acts 11:26. The attendance last Sunday was 7 adults and 55 children.

Now that seedling is over you should protect your growing crops by erecting a fence and repairing the old one. The Alberta Lumber Co. has a large supply of split cedar fence posts. Come and get some.

Arrangements are already under way for holding the annual Joint Masonic picnic on Buffalo Lake.

Howard Carroll, having completed his normal course, returned home from Camrose on Saturday.

Born—in Alex, on June 8th, to Mr. and Mrs. George Pae, a daughter.

Quality lumber differs from "just lumber" in that it comes from sections where nature has been kind to the trees insuring them a luxuriant growth with a fine, close-grained fibre. Such trees invariably attract the best work a sawmill can do and the lumber comes to the Alberta Lumber Co. in perfect shape for ready use.

The sturdiest is ever and was anything but successful, the heavy rains prevented not only the people from attending but also kept a number of the riders away.

Mr. Gavin Spence will be in Alex next week. Leave orders for having your piano tuned, at The Free Press.

Miss Saigen returned to Edmonton of Thursday after a week's visit with her friend, Mrs. P. C. Cooper.

Miss Cecelia Pettit had the misfortune to sprain her ankle the forepart of the week while playing at school and she has since been confined to the house.

Owing to the bad roads the councillors of the Municipality were unable to get in on Wednesday and as a result there was no meeting.

Miss Marvel Early has returned home from Camrose where she has been attending Normal.

Miss Marjorie Mann, who underwent an operation at the Holy Cross Hospital, Calgary, several weeks ago, is improving very fast and expects to return home tomorrow or the beginning of next week.

On Sunday last the members of Alex L. O. O. F. Lodge attended divine service in a body. Rev. Rogers giving a very fine address on "Two Christian Verities." The order wishes to express its appreciation of the address and thank those who supplied the music, also the Board of the Union church. There was a large congregation.

June, the wedding month, is half gone and we see but one indication of a nuptial ceremony, and then we may be wrong, but when a bachelor, of marriageable age, spends his off-hours in painting, varnishing, etc., it has promise.

Snapped on Victoria Day

The above snapshots were taken at the School Field Day in Alex on May 25th last and show a number of the children from the rural schools enjoying the side put up a year ago by the P. T. A., while at the bottom of the picture are six of the Alex pupils who posed the second best for the NEW YORK ATHLETIC-IMAGE.

"Dominion Day" July 1st, At Alex

This event is not only a sports day but will afford an opportunity of listening to at least two able speakers, H. W. Wood and Dean Howes, men who are thoroughly conversant with the problems of our province. "All work and no play makes Jack a dull boy" but a combination will prove interesting and educational.

The Central Alberta Dairy Producers Association and the Alex Agricultural Society, who are joint promoters of the day, are putting forth every effort to give you a good time.

The engaging of the Cive band was a happy thought and will help in putting pep into the day.

Remember the date and arrange to come.

Several Important Dates To Remember

Come to Alix on "Dominion Day" July 1st.

The departmental exams in connection with the high school commence next Monday, June 22nd.

Don't miss the play at Tees on Friday of next week, June 26th. See the advt. on another page of this issue.

Thursday of next week (June 25th) is the date of the big Liberal Convention at Lacombe to select a candidate to contest this riding at the pending Provincial election.

The regular meeting of the U. F. W. will be held on Saturday, June 27th, when Mrs. Semple will give a paper on "Home Nursing."

Wedding

PEACOCK-ARTHUR

A quiet but pretty wedding took place in Winnipeg on Wednesday, June 17th, when Miss Ethel J. Arthur, daughter of Mr. and Mrs. E. J. Arthur of Oronville, Ont., and E. W. Peacock of Alix were united in marriage.

The happy couple will arrive in Alix in a day or two and will reside in the suite of rooms over the groom's store.

We join in extending a welcome to Mr. and Mrs. Peacock.

A Nasty Fall

On Sunday last Fred Ennis, son of Mr. and Mrs. J. W. Ennis of Alix, had a narrow escape from a very serious accident. He was out riding and when one of the reins broke his horse bolted. Fred pulled his mount into the fence and the sudden stop threw him and rider, the latter striking on his head, while the horse rolled on top of him. His companion, Albert Deane, resident of Alix, and then summoned help and the unconscious lad was taken home and a call sent in for Dr. McLennan.

We are pleased to know that there were no bones broken and though badly bruised Fred expects to be around in a couple of weeks.

Electric Shock

While on his way to bring home the cow on Wednesday evening at 6.30 Master John Likto was caught in the storm and received an electric shock which rendered him unconscious for several hours and deprived him for a time of the power of speech even after regaining consciousness, but we are glad to know that he is fast recovering. Mr. and Mrs. Ditto were in Mirro at the time and it was not until their return home at 9 p.m. that they found.

Union Church of Canada

Service at 7.30 p.m.

The subject Sunday evening will be "The Consummation of the Union."

Improving At The Edmonton Hospital

On Friday of last week Dr. and Mrs. Sutherland took Donald, their little four-year-old son, to the Edmonton hospital. The little chap was suffering internally and a diagnosis of the case by a consultation of doctors found a leakage of the heart but we glad to learn that the best of medical attention and care is having its effect and there is now hope of recovery.

Miss Lewis, sister of Mrs. Sutherland, accompanied Mr. Sutherland on his return from the east. The lady's home is near Stonewall, Manitoba.

Municipal Council Minutes

The council of the Municipality of Lamerton No. 398 held their regular monthly meeting at the secretary's office in Alix on Thursday, June 18th, at 2 p. m. All members were present, with Kevin Sherburne in the chair.

The minutes of the previous meeting were approved of as read on motion by Councillor Cockrill.

The matter of the appointment of a weed inspector was left over for the present on motion by Mr. Crown.

In regard to the increase of office accommodation it was agreed to, on motion of Mr. Crown, that the office remain as it is for the present.

Reaccount of Mrs. Magel for services rendered Mrs. Beebe, the council refused to accept any responsibility for the bill and Mr. Cunningham moved that the secretary write Nurse Magel suggesting that she present her bill to the parties legally entitled to pay.

Re opening of road sec. 34-29-21-4, the Secretary read a letter from Dr. Shore re Subway and the price the council would pay for land necessary for the opening of the road and Mr. Tallman moved that the council offer Dr. Shore at the rate of \$25.00 per acre for the land and that the council build a subway and put a three wire fence with posts 20 feet apart with stake between, provided that after the fence is put up Dr. Shore agrees to maintain it.

Re bounty on crows, magpies and gophers, Mr. Crown moved that after Saturday, June 26th, the bounty of gopher tails be reduced to 1c instead of 2c and that the bounty on crows and magpies remain as at present.

Mr. Jewell moved that nothing be done in regard to payment of the St. John's hospital bill until such time as the Provincial Government arranges for the future care of Mr. Sidney Smith.

Re opening of road at Mr. Jacques place, Mr. Crown moved that the chair appoint a committee to interview Mr. Jacques in regard to accepting a contract for the necessary work, the motion was carried unanimously and the chair appointed Messrs. Cockrill, Jewell and Crown as a committee with power to let the contract subject to the approval of the council.

Motion by Mr. Tallman that the road from T. R. R. crossing to T. R. R. crossing between Div. 5 and 6 be put through and Div. 5 do the work to be paid for out of general funds.--Carried.

Mr. Crown asked for a committee to investigate condition of roadway 8 E. corner of 5-41-23-4 and the advisability of cutting off corner and chair appointed Messrs. Crown, Cunningham and Tallman as a committee to go on the 27th at 2 p. m.

Mr. Crown moved that the council hold their regular meetings on the second Saturday of the month at 1 p. m.

Next Wednesday At Alix

Everything is now ready for a big day on July 1st and on behalf of the management and the people of Alix YOU are invited to join us.

It takes a little of something different to relieve the monotony of a continual business grind and in the arranging of the program this year plan has been considered. We want you to take in all the sports and hear every address in the Agricultural Hall. Then to make the day complete you should not miss the play "Nothing But The Truth" staged in the same hall to commence at 2 p. m., the hour being set early to allow everyone to see this popular production by 81 local talent, and so that the lovers of dancing may take in the big "Novelty Dance" in the G. W. V. A. hall, which starts at 9.30 sharp.

Come and bring the kiddies, they will enjoy the day, especially the band.

Large Crowd At Alix Sports

The attendance at the "Farmer's Chautauque and Sports Day" on July 1st was the largest at an Alix event for some time and everything went off with dispatch. There were two ball games and the Alix teams were winners in each case, the horse racing was good and the other sport was of a like order. The Crow hand put pop into the afternoon and their music was enjoyed by both little and big kids; they are a good bunch of players. The play was possibly the most enjoyed attraction and a crowded house greeted the production.

NOTES

There was upwards of 250 autos on the grounds and the very Constantine Sheppard lined them up was a credit to him and added to the appearance.

Pre-arranged was an ideal cook, especially when it comes to handling the hot doggies.

It is estimated that close to a thousand people (grown-ups and children) passed through the gates.

Mr. H. W. Wood, President of the U. F. A. attended and gave a very interesting and educational talk on co-operative marketing of farm products. The speaker did not confine himself to any particular commodity, but gave a number of excellent examples of the unfair proportions in the difference between the price obtained by the farmer for his products, and the price he has to pay for the many things he has to buy.

It was not suggested that co-operation would eliminate all the farmers' troubles, but in the speaker's opinion he was satisfied that in order to reap the full benefit of their labors, they must unite and control their commodities from the source of production right through to the consumer.

He pointed out how often the mistake is made, by the farmer considering that after he has disposed of his product that that is the end of it, and that as long as they continue in that line of thought their progress would remain retarded, and as a business community they would suffer accordingly.

Mr. Wood emphasized very strongly how the farmer does not actually sell what he produces, by saying that when a farmer loads a load of grain to the elevator, he is not selling it to the elevator, he is only giving it to the elevator, and the elevator is the one who sells it for him.

him what he will pay for it, the same applies to all the farm products, and yet when the farmer enters a store to make a purchase, he does not say how much he will pay the storekeeper but asks him how much he wants for his goods on the face of which he thought, the two conditions were not exactly right, but that there was only one case to blame and that was the farmer.

In fact, Mr. Wood stated that he was not saying the co-op buyers system was wrong in placing the price in the buyers' but that the farmer was wrong in taking any price that was offered him therefore not being strong enough individually to take this stand, they should co-operate in order to maintain their own selling whereby they could have a voice in the selling of their products.

Mr. Woods stated that had the farmers been organized on a financially sound co-operative concern when the deflation of prices took effect in 1920, much of the loss sustained by the farmers at this time would have been avoided.

(Continued from page 1)

Mr. George Livingston of Winston, who was introduced by the chairman as the financial crank, gave a very lucid explanation of the various means of money transactions and the effect they have upon the economic system of countries and nations.

He pointed out that in reality, money as represented by dollar bills, is of a fictitious monetary value, and that the cost of operating our business through such a medium of settlement tends to reduce rather than strengthen our financial status as a nation.

As an illustration the speaker professed a short showing the value of production, as compared with the values of consumption, and that in order to obtain the necessary means for obtaining consumptive commodities it becomes necessary to borrow money in order to do it, and that by borrowing money he showed how in his estimation one was crippling rather than aiding his own financing.

This was borne out by stating that by borrowing money on which one has to pay 8% interest the value of the dollar becomes reduced to fifty cents and so money is not actually repudiated in its own specie, this reduction in actual value can never be replaced, hence the cause of continual debt. In the course of this remarkable harangue pointed out that he was stressing his own thoughts on our financial system and that it was up to his listeners to decide for themselves whether they agreed or not.

The speaker pointed out how 't'ain grain companies are permitted to over issue money during the grain season whereby they are able to buy up grain and in a very great extent control the market, and claimed that if the grain companies could be given that privilege, they would not other sources enjoy a similar favor.

Mr. Livingston's closing remarks contained reference to a complete co-operative marketing system, being backed up by a credit system solely by the Federal Government.

At the close the speaker was tendered a hearty round of thanks.

ITEMS OF INTEREST

Mrs. G. Ross and three grandchildren left on Saturday to visit her two sons, Messrs. Dave and John Ross, at Nanaimo, B. C.

Mr. J. H. McLean, principal of the Kilham school, is visiting his many old friends in and around Alix.

Mrs. R. Larken and three children, of Leno, have been holidaying at the home of her parents, Mr. and Mrs. Geo. Ross.

Tomorrow [Saturday] is the Glorious 4th, put up your flag and if you have the Stars and Stripes fly it under the Canadian flag.

The Ladies' Aid will hold a tea and sale of home cooking in the Institute Rooms on Saturday afternoon, July 4. Come and get your share of the good eats.

Quality lumber differs from "junk lumber" in that it comes from sections where nature has been kind to the trees insuring them a luxuriant growth with a fine close-grained fibre. Such trees invariably attract the best workmen and will do so and the lumber comes to the Alberta Lumber Co. in perfect shape for ready use.

Miss Orma Thompson is spending a couple of weeks with friends in Edmonton.

A large number of our people will attend the Calgary Fair next week.

Les Peave returned on Saturday from his holiday in B. C.

Mr. J. Cleff, who has spent several months in Vancouver, B. C., returned home on Tuesday.

Now that seeding is over you should protect your growing crops by erecting a fence and repairing the old one. The Alberta Lumber Co. has a large supply of split cedar fence posts. Come and get some.

The Union Sunday School was closed last Sunday during the holiday season.

During the heavy wind storm on Sunday last the kitchens at Mrs. Cleff's residence was blown to pieces and several chimneys in town met the same fate.

The crops are weeks ahead of last year. Most of the wheat is out blade, while a number of fields we have seen are in head.

Misses Audrey Mann, teacher at Cooking Lake, Trenna Hunter, teacher at Stettler, Jean Ennis, teacher at Castor and Kathleen Mann, teacher at Blackfalds, are home for the holidays.

Mrs. Picher of Fort Steele, B. C., and Mr. L. Chell of Castor have been guests this week at the Ennis home.

Messrs E. L. R. Booth and Arthur Inneson of Fort Steele are holidaying with Captain Katon.

Messrs. P. C. Toepfer, D. D. G. M., H. G. Finch and R. L. Toepfer installed the officers of Cive Lodge, L.O.O.F. on Tuesday evening.

It is not too early to think of the next event "The Alix Agricultural Fair," the date for which is August 20 and 21. Let us get behind it and make it bigger and better than ever. Last week we published the list necessary to compete in the classes which will require the greatest foresight and we trust the ladies and all interested in these sections will start now to prepare.

Mrs. Tate of Leno was a visitor in town on Wednesday and Thursday of this week.

Mr. Bourke came up from Coquitlam to take in the sports and spend a couple of days with his family.

The teachers have gone to spend the summer vacation at their homes. Miss Halpin at Lacombe, Miss Deliver at Vermilion and Miss Oyle at Oids.

We are pleased to note that so many of our business men are on a flag on a holiday.

Rev. Hewitt, at the request of the moderator, took the service at Truett on Sunday. He says that the Truett people respect the people of Alix on a hot Sunday evening. He do the happy work.

Mr. R. G. Lowe left Tuesday morning on a holiday trip to Vancouver.

Mrs. E. Hunter and Misses Trema and Heta left last week on a shopping trip to friends in Vancouver and Portland.

Mrs. E. Hunter and Misses Trema and Heta left last week on a shopping trip to friends in Vancouver and Portland.

Mr. and Mrs. A. H. Biesent and Miss Audrey. Messrs. O. Kniskern, H. Sheppard, L. Chell and Ys Editor and son returned on Saturday from a motor trip which extended as far as Lake Louise.

The C. I. T. girls, chaperoned by Mrs. Hennrich, are in camp at the Albia beach on Buffalo Lake.

The pecky flies are a dirty nuisance and you do not need to spend all your time in squinting them when you can buy from the Albert Lumber Co. screen doors and windows made out of clear pine lumber and covered with the best quality of wire.

A very enjoyable picnic was held at the beautiful home of Mr. Malin on Haunted Lake on Wednesday of last week. There were between 50 and 60 present and in addition to a bountiful dinner there was bathing and sports of all kinds.

Increase your egg profits! You can make big profits from your home by building a hen house that will keep them warm, healthy and productive. Call today for the Albers Lumber Co. and let them give you the details.

Mr George Ross left on Thursday's train to spend a couple of weeks holidaying at Nanslem, N. C.

The Masonic Picnic at Jewell's grove on Buffalo Lake, Wednesday afternoon, proved, as usual, very enjoyable. There was a large crowd present from Hankow, Mirror and Alix and the various sporting events were thoroughly enjoyed. In addition to a full program of athletics there were three baseball games. The tables were spread

under the trees and an abundance of all the good things of the season greeted the hungry merry-makers. Tubs of ice cream and lemonade and the bags of peanuts were left open to all and the supply was not exhausted though the demand was constant. It was a grand afternoon and evening, one that will be long remembered.

Measrs. P. C. Toepfer, D. D. G. M., H. G. Fisch, T. Wilton and R. L. Toepfer drove to Mirror Tuesday evening of last week to assist at the installation of the officers of the Oddfellows Lodge.

Miss Orma Thompson has returned from spending a two week well earned holiday with friends in the Capitol city.

The council of the Municipal District of Lamerton No. 398 met at the secretary's office, Alix, Saturday, July 11th at 1 p. m. with all the members present and Reeve E. C. Sheddurne in the chair.

The minutes of the meeting held June 18th were approved as read on motion of Mr. Crown.

Re opening road, sec. 34-39-23-4. The secretary read letter from Savary, Fenerty and McLaurin of Calgary (representing Dr. Shore) stating that the Dr. was quite ready

to convey to the municipality the necessary acreage for the opening of a road along NE 27.39.23-4 and the secretary was instructed to make the necessary arrangements.

Mr. Kraft complained to the council in regard to the placing of a post by the Canadian National Railway within ten feet of the centre of any crossing and that in his opinion the railway Co. had no authority for placing this obstruction on the King's highway, and that but for this post he would have been able to swing his team and could have avoided the accident that happened to him last year. The secretary was instructed to write the department to get the remedy on the matter.

The secretary presented a letter from Mr. L. M. Donoghly, Highway Commissioner, in which he requested that the town of Newburg be the condition of the road leading from the Content river bridge to the east line of Lamarion Municipality. Mr. Donoghly stated that the road was not safe for traffic. Mr. Cookran stated that it would cost quite a lot of money to fix this road and that he was unable to do any permanent work this year but promised to do something temporarily to make the road passable and the secretary was instructed to write the Engineer, Mr. Alsworth, as to what was reasonable for the nature of this road.

Re Red Deer hospital and care of Lawrence Fisher. The secretary was instructed to write the hospital authorities that the council had an agreement with the Camrose hospital to take care of indigent patients and did not assume any responsibility for care patients at outside hospitals.

A number of accounts were passed for payment on motion Mr. Tallman.

More Accidents

Albert Demers had both bones in his right leg, just above the ankle, broken on Thursday afternoon of last week. He was running a breaking plow on the farm of V. Allan and on stepping up beside the horses the plow hit a root, causing the doubletree to snap which struck him in the leg. Dr. Sutherland set the bones but it will be some weeks before he is able to get around.

Albert was taken to Red Deer on Thursday of this week to have an x-ray of the break.

On Friday of last week the ten-year-old son of Mr. Coon, while running, tripped and in falling struck his head on a root which cracked and dented the skull. The lad was rushed to the Red Deer hospital where an operation removed the broken particles of bone and a plate was put in.

We are glad to know he is recovering.

Legislature Meets August 3rd

The adjourned session of the Legislature of Alberta will be called August 3, to deal with the question of the Peace River Railway and other matters. A session of only a few days is expected.

Another Milestone

On Sunday, July 19th, a number of J. P. Zimmerman's friends gathered at his home to help celebrate the 66th anniversary of his birthday. There was heaps of good eats and it was a happy gathering. Mrs. Cluckey, who reached her 44th year on the day previous, was among the guests. May these two have many, many more like celebrations.

July Wedding

A pretty wedding took place at the home of Mr. and Mrs. A. W. Clark of near Erskine; on Wednesday, July 22nd, when their daughter Mary E., became the bride of Albert Gilmore, eldest son of Mr. and Mrs. J. Gilmore of Alix. After the ceremony the young couple drove to Alix where they have taken up housekeeping on "Ipside Farm." The bride taught in Carroll school last term. We join in extending good wishes to this popular pair.

The Prize List

The copy of the prize list of the Alix Fair, to be held the latter part of next month has been placed in our hands and we hope to have the books ready for distribution in about ten days.

There are a great number of changes which are for the betterment of the list. In place of 16 classes the books will show the exhibits divided into 30 classes, the changes taking place mainly in the stock. The money has been increased considerably which will add to the in lucement to exhibit. There have been additions to almost every class and we ask you to read the list carefully and then get busy.

M. Ebert Howe, optician, will visit Alix again on Monday, Aug. 3rd.

If you are going on a vacation take a Kodak with you. If you require one see what we are showing.

BIG BASEBALL TOURNAMENT AT RED DEER FAIR

The Red Deer fair is set for August 13-14-15, Thursday, Friday and Saturday, this year and it promises to eclipse all former efforts. A big baseball tournament is being arranged with \$450 in purses. All-alphabet ball teams in Central Alberta will be seen in action at the fair. Conk-in a latter famous show will be on the midway with tent shows, riding device and a show of other entertaining features. Of course there will be a good line of horse racing and other high class attractions. The Red Deer fair always has fine showing of horses, cattle, sheep, swine, poultry and domestic manufacture and this year's show will be stronger than ever in these departments.

SHELTERING PIGS FROM THE SUN

Growing pigs, especially white ones, are very subject to sunburn if allowed to run in grass or rape without shade. A very effective shade has been provided at the Experimental Station at Rosthern in the following manner. In the spring of 1918, carnegia seed was sown in twelve rows, 4 feet apart across the rear of the pig pastures and fenced to keep all stock out. The ground was kept carefully hoed until 1920 when further work could not be carried on because of the hot and dry weather. The ground, which by this time the things had to a nursery at 1 cent each, netting \$125. In 1922 the fence was removed and the pigs allowed to use the shelter. It is in use now for the third season, and affords a very efficient an artistic shelter. Cattle, sheep and horses must be kept away from carnegia because they seem to relish it as much as grass. Mature hogs will also eat it if pasture is not available.

ALBERTA'S FREIGHT RATE CASE

The Province of Alberta will present a united front to the Railway Commission on the question of freight rates when that body commences its general investigation into the question.

At a conference held in Edmonton last Wednesday at the instance of the Alberta Government, at which representatives of the Boards of Trade of Calgary and Edmonton and of other interests were present, the following general points were decided upon for presentation to the commission. Alberta's content in the enquiry will be S. B. Woods, K.C.

- 1-That the standard of mileage freight tariff scale should be as far as possible be on the same basis all over Canada.
- 2-That the distributing town tariffs should continue as at present, namely, 85 u. c. of the standard mileage basis in the West.
- 3-That the charge for any commodity to Calgary and Edmonton from Eastern Canada should not be greater than that charged from the same points to Vancouver.
- 4-That the basis of export rates on grain and flour applicable to Fort William should apply to the Pacific coast.
- 5-Reduction in coal rates to develop markets east and west.
- 6-Adjustment of export rates via both seaboard in order to develop further markets for the primary products of Alberta and for necessary reductions in import rates to meet the requirements of the Province.
- 7-Adjustment of class rates on the shorter C. N. R. mile.

8-Adjustment of rates between distributing centers.

The matter of details in regard to equalization of rates generally and the securing of commodity rates suitable to the needs was left in the hands of a small committee consisting of the Chairman, Mr. J. H. Hanna, Secretary Calgary Board of Trade, A. Chard, Superintendent of Traffic for the Alberta Government, and Mr. S. B. Woods, Counsel for the Province of Alberta.

A thorough discussion of the many points at issue took place and an amicable solution reached by the conference in all cases. All interested expressed themselves as well pleased with the results of the meeting.

EVERYTHING IS LOVELY, THE SIGHTS SUBLINE

A crowd of merry-go-rounds to enjoy old-fashioned games and rides. Now, you may think this is the best time to visit the fair. It is indeed a wonderful fair. The sights are lovely. The rides are wonderful. The games are interesting. The food is delicious. The atmosphere is wonderful. The fair is a success.

Where Lies The Fault?

Therapeutics of the midsummer exams as published to date have proven anything but satisfactory, only four passing out of fourteen writing. There is surely someone to blame. Is it that the exams do not conform to the year's course; is it the lack of discipline; is it the inability of the teacher; or is in a little of each?

We are at a loss to know just where the trouble lies, but we believe it is up to the trustees to investigate and if they can do so that the children have a better chance for the coming term.

A number of our citizens took in the Lacombe Fair this week.

Among those camping at Buffalo Lake are Mr. and Mrs. H. G. Finch and family Mr. and Mrs. J. R. Mackie and Jean, Rev. Renwick and family and Ted and Harry Price.

Ottawa, Aug. 5.—Considerable significance is attached in political circles to the utterance of Hon. P. J. Caudin minister of marine, when speaking at a Liberal rally near Ottawa, he hinted that something is going to be done with the Canadian National Railways, if the government come back in the general election. The minister is quoted as expressing the belief that the time has come "when the people of Canada must be relieved of the burden" of the railway system imposed.—Calgary Herald.

We want YOU to exhibit. 4th Fair on the 30th and 31st.

THE SICK FOLK

Mrs. G. A. Thompson is, we are sorry to learn, still very sick, having been confined to bed for more than a week.

On Wednesday Leslie Evans was taken to Red Deer where he underwent a successful operation and is on the mend.

Hein, the little daughter of Mr. and Mrs. Stelmus-Sanderson, returned from the Red Deer hospital on Thursday of last week, and is fast recovering from her appendicitis operation.

Mr. R. Thompson has won the long fight and expects to be sitting up in a day or so.

We welcome to our district Mr. and Mrs. Philip Thompson who arrived direct from England on Wednesday and have settled on the old Lloyd Hoppus farm near Haynes.

Divine service will be held at 7.30 next Sunday in the United Church of Canada.

Mr. and Mrs. Gus Roland of Athabasca Landing are visiting at the home of the former's parents, Mr. and Mrs. A. J. H. Roland.

August Wedding

A quiet wedding took place at the Presbyterian Manse, Edmonton, on Saturday last at 8 p. m., when Olive E. McDonald of that City, and J. Rennie Nicol Allan of Alix were joined in wedlock by Rev. Tate. The happy couple will reside on their ranch north of town. We join in extending a welcome to Mr. and Mrs. Allan and wishing them all happiness.

Family Re-union

An exceedingly happy gathering took place at the home of Mr. and Mrs. A. J. Sundberg on Sunday last when a family re-union was held with all the children present except Miss Jennie of Calgary. There are eight girls and one son and it proved a most enjoyable day, there being 31 present in all, the only ones outside the family being Mrs. Wilson of Delburne and Mrs. F. R. Mitchell of Alix. The children present were: Mr. and Mrs. Williams and two daughters of California. Mr. and Mrs. McKinnon and family of Delburne. Mr. and Mrs. Young and three children of Youngtown. Mr. and Mrs. Hanes and son of Texas. Mr. and Mrs. A. Findlater and son of Alix. Mr. and Mrs. O. Sundberg and son of Alix. Mr. Beabe and daughter of Alix.

Miss Pearl Sundberg of Vancouver. The heavily laden and daintily set tables presented a wonderful sight with Ma and Pa and the children gathered as of old and we doubt if ever in their lives was a meal more enjoyed. We trust this worthy couple will live to enjoy many more such gatherings.

Golden Wedding

Invitations have been issued by Mr. and Mrs. J. W. Spice of Mirror for the celebration of the 50th anniversary of their wedding on Tuesday, August 25th.

Entries Point To

A Large Exhibit

Indications point to twice the number of entries this year as in 1924. As we go to press Secretary Pettit informs us that he has already received a total far in advance of last year. There will be a larger entry all round, both in stock and truck.

D. A. EXTENSION LIBRARY

A healthy sign of the increased interest in things both scientific and cultural is manifested in the virtual vigor shown by the students and ex-students in organizing and supporting the new Students' Library at the Olds School of Agriculture.

This library is supplementary to and separate from the existing scientific and reference library at the school. It caters at present some 400 volumes of the best in fiction, history, science, philosophy and humor.

This library was founded and organized by the students of 1924-25 under the direction of Mr. Churchill, instructor of mathematics at the school. It has been supported almost entirely by donations from the students and alumni. The library is rapidly increasing in size and scope and by November it is expected to have well over 1000 volumes for circulation. This however is regarded as the beginning only of a library and extension service that will fill a long felt need in rural Alberta. It is hoped that the students may find it easy to assist in the expansion of the library and that in a very short time it may be made open to the public generally in whom it should be valuable adjunct to the existing source of information and education.

All students and ex-students are entitled to use the library. In addition, outsiders who wish to avail themselves of the library privileges may do so upon the [CONCLUDED ON PAGE 8]

Canada had long enough been harassed by a "Our Lady of the Snows," any person who is behind the scheme. The time has come when she should be known as "Our Lady of the Peony Room."

The bulk of the flowers will be from the plants grown by W. Ormiston Hay, well-known landscape gardener of Montreal to order that everything may be done to keep the blooms in proper condition. John F. Hay will go over with them on the 10th of May, and will be back on the 17th. The first time and flowers have been sent across the ocean on a considerable scale. A competitor varying with

the humidity, but below 60 degrees Fahrenheit, is required for the best results.

W. Ormiston Ray's world famous collection of peonies, recognized as the greatest and largest assemblage of the classic sorts old enough to produce exhibition blooms, will be supplemented by a few rare kinds from the noted peony gardens of H. Norton, Ayresville, Que.

Mr. Bay has a growing ambition to have the poony recognized in Canada at its true value as a landscape plant; and he claims that it is the only beautiful hairy plant that will thrive the length and breadth of Canada. This is a rare and proud distinction, because our national emblem, the maple, cannot exist in many parts of our country. The poony requires

low car than any other plant in the shrub, and will succeed in any good garden soil, provided it is exposed to sunlight and is well drained. Given these simple conditions, and if it is not planted more than two or three inches below the surface of the soil, it will grow in any province of the Dominion, says the Kilmuir, he says.

The variegated kind Mr. Ray intends exhibiting at Wembley will include such rare sorts as La France, Solange Tournayville, Sarah Bernhardt, Knabshausse and Ayalanche—all of which are seldom seen in such profusion in English gardens. In fact

is no country in the world do they flourish as in Canada—not even in China, where the first peonies came from, and where for upwards of 6,000 years the plant has been regarded with love and reverence.

From Mr. Norbit's garden with some blooms of such unusual varieties as *Kelway's Glorious*, which originated in England; *Lo Cygne*, perhaps Victor Le Maitre's greatest contribution to the poetry world; *Martha Bulloch* and Mrs. Edward Harding's outstanding varieties of American origin, all of which still range from \$25 to \$100 a plant.

Mr. Key points out that if Canadians once appreciate the value of the peony in landscape planting, every city and village in the country would be as noted for peonies in a comparatively few years as Portland,

Oregon, is now famous for its roses. Canada yet has the opportunity to pre-empt the poeay and to grow it in every garden where there is a yard or two of soil open to the sun. No other country has yet 'wakened to its wonderful

Removing Salt Ticks
A recipe which dates from the days of "salt junk" in the navy is given by an ex-naval man. The ticks which most usually be placed, uncooked, overnight in cold, well salted water, about half a teaspoonful of salt to a gallon of water. This sends a strange cure for saltiness, but the sender says it is a fact that in the morning the salt will be removed from the meat.

Prof. Jan Frisk, of Berlin University, who has made a special study of agriculture, believes that bees that collect honey from roses, for instance, will not pay attention to any other flower. He declares that bees specialize on some one flower for the reason that they resort to only one perfume.

Don't you believe that it's hard to be great. It's the easiest thing in the world.

Scholars Must Study To Succeed

The Editor Alix Free Press—

Dear Sir: In view of recent articles in your paper in connection with this year's departmental examinations results, the school Board have prepared a comparative statement which they trust you will be good enough to publish, showing the standing of the various high school classes at the beginning of the 1924-25 school year and as at present.

When school opened in September last the grade eleven class consisted of four pupils, one of whom had a complete pass, two who had failed in one subject and one who had failed in two subjects in passing from grade ten. The subjects failed in had to be covered by these pupils during the year as well as the full course of studies in grade eleven.

At the same date the grade ten class was made up of one pupil who had a complete pass from grade nine, one who had failed in one subject and three who had failed in three subjects.

From the above mentioned classes one pupil in grade eleven has made a complete pass and three have failed in two subjects. One has made a complete pass from grade ten, two failed in one subject and one in two subjects.

This year two pupils have made a complete pass, one failed in one subject and two in two subjects in grade nine.

Twenty-five pupils wrote on departmental examinations both last year and this (grades 8-11 both inclusive), six passing last year and eleven this year, and of the twenty-five writing this year eighteen may be reasons of their complete pass or the limited number of subjects failed in, take up the next grade during the coming year by including as supplementary subjects those failed in this year, or in other words seventy-two per cent of the high school pupils may in the year of 1925-26 proceed with the studies of the next year grade.

Last year the percentage of high school pupils passing departmental examinations all over the province was thirty-two per cent, this included city high schools with teachers who are specialists and in most cases one grade to a teacher. The average at this school last year was twenty-four per cent, passing, this year forty-four per cent.

The high school course is heavy, so heavy that home work is a necessity, and with supplementary subjects to be taken a great deal of homework is required, and while it does not follow that all pupils doing their homework faithfully will succeed at examination time, there is a very remote possibility of one passing who neglects this phase of the work.

Congratulations

It has been brought to our notice that Clifford Bissett, a brother of our townsmen and well known in Alix, was successful in his civil service exam written at the close of the University term, as Trade Commissioner. We are informed that 380 students from all over the Dominion of Canada took this exam, and Cliff came out ahead on the list. He goes to Ottawa for a year's preparation, after which he expects to be sent abroad to serve as a Trade Commissioner.

Improvements

Messrs. Chinn & Fisher have started some extensive improvements to their garage. The front of the building has received a fresh coat of paint, a cement walk will be put in in front of the premises and they are installing a new visible gasoline pump. The small pump will be used for high test gas.

Golden Wedding

Mr. and Mrs. J. W. Spicer of Miror, Alberta, celebrated the fiftieth anniversary of their wedding on Tuesday, Aug. 25. Over ninety guests were entertained during the afternoon and evening.

The color scheme was carried out in yellow and white. The table was centered with a large four-tier wedding cake and yellow rose buds.

Mrs. Wilson Pyper of Hollywood and Mrs. Dyson of Victoria poured tea.

They received many beautiful gifts including a silver tea service, gold jewelry, china, and a pair of beautiful upholstered chairs from the guests. Mr. and Mrs. Spicer were married in Baden, Ont., on Aug. 25, 1875. They lived several years in Chesley, Edmonton and Victoria before coming to Miror where they have resided for the last seven years.

All the members of the family were present, Mrs. S. B. Cooper of Edmonton, Mr. and Mrs. Norman Spence of Miror and four children.

The out of town guests were Mrs. S. B. Cooper, Edmonton, Mrs. W. Pyper and Mrs. Dorothy, of Hollywood, Mrs. Dyson, Victoria, and Mr. and Mrs. McDonald of Kansas City.

We understand that arrangements are under way for holding another big dance in the near future.

Re-Distribution

When school re-opened on Tuesday, after the summer vacation, there was a re-arranging of the classes whereby the principal's room is made up solely of high school grades, as follows:
Mrs. Roper, Grades 9, 10, 11
Miss Orde, Grades 7, 8
Miss Doliver, Grades 4, 5, 6
Miss Halpin, Grades 1, 2, 3

Threshing To Start Next Week

The excellent harvest weather of the past ten days has placed a large percentage of the crop in stock and it is believed that when the threshers start out next week the average will prove away and beyond expectations.

General Invitation

The annual meeting of the P. T. A. will be held in the school room on Thursday, Sept. 24th. We wish to extend an invitation to the parents and all interested to meet the school from 2.30 to 3.30 so as to get an idea of their children's work, and also to attend the meeting, after which refreshments will be served, which will enable the parents to meet the teachers. Nomination of officers, which was left open from last meeting, will be part of the business.

Anniversary

On Thursday afternoon of last week Mrs. V. Schnef entertained a number of ladies in honor of her daughter, Mrs. O. A. Tomlinson of Anzac, Illinois, who was visiting at the old home, it being the wedding anniversary of Mr. and Mrs. Tomlinson. The afternoon was a pleasant one and ended with a delightful afternoon lunch.

Among the guests were: Mesdames O. A. Tomlinson, E. Rouse, F. Sheldon, T. M. Wilson and daughter, W. L. Pettit, L. Chinn and daughter, E. Pease, A. Fiedler, J. S. Sutherland, A. Foster, M. Trade With Russia

The small value of the recognition of the Soviet Government was shown by figures quoted in the British House of Commons by A. M. Sannet, under-secretary of the board of trade. He said the British exports to Russia in 1914 amounted to \$54,000,000, while those of the United States for the same period amounted to more than \$7,500,000. The United States have not recognized Russia.

KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small children. Cholera, infantum, dysentery, summer colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps her baby's Green Tablets in the house is safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if trouble comes they quickly relieve it. The Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at Baby's Green Tablets, Inc., The Baby's Green Medicine Co., Beach-
Lake, Ont.

The average mother two yields enough to make from five to ten dozens of useful aspir.

THE OLD WATER JUG

Oh, the old water jug is a friend
of mine

When the sun beats from the sky
It's not so very nice
But it's got this much to boot
Always on the job when you're
dry.

Oh, the old water jug sits alone
in the shade

As you folk lay out of the rack,
But it's always on the spot
When you get too mucky hot
You drink and your thirst starts
to slack.

Oh, the old water jug is better
than drinks

Of lemonade, scotch or soda,
You sip out the jug and
You find that you would hug
A Roman Soldier in by his toze.

W. I. Elect Mrs. C. M. Yarwood of Alix District Convener

The Lacombe Constituency Convention of the Alberta Women's Institute was held in Lacombe on September 21st in the dining room of the Empress hotel. There were some 60 members present from Mirror, Alix, Blackfalds, Lendale, Lockart and Lacombe. Mrs. Newton of Lacombe, Constituency Convener, was in the chair.

The meeting opened with singing "O Canada" and all repeating the Club Woman's Creed. The minutes of 1924 convention were then read and adopted.

The reports from the different institutes were then read. Mrs. Miller of Blackfalds gave a wonderful report of the work that the W. I. are doing there. They have 46 members, bought a lot and built a skating rink, gave to S. S. Church, Hospital, Red Cross and Salvation Army.

The Mirror report was given by Mrs. King, and for a new organization they have accomplished a lot. A library that is a great credit to them is being maintained.

Mrs. Pettit read the report from Alix W. I. which has a membership of 32 and has done much social work this year as well as remembering their sick and suffering. They ministered a Bist. Room on Main street.

The reports from standing committees were then taken up and good reports from several were read, especially a report from Mrs. Grakow of Ponoka and from Mrs. Pettit of Alix on Immigration.

There was considerable free discussion on Mrs. Partby's bill, "An act to establish Community Property Rights between husband and wife."

Mrs. Montgomery advised that the locals get a copy of the bill and study it at their meeting at an early date.

There were different opinions as regards Mrs. MacMillan's scheme to train emergency housekeepers for mothers who expect to be confined. "We are losing too many mothers and too many babies in Alberta."

On the election of officers Mrs. C. M. Yarwood of Alix was unanimously chosen as district convener for the coming year.

Mrs. Montgomery, District Director, then gave a very interesting talk on music, its importance in our lives and in our homes, to our children and our community. "A singing people is a happy people." During the afternoon Mrs. King sang "The quiet down bars." She has a splendid, cultured voice.

Mrs. Woodie from Blackfalds delighted the meeting with two piano selections.

The meeting adjourned after singing "God Save the

ITEMS OF INTEREST

Bert Gilbert of the C. P. R. police staff, Calgary, took
a run up to Alx on Monday to see the folk ere leaving for
Winnipeg, to which point he has been transferred.

Helen Davidson has gone to attend Normal at Camrose.
Mr. F. Yanke was a Calgary visitor the forepart of
this week.

The regular meeting of the U. F. W. A. will be held
on Saturday, September 26th when Mrs. Barritt will give a
paper on "Education."

Next fall when the westerly winds begin to blow you'll wish you
could do a little thing up across the plains but you'll be too busy
thrashing and you'll have no time to spare. You have the time
now and the Alberta Lumber Co. has the material. Let's get to-
gether.

Among the ladies who attended the W. I. convention
at Lacombe on Monday were: Mesdames C. M. Yarwood,
E. Hunter, W. Pettit, C. Cochran, S. C. Andrews, A.
S. Bisnet, A. Foster, A. C. Findlater and E. Vane.

A Community Thanksgiving Supper is being arranged
by the ladies, announcement of date and full particulars of
which we will publish later.

The Alx Dramatic Society, which has such credit in
the presentation of "Nothing But The Truth" has com-
menced work on another production to be staged (we un-
derstand) some time in November.

The lecture on Sunday evening in the Regal Theatre
"The other wise man" given by Rev. Renwick and illustrated
by a large number of beautifully hand painted slides,
drew a good crowd and proved very interesting and we
trust this is but the first of a series of such lectures. The
hymns were also thrown on the screen and R. G. Love
very kindly officiated at the piano.

New models of one operation have been adopted by the Alberta
Lumber Co. Ltd., who will assist you in planning and arranging
your new home or barn and advising you as to the grade and use
of lumber for every part so you get just what you need and at the
lowest cost price.

John Ennis left on Saturday to teach in a school near
Swanville.

We join in extending sympathy to Mr. and Mrs. V.
Goddies in the death of their five weeks old babe, which took
place on Thursday of last week. Interment took place in
Alx cemetery on Saturday.

Messrs. D. M. Jewell, R. G. Lowe and G. H. Darlow
attended the Liberal convention at Red Deer on Monday.

The dance on Friday evening of last week was well
attended notwithstanding the bad roads, and we trust we
will not have long to wait for another.

The Sunday School report for September is a review.
Golden text: "Whom not having seen, ye love; in whom,
though now ye see him not, yet believing, ye rejoice with joy
unspeakable and full of glory"—1st Peter 1:8. Attendance
on Sunday last was 57 children and 8 adults. Next Sun-
day being Rally Day all parents are urged to make a special
effort to attend.

Born—Near Alx, on September 21st, to Mr. and Mrs.
T. Ralston, a son.

A transfer on the staff of The Royal Bank took place
this week when G. Hoadley, teller for the past year at Alx and
Mr. Keyes, teller at mirror, switched jobs.

M. Robert Howe, auditor, will pay his regular monthly
visit to Alx on Monday next, September 28th.

Miss "Peggy" Brown, who has been visiting for a few
weeks at the home of Mrs. H. H. Mann, left on Wednesday
to visit with her parents in Washington.

While in town this week Mrs. H. W. Currie of Car-
stairs was a guest at the home of her sister, Mrs. Reised.

The fall and winter passenger schedule on the C. P. R.
comes into effect on Sunday. There is practically no change
on this line. The west bound leaves Alx at 8:17 a. m. and
the east bound at 2:02 p. m.

W. G. Patrick received the latter end of last week
from Saskatchewan where he had been thrashing.

The Alx Tennis Club have arranged for an invitation
dance in the G. V. A. hall on Friday, October 9th.

Rev. Little, formerly of Seattle, was in town Tuesday
to re-organize the Alx branch of the Bible Society. This
he succeeded in doing with Mr. Flach as president, Mr.
Pescok as Secretary-Treasurer and Misses Kerr and Mar-
ray as collectors. Alx did fairly well towards the society in
the past and it is hoped this may be done again.

A large number of local Conservatives attended the
convention at Red Deer yesterday (Thursday) which was
called to select a delegate to the Red Deer riding
in the forthcoming federal election.

Dr. Wagner The Conservative Choice

The Conservative of Red Deer federal riding, in connection at Red Deer on Thursday evening of last week, unanimously decided on Dr. G. C. Wagner of Innisfail as their candidate. There were two hundred representatives present from all parts of the riding. After sending down two carloads. The Dr. in accepting the nomination pledged his support to the Conservative leader and the party platform. Hon. R. B. Bennett, K.C., gave an eloquent address on the policy and platform of the Conservative party. At the election of officers, W. E. Payne, K.C., was elected president and W. J. Bottrill secretary. A vice-president for each provincial constituency was selected. Mr. G. C. Wagner being chosen to represent this district.

Canada Has Five Problems

We have five great problems in this country—the tariff, taxation, transportation, immigration and emigration. These problems might be classed as a quinary, for all five can be largely solved by one. Imports, taxes, salaries, incomes from whatever source can be paid for out of the proceeds of domestic production. If we protect production we protect the source of all our business and all our revenue. A high tariff would give us an income out of which to pay taxes. It would immediately stimulate the buying power in every part of Canada. Transportation would flourish from the start and rates could be reduced. Protection is the only pro immigration and anti-emigration policy that is worth anything. We have never tried it. The U. S. has. Let us try it.

Profitable Imitation

If there are two firms doing the same class of business in the same town, and one is continually improving its position, while the other is going behind, will not the directors of the losing firm naturally make inquiry as to where they differ in method and policy from the successful firm? If so then why should we not enquire into the methods and policy of Uncle Sam & Co., who have been conducting a successful business to the south of us for over a hundred years. They have no more resources than we have; their banking system prior to 1913 was much inferior to ours; their administration of law is inferior to ours; they have had internal war and its consequent prejudice and lack of co-operation. The colored race question has been a burden upon them and we find that they have had a very high tariff, collecting 49 per cent, ninety-five years ago, and ever since from two to three times as high as the Canadian tariff. A hundred years' experience gives us a pretty broad basis for comparison and it would not seem that we are acting wisely if we start on another hundred years without extracting a lesson from the past.

Tees Tatlings

F. McDonald shipped a car of cattle to Edmonton and the Woodstock Cattle Co. shipped a car of cattle and a car of lambs to Edmonton from here last week.

The Ladies' Aid are trying to buy a good used piano for their rooms here so they can put on a musical program alternately with the regular business meeting.

The Tees Farmers' Elevator have remodelled their office and painted it so it looks real cityified.

Miss M. T. McKee and Mr. and Mrs. H. G. Ahern were guests of Mr. and Mrs. W. J. Bright on Sept. 18th, the occasion being Mrs. Bright's birthday. With radio, a lovely cake and fruit salad, together with the game of hearts, all combined to make a very enjoyable evening.

The Woodstock Cattle Co. shipped four cars of cattle to Calgary and Vancouver on Thursday of last week.

Mr. Wm. Gellie, who returned from the hospital about ten days ago, has had a sick spell and is not so well as the present writing.

Miss Marion Ahern is harvesting and selling her crop of carrots. She has some very fine ones and had some at the fair but the judge said they were too large.

Jim Schenckert got away to a good start with his thrilling rig last week but owing to the bad weather had to call quits.

B. C. Cattle For China

The first shipment of purebred cattle from Vancouver to southern China left the coast last week, when thirty head of stock from the Fraser Valley district started on the long journey to Shanghai. The animals were purchased by a large dairy concern in the Orient.

Many Teachers At Normal

Provincial Normal Schools will be crowded with teachers in training this term. More than 300 students have been admitted at Coanara and 275 will be in training at the Calgary school. This is an increase over former years.

RUSSIAN FAMILIES SETTLE HERE

Twenty-one Russian families of a good type recently arrived in the High River district south of Calgary with a view of purchasing farms in the vicinity of the Red River ranch.

The party of British journalists who have been touring the East under the auspices of the C. P. B. paid visits to Calgary and Edmonton recently. All statements they were making in the form of Local Holiday news Fort Saskatchewan. The journalists also paid an extended visit to Alberta University. They were much impressed with what they saw in Western Canada.

WHEN YOUR GUESTS

Don't let the occasion be marred by smoke from the pipe. With bright, cheerful wallpaper which makes each room beautiful and harmonious.

There is a kind of wallpaper in the new 37 AUSTON STREET, VANCOUVER, that is really long and short, and the shorter the better. It is a "Money Maker" and weighs 3 lbs. 7 oz. and measures 11 inches in length.

Next fall when the windy winds begin to blow you'll wish you could do a little thing up around the place but you'll be too busy threshing and have no time to spare. You have the time now and the Albert Lumber Co. has the material. Let us get together.

Large Gathering Greet Mrs Parlyb

On Thursday p. m. Hon. Mrs. Parlyb spoke to a goodly representation of the women of the district, in the rest room of the Women's Institute on the bill commonly called the "Parlyb bill or Community Act." Mrs. Parlyb by did not deal largely with the different clauses of the bill, but on the "principle" of it. She endeavored to make it very clear to the audience and was very willing to answer any question, a number were asked. The discussion and address were thoroughly enjoyed by all present.

The ladies of the W. I. served a dainty lunch at the close of the meeting.

Entry List Closes October 15th

Wednesday of next week, October 15th, has been decided on as the day for closing the entry list for the big stock sale to be held under the auspices of the Alix Agricultural Society on Wednesday, October 28. This is to permit of advertising in time to get the outside buyer.

Already there is a large entry of horses, cattle and sheep and as the management is desirous of establishing a record, you are invited to enter this sale which is bound to be of mutual benefit.

Harry Lyon is auctioneer. Leave your list with W. L. Pettit, the secretary.

Exhibits For International

Two thousand farmers in the Province are being notified by the Department of Agriculture of the forthcoming international hay and grain show at Chicago, from November 28 to December 5, at which Alberta farmers have always been prominent exhibitors. Farmers who are to exhibit this year are asked to have their entries into the Provincial Department of Agriculture by Nov. 3rd as all entries must be in Chicago by November 9th. Exhibits are to be shipped to the seed cleaning plant of the Department at Edmonton from where the Department will pay freight or express to Chicago. The exhibits are to be in place in Chicago by November 22. The Department will also bear the expense of putting up the exhibits. The Department is offering an honorarium of \$150 for each grand championship won by an Alberta farmer, and \$100 for each first prize.

They sprang to the Ford, Bob and Jack,
And away they went chafing each other.
The trees sped by at a terrible pace
And Jack Peers says "We'll win the race."

The Ford began to rattle and wheeze,
But Bob he hollars "We'll make it to Tees."
They ran right over an old black cow
And barely missed a Tarweaver too.

The dogs all howled and the cats cined tress
When Bob and Jack motored over to Tees.

Municipal Council Minutes

The regular monthly meeting of the council of the Municipal District of Lamerton No. 398 was held in the office on Saturday, October 10th, at 1.30 p. m.

Those present were: Messrs. Cockrail, Sherburne, Tallman, Cunningham and Jewell.

The minutes of the previous meeting held September 12th were approved as read on motion of Mr. Tallman.

Re claim from Alberta Government Telephones for replacing of telephone poles 32-39-22-4 for road diversion, the secretary was instructed to take the matter up with the Department.

Considerable discussion took place in regard to the destruction of the saw thistle along the shore of Buffalo Lake and it was agreed to act along with the Municipal District of Lakeview in presenting a claim to the Dominion Government at Ottawa for the monies expended by the two Municipalities in trying to eradicate the saw thistle and the secretary was also instructed to take the matter up with the Provincial Government and get their endorsement if possible.

Re case of Sidney Smith, indigent. Mr. Jewell reported that he had, along with the nurse and secretary of the Village of Alix, had interviewed the Deputy Minister of Municipal Affairs and the Deputy Minister of Public Health towards a settlement of the Smith case and that an agreement was reached whereby the Dayland Hospital reduced their bill to \$800, the original sum having been \$1019 and that the future care of Smith is to be borne equally by the Village of Alix, the Municipality of Lamerton and the Public Health Department of the Province.

Mr. Cockrail and the secretary were appointed as delegates to the Municipal Convention to be held at Edmonton November 25th, 26th and 27th.

The meeting adjourned at 4.45.

Rev. Renwick's Farewell Service

Rev. George Renwick has been appointed to Bradlock in the Presbytery of Swift Current and leaves shortly to begin work in his new field. On Sunday evening he will occupy the Alix pulpit for the last time when his address will be "The Subliminal Mind." There will be illustrated lantern hymns and at the close of the service the slides connected with "Garry's Elegy of a Country Church Yard" will be shown. Service in the United Church.

Car Turns Over On North Road

A Car driven by Mrs. L. Schanborn of Tees, while on the way to Alix Wednesday morning, skidded on the grade about three miles north of here and turned over.

There were four passengers but all escaped with a shaking up except the nine-year-old daughter of Mr. James Schanborn of Tees who had her shoulder blade broken and received some very nasty cuts about the face. The car was badly wrecked.

To The Electors Of The Red Deer Federal Constituency

Ladies and Gentlemen:
Having been chosen as Conservative Candidate for this constituency at a late date I am on that account not likely to be able to meet with you all personally, as I should have liked to do so. I have, therefore, this opportunity of setting my political views before you and venture to ask for your support and your votes at the coming election.

I am a firm and convinced supporter of the leader of the Conservative party, the Right Honourable Mr. Meighen.

In particular I thoroughly believe in the measures proposed by Mr. Meighen for securing a better outlet for Alberta coal by subsidizing the freight rates. I am opposed to the withdrawal of protection from the dairying and farming industries of Alberta by the Australian treaty which Mr. Meighen's Government has just carried through.

While I entirely favor the friendly relations with the United States, consistent with full loyalty to the British Empire, I believe that measures of retaliation ought to be adopted by Canada in order to compel the United States to open their markets to the cattle and sheep trade, and to take the necessary emergency steps should be taken by export tariff embargo, to foster the establishment of industry in Canada, by which the natural resources of our country should be utilized on Canadian soil and employment thereby provided for Canadians in their own country.

With respect to immigration, I favor a vigorous policy on a selective basis, and as a further development of such policy, I believe in the necessity for conferences and co-operation with the industrial and financial leaders of Great Britain with a view to utilizing the resources and experience of Great Britain for the development of the natural resources of Canada. By means of this policy it would be possible to provide suitable openings for great numbers of immigrants from Great Britain, and thereby the home market in Canada would be accordingly increased. The result of such development would be a swift growth of the population of Canada from which come reduced individual taxation.

With respect to public expenditure, I favor a rigid economy in all public service and public works, with a view to eliminating waste and the reduction of public expenditure to the lowest possible limits. I am entirely opposed to merely political expenditure entered into for the purpose of political patronage.

I further entirely agree with Mr. Meighen's general policy of giving equal opportunities to the whole of Canada by using Dominion resources to reduce the disability which the West is under, owing to the distance from the world's markets.

My policy may be summed up as a business-like development of Canada's resources by Canadian industry and imperial co-operation.

I have the honor to be, ladies and gentlemen,
Your obedient servant,
JOSEPH G. LAFRANCE

Why The Farmer Needs Protection
BY AN ALIX DISTRICT VOTER

The most unjust of all the tariff schedules for Canada is the one relating to farm products and should be the first to be amended.

Today the Canadian farmer is having great difficulty in finding a market for his products. While the markets of the countries competing with Canada, in agricultural production, have been closed against him, the market of Canada has been opened wide to those same competitors.

The Canadian farmer is shut out of other markets and has not even the advantage in his own.

He is competing with the United States farmer upon terms that forbid the sale of his products on the United States market and compel him, at the same time, to witness the U. S. products replacing his on his home market.

Some of the terms:
The United States market is reserved exclusively for U. S. wheat grown by a prohibitive duty on foreign wheat and not a bushel of wheat from Canada can enter the U. S. except on a tariff duty of 42¢ a bushel, whilst wheat from the States comes into Canada at a duty of 12¢ a bushel.

A duty of \$2.00 a barrel is imposed on Canadian butter going into the United States, whilst American butter can enter this country at a duty of 50¢ a barrel. The Canadian farmer cannot sell his hay in the U. S. except by paying a duty of \$4 a ton. The United States farmer can send his hay into Canada at \$2 a ton. The United States farmers are protected by a duty of 3¢ a dozen on eggs, whilst eggs from the U. S. are received in this country at a duty of only 3¢.

And to make matters even worse for the Canadian farmer, additional competition has been invited under the treaty recently made with Australia. Australia can now send eggs into Canada free of duty whilst the Canadian farmer has to pay a duty of 18¢ a dozen to get them into that country. In fact and in effect, the United States farmer pays 5¢ a pound duty and the Australian farmer only pays 1¢ a lb.

The Canadian farmer can be placed upon a fair and equal footing with his competitor by adequate tariff protection.

Since the war 62 countries have raised their tariff, but Canada has made reductions in consequence, business depression has continued in this country and thousands of Canadian citizens have gone across the border because of the conditions here and because, whilst Canada could not, the U. S. by protection can provide employment for them.

Canada needs a "Canada first" policy that will protect the home market and give the workmen of the country opportunities of employment at a standard rate of wage that will suffice. The time to enjoy a proper standard of living.

The Great Importance Of a Pure Water Supply For The Rural Districts Should Be Stressed

[illegible]

but as to cost. With the exception of the special feeds under experiment all gone were landed and fed alike. The scratch grain was a commercial mixture, the mash being the standard

One made much, consisting of equal parts by a half or even whole, some burnt, ground out and mixed. These things were used in all pox except those which were in the throat. The first of these was a little, and the second a little more. The third, shell and charcoal were kept below the third, in proportion to all three. Later, when the patient was indeed, they were also given with milk and water to drink.

The various symptoms of the pox were treated as follows: If the patient was very ill, with a high fever, and a great deal of swelling, and a great deal of pain, and a great deal of thirst, and a great deal of cough, and a great deal of shortness of breath, and a great deal of weakness, and a great deal of dizziness, and a great deal of confusion, and a great deal of delirium, and a great deal of coma, and a great deal of death.

Manitoba has been assisting the Fish Commission in the undertaking of mapping the summer trout, aerial photographs of the lake from a heavy rain there is evidently some defect, for this condition allows that surface windings are entering without proper direction.

The divisions of harvesting and abundance of the fish in the experimental farm will analyze water samples submitted by farmers living within a reasonably distinct area. Application for instructions as to taking the sample should first be made.

Domestic dairy and cold storage branch the exports of butter in 1921 were 25,098,130 lbs. valued at \$8, 284,794 and of cheese 121,418,700 lbs. valued at \$24,735,227 compared with in 1922, 24, 18,648,379 lbs. of the butter, valued at \$7,831,624 and 122,045,340 lbs. of cheese, worth \$22,421,595.

exports were, of course, mainly to the United Kingdom, but it is noticeable that in June this year China sent 27,322 tons of butter, and Belgium 17,136 tons of Germany 164,648 lbs. of cheese. The latter two countries are the only ones to export different quantities of commodities shared in our export of dairy products.

They're Needed At Home

Perhaps it would be better in order to utilize the 125 U.S. equivalents which are now being sold in Canada, to have a few more milk canneries than in any other country, besides those in which

from Canada, particularly through shipments from the Yukon, is being received. A little more of this milk is being "milked," says the dairy.

Paul's New York letter issued by the dairy and stock exchange branch. "It is highly desirable that cows be milked, giving one but milk through each canner at the corner. If the corner are collected in this manner, fewer will come and be broken up handling."

Canneries? It's Potentially

Premier Meighen

King Government Goes To The Wall and
The Premier Goes With It

The fight is over and Rt. Hon. Arthur Meighen, Conservative leader, will be the next Premier of Canada, not only was his party returned but he was elected in his own constituency by almost 1000 majority. On the other hand Premier King and his ministers went into the discard in their home ridings. Mr. Meighen at times of going to press has not as large a majority as we would like but the polls still to hear from will to a large extent go Conservative which will no doubt give him a good working majority. Calgary sends two Conservatives to Ottawa—Bennett with a majority of nearly 5000 and Davis almost 3000.

The Conservatives elected as per latest returns are as follows:

Prince Edward Island	3	The local Liberals are busy
New Brunswick	9	paying their bets.
Nova Scotia	10	
Quebec	3	
Ontario	73	
Manitoba	6	
Alberta	5	
British Columbia	10	

The standing at present is as follows:

Conservative	118
Liberal	95
Labor & Ind.	3
Progressive	18

In the Red Deer riding the election of A. Speckman is conceded with the Conservatives running a close second, and McKercher the Liberal trailing in the rear.

Alix didn't give a Conservative majority within 2 of the combined totals of the other two:

Alix Poll	
LaFrance, Conservative	57
McKercher, Liberal	45
Speckman, Progressive	18
Stanton Poll	
Conservative	5
Liberal	4
Progressive	8
Stone Poll	
Conservative	14
Liberal	1
Progressive	2

Mr. and Mrs. A. Rhodes of Calgary were guests from Friday until Sunday of the lady's mother, Mrs. Allan.

Owing to the fact that our farmers are all busy threshing, the stock sale advertised for Alix on Wednesday last, had to be postponed.

The youth called up the blond he met at the ball and asked for a date.

"Forget it" she replied. "I can't go out with a baby."

"Cripes!" said he. "I didn't even know you were married."

Miss Grace Lawson, who has
been in Calgary for the past 9
months, returned home Friday
for an extended visit with relatives and friends.

Mr. and Mrs. Fred Hanson and
Jim were on the sick list the past
week.

This town was the centre of political activities the past week. Mr. W. F. Puffer and Mr. Tobias of Edmonton told us how Canada would expand and become a real nation if the voters would allow a Liberal government.

Mr. Fred H. Donald and Mr. D. W. Warner assisted by Mrs. Irene Purdy told us how the Progressives had guided the other parties and forced them to meet measures beneficial to the west.

The Two Ladies' Aid are putting on or pulling off a big social affair Friday evening to commemorate the event of Halloween. A bazaar will be held and everyone will have an opportunity to buy real home-made candy. Now all you housewives, come on for here is your chance to see what real goods and candy makers the Two Ladies are.

Mrs. M. G. Abner has received word from Mr. Joseph B. Frazer that she has been appointed by the Leominster Presbytery as a lay delegate to represent the United Church of All at the forthcoming conference at Calgary.

The recent snow storm stopped travelling operations with a sudden jerk.

Mr. Jack Matheson of Edmonton came down Saturday for an extended visit with his relatives.

Howard Lawson and Robert Howard went out chicken hunting on Saturday and came back with two birds.

Mr. W. J. Bright is installing a new large loud speaker radio.

Thanksgiving Day

Over the river and through the wood,
To grandfather's house we go;
The horse knows the way
To carry the sleigh
Through the white and drifted snow.
Over the river and through the wood—
Oh, how the wind does blow!
It stings the toes
And it bites the nose
As over the ground we go.
Over the river and through the wood,
To have a first rate play;
Hear the bells ring
"Ting-a-ling-ding!"
Hurrah for Thanksgiving Day!
Over the river and through the wood,
Trot fast, my dapplegrey!
Spring over the ground,
Like a hunting hound!
For this is Thanksgiving Day
Over the river and through the wood,
And straight through the barnyard gate,
We come to—
Extremely slow—
How hard it is to wait!
Over the river and through the wood—
Now grandma's on the cap I spy!
Hurrah for the Thanksgiving Day!
Is the pudding done?
Hurrah for the pumpkin pie!

ITEMS OF INTEREST

At the Masonic District Meeting held in Stettler on Monday last, Mr. J. R. Mackie was elected District Deputy for District No. 9 which includes all the lodges from Clive to Monitor. He received an undoubted decision on the first ballot.

Rev. G. Renwick left on Monday for his new appointment in the Swift Current diocese. Mrs. Renwick and children will remain in Alta for a time.

The Sunday School session for next Sunday will be held in Ephraim 6:10-20. Golden text: "Be strong in the Lord and in the power of his might."—Eph. 6:10. Attendance on Sunday last was 52 children and 9 adults.

The snow storm the end of the past week only held up threshing for a day as the cold weather ushered in by the storm made it possible for the work to proceed by shaking the bundles. All the machines started up again Monday.

This week Mr. H. G. Finch installed a 5-tube Westinghouse Radio purchased through Mr. W. Peacock who had the installation work. This is the most powerful machine installed in Alix to date.

Bye-Elections To Be Held

Bye-elections to fill the six vacancies in the Alberta Legislature created by the resignations of members who have entered the federal field, will be held before another session, but as yet no date has been fixed for these elections. The vacancies in the house were created by the resignations of the following members: C. W. Cross, Edmonton; S. G. Tobin, Leduc; T. C. Milne, Carleton Place; A. R. McLennan of Edmonton, Lethbridge; and Dr. Stewart, Lethbridge, Conservative, and W. M. Davidson, Calgary, Independent.

Track Buyers

Strong and Dowler, Ltd., grain merchants, of Calgary, have put in a loader at Troon siding on the C. N. R., two miles east of Alix, where they are buying grain. Mr. H. E. O'Neill is in charge. Read their announcement on the back page.

Forging Along

There is possibly fifty per cent. of the total crop in the Alix district threshed and the snow of the past couple of days will add to the difficulties of finishing, but coming as it did with cold weather, the machines are able to keep going. This fall has been one thing after another.

Conservative Votes Disappear

Following the swearing out of affidavits by 125 voters at the mining town of Brule, in the Peace River Federal riding, to the effect that they voted at the general election on Thursday last for Jim Collins, Conservative candidate, warrants have been issued charging irregularities under the Election Act against P. A. ("Baldy") Robb, of Brule, E. R. Birch, of Edson, and W. J. Wilson, of Edson.

Robb was the deputy returning officer at the Brule poll, where the irregularities are alleged to have taken place. The deputy returning officer's report of that poll is said to give the following result:

Rae, Liberal 127
Collins, Conservative 21
Kennedy, Progressive 11
The warrants were issued by Magistrate Primrose in Edmonton, under the Dominion election act, turned over to the provincial attorney-general's department for approval and handed to the A. P. P. for execution. It is alleged that Wilson and Birch misrepresented themselves as agents of Collins at the poll.—Calgary Herald.

Don't forget to secure your Big Game License at The Fish Commission.

Tees Hallowe'en Entertainment

The Teen Ladies' Aid had a big entertainment and supper last Friday evening. Games were played and a program of music, recitations and declamations was arranged. Mr. Bright, Mrs. Waterman and Mrs. Worke each sang solos and were encored several times; the school children sang a chorus; Miss McKee and Clyde Cunningham each favored the audience with declamations. After the program and games a lap supper of various kinds of sandwiches, cake and coffee was served.

The ladies all made candy and had candy, pie and tart booths fixed up and decorated with pumpkins, cats and and halloween. The candy "kandushes" all went like hot cakes on a frosty morning. An old witch appeared and caused a considerable stir among the children. There was a large crowd present and an enjoyable evening was had by all, the proceeds amounting to over \$40.00.

Hallowe'en passed away quietly. No one got shot as they did in Manitoba and Chicago. Some of the youngsters tipped over a few small buildings but no damage was done.

It has been said that Canadian police are going to the devil, purchased the 194 good Conservative votes "disappeared" at the Brule poll. How many votes did he get in the Dominion?

Perhaps you are using good tea. We think "Red Rose" extra good. Won't you try it?

TEA "is good tea"

The same good tea for 30 years.

What the West Means to the East

By the way, the 1927 crop should have the effect of greatly reducing the price of wheat in the West. It is estimated that the 1927 crop will be about 1,000,000 bushels more than the 1926 crop. This will mean a great deal to the West, and it will mean a great deal to the East. The price of wheat in the West will be lower, and the price of wheat in the East will be higher. This will mean a great deal to the West, and it will mean a great deal to the East.

THE RED CROSS CHILD IN THE HOME

Perhaps there is no greater proof of the value of the work of Red Cross in the home than the remarks of a mother whose child had recently joined the school branch. Her mother said: "It has entirely changed my little girl. She was a constant worry to me in the smaller matters of her personal hygiene. The case of hair, nails, teeth, etc., had been the subject of much nagging before I could get her to attend to them. Nowadays she takes the greatest pride in herself, telling me that a Red Cross child must be always spick and span and shiny."

You are earnestly asked to support Red Cross by contributing to the annual appeal during the coming month.

For the full information please write to Alberta Division Red Cross, Calgary.

In Canada, 50¢ per year (10¢ per copy). In U.S., 10¢ per copy. Published weekly, except on Sundays and public holidays.

ITEMS OF INTEREST

Thanksgiving Day, Monday, November 9th, is a public holiday therefore all places of business will be closed. Do not miss the Fowl Supper in the Union "church," that evening from 6 to 8. Everybody invited.

Mrs. J. R. Mackie is visiting for the week end with Calgary friends.

The Annual "Armistice Dance" put on by the G. W. V. A. of Alia will be held in their hall on Wednesday, Nov. 11th with the Bulwark Orchestra officiating. Poppies will be on sale the Saturday previous and also at the dance.

To make rooms warmer and more attractive for winter the wall board, heater board and felt paper at The Alberta Lumber Co.'s yard is what you need. How about a 3-4 inch maple floor over your worn out floors? It is a good investment.

The Sunday School lesson for next Sunday will be found in Acts 20:25-28. Golden text: "Ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, it is more blessed to give than to receive."—Acts 20:35. Attendance on Sunday last was 56 children and 7 adults.

Mr. R. F. Sanderson has moved his family to the farm he recently rented nine miles due east of Alia. P. C. Toepfer has taken the house he vacated in town while L. Fisher has taken the residence in which Paul resided. We understand that a hon-moon couple have rented the house left vacant when Mr. and Mrs. Fisher moved.

The Women's Institute dance on Friday evening of last week was one of the best ever held in the village and taxed the caterers' efforts to the limit. There were over 200 in the hall and we have not heard of one who failed to have a good time. The Bulwark orchestra excelled itself and for good time. Those who did not dance there were the card tables. We congratulate the ladies on the success of the evening, the appearance of the hall (which had been suitably decorated with Hallowe'en symbols) and also on the bountiful luncheon. May this organization do it again, soon.

If you are needing STROM WINOWS for this winter place your order now with The Alberta Lumber Co. Ltd. that they may get them in ready for you.

The next regular meeting of the council for the Municipal District of Lamerton will be held on Saturday, Nov. 14th, in the office of the secretary at Alia.

Terry Jamieson left on Monday's train for Edmonton to do one of the party in charge of the Alberta University Stock Exhibit to the Toronto and Chicago Stock Shows.

Lovers of skating have been taking advantage of the early freeze-up to get in as much sport as possible on the lake before too much snow. We understand the Meadow Creamery will manage the rink this year and intend having it in shape at an early date.

Service will be held in St. Pancras church at 3 p. m. on Sunday next, Nov. 8th, Rev. Morgan, pastor.

Mr. Oomen leaves on Saturday to make for the winter with her son in the east.

School was closed Friday and Saturday to permit our teachers attending the convention at Murray, and on Monday is a public holiday, will not re-open until Wednesday morning. The winter school session comes into force this week, usually: 9:30 to 12 a. m. and 1 to 3:30 p. m.

H. J. Sault, optician, will pay his regular monthly visit to Alia on Wednesday, November 14th.

Mr. and Mrs. L. Fisher reserved Wednesday evening from Boulder while they went last week to look after their interests in the township on their farm north of that town.

Mr. and Mrs. W. Fiedler came up from Battler on Friday evening of last week to attend the dance.

Don't forget to call at The Free Press office, look over our Christmas Card samples and leave your order.

Mr. M. E. Gills, who lives on the old Westhead place 3 miles north and a mile east of Alia, has decided to quit farming and is holding a public auction on the 10th November (Wednesday) afternoon at 11 o'clock. He has 11 horses, 30 head of cattle, 9 pigs and a good line of farm machinery and household goods. Harry ... say the sale. See the ...

Alix Girl Married In Edmonton

A pretty wedding took place in Christ's Church, Edmonton last Tuesday evening, November 10th, when Miss Alberta Kraft, daughter of Mr. and Mrs. W. Kraft of Alix, was united in marriage to Mr. C. Green of that city. The wedding was a quiet one, only the groom's brother and sister being present. The happy couple will spend the winter in the capital city and next spring will move to the groom's farm at Busby, Alta. The bride has very many Alix friends who will join with us in wishing them every happiness.

Local Divorce Case

An application by Mr. C.R. Griffin against his wife Henrietta Griffin (nee Robbins) for the dissolution of their marriage, on the usual statutory grounds, came up for trial at the Supreme Court sitting at Red Deer on Tuesday, the 10th day of November, 1933, before the Honourable Mr. Justice Walsh, and a decree nisi was granted whereby it was decreed that the marriage be dissolved. The decree to become absolute in three months from the making thereof. Mr. G. G. Norris conducted the applicant's case.

Alix Couple Wed

A quiet wedding took place in Calgary on Thursday, November 12th, when two popular young people of Alix, Lottie, daughter of Mr. and Mrs. F. Golder, and Mr. Chris Sorenson, of the staff of the Meadow Creamery, were joined in wedlock. The happy couple, after a few days in the city, will return to Alix and take up house in the residence recently vacated by L. Fishie. We join in wishing them every happiness.

Some Dance

The Amalgamated dance last Wednesday was well attended and most enjoyable. Tom and his fellow "amateurs" sure delivered the goods. The midnight lunch was up to the hounds. Everybody was a poppy.

Lost. In ALIX, a roll of \$25 in twenty-five \$10 bills included in a rubber band. Finder will be rewarded by leaving at The Free Press.

Tees Tattlings

Missie Alix Crank and Lavina McMillan went to Calgary last Friday for a short visit.

Mr. Jack McMillan of Jasper Park came down on Monday to visit friends.

Rev. Adams of Edmonton came down Sunday and could not service some. There was quite an assembly and all hope he will visit this point again soon.

Mrs. Percy Walters came home for a visit over Thanksgiving, she has been teaching and cannot go home often. She was very ill during the summer and spent the most of her vacation in the Calgary hospital.

Mrs. Frank Heath is slowly improving and is able to be up some now.

Farmers are all busy now hauling in grain but it is all tough and damp to do not bring a very good price.

Mr. E. F. Morris was an Edmonton visitor recently.

Miss M. McKee and Miss Mervel Fry were Sunday and Monday visitors in Calgary. They say they had a real time shopping and seeing the place again.

Mr. A. Forster, of Ottawa, an interior decorator for the British Government at Winnipeg, who has just returned from Seattle, San Francisco and Vancouver, on his way to Ottawa stopped over here one day and visited with Mr. and Mrs. J. F. Donahoe and their grand daughter Miss Bronckoe Belliveau. He left for Ottawa on the 7th.

Miss Burton who teaches in the Baptist school went home to Lacombe for the week end and on Thanksgiving.

Mrs. E. R. Pyle is suffering from the effects of a very badly swollen toe by being burned with iodine.

Miss Alberta Montgomery is now staying with Mrs. A. Crank who will celebrate her 50th birthday today. Patients next week.

An Ounce of Prevention

DR. C. L. HENRY, CHIEF MEDICAL OFFICER, CANADIAN ARMY MEDICAL SERVICE, WINNIPEG

It is a fact that the most common cause of mental trouble is the neglect of the body. The body is the foundation of the mind. If the body is weak, the mind will be weak. The best way to prevent mental trouble is to keep the body strong and healthy. This can be done by eating a balanced diet, getting plenty of exercise, and getting enough sleep. Dr. Henry's advice is to take a course of prevention now. It will save you a great deal of trouble and expense later on.

Mothers and Daughters Sup Together

Possibly one of the most enjoyable and pleasing events of the season took place on Friday evening of last week when the girls of the Junior C. G. I. T. entertained their mothers to a program and banquet in the Union church. The assemblage numbering around fifty. The girls had gone to considerable trouble as was evidenced by the prettily laid tables and the dainty repast. Hand printed programs bearing mother's name, had been placed at the plates. The program consisted of songs and responses, song and dances.

"The King" was responded to by singing "God Save The King" and "O Canada."

"Our Mothers" proposed by Hazel Peters was ably replied to by Mrs. Brigham.

"The Sunday School" proposed by Catherine Doherty was responded to by singing "Jesus Calls Us."

Addressed were then given by Miss Marvatt which was replied to by Joan Norris, and by Mrs. Price to which Violet Toepfer made suitable response.

Margaret Evans and Eva Brigham made few remarks. After an interval of the organization presenting Mrs. Evans and a song by Mrs. Evans in acknowledgement of her interest in the work. The recipient in a few words thanked the girls for their kind thought.

Miss Maye House made very efficient chairman and Miss L. Grey acted as accompanist at the organ. Mrs. Macleod and Mrs. Benoit's are responsible for the organization and congratulated them on their success.

N W Wheat a Good Yielder

Mr. A. J. Scott reports a yield of 80 bushels of "Red" wheat from two acres. Tom had been sowing Marquis but last year decided on a trial of new seed with the above result. The straw was not heavy as only five loads of heads were taken from the two acres. The cut worm having ruined about a quarter of an acre, but the heads were strong and well filled. Marquis sown along side under identical conditions, yielded only thirty bushels to the acre. He intends sowing a large acreage of this wheat next year.

Threshing Days

Oh, so early in the morning
When I'm just resting fine,
Some sleepy guy will holler out
Say, "Oit, what's the time."
The time is told, we scramble out
With many a sigh a grumble
Then on our way to tend the teams
We slip and slide and tumble.
Team all fed and harnessed up
Our speed then's hard to beat
For who can pass bold Frank
And I
When on our way to cut
And then our horses we do
It nearly breaks my back,
When supper time at last
rolls round
We cut our fill then I say,
Fello's good night, hope you
sleep tight
For it's mine right now for
the hay.

Hitch On, Pull and Push

Did you ever hear of a man buying a binder, and then finding fault with the dealer because it didn't go out and cut his wheat? No. He listens into the binder and guides and directs it, and the job is done.

It is just so with your co-operative organization. It will serve you just so far as you hitch on to it and give it the benefit of your thought and co-operation. The amount of personal interest that the farmer gives the co-operative organization to which he belongs will be the measure of the benefits which the organization will render to agriculture.

WE would ask each of our readers to examine the address labels on their papers in order to ascertain whether their subscription to the paper is paid up to date, and if it is not, to send in the amount as soon as possible. It is not easy to remind separately each person who is in arrears, and while each such may consider that the few dollars he or she owes are not worth bothering about, yet in the aggregate they may amount to a great deal and be of considerable importance to the paper. It is only fair that you, remember your paper at this time of year and we take this means of asking you not to forget us.

A. G. DITTO

Entertainment In Aid Of Orphanage

The ladies of the various
local organizations have joined
forces to comply with the
request for assistance from
the Woods Orphanage at Olds
in carrying on this noble work.
This is the only Protestant
organization of the kind in
the province and has become
inadequate. The canvas is
proceeding.

In lieu of a personal canvas
a social evening with progressive
brag for entertainment
will be held next Monday
evening, Nov. 30th, in the G.
W. V. A. hall, Alix, commencing
at 8:30 sharp and all are
invited. Two big fat
tenderloins will be the prizes,
one each for the highest ladies
and gent's score.

Everything (excepting the prize)
has been donated, ball
etc., etc., and your part is to
attend and we assure you a
good time. Admission 50c,
which includes supper.

At Home

A very pleasing event took
place on Tuesday afternoon
last when Mrs. E. Pears
gave a tea in honor of Miss
Park of Glasgow, Scotland,
who is visiting her sister,
Mrs. N. Duncan. The ladies
brought their sewing and
knitting and spent an
industrial as well as pleasant couple
of hours.

In our report of the mothers
and daughters' banquet
in last week's issue we failed
to state that the girls of the
senior C. G. I. T. under the
guidance of Mrs. Roper, took
their share of the evening's
entertainment.

Poultry Car

A live poultry car under
the egg and poultry marketing
association, will be in Alix
at the C. N. R. loading platform
next Monday, Nov. 30.
See advt. in this issue.

Keep in mind the Community
Bake in Alix on Saturday
afternoon, December 3rd.

Isn't it about time we had
another dance?

Mr. M. E. Gills and little
daughter left on Monday for
Fort McMurray. His brother will
run the farm.

You won't have to listen
very closely to hear the
rumor of the "municipal pot."
Only a few more days until
the month will be complete.

Premier Greenfield Resigns

On Monday the official announcement
was made that the Attorney-
General, J. E. Brown, was
his successor. There are no
Cabinet changes, but the
Provincial-Treasurer, R. G.
Reid, becomes Minister of
Municipal Affairs and Geo.
Howley adds the office of
Provincial Secretary to those
of Minister of Agriculture and
Public Health.

WHAT DID YOU GIVE LAST CHRISTMAS?
Toys for the kiddies—most of them broken by now. "Something useful" for the grown-ups—some worn out or forgotten. Cash to your employees—appreciated but soon spent. Other presents—brilliantly bought and perhaps forgotten. Are they remembered now?

Suppose this year you give them each a Bank Book containing an initial deposit, and urge them to add to it regularly. Could anything be more useful?

Ask "Just what you like" at your Alix Branch Office.

Obituary

It is our sad duty this week to chronicle the death of an old timer of this district in the person of Mrs. Jane Hudkins, who departed this life on Saturday, November 28th at the age of 81 years and 8 months.

Deceased was born in the U. S., coming to Alberta in 1905 and homesteading there and a half mile west of Alix, and the family have ever since resided in this district. Ten years ago her life partner was called to the great beyond and deceased has since made her home with the children at Cive and Alix. She was a kindly woman and leaves a host of sorrowing friends in addition to four children, namely: Harry of Alix, Dan and Mrs. Koecher of Cive and Charles of Del Monte, Cal.

The funeral took place from Alix to the church at Cive where service was held by the Rev. J. M. Elbert of the Baptist church, interment taking place in the Cive cemetery. The pallbearers were all old friends of the family.

A Ton Of Birds

More than a ton of poultry was shipped from Alix by the Egg and Poultry Marketing Association in the special car from this point on Monday, November 30th.

Annual Meeting

A Joint Annual Meeting of the U. P. W. A. and the U. F. A. has been called for Saturday afternoon, December 12th and all members are urged to attend. A report of the year's activities will be read and the election of 1935 officers will take place.

Last Wednesday

At their meeting last Wednesday evening Alix Lodge I. O. O. F. decided to set apart the last Wednesday in each month as a social evening when all members of the Rebekah and Odd Fellow orders will gather at 9 p. m. and indulge in sociables. Visiting members will always be welcome.

People are marrying earlier than formerly, we are told by those who seem so sure to sit down and figure those things out. We don't mind people marrying early, if it pleases them, but we do not wish people in Canada to form the habit of marrying often.

Short Items

A representative of the Salvation Army was in town this week soliciting contributions to the work of the army. He was very successful.

At the Bazaar (tomorrow) Saturday there will also be all kinds of home cooking for sale.

Rolly Griffin left on Tuesday to spend the winter at Toisid.

The school children are preparing a real treat for the Christmas Tree entertainment which will be held in Christmas week. We will announce the date later.

December is surely using us well so far and every day of this summer-like weather in cutting down the winter and incidentally the coal bill. And while we are talking of savings, how about the winter underwear that the moths are eating up in the clothes chest? You'll need it if you should happen to go to Oregan or some other cold climate, so

Get it out and air it. Even if you don't have to wear it.

Card of Thanks

We wish to tender our sincere appreciation of the many kindnesses shown us by the Alix and Cive people during the sickness and death of our mother.

(Signed)
H. Hudkins and family
-W. Koecher and family

Judge—"Do you wish to marry again if you get a divorce?"

Lady—"I should say not! I want to be withdrawn from circulation."

An Irishman placed a sign on his house "Mason and Contractor."

"That's a good one," said Pat and he immediately erected a sign "Knights of Columbus and Carpenter."

ITEMS OF INTEREST

Mr. H. G. Finch left on Monday for his annual big game shoot in the woods north-west of Edmonton.

Born—At Alix on November 27th, to Mr. and Mrs. O. Toepfer, a daughter.

W. Peacock installed two new radio last week, one for A. McDonald and the other for Seth Walker.

The next big dance in Alix, under the auspices of the G. W. V. A. will be held on Friday, December 11th. The Ballantyne orchestra will supply the music.

During the next few weeks you will have time to build four bins, put shelves in your pantry and clothes wardrobe as in the bedroom and The Alberta Lumber Co. will be able to supply you with lumber at a price that will look mighty small along side of what you would have to pay for the finished article.

A number of our townspeople took in the play and dance at Mirror last Tuesday evening.

Don't miss the Auction Sale in Alix tomorrow (Saturday) afternoon, a reasonable selection, comprising winter underwear, coats and shawls, dry goods, gramophones, toys, crockery, china, etc. All new goods. Here is your opportunity to buy goods you need at your own price.

The date of the District Meeting of the I. O. O. F. has been advanced to Thursday, December 10th, at Mirror.

The Sunday School lesson for next Sunday will be found in Acts 27:30-44. Golden text: "Be of good cheer, it is I, be not afraid."—Matt. 14:27. Attendance on Sunday last was 51 children and 6 adults.

Many a broken promise to the wife can be redeemed now when you are not busy by turning that unfinished room or attic into a livable place. Beaver board or plaster board will do the trick and The Alberta Lumber Co. can supply these materials.

Dr. McCormack (dentist) will pay his next regular visit to Alix on Monday, December 14th, remaining in town till Wednesday, December 16th.

Monday evening next, December 7th, is the date of the Annual Meeting of the town when the 1925 "rules of our destiny" will give a report of their stewardship. There will also be election of councillors for the ensuing year and we understand there are several who are seeking the honor.

We are glad to know that "Bob" Doss, who has been at the nursing home for a couple of weeks with typhoid fever, is fast recovering.

Mrs. G. H. Darlow spent the greater portion of last week with Stettler friends.

Christmas Greeting Cards (with envelope to match) at 10c each and a large selection to choose from at The Free Press office. See them in the window.

Patronize the Christmas Tree Bazaar on Saturday afternoon in the U. F. W. A. hall, Alix.

Mr. E. Peters, who has spent the past few months in Bahaw managing a butcher shop while the owner was harvesting his crop, returned home on Saturday.

Miss Halpin, who has been ill at her home in Lacombe since November 10th, returned to her duties on the Alix teaching staff on Tuesday.

THE ALIX FREE PRESS

To Our Readers

WE would ask each of our readers to examine the address labels on their papers in order to ascertain whether their subscription to the paper is paid up to date, and if it is not, to send in the amount as soon as possible. It is not easy to remind separately each person who is in arrears, and while each such may consider that the few dollars he or she owes are not worth bothering about, yet in the aggregate they may amount to a great deal and be of considerable importance to the paper. It is only fair that you remember your paper at this time of year and we take this means of asking you not to forget us.

THE FIDGETY CHILD

By Dr. C. Hinds, medical director, Canadian National Committee For Mental Hygiene.

A child's development depends largely on outside influences. Parental example of power and calm in the face of irritating circumstances is the first antidote for a nervous child.

Faulty feeding in infancy and early childhood may weaken the nervous system. All authorities approve of good simple food, including milk, meat, vegetables and fruit, and avoiding tea, coffee, rich pastry and alcohol.

Children should not be brought up too tenderly. They should be subjected to a hardening process. The child that is smothered by his diet or is brought up so that he is shielded from bad weather and becomes sensitive to slight changes of heat and cold is liable to nervous illness.

One reason why women are much more prone to nervous ailments than men is that as girls they have less chance for wholesome games and exercise. Out of doors life, swimming, walking, rowing, play of all kinds and systematic gymnastics will do much to mitigate a nervous tendency.

SHOP NOW

The last month of 1925 is well started, this is the 4th and thus weeks from today is Christmas Day. We don't want to rush things but don't you think it is about time to look around for those gifts? Our local merchants have arranged to supply your Xmas requirements and invite you to look over their stocks.

THE BRIDGE PARTY

The bridge party on Monday evening was well attended, there being thirteen tables, and in consequence a nice sum was raised to be sent to the Woods (Orphanage). Mrs. P. C. Toepfer and J. Talents were winners of the prizes for highest scores. The donors will not be large but the Alix people will be glad to know they have helped even this much and will no doubt will make another effort along this line at a later date.

A BLIGHT ERROR

In a crowded bus a stout lady valiantly endeavored to get her fare out of the pocket of her coat which was tightly buttoned as a protection to pickpockets. After trying without effect for some time a gentleman on her right said "Please allow me to pay your fare."

She declined with anger and renewed her attacks on the pocket. After some little time the man again said: "You really must let me pay your fare. You have already unbuttoned my sweater three times and can't stand it any longer!"

Annual Meeting Of Alix Ratepayers,

The annual meeting of the Alix ratepayers was held on Monday evening in the school room over the town hall, the council chamber down stairs being too small to hold the large crowd which attended. The financial statement was read and passed. Rev. Mackie then drew attention to the improvements, financially and otherwise, which had taken place in the past few years.

He drew attention to the indebtedness of the village in 1931 which was up in the thousands, and then pointed with pride to the village accounts today which showed a credit balance with all obligations paid. He also mentioned the putting in of permanent cement walks, the building up of the road on Main street, the cutting of the bank against the lake, etc., all of which had been done while clearing the village of its indebtedness, and then related the wish of the present council, namely, that they be given the endorsement of the electors and the privilege of handling the village taxes for improvement only and not for paying interest. He also referred to the town which had been solicited then and the strict criterion of the manner in which they had dealt with said difficulties, at the same time stating that they had filled their obligations to the very best of their ability, and, he believed, in a satisfactory manner. If we are so turned, said His Worship, we will continue to give our closest attention to the village affairs, but we won't wait any bank out drivers.

The other members of the council followed the rever, pointing out the suitable position of administration but at the same time were ready to carry on for 1936 if the electors so wished.

The meeting was declared open for nominations and in addition to the old council the names of J. W. Scott and W. L. Patis were put forward. Since the meeting Mr. Patis has withdrawn but Mr. Scott has allowed his name to stand and in consequence he is now the best qualified man for the position. On Monday, December 14th, the poll will be taken in the town hall and the hour is 2 to 9 p. m.

Mr. T. Cruikshank returned on Wednesday from his hunt west of the Rocky Mt. House. Sure he was lucky, he not only secured a moose, but shot a fine deer (not a deer, for with all his good luck he hasn't lost one of that species as yet, although he claims to have prospects). Well, Tom we are from Missouri.

An Extra Special Meeting

The Alix Board of Trade will convene at 8 p. m. in the council chamber on Thursday of next week. It is desired that all members attend as very important business will come up for discussion.

Don't forget the date and remember to come.

W. I. 1926 Officers

At their meeting Thursday afternoon of last week the Women's Institute elected the following officers for the coming year:

President—Mrs. S. C. Andrews
1st Vice—Mrs. R. L. Tiesler
2nd Vice—Mrs. E. Pears
Sec.—Treas.—Mrs. A. Foster
Directors—Mrs. C. Cockrell
Mrs. F. Sheldon
Mrs. R. Docherty
Mrs. A. Thompson
Librarians—Mrs. F. Sheldon
Mcs. J. Clef

Messrs. L. Fisher, C. Mills and J. McCallum left for Wednesday morning on a big game hunt in the district out west from Wetaskiwin.

Municipal council meeting in Alix tomorrow (Saturday) afternoon.

J. I. W. SCOTT, hereby agree to pay One Hundred Dollars to the Village of Alix Conditional that anyone can furnish proof that half the cost of building the Cement Sidewalk on the East side of Main Street from Railway Ave. to Alberta Ave. was paid by the (owners of Property who front to the above mentioned sidewalk. Further provided such proof is certified correct by G. G. Norris, F. J. Setters, and G. H. Darlow who shall be asked to judge on the matter.

This offer shall be and remain good until 12 o'clock noon, Monday, December 14, 1935.—adv.

(Signed) John W. Scott

WHAT DID YOU GIVE LAST CHRISTMAS?
Toys for the kiddies—most of them broken by now. "Gunslinging" rifles for the grown-ups—now worn out or forgotten. Cakes to your employees—appreciated but soon gone. Other presents—hastily bought and perhaps ill-chosen. Are they remembered now?

Suppose this year you give them each a Bank Book containing an initial deposit, and urge them to add to it regularly. Could anything be more valuable?

Add "Bank Book Free Book" to your list of Christmas gifts.

Alix Players Well Received

We are sorry to know that
Mr. J. W. Scott has been
confined to his bed the past
few weeks, but trust he will
be on his feet in a few days.

W. Proulx was a Calgary
visitor a couple of days this
week.

Thank You All

The ladies aid of the United
church wish to thank all
those who took part in the
play on Tuesday and Wed-
nesday last, together with
those who assisted in arrang-
ing the setting.

Once more the Aliz players
have demonstrated their abili-
ty to please, when on Tues-
day and Wednesday evenings
of this week it was staged the
two-and-a-half hour comedy
"How Little Bride Are
You" to two good audiences.
In fact the first evening, peo-
ple were turned away for lack
of seating accommodation.

The performance was as
nearly perfect as could be and
each actor was fitted to per-
form the part assigned, while
the stage setting added con-
siderable to the presentation.
The sum of \$161.75 was
realized.

We hope for another
chance to see the same aggre-
gation of amateur play in the
near future.

TEES TATTLING

Mr. and Mrs. Jack McMillan
returned home to Jasper Park
yesterday morning after having
made an extended visit with
relatives.

The telephone line men have
been here the past few days mak-
ing repairs and changes to the
system.

The farmers are taking advan-
tages of the fine weather and are
marketing their grain at such a
rapid rate that the elevators are
kept busy from early morning till
very late at night.

The International Bible Student
people met in the school house
Sunday night a large attendance
was present.

Miss Marie McEwen and Miss
Florence Abbott spent a week in
Edmonton visiting the former's
parents.

Miss Grace Lawson returned
home from Olive Friday where
she has been visiting relatives
and friends.

Mr. J. E. Baskin of Aliz ship-
ped a pair of cattle to Edmonton
this week and Mr. Fred McDon-
ald shipped a car of hogs to Cal-
gary.

Mrs. E. R. Fry is visiting
friends in Oliver this week.

Mr. W. J. Bright has a new
radio and is enjoying it very much.
His newspaper was lent over
last week and was surprised at
such lovely music which came
from Oleaneth, Oakland, Den-
ver, and Chicago.

Mr. Arthur Plamen of the In-
dependent group has been this
week looking after their inter-
ests.

Rev. Thomas Sanderson of May-
me came here on Friday evening
and put on a lecture slide lecture
in the church. The views were
all of Christian Science, religion
and were very beautiful and in-
teresting. Mr. Sanderson occupied
the pulpit here on Friday and
delivered a very interesting ser-
mon. He will preach in Tux-
ton every second week during the
winter.

Mr. Johnnie Ballant, who came
up from Pelly City recently, is re-
turning home this week for the
winter. He has a good pos-
ition.

Municipal Council Minutes

The regular monthly meeting of the council of the Municipal District of Lamerton No. 398 was held at the office of the secretary, Alix, Saturday, December 12th, at 1 p. m. All members were present. Reece E. C. Sherburne in the chair.

A deputation from the Municipality of Lakeside met the council relative to the Sow Thistle menace along the shore of Buffalo Lake and after considerable discussion as to the responsibility for the eradication of this weed along the lake shore the representatives of Lakeside suggested that the council of Lamerton agree to the following resolution which had already been passed by Lakeside, viz:

"Whereas the Sow Thistle is becoming a great menace on the shores of Buffalo Lake

And whereas Buffalo Lake has been declared a Bird Sanctuary by the Dominion Government

And whereas the burden of the responsibility of eradication of the Sow Thistle on the shores of Buffalo Lake clearly rests upon the Dominion Government

Therefore be it resolved that the Dominion Government be asked to fence the lake with a small mesh wire fence and kept in good repair from year to year by the Government and the Municipal District be responsible for the eradication of the Sow Thistle by pasturing the shore either by stock hogs or sheep."

After further discussion on the part of the Lamerton council it was agreed to defer action in the matter until the next meeting of the council in January in order to give more time for consideration. Agreed.

The minutes of the meeting held Nov. 14th were approved as read on motion by Councillor Tallman.

On motion by Councillor Crown the secretary was instructed to arrange for a contract with the Lacombe Hospital authorities re the care of indigent sick.

Councillor Cockrail reported that he had met with the Council of Waverly M. D. at Stettler and also at Alix and that an arrangement had been made whereby the Municipalities of Waverly, Lakeside and Lamerton agreed to pay a bounty on Jack Rabbits during the months of December and January as follows: 12c for each hide of Jack Rabbit ears on and 7c for two ears without hide. Agreed.

The council of the Mirror Sub-divisions. The secretary presented a letter from Milner, Mathewson and Carr, attorneys for the S. D. asking that the council pass a resolution to the effect that the council of Lamerton are agreed that the Crown act as trustee on the lands for the taxing authorities and on motion by Councillor Cunningham a resolution to that effect was passed unanimously.

Mr. H. M. Good made application to acquire the road diversion S. W. 24-40-23-4 and also that he be allowed to gather up the loose stones on the newly graded road bordering 24 to use for building purposes. Mr. Crown moved that he be allowed to gather up the stones with the exception of what is on the grade or up against the grade and also that he submit a figure he is willing to pay for the land in road diversion. —Carried.

The secretary presented a letter from the 1926 Assessment Equalization Board which stated that the acreage valuation per acre for Lamerton M. D. is \$11.71, based on the assessed acreage of 224,683 acres, this means merely a tentative figure which may be changed by the Board in conformity with adjustments which may be made in connection with other municipal units, after discussion the council agreed that figured named was entirely satisfactory.

Meeting adjourned at 4.45 to meet again on January the 9th, 1926.

THE CHURCH HELD \$20.00

When the Aid ladies met on Wednesday afternoon they opened the miniature church which was circulated by Mrs. F. R. Mitchell soliciting donations to the church painting fund, and found the nice sum of \$20.00. Needless to say the ladies were pleased.

Closing

The Alberta Pacific Elevator will be closed during the holidays, from December 24th to January 2nd.

The Union S. N. are arranging for a Christmas entertainment on the Sunday following Christmas Day.

A little daughter of Mr. E. Bray was taken to Red Deer hospital, by Dr. Sutherland, last week and operated on for appendicitis. She is now recovering.

Popular Young Alix Couple Wed

A pretty wedding took place in Lacombe on Tuesday of this week, when Bernice, youngest daughter of Mr. and Mrs. George Nelson, and Mr. Arthur B. Ralston, both of Alix, were united in marriage by Rev. R. L. Layton (pastor of St. Andrews United Church).

They returned to Alix on the afternoon train and the wedding dinner was served at the home of the bride.

Mr. and Mrs. Ralston have taken up residence on the farm of Mr. G. Ralston, south of town.

The happy couple have a host of friends who will join in wishing them every happiness.

J. W. Scott received a letter this afternoon from the National Automobile Club of New York informing him that his hotel had been selected as the official stopping place for its members and a sign to this effect would be erected at his place of business.

Mirror Odd Fellows Entertain District

The Mirror Odd Fellows on Thursday evening of last week did themselves credit when they entertained the representatives from Clive, Lacombe, Alix and Mirror to the annual district meeting held in that town.

Bro. P. C. Toepfer, D. D. G. M. of Alix, occupied the chair. Bro. J. H. Wansley, D. D. G. M., represented the Grand Lodge. At midnight the company sat down to a well laden festive board and regaled themselves as only the Odd men can. Bro. C. McCord of Mirror was elected Deputy for 1926.

DELIVER XMAS PACKAGE

The worry of selecting and buying suitable Christmas gifts for the home folk will be more than repaid if you deliver them yourself. The whole family will be glad to see you—it will seem as good to you to get back into the family circle, to watch them open their packages and upon a few of your own. To not a well stock of gifts, packed in only moderate boxes, to be surrounded by the joyous, happy tones of your loved ones will give you a thrill you can get no other way.

The trip home is no bother if you travel by Canadian National Railways, you will receive the utmost in courtesy and comfort. Any agent of the Canadian National will make your reservation.

W. F. Fries, agent, Alix.

**Alix Christmas Tree
and Entertainment**

The Annual Christmas
Tree and Entertainment in
connection with the Alx
school, held on Tuesday eve-
ning, was in every way up
to the standard set in pre-
vious years, and the teachers
deserve credit and the kiddies
unlimited praise. The star
drill was beautiful, the Shak-
espearian play showed tal-
ent, several comedy sketches,
recitations, music, in fact the
whole evening was a real treat
and very much enjoyed by the
large crowd present. It has
been said that preparation
for an event of this kind de-
tracted from the studies, but
in our opinion the manner in
which the children take their
parts shows a training which
will tend to fit them for a
position in life which in this
age is absolutely essential.
The fitting of a child to take
a place in public is just as
necessary as an education.
Fire dispersing each child re-
ceived a gift from the beauti-
fully decorated and heavily
adorned tree, also a bag of nuts
and sweets.

FARM HELP

S. Pockington, Local Su-
pervisor of the Land Settle-
ment Branch of the Immigra-
tion Department, is able from
time to time to furnish Old
Country help to the farmers.
Many of these farm helpers
have been in the country a
full season and are therefore
experienced.

It is recognized of course
that big wages cannot be ex-
pected for the winter months.
A good home and a fair wage
is all these men expect.

Should any farmer wish to
procure a man for the winter
at reasonable wages, if he will
please get in touch with Su-
pervisor Pockington whose
address is Stettler, by letter
or by phone, the Supervisor
will endeavor to fill the far-
mer's requirements as soon
as possible.

No charge is made for this
service, and if the man is not
satisfactory another will be
procured. Every endeavor
will be made made however
to see that the man furnished
is reliable and well spoken of
by his previous employers.

At the Annual Meeting of
the Alx Agricultural Society
on Saturday last the Annual
Business was passed as read
and the 1928 officers and di-
rectors were re-elected for the
coming year.

The school board have en-
gaged Miss M. S. O'Neill of
Calgary to teach Grades 7&8
after the holidays.

We are sorry to note that
Mr. J. R. Ballard has for the
past few weeks been confined

ITEMS OF INTEREST

Happy New Year For Everybody is our wish.

Among the teachers who are spending the holidays
with their parents at Alix are: Miss Treva Hunter from
Stettler; Miss Jean Kania from Sunnyside; Miss Kathleen
Mann from Blackfalds; Miss Kathleen Smith from Mirror
and Howard Carroll from Union Hall.

Mr. Armstrong, with his son and daughter, of Oda
were guests the past few days at the home of Mr. and Mrs.
M. A. Smith.

Mr. and Mrs. Floyd Jones of Halkirk were Christmas
visitors at the home of the lady's parents, Mr. and Mrs.
H. Haddock.

Christmas has come and gone, but Jack Frost will be
with us for three months yet, and you need those storm
coats and that storm door, so phone your needs to The
Alberta Lumber Co.

The next regular session of the council of Lacombe
Municipality will be held on Saturday, January 9th.

Walter Jasep has been spending the holidays at his
home in Ledy. We understand he has been transferred to
the Government's telephone staff at Watsikovic.

Mr. and Mrs. L. Fisher and son spent Christmas with
the lady's parents at Stettler.

Mr. W. Gibbert has been spending the past week in
Calgary.

We humans beings are a distressed crowd. In the
winter we long for the summer and in the heat of summer
we long for a touch of winter. A supply of ice well stored
in sawdust will help bring a touch of winter just when we
need it most summer. The Alberta Lumber Co. can supply
a car of good clean sawdust for ice storage.

The first meeting of the 1926 Village Council will be
held on Monday evening next, January 4th, in the council
chamber, when the oath of office will be administered, the
minutes for the coming year submitted and a general
discussion of needed improvements will take place. Let us
attend, what say?

Following the council meeting next Monday evening
the Board of Trade will go into conference in the same room
and a full attendance is requested.

The O. W. V. A. are unshaking in 1926 with a dance on
Friday evening, January 1st, in their hall. The Bulletin
three-piece orchestra will provide the music and midnight
tunes will be served. Let's be happy on this the first eve-
ning of the new year. Come all.

Have you made a list of those good resolutions for the
incoming 12 months. If not, do it now and start with the
"Resolved, that I will always be happy in spite of every-
thing."

The Sunday School lesson for next Sunday will be
found in John 1:1, 10-18. Golden Text—"And the word
was made flesh and dwelt among us (and we beheld his
glory as of the only begotten of the Father) full of
grace and truth." John 1:14. The attendance last Sunday
was 50 children, prizes were awarded in all classes for
attendance in 1925.

The regular meeting of the W. I. will be held in the
rest room on Thursday, January 7th, beginning at 2.30
p. m. All members are requested to be present as a lot of
important business is to come up.

Mr. J. P. Zimmerman and son Sam were visitors in
Calgary the forepart of this week.

Detroit, Mich., Dec. 24—Mrs. Arilla Greenough, 31, of
New York, died today of injuries received Monday, when
the car in which she was riding collided and struck a tree.
Her brother, Albert Frost of Detroit, was seriously injured.
Lord Chaynesmore, of Alix, Alberta, the other member of
the party, was unharmed.

Miss Hazel Maurer spent from Thursday until Monday
at her home south of C.R.

School re-open on Monday, the 4th.

POLICE

NOTICE TO THE GENERAL PUBLIC

The Commissioner of the
Alberta Provincial Police ad-
vises that there is information
at hand which would lead to
the belief that a gang of safe-
breakers and burglars may
shortly visit the province.

Streetkeepers and others
who carry money in fairly
large quantities in connection
with their business are re-
quested to take the proper
precautions in guarding their
stores and other places of
business, and to advise the
nearest member of the provin-
cial police whenever suspicious
characters are noticed
around.

Issued On Dec. 26th, to
Mr. and Mrs. Ian Kerr, of

Irish As She Is Spok And Spelt

William Falkner is known far
and near to be the owner and
manager of a threshing machine
for years, for right today he is
without doubt one of the most
experienced and most industrious
threshers that ever set a
wheel in the stable fields in this
part of the west. He sure likes
to make dollars plenty to make
large payments on Old Caled. It
has been his intention for years
to break this country through
and through for he sure got some
obstacles on his way known as
the coffee mills there are out both
sides of him to get his threshing
done. For the way it is it make
as hard for him sometimes to
make expenses and pay his thresh-
ing crew besides. His nerve
runs a wheel but he often
times refused to do that that all
the coffee mills in the country
were worth of his place to one
think close to his mind and that's
over the Red Deer River bank
at the early hours of morning
just at the dawn of day left stand
behind Old Caled with a slight
grimy look on his big beaming
face he hankers to his right hand
man, who has worked himself
to be quite an engineer, that's
Bill Dene, to put on more steam
they the vehicle for the boys for
one or ready to hit the wall for
there is more a hard working hour
between now and nine o'clock
tonight. Their threshing in the
way that keeps track on the back
of a number while New Caled. say
someday stage and the humors,
they around sometimes quite
gradually with an oil in one hand
and a grease can in the other
they own think that will get you
and he also thinks with he is on
dash on his knee behind the feed-
er he hanker get on plenty of oil
and grease and things will come
while he is in the oil, he likes to
be in and careful he has been sup-
porter man for years, for every-
body knows he is a few looking
man. The about their Will
Falkner has on the job of threshing.

begin a wild Irishman his name
is "Old" and of five children he
there and ready to answer the
sound of the alarm clock.
He doesn't care a thinker's dream
for green feed bundles as long as
he can find the money to get the
his intention to see feed. Bob
and Ouba with an extra feed of
oats while the rest of his bobbed
friends they sleep and snore.
Steve Turner's whiskey has sure
turned out as long as he can
and Jack and Ned make a hard turn
and keep going straight a head
there is no danger of the load
being found upset. While Steve
is digging out the old milk and
and single he is doing his best to
keep up with the rest for right
besides his about is Old Kate
and Joan they are sure mighty
thankful for a rest. Steve Ter-
ner has taken the care from his
side hankering to tanky man he
sure looks to be quite a sailor for
over three hills and hollows he
used to go with the four brothers
as far as they could going to get
water for Old Caled in a hurry be-
cause he knew that she took an
awful mallow. But Steve Ter-
ner was the only human being
Bill Falkner ever had on
his job of threshing he got to be
promoted too and around tanky
man, he is only a little man, he
has done some awful lot of hap-
pying with Pat and Ned but never
in his life he has been in the
need to join his ankle friends.
Heaven will his horses they be
shod.

Bill Falkner never likes to get
too cranky with the ladies here
he sure they are not his sex.
they tell him all the time they
they get, they tell him Kate's
presents on the boat, they also
tell him New Year's will come he
know. It was late in the fall just
three years ago I suppose he was
be making in the phone and here
he was talking to a young married
lady and he remembered to her
name is Mr. Jones for he had
his own made a stamp on your

have said just got through oper-
ating with Old Caled and my name
is Kate Jones.

Yonks and maidens you surely
know that the fall of 1928 was an
awful rainy fall ever since the
farmers' grain did get ripe. The
harrowing farmer sure felt disheart-
ened when his wheat went through
the water in the latter the operator
in the Alta elevator accounted to
them right then and there it
number three and that was it
and it was good to get through the season
if you farmers don't like any way
of saving talk is home and feed
it too the children they will see
out it they will do some something
and a little singing but they
surely won't do no kidding. I
will tell you one thing neighbors
that's where they belong to.
and that is you never know and
about for the coffee mills, they
are awful slow and yet they don't
ever fail for you see them on the
public highway you see figure
that's where they belong to.
For when you talk too one of
them about your job of threshing
they will tell you with compli-
ment they should be home doing
their own for when they come on
your place they intend to stay
twenty days and by that time
you will be wearing a desperate
looking face. If you want your
threshing done in a hurry hanker
for Bill Falkner and his threshing
crew some people say he has a
waste full looking crew that might
be true. There is one thing he
knows how and will do if he
wants to get that is to choose
a threshing crew.

Will Continue The Good Work

The first session of the 1926 Village Council was held on Monday evening last with all the members present.

After the oath of office had been administered the selection of a reverendist in the unanimous choice of Mr. J. R. Mackie for another year.

The following were then appointed to office:

Secretary-Treasurer—W. M. Reitel.
Auditor—W. L. Pettit
Janitor—W. Melvin

Poundkeeper—Dad Brown
The business of the evening was a discussion of the proposed work of the council for the coming year, which will include extensive improvements to the sidewalks, the grading of Alberta avenue and the putting in of two or three much needed cement crossings on main street.

Annual Meeting

The annual meeting of the ALIX Free Press will be held in the church on Friday evening, Jan. 15th for the purpose of receiving reports from the various branches and any business which may be brought before the meeting. The Ladies' Aid will give a short program and refreshments will be served. We urge everyone interested to be present.

The Installation and What Followed

On Thursday evening of last week Electric Chapter of the Eastern Star installed their officers for 1926.

At the close of the meeting the company, comprising the members of the Chapter, the members of Masonic Lodge, and a few visitors, sat down to a New Year's supper of turkey and cranberries, mince pie, scalloped potatoes, cabbage and of course a delicious pudding. After partaking of the good things provided, a program as follows, was in order, J. R. Mackie as toastmaster:

The toast to the New Year proposed by G. H. Darlow was responded to by a mixed quartette rendering, "Welcome To The New Year."

The toast to the Grand Chapter by Mrs. A. S. Blissett the Worthy Matron, was responded to by Mrs. G. H. Darlow.

The Masonic Lodge, presided by Mrs. R. D. Carr, was represented by the Master,

S. C. Andrews.

There were recitations by Mrs. Carr and Mrs. Smith, solos by Mr. Chinn and addresses by various members. The company broke up in the early morning hours agreeing that it had been a very pleasing way of saying good buy to 1925 and greeting 1926.

Service on Sunday at 3 p. m. in the United Church.

NOTICE OF ANNUAL MEETING

The annual meeting of ALIX Consolidated S. D. No. 12 will be held in the schoolhouse on Thursday, January 14th, at the hour of 1.30 p. m. for the purpose of receiving the various annual reports, the election of trustees for the Open Valley and Alix Units and such other business as may properly come before the meeting.

SATISFIED CUSTOMERS MY MOTTO

A Two-Man Game

While motoring home from the game last Saturday evening the Alix goalie seemed to be still under the impression that he was still in the game, for when he overtook Bruce Hikos, who was on the forward line just east of the overhead bridge, he successfully checked his forward rush when his car missed it with Bruce's team and cutter with disastrous results. As per usual Alix came out best for beyond the loss of a tire he got away clean, but he surely scored on his opponent, the cutter was demolished and the team demoralized, beating it for home without a doubt as a good by. Fortunately there were no casualties during this game, but the penalties were pretty heavy.

Alix Seniors Again Win From Mirror And Stettler

In a fast game played on the Alix ice against Bashaw on Friday night, the visitors came to the park by a score of 7 to 4 when the last whistle tooted. The game was worth watching, but owing to the lack of sub, our boys were lagged and were lucky in holding down their opponents to the score they did. The Bashaw boys had oodles of men and thus saved their players. However, both teams did their best and we are proud of the showing the locals made.

Saturday night our team played their second game with the Mirror stick handlers on the Alix ice and the contest was a fast one, notwithstanding the softness of the sheet. Our players had it their own way from the start and cleaned up the visitors by a 5 to 1 score.

Starting off with a rush the Stettler and Alix teams put up a good exhibition on Tuesday evening last on the local ice. The visitors played a much better combination than our boys and it was owing in a great measure to the Alix goal keeper that Alix was able to double the score, making it a 6 to 3 tally. We have a fast team but they will simply have to cut out the individual play if they want to hold their good rep of only one loss out of five games played. The Stettler side are a clean bunch of sports and fast skaters.

The seniors played a return game last night.

Juniors Win and Lose With Bashaw

The junior team played a return game with Bashaw as their opponents on Alix ice on Saturday afternoon last and again slipped it over on the visitors by a 3 to 1 score.

We did not accompany the boys to Bashaw on Tuesday, but from what their manager and the score tells us it must have been a real snappy game and a clean one. Our boys failed to register while their opponents tallied 2, one in the first period and one in the last. There were no penalties and not even a warning. This is the first game our juniors have played under artificial light which no doubt proved a handicap, but then to win two games out of three with the same team is perfectly satisfactory.

Arrangements and under way for staging a hockey match next week between a ladies' and men's team.

ALBERTA HAS MILD WEATHER

Extremely mild weather has prevailed in Alberta during the past two months. The weather records for the months of December and November show that the average maximum temperature for November was 32.3 and average minimum was 15.4, while the average maximum for December was 26.5 and the average minimum was 14. On only three days in November did the thermometer register below zero and two days in December. Calgary records show even higher average temperatures, in both Edmonton and Calgary the mercury having shown above 50 on several days in each month. In the far north, particularly in the Peace River district, the weather has been very mild, with the rivers running open and the stock wintering out. In the Lethbridge district in the south almost summer weather has prevailed.

THE DAIRY CONVENTION

The annual provincial dairy convention will be held this year at the Macdonald Hotel, Edmonton, under the joint auspices of the provincial department of agriculture and the Alberta Dairyman's Association, on January 26, 27 and 28. On the opening day the boys' and girls' dairy cattle judging competition will be held at the University. The meetings of the producers' section, the manufacturers' section and the butter, cheese and ice cream makers' section will also be held. In the evening Hon. Geo. Hoadley and Dean Hovey will speak. On the morning of the second day the boys' and girls' dairy demonstration will be held and the annual general meeting of the Dairyman's Association will take place. There will be good addresses both morning and afternoon by prominent speakers. The annual convention dinner will be held Wednesday evening with Dean Hovey as toast master. On the third day the dairy demonstration by winning team in the boys' and girls' competition will be held and Percy Scott, secretary of the National Dairy Council will discuss the work of the council. There will be other interesting addresses both afternoon and evening of the last day.

HOMESTEADS GRANTED

Homesteads granted during 1925 in the Edmonton land district totaled 746 with 62 soldier grants, compared with 506 homesteads and 50 soldier grants in 1924.

If you have an item of news tell us about it and we will compile the story. We cannot be everywhere and so need readers as if you will help us we will appreciate it. Phone 23.

Dr. and Mrs. J.S. Sutherland are visiting for the week with Edmonton friends.

Messrs. C. E. Stone and John Waterman were delegates from the local to the U.F.A. convention at Calgary the fourth of this week.

We human beings are a dissatisfied crowd. In the winter we long for the summer and in the heat of summer we long for a touch of winter. A supply of ice well stored in sawdust will help bring a touch of winter just when we need it next summer. The Alberta Lumber Co. can supply a car of good clean sawdust for ice storage.

Mr. N. A. Larsen is attending a pool meeting in Calgary and next week will take in the Dairy Convention at Edmonton.

Don't forget the church service next Sunday at 3 p.m. in the United Church when Rev. R. G. Wood will deliver the address. This hour has been chosen to suit the country and town folk. All welcome.

The P. F. W. A. will hold their regular meeting on Saturday, January 30th (winter) or on January 31st in their hall when the delegates' report to the convention at Calgary will be heard. Mrs. W. D. Darrist was representative from this local.

There is nothing new in broadcasting heat. Well, we can't think of anything much more alluring just now than the idea of being able to turn a tap and let in a lot of heat these cold mornings.

Old-timers in the province are declaring that the present winter has been the mildest for many years.

Great grandma's beauty doctor was Alix Outdoors.

Dictates Of Common Sense

Buying away from home is a habit which usually does nobody any good but the mail order house. Buying at home is a habit which does a world of good to the buyer, the merchant and the home town. Why cultivate a bad habit when it is just as easy to acquire a good one and why continue a bad habit when there is a good habit which can easily be substituted?

Before the Alix stores became so well stocked up there was some defence for the mail order concern with their itinerated stores. There was a time when the mail order house was the only place where the residents of the small town and country could supply all of his needs. But today our hometown stores can furnish all of man's needs and without delay, misrepresentation and uncertainty of satisfaction. Four essentials in buying are quality, quantity, favorable price and quick delivery. Your hometown merchants set the standard in all four of these essentials.

There are men and women who go to larger cities to buy all or part of their wants. They argue that they can save money and obtain better satisfaction, but brought down to the actual facts they usually admit the buying-out-of-town is only a habit, and an expensive habit at that. They lose the insurably shopping, the personal service and the realization of responsibility which characterizes the local stores.

Big business buys its raw materials from the nearest source of supply. Every individual is a business in himself or herself. Thrifty buyers figure in the time, labor transportation and market costs and buy accordingly.

Stuttering Moe—I just think, I think I'll buy a beautiful butterfly once a case from a common. Pa Lee—Good Lord! I guess we in the mountains of anything.

THE ALIX FREE PRESS

To Our Readers

WE would ask each of our readers to examine the address labels on their papers in order to ascertain whether their subscription to the paper is paid up to date, and if it is not, to send in the amount as soon as possible. It is not easy to remind separately each person who is in arrears, and while each such may consider that the few dollars he or she owes are not worth bothering about, yet in the aggregate they may amount to a great deal and be of considerable importance to the paper. It is only fair that you remember your paper at this time of year and we take this means of asking you not to forget us.

Alix Sectors Lose To Bashaw 4-2

On Friday last week the senior again went down in defeat when the Bashaw was the best to that team by a 4 to 2 score. The game was not very exciting. Bashaw boys having played two seasons since the last season previous and our boys were unacquainted, having only one sub to split them off. The excellent work of both the goalies is responsible for the low score as they were both well peppered. However, the large number of fans who accompanied the team seemed quite satisfied that the locals held their opponents down to the score they did.

Two More Scaps In Their Belt

On Saturday the juniors played two games on the local ice and carried away the plums in both contests. The first was in the morning with the Stettler school team, which they won by a 1 to 0 score, L'Hondale shipping the little black disk past Stettler's "Fatty Arbutchuk" in the second period. It was a good exhibition of hockey and a clean game throughout. The victors are perfect gentlemen.

In the afternoon Mirror came down with a mixed team of juniors and seniors and the way our boys treated them was really wily to say the least. Imagine a team stripping the tree and hitting their brother players go hungry. For they shot the visitors out completely and played up 9 goals. It was surely a pleasure to watch the play of the "Alix Whirlwinds" the perfect combination of the forward line, the excellent support of the defense. We are proud of school boys and are ready to match them with any team of their age in the Province. The Alix line-up was as follows:

GOAL:
Vern Searle
L. D. — Dan Pettit R. D. — Stan Hunter
L. F. — L. Pettit C. F. — D. Wilson R. F. — A. L'Hondale
Subs — R. Searle, J. Brooker, M. Cuckey, J. Love
This made the 4th win for the boys out of 5 games played.

Alberta Butter Winnings

Alberta creamery butter during the past season won 38.5 per cent of all prizes offered at the 11 exhibitions in Canada at which exhibits from this province were shown, according to a statement compiled by Dr. Markier, duty commissioner. The number of prizes won was 275 out of a possible 710. Of all first prizes offered, Alberta won 50 or 12 per cent. Of second prizes 44 per cent was won, of third prizes 44 per cent, of fourth prizes 23 per cent, of fifth prizes 29.4 per cent, of sixth prizes 8.3 per cent, of seventh prizes 33.3 and of eighth prizes 22.2 per cent. In the eastern exhibitions, Alberta won 13 out of 44 prizes at Ottawa; 10 out of 36 at Toronto and 9 out of 21 at London.

Alberta's Natural Resources

The agreement under which Alberta's natural resources will be transferred from the control of the federal to the provincial governments, has been signed at Ottawa by representatives of both governments, as a result of Premier Brown's visit to the federal capital. Legislative affirmation of the agreement must be given by Imperial Parliament, following a petition by both federal and provincial legislatures. The subsidy paid by the dominion government to the province will be continued for a three-year period after the transfer of the resources.

Death of J. Lagore

Following a week in the
General Hospital at Edmon-
ton, the death took place on
Monday morning of James
W. Lagore, brother of Mrs.
O. F. Toepfer and Mrs. C.
Rouse of Alix, aged 42 years.
Interment took place in the
Huguenot cemetery. He
leaves a wife and five children.
His two brothers, Bob and
Pete, were with him during
sickness and when he died.

Mrs. Dr. Graham Passes Away

The many Alix friends of
Dr. Graham of Ponoka ex-
tend to him deepest sympathy
in the death of his life part-
ner, which sad event took
place last Wednesday morn-
ing, following several weeks
of suffering from burns. It
appears that the accident
happened when the deceased
attempted to throw some
liquid, which had taken fire,
from the door and the flames
blowing back inflicted severe
burns about the face and
arms, from the shock of which
he never recovered. The
late Mrs. Graham was well
known to a large number of
our residents. In addition to
the Dr. she leaves one little
daughter.

Alix Gets Two More Wins

The Alix seniors simply
ramped away from the Evi-
line stickers on Friday night
of last week when they piled
up the log and of a 4-2
score. The ice was very heavy
after the soft weather and as
a result the game was not
overly fast but as usual our
boys were again to the front,
making the showing to date
as six wins out of eight games
played.

The Alix fans had an op-
portunity of witnessing the
mettle of our juniors on Sat-
urday evening last when a
team from Mirror, comprised
mostly of old senior players,
went down to defeat to the
tune of 6-4. The locals were
a trifle afraid of the size of
their opponents at the start
and allowed them to shoot
two counters right off the
bat, but getting up their
nerve they started in to win
with the above result. This
was possibly the hardest
fought game this season and
congratulate the boys on

NERVILINE

Consider NERVILINE the best remedy for a cold, sore throat or tightness across the chest," writes Miss Josephine, from Windsor, N.S. "For years our home has never been without NERVILINE. I had a cold and throat that fourteen grand-dads 'break up.' I rubbed on NERVILINE three times a day, used NERVILINE a gargle and was completely cured. It's because NERVILINE is NERVINE, the nerve tonic. It's a very strong tonic, that it is used to become for the prevention and cure of a hundred minor ills. Get a bottle to-day.

History Of "World's Greatest City"

Gives Many Little Known Facts About London

The wonderful book just issued by the (Karlson) County Council, called "London: A History" contains all manner of the great city. Labels were added to figures.

Whole life history of the world's city, with a population of 3,000,000, is recounted between the covers of this volume of 650

room housing the Queen's dolls at Window 'Cattle has been to the public until the spring. The dolls have visited the dolls during the past three months, and hundreds of Americans have continued to take the Queen's dolls.

Servant Misunderstood
A servant girl, shortly after taking possession, was found by the mistress of the house detecting the picture in the gallery. "Now, Mary," said the mistress, "I want you to take particular care in dusting these pictures for they are all old masters." "Ma'am," ejaculated Mary, "you

Regular meeting of the Women's Institute will be held in the room on Thursday, February 4th, when Miss Jessie McMillan of Edmonton, Superintendent of W. I. for Alberta, will be present to address the meeting on the subject "Aims and Objects of the W. I." an invitation is extended to all ladies of the community.

Regular meeting of the Village Council met Monday evening, Feb. 1st, followed by the Board of Trade.

We human beings are a dissatisfied crowd. In the winter we long for the summer and in the heat of summer we long for a touch of winter. A supply of ice well stored in sawdust will help bring a touch of winter just when we need it next summer. The Alberta Lumber Co. can supply a car of good clean sawed ice for storage.

Mrs. C. Rouse and Mr. O. Toepfer went to Huggan's on Monday to attend the funeral of the former's brother, the late James Lague.

Don't forget the meeting of the U. F. W. A. tomorrow (Saturday) at 2 p. m.

Mr. D. C. Toepfer, D. D. G. M., installed the officers of the Mirror Odd Fellows Lodge on Tuesday evening. He was supported by a number of the Alix boys.

Maurice Brown has gone to spend the balance of the winter in the lumber camps at Rocky Mt. House.

Mrs. C. B. Halpin of Lacombe has been visiting this week with her daughter, Miss Halpin of the Alix teaching staff.

Miss Maryat returned on Tuesday from spending a week in Edmonton.

The weather for the past week has been very warm for January, in fact we have had rain on several days and the snow that has fallen was just one step beyond rain. The playing of a hockey game in the rain, as happened in Alix last Friday, was an entirely new experience for the boys. The rink management are having trouble in retaining the ice.

We understand that the comedy "It Pays To Advertise" will be staged late in February or early in March.

Wheat Pool Meetings

Mr. Lew Hutchinson, a director in the Wheat Pool for the Carleton district, has arranged to hold a series of meetings in the interest of the Pool, throughout the eastern portion of the Red Deer district and we give a list of them in this neighborhood:

Feb. 6th—Perinthosh 3 p. m. Feb. 8th—Mirror 8 p. m.
Feb. 6th—New Norway 8 p. m. Feb. 9th—Gadsby Lake School 3 p. m.
Feb. 8th—Beaushaw 2 p. m. Feb. 9th—ALIX 8 p. m.

The Reason For Good Business

Business is good! The farmer sows a load of wheat, and all the world is fair and sweet; he sows a couple of cheerful tunes, and pays the grocer for his produce. The grocer who had the blues, now buys his wife a pair of shoes. That ten the shoeman thinks God sent, and runs with it to pay the rent. Next day the rent man hands the bill to Dr. Carver for a pill. And Dr. Carver tells his frau that business is improving now. And chimes her up and says, "My dear, you've been quite noble for a year. I'm thinking you should have a rest; you'd better take a trip out west." And in a couple of days the frau is on the farm of Joseph Howe. She pays her board to Farmer Howe who takes the bill and says: "I savor, here's something that just can't be beat—this buys the one I get for wheat." It means a couple of cheerful tunes and goes and buys a lot more produce.

To Our Readers
WE would ask each of our readers to examine the address labels on their papers in order to ascertain whether their subscription to the paper is paid up to date, and if it is not, to send in the amount as soon as possible. It is not easy to remind separately each person who is in arrears, and while each such may consider that the few dollars he or she owes are not worth bothering about, yet in the aggregate they may amount to a great deal and be of considerable importance to the paper. It is only fair that you remember your paper at this time of year and we take this means of asking you not to forget us.

Quoth He, It Was a Famous Victory.

If you missed the game on Tuesday last between the drafts of Erskine and Alix, you surely missed a treat. The score was not large, but then, they only played two periods of 30 minutes each (we thought they were going to play till breakfast time.) When the team rolled onto the ice, we were proud to think that, as a father, we were dressed with such a handsome lunch. The game was rather rough, that is, the players were rough on themselves, but Referee Frank Cockrill, with his eagle eye, held in check those who were inclined to be dirty by tripping themselves and shooting at the goal keepers. Mickle was goalkeeper for the Erskine and Harry Lynn was fenced for trying to score. The tally was Erskine 2 and Alix 4.

The victors were a happy bunch of fathers and prospects, and to their playing on the ice we offer our respects. The business men of that fair town were represented strong and each side out into his place at the sounding of the gong. Morriam of the Royal Bank can make that old pock hunt, while Harry Lynn spent most of his time 'sitting' on (the seat of his pants). The hardware representative was on to all the tricks for the way he stashed would indicate that he had sold the sticks. Don Toodles stood first on his head and then upon his feet, yet every time he climbed up he wore a smile so sweet. But Noonan had 'em all to sleep when 'round the rink he spun, and every time he took a shot you'd swear it was a gun. Upon this team of sporty guys were three pillars of the wall (Belmont, Watson, Reynolds) and the sweet it's holder when they sat, they must have hit a bull. But, be goah, they made a heap of fun and swore by all they knew, that they had spent a glorious time 'em though they were black and blue.

The Alix boys were on their toes, a portion of the night but the ice cut down the toll by one long steady fight. Referee put up a pretty game, he sure was good by jimmies, for when he tried to pass right through, you how he could shimmy. And as for Foster, we can bet that if he had not been called he would be playing yet. Our barber isn't short or tall, but when he'd but he'd lose the ball. In opposition to them all Douglas P. in tank and tail, he'd sweat away at that old buce the same as any hockey rube. As Bill went up the ice to get it, and when that little dick was in the tank, the Scotchman, did his very best to double the score and then take a rest, but in the end he'd at the cheer of one end, he had run out of breath and lost all his wind.

P. B. - We are not sure, but believe that the Alix Mayor scored all the goals (for both teams) at least he tried hard.

Any one may develop, but he must be developed by outsiders.

You Tell 'Em

Bill Falkner's praises have been sung
In verse both blank and free;
They're told about how good he is
How tough he used to be.

They've talked of wings upon his back
Of horns upon his head;
But of Joe Ennis and his crew
There's not a word been said.

They're told of Falkner's engineer,
Of Steven's whippersnapper;
They're told of dishes Tospfer washed,
Of cute things Polly said.

They're told about the grub they ate,
About their coal and wood;
But Ennis had a crew of men
That were every bit as good.

There was Maurice Scherpy who bossed the rig,
While Hudkins oiled the mill;
We had a Sturgeon in the bunch
Who roamed the fields at will.

Frank Cockrill was our handsome one,
Our Bear; though small, was good;
And while we burned gas most the time,
We used 'George Collingwood.

We had two Sargents in our ranks
And Falkner had but one;
The little one who hauled the oil
Was Fred, Joe's youngest son.

There was Roberts, Todd, Bill Patrick, too,
All labored with us gent;
Edi taught us guys a game called draw,
He charged us fifty cents.

There was Rully Griffin, the hockey star,
Sid Lear, a worthy man;
We even had a BRITISH LORD,
Now best that if you can.

Then when night settled o'er the field
And that day's work was done,
We'd all sit in the rag house
And have a heap of fun.

Or gather round the table,
Loaded down with pies and such;
Bill's crew might think they ate a lot
Not we eat just as much.

THE PASSING OF MRS. DR. GRAHAM

The death of Mrs. Dr. Graham was a great loss to the community. She was a woman of great character and a devoted mother. Her death was a great shock to her family and friends.

The funeral will be held on Friday, February 14th, at 10:00 a. m. from the residence of her daughter, Mrs. J. H. Smith, 123 Main Street, Alix. The burial will be in the cemetery at 11:00 a. m.

The service was conducted by Rev. J. H. Smith, pastor of the United Church. A large number of friends and relatives were present. The service was a most impressive one.

Card of Thanks

We desire to thank all our friends for their benevolent acts of kindness and loving sympathy shown in our dear departed one, although we cannot adequately express our gratitude and appreciation. She departed this life on February 14th, 1926, at the age of 65 years. She was a devoted mother and a faithful wife. Her death was a great loss to her family and friends.

DOCTOR AND DONOVAN GRAHAM

There has been considerable sickness among the children of this winter, and it is a great pity that so many of the children of Mr. and Mrs. T. Wilton, Mr. and Mrs. C. Wooller, and Mr. and Mrs. W. A. Lynch, the little ones suffering from pneumonia.

Query—"New old has a new item to be before it comes to be new?" Answer—"Not over twelve months."

"Will Frank Broder be in 1926?" Answer—"He would save you."

The Wheat Pool Meeting

The public meeting in the
interests of the Alberta Wheat
Pool held on Tuesday evening
was well attended and the
speaker, Mr. L. Hutchinson,
director of the Camrose
district, gave a very complete
outline of why the pool was
organized, its progress during
its two years of operation
and what it aimed to accomplish
in the future. He dealt
with the many perplexing
questions in the minds of the
farmers and pointed out that
successful operation and ultimate
complete success could only
be accomplished by the aid of
the individual members. In
answer to the question as to
when the pool would acquire
its own elevators, the speaker
pointed out the utter
futility of a move in that
direction just at present. He
said it was a matter to be
dealt with only after the
expiration of the present
contract and the signing up of
a new one. There is no doubt
that the present went away with
their eyes open and a totally
different view of a large number
of matters which heretofore
they had not understood. Mr.
Hutchinson is a clear
speaker and had the matter
at his finger tips.

Alberta Legislature In Session

The Alberta Legislature
opened yesterday (Thursday)
and it is predicted that the
session will be a short one.
The chief matters to come up
will be the final report of the
committee on redistribution
and the submitting of a bill
whereby provision will be
made for administering the
natural resources, on which
matter the premier will give
a report.

Obituary

After an illness of only one
week from pneumonia, the
death took place early Thursday
morning of Mrs. F.
Yahke at her residence in
Alix, at the age of fifty years.
Mr. and Mrs. Yahke were
old residents of the district
and were in extending sympathy
to the bereaved husband.
The funeral will take
place today, Friday, Feb. 12,
at 2 p. m., from the United
Church to the Alix cemetery.
Rev. Woods conducting the
services.

Mrs. Becht of Saskatchewan
is visiting at the home
of her parents, Mr. and Mrs.
Goedson.

night supper will be served.
Charge 50c per person.
Come and play.

Another Milestone Passed

On Sunday afternoon a
number of friends of Mr. and
Mrs. J. Hill met at their home
to help Mr. Hill celebrate his
71st birthday. The after-
noon was spent in social chat
after which a dainty lunch
was served by the ladies. We
join with the company in
wishing Mr. Hill many more

Children Cry for

MOTHER'S Eberle's Food
Eberle's Food is a perfect food for infants and children. It is a complete food, containing all the elements necessary for the growth and development of the child. It is easy to digest and assimilate, and it is the best food for infants and children. It is the food that mothers everywhere are using, and it is the food that children everywhere are crying for.

Canada's Growing Time

Harvest time is upon us, and it is a time of great activity and excitement. The farmers are busy in the fields, and the cities are busy with the marketing of the harvest. It is a time of great productivity, and it is a time of great joy. It is the time when the fruits of the earth are brought to the table, and it is the time when the people are able to enjoy the bounty of the land.

SAVED BABY'S LIFE

Mr. Alfred Thompson, of the City of Toronto, has been instrumental in saving the life of a baby. The baby was born with a rare and dangerous condition, and it was thought that it would not survive. However, Mr. Thompson's quick action and the skill of the medical staff at the hospital saved the baby's life. It is a wonderful story, and it is a testament to the power of human compassion and the skill of modern medicine.

Trade Prospects Reviewed At Meeting of Bank of Montreal

More than ordinary interest was shown at the meeting of the Bank of Montreal, held last night, when the bank's trade prospects were reviewed. The meeting was attended by a large number of business leaders, and it was a most interesting and profitable one. The bank's president, Mr. J. G. McLaughlin, presided over the meeting, and he made a most able and comprehensive report on the bank's trade prospects. He pointed out the many opportunities that were available to the bank, and he outlined the bank's plans for the future. The meeting was a most successful one, and it was a reflection of the bank's high standards and its commitment to excellence.

The Important Position Occupied By This Country In The Field of Agriculture

Of all the great agricultural products of the world, Canada is the largest producer of wheat. This is a fact that is well known to all, and it is a fact that is a source of great pride to the Canadian people. Canada's wheat is of the highest quality, and it is in great demand all over the world. This is a reflection of the high standards of Canadian agriculture, and it is a testament to the skill and hard work of the Canadian farmers. Canada's position in the field of agriculture is a most important one, and it is one that is well deserved.

Canada Is The Largest Producer Of Nickel Ore In The World To-Day

Through diligent work, it is now a fact that Canada is the largest producer of nickel ore in the world to-day. This is a fact that is well known to all, and it is a fact that is a source of great pride to the Canadian people. Canada's nickel ore is of the highest quality, and it is in great demand all over the world. This is a reflection of the high standards of Canadian mining, and it is a testament to the skill and hard work of the Canadian miners. Canada's position in the field of nickel ore production is a most important one, and it is one that is well deserved.

Settled At Last

The action against the C. N. R. taken by Mr. W. Kraft came up for hearing at Calgary on Monday before Chief Justice Simmon. It was a jury trial and Mr. Kraft was awarded the decision with costs. The plaintiff lost a horse, had his wagon damaged and received personal injuries when struck by the north bound passenger at the crossing south of town in December, 1923.

Preliminary Notice

The Ladies Aid of the United Church will hold a sale of shoes, cooking and work on April 3rd. Keep this date in mind.

Another Milestone

On Sunday last a family gathering took place at the home of Mrs. and Mr. John Bonham, the occasion being the celebration of the 64th birthday of Mrs. C.C. McDermid. It was a pleasant affair and the guest of honor was as happy as the rest. We trust Mrs. Mac will enjoy many more such occasions.

Highways Program

Graveling of the Fort trail from Edmonton, together with the uncompleted 121 miles along the Calgary and Edmonton trail, will be major items on the Provincial highways program, this year, C. A. Davidson, highway commissioner for the Province, told members of the Edmonton Auto and Good Roads Association.

Plan Air Service

Plans are being made for an air passenger service between Edmonton and Calgary for the coming summer.

Wheat Pool News

The three prairie wheat pools are planning the erection of a terminal elevator at Vancouver, it is announced.

The Alberta wheat pool has now 36,299 members and new contracts are coming in on every mail, according to advice from the head office of the pool at Calgary.

Vernon Albright, head of the Palestine campaign in the west, will visit Alberta soon.

FEBRUARY 17TH

Mr. E. F. Morris went to Lacombe today to have an aching tooth attended to.

Miss Willows, Mrs. Ardley's sister, went to Wetaskiwin for a short visit.

Speaking about Florida, why go there when butterflies and mosquitoes are with us here in Texas now, Feb. 16th. There has been a large motel lately but only by the service in view.

Mrs. Craik's window now for the past week, it flies about on the window during the day when the sun is bright, then tucks itself away and disappears only to return next day and mosquitoes have made their appearance also.

Mrs. G. Meadows was a Lacombe visitor on Tuesday.

Mrs. Wilkinson and daughter Dolly are visiting friends in Crowsnest.

Harry Bellhouse was on the sick list over the week end.

Mr. and Mrs. Len Gehbart spent last week visiting their friends, Mr. and Mrs. Earl Setell of Mirvick.

A. D. Branner received some nice pure bred Wyandotte chickens from Brantford, Alta.

Some of the Ten people attended the dance at Mr. Baldwin's last night.

Miss Muriel Vanceor's birthday occurs today, the 17th and she has invited a few of her friends in for a birthday dinner and party.

Some more of the beautiful first real sleighing this winter.

NOTICE!

I wish to state to my friends and the public in general that I am starting a transfer and draying business and a feed stable on the premises opposite the C. P. R. Depot on March 1st, 1930 and that all business will not only be appreciated but will be performed with the one idea of service in view

KEEP THE BABY AGAINST COLDS

Keep the baby against colds by giving an equal baby's dose of Baby's Own Tablets. Mild but effective, they keep the little one's stomach and bowels moving regularly. If he is constipated, he will be unable to eliminate the cold germs and bacteria are in good position to take hold. But the healthy, happy baby will be freed and can breathe freely and be happy. The baby's own tablets will not interfere with the mother's milk. You can afford to take the baby through any medicine or treatment. Baby's Own Tablets are available from the Dr. Williams' Medicine Co., Brockton, Mass.

Little Help For This Week

At the house of God rest in you
A heart's desire, 112
Ask this prayer, O Lord
Against storm and sea and strife,
Light and guide to us
A gentle, strong, true
A-ble, able, Amen. Prayers

realize that you are a part of that
 choir. Majestically, strive to reach
 and then a note of the heavenly
 choir, chant a song choral of the
 harmonies, remember that every
 glorious beautiful springs from the
 unity that is behind it, every str
 all rise from a strength underne
 and all your loves are fed from th
 untold of infinite love.

1925 Councillors Re-Elected

MINUTES OF ANNUAL MEETING OF THE MUNICIPAL DISTRICT OF LAMERTON No. 396

The annual meeting of the ratepayers of the Municipal District of Lamerton No. 396 was held in the hall at Clapp on Saturday, Feb. 20th at 1 p. m.; and a fair representation of ratepayers attended. Rev. E. C. Sherburne occupied the chair.

The minutes of the previous meeting, held February 21st, 1925, at Mirror were approved as read on motion by W. B. Gilbert of Clapp.

The secretary then took up the financial statement for 1925 showing that all municipal loans had been paid in full, that approximately \$19,000.00 had been expended on road work, \$656 on machinery and repairs and \$613 on material.

Included in the balances shown as due at Dec. 31st, 1925, there are amounts aggregating \$450.00 of municipal taxes and \$709.91 of supplementary taxes which will be cancelled during the year, on the cancellation of plan No. 4350 A. L. and plan 8649 A. K. Mirror subdivisions and the conversion of the land into farm land.

Mr. Chas. A. Stone of Alix brought up the matter of Appeals to Court of Revision re 1924 assessment, stating that in the case of a ratepayer having his appeal sustained and a reduction made in his assessment he did not think it fair that another ratepayer who has failed to make the appeal in time, but whose land was practically of the same quality and situation should be held to the higher assessment and after considerable discussion Mr. Stone moved that the secretary take the matter up with the Department and ascertain if something could not be done towards remedying the condition, the motion carried.

At 1 p. m. the retiring officer Mr. Thomas Sample, occupied the chair and declared the meeting open for nomination of councillors for Divisions 2, 3 and 4, the following list being eventually nominated:

Division No. 2—O. S. Tallman
Division 3—J. O. Sherburne
Division 4—Wm. Cunningham
There being no other persons from Mr. Sample declared the meeting closed as councillors for the different divisions named. The meeting adjourned at 4.15 p. m. G. L. L. W. P.

At last Alberta is about to secure her rights, too Ontario men for her good.

ANOTHER SCALP

The Alix junior hockey boys
had a hard trip on Friday night
of last week when they went to
Beauregard to slough and trimmed
that team by a 6-5 score. Owing
to the long travel it was impossi-
ble to take any rest, and that the
team speaks well for the players
and the courtesy shown them in
our sister town.

The game was played in four
fifteen minute periods. Alix
opened the scoring and led 3-0
at the end of the first period, 3-1
at the second, and 4-1 at the third
while the final frame furnished
all the thrills of a pro game, Bea-
uregard scoring no less than four
goals in two minutes to tie the
score 4-4. The final five minutes
was exceptionally fast with both
teams trying to score, Alix get-
ting the breakthrough below the
goal to register one from outside
the defense.

So far this winter our boys
have played 10 games, 8 wins
in two they lost. They have
defeated the going against them—
Alix 30, opposing teams 18.

You can always call a barber.
By the way he parts his hair:
You can sleep a full a dentist!
When you're in a dentist chair.

And once a musician—

You can tell him I'm his tooth;

You can tell the Alix dentist.

But you cannot tell them much
The return game with Beauregard
will be played tomorrow (Sat-
urday) afternoon at 3 p.m. on the
Alix ice.

BOOSTING THE DISTRICT AND DAIRYING

Latecomers have been enjoy-
ing the past two Thursday nights
"talks on the handling of cream
and marketing of butter" being
broadcast from Calgary, by the
Central Alberta Dairy Federation.
Association with its head office at
Alix, the first control point in
Alberta under former control.

Next Thursday evening at 8:45
the subject will be "cream buy-
ing, sales of the troubles in ex-
planation with it and the cause."

Another Success For The Alix Players Large Crowd Attends Each Evening

The play "It Pays To Advertise" was staged two nights this week, Tuesday and Wednesday, by the Alix Players proved to be a wonderful success, as the efforts of this organization always do.

The play abounds in humorous incidents surrounding the doings of Rodney Martin, a rich man's son who attempts to launch out in opposition to his father in the soap business with a new line "No. 13 soap, unlucky for dirt, \$1 per cake." In conjunction with an old school pal Ambrose Peak, he stages a wonderful advertising scheme, which draws large orders and not being able to manufacture he is compelled to purchase his goods from his father who has a corner on soap. Eventually the old man is taken in as partner.

The characters were taken as follows:

Mary Grayson—Miss Doliver
Donald McChesney—H. Parby
Johnson—Eric Jamieson
Comtesse De Beaurien—Miss Jamieson
Rodney Martin—U. G. Marryat
Cyrus Martin—H. Parby
Ambrose Peak—L. Smith
Marie a Miss Burke
Miss Rose
William Smith, Elmer Clark,
a George Brown—

Free Settlers
Each of the characters excelled in their part and the result was perfectly satisfactory audiences.

Council Discusses Civic Improvements

The regular meeting of the village council on Monday evening was a discussion of the spring and summer program.

The mayor announced that there would be around \$1200 for improvements this year to be put into cement walks and road work.

It was decided to follow the system of previous years for laying walks, namely, a 50-50 agreement with the ratepayers on cost of installation. The main street walks are to be extended.

Believing that some changes were to be made at the C. N. R. depot it was decided to let the matter of a permanent road thereto stand over for the present.

The cleaner walk along Railway Avenue, as authorized last year, will be put down as early as possible this year.

Along with the gopher and robe, we have to report the appearance of the milper. All these animals are indications that spring is around the corner.

Automobile license fees are now long overdue. The A. P. P. have instructions to prosecute any person now operating a motor vehicle without a license.

Mrs. H. G. Finch returned on Tuesday from Calgary, whither she went early in January to enter the hospital for an operation.

The result of the boxing bout at Mirror on Wednesday evening was a decision for McCabe in the eighth round.

Don't miss the dance tonight (Friday) in Alix.

Reeve Sherburne Re-Elected

The council of the Municipal District of Lanerton No. 398 met at the office of the secretary in Alix on Saturday, March 6th, at 1 p. m.

The secretary reported that the retiring councillors from Divisions 2, 3 and 4 were re-elected without opposition viz: Messrs. Tallman, Sherburne and Cunningham.

Present at the meeting were Councillors Cockrail, Tallman, Sherburne, Crown and Jewell, Mr. Cunningham arriving later.

After discussion it was agreed to defer the election of a Reeve until Mr. Cunningham arrived and Mr. Sherburne occupied the chair temporarily.

The minutes of the previous meeting held Feb. 17th were then read and approved on motion Councillor Crown.

Re letter from Dr. Shore and new survey, the secretary was instructed to get in touch with Mr. Seall, surveyor. Red Deer, in regard to the matter.

Re arrears of taxes against certain lands now under caveat, the secretary reported that as instructed he had mailed registered notices to the different parties giving them until March 15th to arrange settlement but that response was almost nil, and after considerable discussion the secretary was instructed to commence proceedings according to the Tax Recovery Act, advertising the lands as for tax sale in the Alberta Gazette and local papers, 40 days being allowed for redemption from the date of advertising.

The election of a reeve for the year 1936 was then taken up, the secretary occupying the chair called for nominations for reeve. Mr. Cunningham had nominated Mr. Sherburne and Mr. Jewell nominated Mr. Tallman, the final agreement being that Mr. Sherburne be reeve for 1936.

On motion of Mr. Cockrail Mr. Cunningham was elected Deputy reeve for the ensuing six months.

Mr. Tallman was appointed representative to the Hall Board meeting at Calgary March 17th, on motion by Councillor Crown.

Councillor Crown brought before the meeting the matter of a road allowance into the stock yards at Cive, stating that the president of the Buffalo Lake Stock Association informed him that if this council would consider the purchasing of the land that two of the councillors of Crown M.P. Lacombe would recommend to their council the giving of a grant as partial payment towards the scheme. The matter was left open in the meantime.

On motion of Councillor Cunningham the reeve and secretary were given power to sign all necessary documents on behalf of the municipality under the Municipal Districts Act.

Re gopher pest, Councillor Jewell moved that there be no bonus for gopher

tails this year but that the bounty on crows and magpies be continued as in the past year and that the distribution of gopher poison be continued as in previous years. Carried.

Mr. Tallman moved that the secretary be instructed to purchase 500 cans of Gopher-Eggs from the Dunlap Drug Co. of Stettler.

Re lumber for bridges, culverts, etc., the secretary was instructed to secure quotations for a carload of undressed coast fur in various sizes and lengths, and in this connection Mr. Cunningham stated that if room could be taken in the car the Village of Alix be allowed to include a shipment of 2000 feet of lumber.

After passing the accounts meeting adjourned at 4.15.

Death of Mrs.

C. Anderson

The death took place on Tuesday, March 18th, of Mrs. C. Anderson at her home 35 miles north of Vermilion, at the age of 64 years.

Deceased was born at Milwaukee, later moving with her parents to Wisconsin where she was married, the family coming to Alberta in 1906 from Minnesota. For a time they resided at Camrose and Edmonton.

She is survived by her life partner and four children, namely: Mrs. W. L. Pettit of Alix, Melvin of near Vermilion, Mrs. Rolla and Oliver of Beltingham, Wash. The funeral took place on Thursday.

U.F.A. & U.F.W.A.

The regular meeting of the U. F. W. A. will be held on Saturday, March 27th, at the usual hour when a paper on "Immigration" will be read. It is hoped there will be a good attendance as this subject is of great importance at the present time.

The U. F. A. and U. F. W. A. wish to thank all those who took part in the very successful play staged March 2nd and 3rd, also those who loaned properties and gave freely of their time or in any way helped to make this event one of the best ever put on at Alix. We thank you all.

Two Old Timers Are Transferred

After having been resident manager of the Alberta Lumber Co. in Alix for some 15 years, Mr. H. G. Finch goes away on Monday to take charge of the company's yard at Crossfield. Mrs. Finch and family will continue to reside with us for a few months. We are indeed sorry to lose H. G. from our town. He has always taken a prominent part in everything beneficial to the welfare of the community and we sincerely trust he will meet with success in the town down south. Good luck to him.

Another of the old timers to be transferred from our midst is W. H. Mitchell, who for the past 11 years has had charge of the Government's Phone Exchange. Bill has been always obliging and courteous in his business and was a great worker in sport and recreation. He and his good wife, Mrs. Mitchell, are going to the States of

friends who will join with us in wishing them every success in their new home at Lloydminster, to which point he goes as local manager.

Decree Absolute

The case of Griffin-Griffin came up before the sitting of the Supreme Court at Red Deer on Monday last and a decree absolute was granted. In other words the marriage was annulled and both parties are now free to marry again. Mr. G. G. Norris acted for "Rolly."

Notice!

The Ladies' Aid of the United Church will hold a sale of work and home cooking, serving tea and holding a mystery stall in the Institute rooms on Saturday afternoon, April 3rd.

Social Evening

The regular monthly after-noon social evening in connection with the Alix Old Fellows Lodge will be held on Wednesday evening, March 24th, to which all members of the order are invited, together with the Redish members.

Dies Suddenly At Edmonton

Cameron Anderson, well known building contractor of Edmonton, died at his home on Tuesday of this week after only a few days illness. He had been in excellent health until the Wednesday previous when he developed pneumonia, the disease making rapid progress, from which he was unable to rally. He was aged 70 years.

The deceased had a host of friends in Alix and district who were grieved to learn of his untimely death, and to join with us in extending sympathy to his life partner, four daughters and one son. Mr. Clifford Anderson of Alix, interment took place in the Edmonton hospital.

One Cent Better

In its report on the budget brought down in the Alberta Legislature on Thursday, the 18th March, in showing the revenue from Dairy Products, The Calgary Herald quotes the average selling price of Alberta butter for the Province for 1925 at 35.25c a lb.

In comparison with this we wish to point out that The Central Cream Pool at Alix actually paid their patrons 35.15c per lb. butter fat, at the same time retaining a reserve fund of 1.10c per lb. butter fat, which shows nearly 1c per lb. butter fat more than the wholesale price of butter for the whole province. This seems to us good business and an excellent reason for signing up with The Central Cream Pool at Alix.

Meetings

The regular meeting of the Women's Institute will be held in the rear room on Thursday, April 1st, at three p. m. It is hoped that Mrs. King of Mirror will be present to give her plan of work on "The Child Welfare Committee" for the constituency.

The regular meeting of the U. F. W. A. will be held on Saturday, March 27th, at the usual hour when a paper on "Immigration" will be read. It is hoped there will be a good attendance as this subject is of great importance at the present time.

A very pleasant gathering took place last Friday evening at the home of Mr. and Mrs. V. Schnepf when a few of their friends assembled to help them celebrate the 38th anniversary of their wedding. The evening was spent with cards and dancing, ending with a sumptuous luncheon. May they have many more in years to come.

Word from James Schnepf states that he had an enjoyable trip and had arrived in Annawan, Ill., safely where he is visiting two sisters.

Mortgage Sale of Farm Property

By virtue of the Powers of Sale provided by the "Land Title Act," there will be offered for sale by public auction, the Village Secretary's Office, in the Village of Delburne, in the Province of Alberta, on

Saturday, April 10th
1935, at 2:00 o'clock p. m.

the following property, namely:

The North-West Quarter and the South Half of Section Two (22), Township Twenty-seven (27), Range Twenty-two (22), Sheet of the Fourth (4) Meridian, in the said Province, containing four hundred and twenty-five and sixty hundredths (475.60) acres, more or less, reserving mines and minerals.
Terms of sale to be ten (10) per cent, cash at the time of the sale and the balance according to the terms and conditions to be made known at the time of sale or upon application to the vendor's solicitors.

The above property will be offered for sale subject to a usual reserved oil and gas from all subdivisions.
"Time for the current crop," and wheat and other crops in the above tract, a barn 36'x40', and a spring 30'x10' on the land, of which thirty acres are broken, in a grazing tract, and the land is fenced.

For further particulars and conditions of sale, apply to the auctioneer, A. W. Thorpe, Ltd., Delburne, Alberta, or to

The directors meeting of the Little Agricultural Society held on May 14 last was well-attended and in addition to suggestive improvements to the grounds the price list was revised for the year.

It was announced that the fair dates had been set for Friday and Saturday, August 8th and 9th.

A complaint was made of the handling of the cattle, the committee being called on the risk of running mad and feral in the cage corner. It was decided to provide a remedy for this and arrangements will be made for drawing on fair days.

The directors of the various classes were appointed as follows:-

Morses - J. D. Waterson, A. C. Walton, L. E. Gabbard, W. Elliot.

Cattle - O. J. Mearry, and B. Bisset, A. G. Hutton, E. F. Todd, Chappell - F. B. Parbury, T. Sample, C. D. Stone.

Hoggs - O. F. Toogler, H. M. Parbury.

Poultry - F. A. Mann, F. A. Stearn.

Vegetables - H. L. Toogher, W. S. Tallant, O. Cockrell.

Ornamental and Grasses - P. Jamieson, Miss D. H. Mearry, J. W.

A goose, so we are told,
Once laid some eggs of gold,
And the Phoenix was a kind of ancient boar;
But never yet I ween
Has such a sight been seen
As a Peacock selling tea and Quaker oats.
Our two hotels quite grand
At the head of Main street stand,
And each one claims to reach the highest goal;
But opinion is divided,
For its never been decided
Which one of them in truth's the better bet—

TEES TATTLINGS

Thursday, March 15th
Mr. Sargis Clark, who is an
old timer around town, and who
visited her mother in Illinois and
stopped in Chicago in 1896 when
she said, main time there had
been sidewalks, is now in her
91st year and had her hair bobbed
today. She looks 25 years young-
er than she is. A number of peo-
ple called on her and congratulated
her on her age to date.

The fair will party in the church
for Mr. and Mrs. K. Carson. Wed-
nesday evening a well attended
dinner was played and a midnight
cup of cake, sandwiches and
coffee was served.

Friday, March 16th
Mr. H. B. L. Carson shipped
his household goods to Clinton,
Ont., today, where he has pur-
chased a farm. He will follow
about March 20th after he has
said.

Thursday, March 23rd
Mrs. J. J. McElroy and two
children returned Saturday from
Oak Lake, Man., where they went
last fall. Mrs. Litz, who went
with them, is remaining there at
present school.

Mr. Plamen of the Indepen-
dent Grain Co. was in town last
week looking after the grain in-
terests here.

Mr. and Mrs. D. B. McMillan
left for the arrival of a son
today.

Mr. Leonard Schumacher is
now out of the hospital at Ed-
monton and came home on Mon-
day.

cotton to Edmonton today and
P. McDonald shipped one case.

RIPLEY NEWS

Mrs. McMillan is visiting her
daughter, Mrs. L. M. Olson.
Mr. L. Holmes of Edmonton
spent some days last week with
his parents, Mr. and Mrs. J.
Holmes.

The Ripley Ladies' Aid has pur-
chased a splendid organ for the
school house. It was installed
on Saturday. It is hoped as soon
as the roads improve to have an
organ rental by Mr. E. G. Love
of Alix.

Mrs. Geo. Bell returned on Sat-
urday after spending a week with
her brother, Mr. A. Loughridge.

There was a large attendance at
church service on Sunday. Ar-
rangements were made for special
Easter service on March 25th.

Mr. R. D. Carr went down to
Calgary on Saturday to join Mr.
Carr who has successfully re-
covered from her recent operation.

She has been staying with Mr.
and Mrs. McElroy since leaving
the hospital.

Mrs. Price and Mr. Brown spoke
on the U. P. A. work in the school
house on Thursday evening.
The subject was enjoyed by all. A
meal was held at the close of the
program.

Mr. Melvin Olson has been ar-
ranged to hold with an attack of in-
fluenza.

Mr. and Mrs. Olson were recently on
vacation at Lake Louise.

WISH THEM GOOD-BYE

On Monday evening the Tennis Club held a farewell party at the home of Mrs. M. A. Searle, to say goodbye to Mr. and Mrs. W. H. Mitchell and Miss C. Rosa. There were some twenty-five present and the evening was spent in dancing, music and cards and the usual good line of eats. Ever the break-up the guests were presented with tokens of remembrance.

HOW ABOUT IT ?

With the passing of winter sports and the approach of spring, the question arises "How about that old ball game?" Both hockey teams made a record this winter and we believe the majority of the boys are willing and capable of playing ball this summer. How about getting together and talking things over?

RIPLEY NEWS

Mr. Percy Rippler shipped a carload of cattle to Calgary last week. He went with them, returning Friday.

Mrs. R. D. Curr is expected to return from Calgary this week.

Miss E. MacDonald spent Sunday at the home of Mrs. L. S. Olson.

Mrs. L. Olson and Mr. George Bell celebrated their joint birthdays on Saturday last at the home of Mr. and Mrs. Bell. A large number of friends were on hand to congratulate them over the happy event.

Miss Elizabeth Ingraham has taken a position with Mrs. R. W. Barlett.

Melvin Olson has now recovered from his recent attack of flu. Mel says he lost ten pounds during this attack. Is it possible?

The usual congregational meeting for March was held at the place of the special Easter service on Sunday, when reports were read and adopted. Special music rendered by the girls' chorus was the feature of the service, while very beautiful flowers made the Easter message seem closer. Rev. R. G. Wood spoke on the meaning of our church and its relationship to our lives, dwelling particularly on the Easter thought. Mrs. Melvin Olson rendered "The Palm" in a very beautiful manner. There was a very large attendance, difficulty being found in getting enough seats for all present. Well, MARCH worked hard to get a good.

TEES TATTLINGS

March 27th Mr. and Mrs. H. B. Keserve left this morning for Clifton, Oregon, where they have secured a farm by trading a farm here with Mr. J. Dalbeck who arrived with his family from there Wednesday afternoon.

Mr. Cecil Bradshaw has recovered from his attack of measles and is in town today with his bus saw, sawing wood for Messrs. Craik, McMillan and Ahen.

Mr. Ly Wing, who for the past several years has operated the store here Ly Wing & Co., started for China today. He will stay a while in Vancouver before embarking for Hongkong, he will be absent from Canada about a year. He says his mother is sick and he is making this trip home to visit her.

March 29th Miss Charlotte Bellhouse returned home from Edmonton today for the Easter holidays.

Mr. F. W. Bright of Botha has been visiting his brother W. J. here the past week, he went home today.

Miss Alberta Montgomery has fully recovered from the mumps and walked out to John Craik's place two miles to see Toots and Lavina, and they had a nice treat of toast and tea for her when she arrived. Toots recently returned from Calgary to spend the Easter holidays with her parents.

April is here. Were you fooled on Thursday.

Ladies Will Revise Prize List

A meeting of the lady directors for the **Alta Fair** will be held tomorrow (Saturday) afternoon April 10th, at 3 p.m. in the C. P. R. hall for the purpose of revising their portion of the prize list and transacting other important business. As it is desirable that all ladies attend, we print beneath a list of said directors so that no one will stay away through lack of knowledge that they are one of the chosen.

CHAMPION CUPS FOR WINE CLUBS

In Provincial and Dominion Games there are opportunities for all wine clubs to win a trophy. The Canadian Pacific Railway Company (C.P.R.) is a trophy to each of them. The C.P.R. has a wine club competition, in Manitoba, Saskatchewan and Alberta. In addition, the winning teams (members of Clubs who win C.P.R. trophies) will be taken to the 1926 Royal Agricultural Winter Fair at Toronto next November as guests of the Canadian Pacific Railway Company.

These three steps will be completed each year, and each club must be won three times by the club before it becomes the permanent property of the club. In recognition of the accomplishment of winning individuals will also be awarded annually to be retained by them.

Canada's position in the markets of the world as a profitable producing country will be shown of largely, if not entirely, by the type of high Canadian food products adopted. The Canadian Pacific Railway believes a practical demonstration to be the most effective method, as it has decided to conduct the award of these trophies for the purpose of further encouraging the production of the approved type of hog.

For information regarding prices etc., write H. G. Gentry, Live-Stock Commissioner, Parliament Buildings, Edmonton.

PLEASE KEEP IN MIND

WHEN you want Transferring or Draying done, or to stable or feed the horses when in town you can get it satisfactorily done at my stand opposite the C.P.R. depot.

Another Fruitless Strike

The strike in the coal mines of the province is continuing with no prospect of ending. The miners are demanding a 10% increase in wages, but the owners refuse to grant it. The strike has caused a severe shortage of coal, and the public is suffering. The government has intervened, but the strike continues.

Regular Meeting Lamerton Municipal Council No. 398

The council of the Municipal District of Lamerton met at the office of the secretary on Saturday, April the 19th, at 1 p. m. with all councillors present and Re E. C. Sherburne in the chair.

The minutes of the meeting held March 10th were approved as read on motion by Councillor Cockrail.

The secretary presented tenders from a number of lumber companies for purchase of car lot of No. 1 common B. C. fir, rough, for bridge and culvert work and after considerable discussion it was decided to place the order with the McCormack Lumber Co. of Mirror for a car lot of some 24,000 feet to be delivered F. O. B. Alx not later than June 1st next.

A deputiation of ratepayers from division 2, Messrs. Genselman, Derg and Nelson, met the council in regard to the condition of the road S. W. of Alx between 21 and 26-39-25 and urging that something be done at once to put the road in passable shape and after considering the best way in which to better the condition it was decided to appoint a committee to look over the situation and report back to the council at their next meeting, the committee appointed being Messrs. Crown, Cunningham, Cockrail.

Re application of Mrs. Handley of Cliffe for relief, the secretary was instructed to take the matter up with the Department.

A letter from Mr. Faucett of Nevis asking the council to endorse his application for a restaurant and soft drink license for his premises at Nevis was received and the secretary was instructed to notify Mr. Faucett that under the circumstances the council could not act on his way clear to endorse the application.

A number of accounts were passed for payment on motion by Mr. Jewell.

The meeting adjourned at 5.15 p. m. on motion by Councillor Cunningham.

The Bridge Party

The bridge party on Tuesday evening was a very enjoyable affair and ended the Women's Institute, a little over \$16 which will be used to add comforts to their rest room. The prize winners were Mrs. F. McDonald and Mr. J. Talents. A cake donated by Mrs. B. E. Todd brought \$3 by selling tickets at 10c each was won by Mr. A. L. P. Chin.

Free Press, Dr. Sutherland, N. A. Larsen, R. W. Porock, The Garage, T. Wilson Imperial Hotel and an other. Bob Thompson auctioned off the boxes.

Nurse Maple has gone to Bashaw, visiting at the home of Dr. Demorest.

TO PURCHASE AN ORGAN

At the box social and dance Friday night of last week Carvada school raised some \$31 which together with donations received will give them enough money to purchase an organ for the school. The evening was a grand success. Starting off with a program of singing, dialogue, recitation, etc., by the children, solos by Mrs. Brooker, and ending with the sale of boxes and a dance. The management was more than pleased and in addition to thanking those who attended, also wish to express their appreciation of cash donations from the following Alix business men: G. A. Thompson, W. L. Pottier, Wong Loon, G. Woolger, E. L. Toepfer, A. G. Datto, J. R. Mackie, The

"ALBERTA"

If you ask me for a story,
I will tell you of the west.
Of the western land, Alberta,
It's the finest and the best.
It's a land of easy summers.
It's a land of golden grain,
It's a land of giant forests,
Where the worker makes his gain.
It's not a land for wealth,
They will lose before they start.
It's the best land in the universe
And I hold it dear to heart,
It's a land to live and love in,
It's a land worth all your toil.
It's a great and wonderful garden,
With a wealth of richest soil.
It's a land where to live in winter,
Do summer's joys hold sway.
There are no winter days of day,
It's a land where in the springtime
When the grass starts to grow,
And the heavy months of autumn
See its harvest bring again.

Oh, yes, it is a fine land -
It's a nation newly born.
And I say it is a great land,
With oppression never torn.
It's a land where in the future
All the world will turn and look
To the great and famed Alberta,
With wealth flowing like a brook.
If you ask me for a story
I will tell you of the west
Of the western land, Alberta -
It's the finest and the best.

ITEMS OF INTEREST

Tomorrow is "May Day."
Last week Mr. J. Manbridge purchased an Advance
Rumley threshing outfit, the local agents, Chinn & Fisher
putting through the deal.

Regular monthly meeting of the Village Council next
Monday evening.

A few weeks ago Mr. C. M. Yarwood had shipped in
from Ontario a bunch of Chinchilla rabbits, and intends
making a business of raising them for sale and the fur. He
made a trip to the Montgomery fur and rabbit farm at
Windsor on Saturday of last week to obtain a few points
on handling them.

It is exasperating and troublesome to have breakdowns
during seeding time. This can best be avoided by using
good line oak as it is sold by The Alberta Lumber Co.
Limited.

Mr. W. Anderson, up until two years ago a resident
of this district, Mrs. Annie Hecht of Cive, were mar-
ried in Texas on April 1st. "Old Bill" is well known in the
district, his farm being south of town.

Miss Lily and Edith Clark, who have been at the
home of Mr. and Mrs. A. S. Blissett, Lily for some years
teaching music in town, left on Monday to return to their
home at Brandon, Man.

Mr. E. Gachemontier from near Cive, is at present
visiting at the home of Mr. and Mrs. Geo. Monts.

Monday next, May 2nd, has been proclaimed "Arbor
Day."

Mrs. F. J. Jones of Halkirk spent the week end in town
with her parents, Mr. and Mrs. H. Hudkins.

The days are lengthening out but there'll be quite a
few evenings yet that you could use to good advantage in
fixing up the inside of the house. The Alberta Lumber Co.
has a supply of Beaver Board that would make that attic into
a real bedroom and the long evenings would not be wasted.

Miss Lena Sullivan, after a year spent in different parts
of the U. S., returned last week to visit with her mother,
Mrs. R. Docherty.

Mrs. Haines of Sedgewick visited from Thursday until
Saturday last week at the home of her friend here, Mrs.
G. H. Darlow.

Mr. and Mrs. Unger motored up from Canora last
Saturday to spend Sunday with the lady's parents, Mr.
and Mrs. J. A. Docherty.

The Sunday School lesson for next Sunday will be
found in Gen. 9:1-17. Golden Text—"I do not say my bow in
the cloud, and it shall be for a token of a covenant between
me and the earth."—Gen. 9:13. Attendance last Sunday
was 33 children and 5 adults.

The regular meeting of the Women's Institute will be
held in the rest room on Thursday afternoon, May 2nd, at
3 o'clock. The program will consist of papers on "Efficient
Gardening" by a number of the members, and there will
also be an exchange of house plants (Mrs. C. Cockrail in
charge).

J. A. Hendry of New Zealand was shaking hands with
his many old Alix friends the forepart of this week.

Arrangements are under way for the third annual
school sports day to be held the latter part of next month,
MAY. Books of instruction re the "Athletic Badge Con-
test" and a program of sporting events will be mailed to the
various schools in the district in a few days. It is planned
to make this year's day bigger and better than ever.

We understand that owing to illhealth Miss Hazel
Maurer has been compelled to take a rest and leave in a
few days to spend a couple of months at her home in
Pleasant Valley. We trust that the rest will prove a
complete restoration.

McLaren was a busi-
ness visitor to Edmonton the
forepart of this week.

Don't forget the YOU are
invited to the Odd Fellows
service in the United Church
on Sunday, May 2nd, at 3
p. m.

It is expected that nearly
60,000 auto licenses will be
granted in the province this
year. Provision has been
made for issuing at least
57,000. This will be the lar-
gest yet recorded, it is
estimated.

IT IS A FACT!

ALIX

IS A DAIRYING CENTRE

Step by step, our district is forging its way to the top of the ladder in cream production.	
1925 50000 lbs.	
1924 47000 lbs.	
1923 45000 lbs.	
1922 44000 lbs.	
1921 43000 lbs.	
1920 40500 lbs.	
1919 40000 lbs.	
1918 40000 lbs.	
1917 39000 lbs.	
1916 36000 lbs.	

And the farmer is
realizing more and
more the important
part the cow plays
in boosting him to
ultimate success.

The accompanying
table shows the in-
crease in cream pro-
duction since the be-
ginning of the Mo-
derno Creamery in
Alix.

Of course this represents but
a small portion of the pro-
duction of our creamery
manufactured over three-
quarters of a million pounds
of butter in 1925.

MANY FATAL CROSSING ACCIDENTS

Figures compiled by the operating department of the
Canadian National Railway show that during 1925 on the
lines of the system there were 65 grade crossing accidents
to vehicles in which 40 people lost their lives and 51 were
injured. In only nine cases were there no fatalities or in-
juries. All but twelve of the accidents happened to auto-
mobiles or trucks. While it is difficult to place the blame
in all cases, subsequent investigations rigorously pursued
by the company showed that in 98 per cent of these acci-
dents the railway company was not at fault, every precau-
tion having been taken by it to prevent such occurrence.
Proof was found that in a large number of cases the auto-
mobiles were due solely to carelessness on the part of the
drivers of the automobiles. Listed among the accidents were
two in which autoists drove their cars into the tender of
engines, three where the automobile hit the second or
third car back of the engine and one where the driver ac-
tually crashed into the twentieth car back of the engine and
did it with sufficient force to bruise and somewhat injure
the occupants of the car as well as damage his machine.
No one month was free from crossing accidents, but Octo-
ber led, which might indicate that towards the end of the
motoring season drivers become more careless in approaching
railway crossings.

GRAIN EXPORTS SHOW INCREASE

Closing figures for grain exports to March 31st issued
by the Vancouver merchants' exchange show the total amount
shipped for the present grain crop year to that date.
United Kingdom and continent 24,683,222 bushels
Orient 18,160,366
South America 413,880
New Zealand 73,424
Total 43,530,892
The 1925 shipments for the same period were 7,476,934,
so the present year's increase is over 24,000,000 bushels.
The balance year of 1924 the same date gave 36,320,112, or over 7,000,000 bushels less than the record
total reached this year.

THORNTON GIVES NAME TO DUBY STREET

The shortest street in Western Canada, which opens
onto the longest main thoroughfare in Western Canada, is
to be named Thornton Court, according to an announce-
ment by the Edmonton city council. Sir Henry Thornton
president of the Canadian National Railway, has agreed to
allow his name to be used for that portion of new street
opened from Jasper avenue and running through to the
paved lane at the rear of the standard hotel in Edmon-
ton. It is less than 100 feet long and is to be paved im-
mediately. Sir Henry wrote the council that he would be
highly honored to have his name on the shortest street in
the world.

REMOVAL OF SETTLERS FROM SOUTH

Railway engineers have advised the provincial department of
agriculture that the arrangements for the transfer of settlers from
the drought areas will be brought to a close at the end of May. Mo-
nitions for removal of settlers under the special arrangement
between the railway company, the provincial and federal gov-
ernments, will be issued after May 1, and those settlers for
whom certificates are issued before that time will be required to
have their goods all shipped by June 1.

The first Western highway via Lake Louise will open
for traffic May 28. The Alberta end of the highway, from Cal-
gary to the Banff Park, is in excellent shape, having been open
all winter for traffic. This was one of the first gravelled high-
ways to be completed by the province, and has already seen con-
siderable traffic this year. The indications are for a very heavy
travel traffic over this road this season.

FAVORITE HYMNS

Jesus shall reign where'er the sun
Does his successive journeys run:
His kingdom stretch from shore to shore,
Till moons shall wax and wane no more.
For him shall endless prayer be made,
And praises throng to crown his head;
His name like sweet perfume shall rise
With every morning sacrifice.
People and realms of every tongue
Do call on him to save their souls;
The prisoner longs to lose his chain;
The weary find eternal rest,
And all the sons of men are bound.
Let every creature praise his name,
And never cease to praise his name;
Angels descend with songs again,
And earth repeat the loud Amen.—Hymns.

Inhaled as a vapor and, at the same time, absorbed through the skin like a stimulant, Vicks VapoRub reaches immediately inflamed, congested passages. This is the modern direct treatment for cold troubles that is proving so popular in Canada and the States where over a million jars are now sold yearly.

Indicated for sore throat, bronchitis, croup, colds, hay fever, chest colds.

Just rub Vicks over throat and chest
and inhale the medicated vapors. It
quickly loosens up a cold.

Mr. Harry Bellhouse was
home several days last week
with a bad cold and flu.

Mr. Wm. Ferguson lost one
of his best horses recently, it
died after a few hours sick-
ness.

Mr. Wallace McMillan was
home for a few days visiting
friends and relatives.

Mr. Wm. Wallace of Alix
is here assisting Mr. Frank
Heath to put in the crop.

Mr. F. E. Morrison drove
over to Lacombe to have some
dental work done. Bill Bright
accompanied him.

Mrs. Frank Ashdown and
Freddie and little Jean are all
sick this week with flu and
throat trouble. Dr. McNabb
says they will soon be all
right again.

Cecil Bradshaw, Cyril Col-
borne and Jack Ahern took
in the show at Alix Saturday
night. They drove over in
Cecil's car.

Miss Marion Ahern is very
sick this week, affected glands
of the neck, though the Dr.
says she will be better soon.

Mr. Wm. Cunningham had
the misfortune to collide with
a cow on the road while com-
ing home on Tuesday night.
He jammed on the brakes,
stripped the gears on the car
and damaged one wheel on
the cow. He said he wouldn't
have cared if he had stridden
the gears, or hit or anything
else off the cow it would have
been cheaper.

Bobby Bright is having a
touch of flu.

School Sports Saturday, 29th

Saturday, May 29th, has been chosen as the date for holding the "Third Annual School Sports" at Alix, under the auspices of the Junior Athletic Association. Programs and Athletic Contest Book will be mailed in a few days to all schools in our district.

They're Off

On Tuesday evening the Junior Baseball Organization was completed with Messrs. P. C. Toepfer as manager and W. L. Pettit secretary. The boys are very enthusiastic and we assure the public that they will witness some good junior games during the season.

The initial senior game on our diamond (since organization) took place last Monday evening with the Erskine nine as the opponents of the local and if this exhibition was a sample of the season's play the public will always have their money's worth.

Buckled the twirler for the visitors, and Sorum for the homers, put everything they knew on the ball and the result was a blast. It was a six inning game and full of pep throughout. The local line up was as follows:

Pitcher M. Sorum
Catcher A. Ray
1st Base L. Peare
2nd Base G. Lowe
Short Stop F. Brooker
3rd Base J. Cairns
Right Field A. L'Hirondelle
Centre Field C. McCowach
Left Field C. Keys
Umpire L. B. Fisher

The return game with Reakie is being played in that town this [Friday] evening.

Alix has signed up with the Buffalo League comprising Botha, Stettler, Kerlake, Red Willow and Alix, and Alix was allotted Monday for home games, playing will start on the 31st of May, first game in Alix.

Council Minutes

The regular monthly meeting of the Village Council was held on May 4 with all members present, a good representation of the town citizens being also in evidence. Mr. Geo. Nelson's offer to loan for one year the half section opposite the C. E. E. was accepted at a rate

of \$40, the land being subject to sale without notice. The offer of A. H. Finer was accepted for the purchase of lot 23, block 1, for a cash price of \$15.

Mr. Yarwood's offer for the purchase of block B at \$35 per acre was declined. The following bills were approved and ordered paid: Dr. Sutherland, medical attended; \$34. Renewal of Fire Insurance on town hall for \$3000 for 3 years \$55.

Theodore Sharp, an old timer of Bashaw, died Wednesday morning from complications resulting from a fall from his horse on Wednesday of last week. Interment took place in Mirror cemetery on Thursday afternoon. He leaves a wife and two children.

The party included 17 single men, 36 families and 15 domestics. Twenty-five of the men will arrive in the Yukon district, 36 more in the Prince-Albert area, and the remainder including all of the families, will be stationed in the Klondike Valley.

Canadian Sales May Find Market
Canadian growers of flowers, at least some of them, are coming round to the belief that Canadian enterprise and ingenuity might be encouraged more than at present. There is satisfaction in knowing that the idea is receiving more thought and publicity.

Country Club, holder of the Arabian horse record, has arrived at the racetrack and issued a notice to his wife, Ernie Deaconwood, secretary-general of the Arabian Horse Association, to follow the proceedings of the sale. Deaconwood, president of the "patriotic squadron of the Arabs" thereina, has recruited a patrol there, which is now on duty.

English Setter Puppy Travelled Eight Months to Find His Home

We have given many stories of wonderful feats by dogs. Here is another very remarkable one reported in an English newspaper.

We have given many stories of wonderful finds by dogs. Here is another very remarkable case reported in an English newspaper.

A boy living outside Paris sent a breeder of dogs in the north of France requesting him to send him an Irish Setter puppy.

The poppy was placed in a crate and sent by train to the Gare du Nord station, where it was received by its owner.

On reaching its destination, a little village about fourteen kilometres to the other side of Paris, the dog was taken on a lead to its new home.

During the evening the dog was released for exercise in the garden which was carefully watched.

When the time came for the dog to be shut up for the night, however, it

Eight months later came a letter from the breeder saying the dog had just arrived home! For all these months the poor creature had wandered about in search of his old home.

Exchange of Pulpits

On Sunday morning at 11 o'clock Rev. T. A. Symington of the United Church at Camrose, will occupy the Alix pulpit, while Rev. Wood will officiate at Camrose.

Lizzie Leaped

While returning to town over the west road with Lis on Monday afternoon and when a couple of miles out, Mr. G. H. Darlow met with an accident which might have proven serious. The car hit a bad rut and jumped over a ten-foot embankment, turning a double somersault.

George came through the scramble without a scratch, but so no with Lis, whose crown was demolished together with her bay window. However, she hobbled to the Chin & Fisher hospital on her own legs thereby proving that her vitals were unshut.

\$1400 Added

The sum of \$16 was realized by the Ladies' Aid of the United Church on the sale of flowers for Mothers' Day. The expenses were but \$2.00, which means that the church painting fund is increased by \$14.00.

On A World Tour

Mr. H. B. Grimsdell of London, Eng., is spending the summer in the employ of The New Low Creamery studying the methods of better making in Canada. He is making a world tour, coming here from the U. S. and will go on to New Zealand and Australia, studying dairying methods of each country.

Death of Mr. J. Hill

After an illness of some duration Mr. John Hill, an old timer of the Alix district, passed away at his home north-east of town early on Thursday morning at the age of 71 years. The funeral will take place this afternoon (Friday) from his late residence to the cemetery, at 2 o'clock, Rev. Wood conducting the services.

Local Items

Mrs. A. Harrington of Edmonton has been spending the past ten days with her husband at the Imperial Hotel.

Word was received from Mrs. P. C. Toepfer on Tuesday that her mother, Mrs. J. W. Scott, who had undergone a critical operation that day in an Edmonton hospital was recovering nicely and the operation was very successful.

G. H. Darlow informs us that he had early ayes poking their way out of mother earth as early as the 5th of this month and that he had been using pie-plant from his garden for the past ten days.

Mr. E. R. Fry started to Lacombe Sunday on horseback to attend the Army meeting but he said that after going two miles the horse shook him up so much he returned and walked to Lacombe. He said he got an auto ride the last 7 or 8 miles which he lost out.

Jack Ahern has recovered from his recent illness with German measles and is now all right again.

Mrs. Olive is visiting with her son and family in Stettin.

Mr. Dan McMillan has plowed the school garden and put up a new fence around it so the cows won't bother it like they did last year.

Mr. E. F. Morris has moved the partition between his old house and garage back to let, thus enlarging his garage house to make room for a car of his own. Wm. Cunningham did the carpenter work.

Miss Agnes Walbridge, who is teaching at Lure near Coronation, has gone into the sheep business. She will ship home a lamb soon.

Mr. John Dahlbeck has gone to Edmonton for the summer.

A letter received from R. L. Pugsley, an old timer of Tees, formerly manager of the Imperial Lumber Yards here but who now lives in Vancouver, says he has been very sick for about 3 months with the lar and laryngitis.

Mrs. F. L. Hoffman had the misfortune to break her wrist badly last Friday while cranking the car.

It's a fact! What "Sunny Alberta"

The Right Stuff

In talking with an English lad the forepart of this week, during the conversation he said in part:

"I have been in Canada about a year now and consider the dominion, and particularly Alberta the right spot for the young man, in fact I do not believe there is a country under the face of the sun more fitted for the young person. I landed without a cent in my pocket and yet have never begged a meal or gone without; true, I have not been above making a dollar where I could, even to working in a livery barn, although I was a salesman in the old country. If the immigrant to Canada will only adapt himself to conditions there is no reason why he cannot succeed. I have a permanent job now and am making good money."

This is the class of immigrant who are an asset to Canada and it proves that success rests with the individual. This boy has made good in the face of the greatest of handicaps, lack of money or influence in a strange country.

Celebrated Their Silver Wedding

The home of Mr. and Mrs. Chas. Cockrill was the scene of a jolly party on Saturday night, May 15th, when 20 of their friends surprised them to help celebrate their "silver wedding anniversary." Most of the evening was spent in card playing after which Mrs. G. A. Thompson and Mrs. J. Sorum rendered a few musical selections which were very much enjoyed by those present. A very stately lunch was served by the ladies which was followed by a speech by Mr. W. L. Pettit who on behalf of those present said in a few well chosen words how well esteemed and respected Mr. and Mrs. Cockrill were in the district. A small token in silverware was then presented to the happy couple after which Auld Lang Syne was sung and the party broke up, everyone having spent a most enjoyable time. Those present were:

Meeting Postponed

Owing to the sports day on May 29th, the joint meeting of the U. F. W. A. and U. F. A. at which Mrs. Parly was to have delivered an address, has been postponed to a later date. However, the ladies will hold a short business meeting on the 29th which all members are requested to attend.

Mrs. T. Sample was in Edmonton from Friday until Monday, going up with her daughter Jean who will spend the balance of the school term at Alberta College completing a correspondence course she has been taking from that institution.

Miss Jean Parly went on Wednesday to spend a fortnight in Calgary.

Mrs. H. Belts and family left Lacombe on Monday to reside at Chilliwack, B. C.

Card of Thanks

We wish to express our sincere thanks for the many kindnesses shown us during the sickness and death of the late Mr. J. Hill.

Mrs. J. Hill and Sons

Obituary

The funeral of the late John Hill, whose death was chronicled in last week's issue took place on Friday afternoon from the family residence four miles north-west to Alix cemetery, a large concourse of people accompanying the remains to their last resting place. An old speaker once said, "You never know how great are the giants of the forest till they are laid low with the woodman's axe" and this is also true of human life. In the case of the late Mr. Hill this is true; his greatest tribute to life was his gentle, humble, gracious personality. He loved his fellow men and was greatly beloved by them and in his passing away this district loses one of those sturdy pioneers who have labored to turn our locality into a prosperous community.

Born in Belsh, Wis., on Feb. 7th, 71 years ago, he grew to manhood and was married in that town, later moving to Minden, Neb., and 24 years ago with his family came to Alberta and took up land which has ever since been his home. He was a very energetic man up to three years ago when he became disabled, which was the cause of death.

He leaves a widow and two sons, George at home and one of California, also two sisters and a brother in the states.

The pallbearers were all old friends of the family: L. Olson, R. Curry, C. Cockrill, T. V. Barritt, H. Anders and D. B. Kipley.

Joint Meeting

A joint meeting of the U. F. A. and U. F. W. A. will be held on Saturday, June 5th, at 3 p.m. when the Hon. Mrs. Parley will give an address. All members and others interested are requested to be present. Tea will be served.

Conservatives Open Campaign

A public meeting in the interest of the Conservative Candidate for the Lacombe riding, Mr. P. W. Pratt, the present Mayor of Lacombe, will be held in the G. W. V. A. hall, Alix, on Thursday, June 3rd, at 8:30 p.m. sharp, to which all are invited. Mr. E. V. Robertson of Calgary will also be on the platform and speak in support of Mr. Pratt. It is wise to hear all sides of the question and in this the first gun to be fired at Alix in the campaign you should hear the speakers.

Stettler 4-Alix 3

At the ball tournament in Ennis on "Victoria Day" our boys lost to Stettler by a score of 4-3. There were five teams to play and in the draw Alix and Stettler were the first to match and unfortunately the game was played in a drizzle, the boys could not get warmed up to the contest, therefore the result was more a fluke than a decision.

The day was a very successful one and the crowd large, there being in the neighborhood of 200 cars on the ground. Four games were played and the Botha nine were successful in carrying home the purse. We congratulate Ennis on the good management.

A gang of men have been at the elevator this week doing necessary repair work and installing a new dump platform.

Some of our residents hold a very enjoyable water roast on the shore of Buffalo Lake on Thursday evening.

Mr. Geo. Haynes of Tees is holding a public sale of his household effects on Wednesday, June 2nd.

We understand that the Agricultural Society are signing June 23rd for holding the annual sports day.

Honors For Fred

"If there has ever been a belief that the Calgary Normal school could not develop genuine public speaking talent, that belief has been speedily dispelled. Tuesday evening of last week in the cafeteria of the Normal school the competitors for the ribbon presented by the minister of education to the Normal school student each year making the best speech was held during the annual banquet of the Speakers' Club. General and enthusiastic comment was that a standard of excellence was set which can well be the envy of other schools and an incentive to good work by students that are yet to attend the Normal school here."

Honors went to Fred V. Stone of Alix, Alberta, who spoke in reply to the toast to the province of Alberta. Dr. Scott in announcing the decision of the judges said that the basis of the decision had been the ring of reality which each speech had given to him. Hearty applause greeted the announcement of the winner.

The speech of the evening came at the last when Fred V. Stone replied to the toast proposed by C. S. Matthews. He said that Alberta on reaching its maturity this summer had grown to take its place in the provinces of the Dominion. He spoke of the great democracy that had grown here untrammeled with traditions. He pleaded for co-operation in this democracy that its greatest riches might be obtained. - Calgary Herald.

ITEMS OF INTEREST

Don't miss the League ball game Monday evening. Mesdames E. M. H. Parby and C. M. Yarwood went to Calgary the forenoon of the week as representatives from the Alix W. 2. to the Provincial Convention in that city at the Palmer Hotel.

The Wednesday half holiday commences on June 2nd and continues through the whole of June and July.

Miss Kathleen Mann, teacher at Blackfalds, and Mrs. Shillingham of the same town, came up to spend the week with the former's parents. Mr. and Mrs. H. Mann.

Mr. H. G. Finch came home from Crossfield on Friday of last week, having been compelled to take a couple of months' vacation owing to ill-health. Mr. Fitzpatrick, who succeeded him as manager of the Alberta Lumber Co., yard at this point, has been transferred to Crossfield, while Mr. C. Finch will operate the Alix yard.

Mr. and Mrs. Fitzpatrick were very to leave our town as during their short sojourn here they made many friends and they wish through our columns to express their appreciation of the kindness shown them during their short residence in Alix. We join in wishing them prosperity in their new home.

After seeing to see the next item on the programme is to fix up our old fences or build new ones. Assuming that what is worth doing at all is worth doing well, The Alberta Lumber Company, Ltd. have ordered a car of good five cut tamarac posts from three to six inch tops and expect them to arrive the last week in May. Don't forget a sack of cement to make a good job of the corners.

Mr. and Mrs. B. Gartin and family of Leo motored up on Saturday and visited until Monday at the home of the ladies' parents, Mr. and Mrs. Geo. Ross.

The Alix Basketball team played in Cline on Saturday afternoon and won from that team by a good margin.

The Sunday School lesson for next Sunday will be found in Gen. 28:10-22. Golden Text—"I am with thee and will keep thee in all places whither thou goest."—Gen. 28:15. Attendance last Sunday was 36 children and 5 adults.

Mr. and Mrs. J. Doherty went to Calgary on Tuesday to attend the graduation of nurses at the Holy Cross Hospital, their daughter, Miss Daisy, being a member of the class.

The regular meeting of the Women's Institute will be held in the room on Thursday, June 3rd.

Be wise, like King Solomon! He had a lot of wives, kept them all happy, saved his money and became rich. You can keep your wife happy and save money by buying your screen doors and windows from The Alberta Lumber Co., Ltd.

Mrs. Hall, who has been visiting with her daughter, Mrs. Finch, returned to Calgary on Tuesday.

Don't Forget The 29th - Come To Alix

Saturday (to-morrow) is the third annual school sports at Alix. This has always proven a most enjoyable event, so come and bring the whole family.

Another thing! Don't forget to put up your flag. Let us make the town look sporty.

The W. I. Rest Room will be open all day for the convenience of the ladies and children.

Buffalo Baseball League Opens Season At Alix

Commencing at Alix on Monday, May 31st, the Buffalo Baseball league will open the season, which will run two months, or during June and July with each team of the five signed up playing a game at home and one away each week. Our boys have been fixturing in the kick off and as the visitors are a strong nine we look for a real snappy get away. All home league games will be played on the diamond at the fair grounds in the evening and we are confident that everyone will turn out to boot.

The following is the schedule adopted for the season:

Monday, May 31-Opening at Alix Tuesday, June 1-At Buffalo Wednesday, June 2-At Buffalo Thursday, June 3-At Buffalo Friday, June 4-At Buffalo Saturday, June 5-At Buffalo Sunday, June 6-At Buffalo An Envious Position

"In estimated national wealth in millions of dollars, Canada stands seventh on the list, higher than Australia, Brazil, Argentina and in fact higher than any of the countries into which surplus population can freely flow." Dr. D. A. MacGibbon, professor of political economy, University of Alberta, stated recently. In wealth per capita Canada is only surpassed by the United States and Great Britain, continuing "Canada is among the only five nations showing a surplus on current account, and is also among those countries having a food surplus. She ranks fifth among the nations as an exporter and seventh as an importer."

The senior team won in Lacombe on Friday last by a 12 to 3 score, while the juniors in Cline the same afternoon had an even break with that team, score 8-8.

Influx of Settlers Continues

The last ten days of May will see 3,430 new settlers from Great Britain and Europe land at Halifax and Quebec the majority of them coming to Western Canada over the Canadian National lines to take up farms or engage in agricultural work for others.

Sir Henry Thornton Optimistic

In an address at the annual banquet of Canadian National employees at Toronto recently, Sir Henry Thornton said that before long, sooner than most people think, the National Railways will not only be self-sustaining, but will also return a profit to the public treasury. Sir Henry also commented on the growing regard in which the public was holding the service of the system and attributed the achievement of this good will to the loyalty of the employees.

Teens News

Miss Grace Pigeon of Joffre and Mrs. Dave McMillan of Tera were
the happy victims of an innocent trap May 9th. They leaped clear
over the matrimonial bonnet, landed square on their feet at
Clare and are now, after waiting for a while with Jack McMillan
at Haydon, enjoying themselves in the full extent of matrimony.

Robert Ahern is enjoying an attack of German measles. He
says it isn't half as bad as measles.

Mr. J. Wright drove to Tera yesterday and brought the family
home. Bill says lacking light it was a way only he always for
go to stand up the end and get the clock out at night.

Wm. Cunningham said that while crossing boats from Tera to
the other night, a small tree tried to climb in over the wind shield and
get in the seat with him, but he took a piece of string and tied the
dash to the beam, then came home all right.

Mr. Hay of Ohio, who has recently been elected of Princeton
N. J. University, came over to Tera on Saturday and said service
at Oakley Lake and Nakasaka school. He will be stationed here
and will hold services in Tera church next Sunday.

Mr. J. W. Alcock, who has been with E. E. Mabel the past
two months, went to Edmonton Thursday to work at his trade, he
is a painter.

Miss Marion and Florence Ahern are raising; another person,
they say they will not let this one go to Alie for they are afraid
some naughty boy or girl or some one would keep it.

The painters for the A. P. F. C. Co. are here painting and
retouching up the elevator this week.

Mr. H. Bellows is home with a badly swollen proboscis caus-
ed by fumes of Johnnie Walker.

Mr. D. H. McMillan is facing his lot, he says he wants some-
thing for the cows to lean on as they would lean on the clothes line
and the water barrel all the time.

A successful sale of poultry, toys and other useful articles took
place on Thursday, May 30 in Cyril Osoobok's building at Tera.
Two ten tables and ten chairs were sold and excitement. Every
commodity seemed to be very well placed with what she or he had
the trouble was there was not enough space and goods for the
young male folks. Mr. Fry wishes to thank all those who spent
money on the various goods and they will be pleased to know that
\$1.60 of the takings have been sent to help those who are not so
well provided for.

Alix Nine Winners In First League Game

The initial game of the series scheduled to be played
during the months of June and July by the Buffalo Bear
ball League, was played at Alix last Monday evening and
resulted in an easy win for the locals by a score of 16-4.
The first four innings gave promise of a good exhibition,
the tally being an even break for both teams, but in the
fifth the Eskine pitcher fell down and our bats brought in
three runs. In the sixth the visitors pulled Buckle and put
in Page to do the twirling, but the team had baled out and
we again marked up six and four in the seventh. It was too
bad as Eskine has a good team and a fine bunch of boys.
It was the fortune of war. Following was the line-up:

ALIX	ESKINE	ALIX	ESKINE
M. Sorum	c	C. Buckle	J. Tullock
A. Ray	c	C. Hodges	H. Sorum
L. Pears	1b	H. Wach	I. Kerr
F. Brooker	2b	E. Hodges	C. McCowan
J. Cairns	3b	C. Chandler	L. Fisher

The game was well patronized by local fans and from
the surrounding towns and district.

The second game was at
Stettler on Tuesday evening
that team and Red
Willow, score 2-1 in Stettler's
favor.

Remember the league game
on Monday next, Red Willow
vs. Alix, at Alix, starts at 5
p.m. owing to bad roads and
distance.

10,000 lbs. Saturday

Last week was a record at
the Meadow Creamery when
they manufactured a trifling
over 33,000 lbs. of butter,
and Saturday reached the
top with 452 cans which
produced 10,000 lbs. of butter.
There is a snow more than 1000
contract shippers to the Cen-
tral Alberta Pool Creamery
at Alix.

The regular monthly meet-
ing of the council of Lamer-
ton Municipality will be held
on Saturday, June 12th.

A party composed of Mr.
and Mrs. A. S. Bisset, Mrs.
S. C. Andrews, Mrs. F. G. Gil-
les and Miss Marion Andrews
motored to Edmonton via
Tofield on Wednesday last
and will return today.

The U. F. W. A. will hold
a sale of home cooking on
Saturday, June 12th, at 3 p.m.,
afternoon tea will also be
served.

Mrs. Bingley and son of
Blair, Nebraska, arrived in
Alix on Tuesday to visit for
a time with the lady's sister,
Mrs. Lowe.

A boy's heavy wool sweater
was found on the school
grounds after the sports last
Saturday. It being too small
for the student, the owner may
be found.

Saturday Half Holiday

We respectfully appeal to
all Local Cream Shippers to
deliver their cream at the
Creamery any day during the
week up to 12 noon on Sat-

August. We can then give
you better and quicker ser-
vice. We wish to continue to
increase the volume, and we
need the entire Saturday af-
ternoon to take care of cream
arriving by train.
Kindly co-operate with us.

ITEMS OF INTEREST

Mrs. M. G. H. Darlow and W. H. Price and Mr. J. Talbot went to Calgary for the first time this week to attend the sessions of the Grand Chapter, O. E. S., as representatives from the Elks Chapter, Alx.

Red Willow and Alx ball teams play at Alx next Monday evening, June 7th. Remember the league games start prompt at 6.30.

The painters have been at work during the past week on the exterior of the Royal Bank building, note the pleasing result.

After feeding is over, the next item on the programme is to fix up your old fences or build new ones. Assuming that what is worth doing at all is worth doing well, The Alberta Lumber Company Ltd. have ordered a car of good five cut lumber posts from there to six inch tops and expect them to arrive the last week in May. Don't forget a sack of cement to make a good job of the corners.

On Friday of last week Mr. F. Golder unloaded a car of six-week-old pigs (256), purchased in the Glenside district. Frank spent the best part of a week in the locality where he purchased but eventually bought from one man. He has a contract with the Meadow Creamery to use up all the butter milk and as its production increases so must be increased his stock.

Dissolution of the Legislature of Alberta was effected last week and was issued for a provincial election on June 28, with nomination day on June 18. There are 60 seats in the Legislature.

Mrs. Morrison of Erskine was a guest on Monday and Tuesday at the home of Mr. and Mrs. Reintz.

Another of our citizens to improve his property the week was Dr. Sutherland who had the painters at work on the front of his drug store.

The Sunday School lesson for next Sunday will be found in Gen. 33:1-11. Golden Text—"Be ye kind one to another, tender hearted, forgiving one another even as God for Christ's sake hath forgiven you."—Eph. 4:32.

Be wise, like King Solomon! He had a lot of wives, kept them all happy, saved his money and became rich. You can keep your wife happy and save money by buying your screen doors and windows from The Alberta Lumber Co. Ltd.

COMMUNICATION RE DEPARTMENTAL EXAMS.

Owing to the fact that rural schools will be required for polling places on June 29th, the date of the provincial election, the dates of the Departmental Examinations have been altered as indicated on the enclosed copy of the Revised Time Table.

Your attention is drawn to the fact that the examinations set for Saturday, 26th; Tuesday, 29th; and Wednesday, 30th, remain as previously announced; those set for Monday, 28th, will be held on Friday, 25th, while those set for other dates will be held one day earlier, at the hour previously announced. Your obedient servant,
H. J. SPICER, Registrar

Lacombe Provincial Constituency Assn.

The Annual Convention of the Lacombe Constituency Association will be held in Lacombe on Wednesday, June 9th, commencing at 10 a. m. for the purpose of nominating a candidate for the forthcoming Provincial Election.

The Hon. J. B. Brownie will speak to the Convention in the afternoon and will also address a public meeting in the Elks' Hall commencing at 8 p. m.

School Field Day

The Third Annual Field Day at the Alia Consolidated School under the auspices of the Junior Athletic Association held on Saturday last was as usual well attended and everything went fine until 3.30 p. m. when rain put an end to the day's program.

The morning was given over to the various athletic tests and a good number of pupils from rural schools as well as town school's qualified in the first, second and third tests.

In baseball the Alia Juniors lost to Mirror by a score of 8 to 7, while for the senior Alia won from Ripley and still have to play Mirror.

In indoor baseball the Alia Juniors won from Mirror and the seniors lost to Mirror while the play-off between Mirror and George School was not finished owing to the rain.

The balance of the sports was postponed to a future date.

Obituary

An old timer of the Erie district, in the person of Mr. Carl Molander, died on Tuesday night, June 1st, at the age of 55 years. Deceased was well known and highly respected not only around Erie but throughout this entire district.

There 21 inches of rain fell during the storm of Saturday and Sunday.

We have said it once and say it again. Don't forget the dance in the Vet's hall on Friday of next week, the 11th of June.

Departmental exams will be on in a few days.

Minutes of M. D. Council Sitting

The council of the Municipal District of Lamerton met at the office of the secretary, Alix, Saturday, June 12th, at 1 p. m. All members were present, Reeve Sherburne in the chair.

The minutes of the meeting held May 15th were approved of as read on motion of Councillor Crown.

The secretary reported that Salme Smith had been transferred from the hospital at Camrose to a permanent home at the Macleod Hospital, Macleod.

The committee reporting road conditions 26-39-23-4 reported that in their opinion it was not necessary to change the road, that the road as at present could be put into shape much more cheaply and be just as good where it is and after the report was presented Messrs. Gasselman, Nielsen and Berg again met the council, objecting to the committee's finding and after a great deal of discussion for and against the change Mr. Jewell moved that the council as a land where the proposed diversion is to take place and again go over the situation. The meeting to take place on Saturday, June 26th, at 10 a. m.

The weed inspector, Mr. Jas. Cairns, reported in regard to the convention of weed inspectors held at Okla. stating that the convention was a very successful one, some eighty delegates being present from all over the province. One of the main resolutions put on record was as follows:

No. 2 "Whereas this convention puts itself on record to petition the Dominion Government to immediately and at its own expense to destroy all noxious weeds on Dominion Government lands around lakes, bird sanctuaries, islands and all other lands whose title we vest in the name of the crown. This convention representing the views of the farmers of Alberta, realizing the very serious situation of the rapidly increasing weed menace, wishes to petition the very best and urgent need of immediate action to completely eradicate the perennial *St. John's Wort* which is making such rapid inroads on our agricultural lands, hence the reason for the aforementioned resolution."

In regard to the weed inspectors, Mr. Cairns will make a special trip over the entire municipality, beginning now and all complaints received in regard to weed menace will be promptly attended to and it is the wish of the council that all infringements of the Noxious Weed Act be immediately reported to Mr. Jas. Cairns, weed inspector of Manor, or to the secretary at Alix.

W. G. Clanton was appointed poundkeeper for Div. 3. Re scales at Haynes, Mr. Crown moved that Mr. Sherburne have a cement foundation placed and present his bill to the council.

Re scales at Clive, discussion took place in regard to the purchase of land for the right of way for Clive scales and on motion of Mr. Jewell, the matter was taken up with the Live-stock Association relative to the conditions under which the land could be purchased and in this connection Mr. Crown moved that Mr. Jewell be empowered to buy the scales now at Lamerton siding, said scales to be installed later at Clive. Both motions carried.

It was agreed to raise the bounty on mature crows feet to 10c per pair. After raising a number of accounts meeting adjourned 5 p. m.

Piano Tuning—Gavin Spence will be in Alix next week with W. H. Norton. Leave orders at Free Press office.

Miss R. Keys of Vermilion is visiting her brother in Alix.

A Public Meeting

Will be held in the G. W. V. A. Hall, ALIX, on

Wednesday, June 23rd

at 12.30 p. m.

HON. MRS. PARLBY and

HON. HERBERT GREENFIELD

Will deliver addresses. Everybody Welcome

VOTERS ATTENTION!

Directions As To The Use Of Preferential Ballot

The preferential ballot will come into general use for the first time in the forthcoming provincial elections. Every voter should be thoroughly conversant with the method of marking the ballot before attempting to vote. Read these instructions:

The voter must not use the X mark.

The voter must place the figure 1 opposite the name of the candidate who is his first choice, the figure 2 opposite his second choice, the figure 3 opposite his third choice and so on until he has voted for all the candidates on the ballot if he so wishes.

The voter may plump for one candidate alone, using the figure 1, without spoiling his ballot, but is urged to vote to the full extent of his choices, as it is only by doing this that the voter obtains the full benefit of this form of ballot.

The voter must not place more than one choice opposite any one candidate.

The voter must not make the same choice for more than one candidate.

The voter must not make any mark on the ballot not authorized by these directions.

Read These Instructions Carefully

JOHN D. HUNT,

Clerk of the Executive Council,
Government of Alberta

Tees Tatlings

Mr. Geo. Hansen, who has been farming 11 miles west of Tees for the past twenty years, has rented his farm, sold his household effects and he and Mrs. Hansen and Master Harold went to Nanaimo, B.C., where they will make their future home.

Mr. E. R. Fry is getting so he can drive his car pretty well. He drove around in it the other day for about half an hour and didn't hit anything.

Rev. Adams of Edmonton was in Tees Saturday and went to Poncha to hold services there Sunday.

Mr. Jim Crail has been helping his brother John with the plowing the past week.

Mr. Chas. Bull, one went to Calgary the other day and bought a car and drove it home. Fred Meadows accompanied him.

Mr. H. Bull from near Redwood and who also has a farm at Newburg, Oregon, has placed the farm in charge of two of the boys and he and Mrs. D. C. have two and two small daughters have gone to Newburg for the summer. Mr. Bull says he will be back this fall when the planting starts.

Miss Marjorie Walker, who teaches near Poncha now, was in Tees last week visiting friends and acquaintances.

The high wind last Tuesday blew down the 512nd implement shed belonging to Mr. E. Polytroch and piled his binder on top of it. This is the only damage to buildings yet reported.

Mr. Marvin of the Imperial Life Co., was in town looking after the company's interests here.

Monroe, A. W. Gillis, A. M. Crowe, Esda McDonald, Guy Maloney and R. Polytroch were some of the representatives from this district who went to the Political Convention in Lacombe Wednesday to help save the country.

Alix Wins From Stettler

Alix and Stettler played ball at Minn last Monday evening and the game resulted in an easy win for our boys by a 11 to 5 tally. Stettler was the first to kick off and in the first three bats they piled up five runs to the locals three but drew a blank the balance of the game. Although Alix drew a goose-egg in the third they lined up seven safe ones in the fourth and two in the seventh. Mervin Hunter pitched good ball for the Alix nine, he has the steam and the variety, what he requires now is a little more control.

Score by innings:
Stettler 113000000-5
Alix 11070020x-11

Alix and Erickson took home on the Alix diamond next Monday evening at 6.30.

Sickness - Accident

On Tuesday, Mr. J. Manabridge was taken sick at 11 and on being called the doctor ordered him to Red Deer hospital where a successful operation for appendicitis was performed and he is now recovering rapidly.

During the electrical storm on Thursday of last week lightning entered the office of the C. P. R. depot, putting the telephone and telegraph out of commission and setting fire to some papers and the desk. Fortunately the agent, Mr. I. Sweet, although in the office at the time, was not seated at the desk, and escaped with only a very slight shock.

While crossing the bridge just north of town on Saturday, one of the team driven by A. Allan broke through the planking, stumbled and the horses got away. In the runaway the harness was badly broken, but Andy and the buggy got off with a severe shaking.

During a dog fight at the C. N. R. depot last Monday afternoon, Jimmy, son of Mr. and Mrs. R. G. Lowe, was badly bitten when one of the snapping canines in making a lunge at his opponent mistook the lad's right leg for its objective. The gash was a nasty one, right to the bone and required medical attention.

Marion Clachy had his leg badly cut in a barb-wire when thrown from his horse Wednesday's sports.

Alix Teams Wins First Money

"The Days of Real Sport" were brought back on Wednesday at the Annual Sports Day of the Alix Agricultural Society, when a large gathering of people were treated to by far the best exhibition of ball staged this year. There were four teams and consequently three games. Alix and Clive drew the first battle and resulted in a 2-1 win for the locals; Bashaw and Delburne were the next to collide and in a five-inning tussle the northerners carried away the big end of a 6-4 tally; the play-off for first money was a hot one, the only score being made by the homers, when with one man down Tullock reached first on a single, stole second and reached home on a two-base hit by A. Ray. Sorum and Ray were the battery for Alix's first game; and Hunter, Johnson and Ray topped the mound for the locals in the play-off.

Score by innings:
Alix 002000000-2
Clive 000010000-1
Delburne 11200-4
Bashaw 0240x-6
Bashaw 0000000-0
Alix 000001x-1

The horse racing was very free for all—1st A. J. Ray 2nd G. Heit Pony Race—1st W. Patton while P. Thomas "Welsh Queen" took second.

A light shower interrupted the games, causing a delay of an hour but the fans were patient and were amply rewarded.

TWELVE REASONS For Electing Liberals

1-IT STANDS FOR THE LIBERAL PARTY STANDS FOR A MORE BUSINESS-LIKE ADMINISTRATION OF ALBERTA AFFAIRS. The present government is without business sagacity, without business vision and has been without business success. It is a class Government which is divorced from business activity.

2-IT STANDS FOR GREATER ECONOMIC ADMINISTRATION. The present government has increased the debt of the province in five years by \$23,000,000, with nothing permanent to show for it. It has been more extravagant than any previous administration, or any other in Canada.

3-IT STANDS FOR MORE PROGRESSIVE ADMINISTRATION. The present government has nothing to show for its five years of office. It has passed no constructive legislation. It has delayed all the serious problems.

4-IT STANDS FOR MORE ACTIVE DEVELOPMENT OF THE UNSETTLED AREAS. The present government has made no advance since it took office.

5-IT STANDS FOR BETTER DEVELOPMENT OF AGRICULTURE. Capt. Shaw objects to bringing the goods into the market, but he has not a single idea in Ottawa about the situation for an operative marketing, his vigor for cheaper transportation rates, his insistence on the removal of all tax burdens which have been preventing development.

6-IT STANDS FOR BETTER EDUCATIONAL FACILITIES. The present government has been "meritizing" education and burdening the department with useless educational fees.

7-IT STANDS FOR BETTER HEALTH ORGANIZATION AND ECONOMY. The present government has been so development and burdening the department with useless educational fees.

20,000 Write Exams

A total of 20,000 pupils are
writing in Alberta this year on
the midsummer departmental ex-
aminations which have been in
progress during the past week.
This is an increase of about 10
per cent. over last year.

VOT "I" FOR HON. MRS. PARLB

In voting for a candidate an elector should exercise
the same care as he would if engaging a manager for
his business.

The main question should be "What are his quali-
fications and his record? You judge a prospective em-
ployee, not on what he promises to do, but what he has
done.

The Liberals have a record of sixteen years of office in
this Province. This record they do not and cannot de-
fend. The public, however, has not forgotten it.

The Conservatives have no record at all. Their re-
turn, as that of the Liberals, would mean a return to
the party system and all that it implies.
The U. F. A. ask for your vote on June 28 on their
record for the past five years. They offer a continua-
tion of sound business administration for the benefit of
the people of Alberta as a whole, and not, as in the
party system, for the benefit of party friends.

The only argument Liberals and Conservatives offer
is that of promises. The Government's argument is
performance.

During the past five years the cost of administration
has been reduced 14 per cent. The Civil Service has been
transferred from a basis of patronage to a basis of merit,
a real highway policy has been put into effect, health
and education services have been increased, etc. Effi-
ciency is much greater in every department of govern-
ment as a result of transference from a basis of party
favoritism to one of business administration.

HERE IS WHAT "THE U. F. A."

The Official Organ For The Province

HAD TO SAY OF CAPT. SHAW,

Liberal Leader, As Late As

Sept. 15th, 1925

Captain Shaw

"The announcement that Captain Shaw, who has re-
presented West Calgary in the House of Commons as an In-
dependent member for the past four years, will not be a
candidate in the forthcoming election will be received with
the deepest regret, not only in all parts of Alberta, but among
forward-looking people throughout the Dominion.

"Capt. Shaw's withdrawal from public would be a very
serious loss to Canada. He made his mark in the last par-
liament, and he is recognized today as a parliamentarian of
independent spirit and of outstanding ability and courage.
He is one of a still small group of men in the federal sphere
who have been paving the way for a real distance from the
party personnel politics of today, to constructive and genu-
inely progressive statesmanship. His early return to public
life will be hoped for by all who are familiar with his record
of service in the parliament recently dissolved.

"Since the announcement of Mr. Shaw's intention not
to be a candidate very great pressure has been brought to
bear upon him in Calgary in the hope that he will reconsider
his position. We trust that he may yet decide to al-
low his name to go before the electors on October 29th."

Capt. J. T. Shaw

MARK YOUR BALLOT THROUGH

Do not be satisfied by marking No. 1 for your own party, but mark your second choice
for the other two candidates.

Marking Your Second Choice

In no way interferes with your first choice. Your first choice is not eliminated unless
your candidate is the low man. If you "plump" for one candidate, it merely means that
you make no second choice of the other two, if your candidate should be eliminated.

Death of Mr.

J. Mansbridge

The passing away of Mr. J. Mansbridge, an old-time resident and farmer of Alix district, at the Red Deer hospital on Monday last, is deeply regretted by the whole community and the family have the heartfelt sympathy of all.

As we reported in our last issue in June, he was taken to the hospital on the 22nd for an appendicitis operation which proved satisfactory and he had progressed so favorably that on Friday and Saturday he was out of bed and resting on the veranda, but Saturday he was again taken bad and an operation for intestinal obstruction was necessary, following which he lived but an hour.

The late Mr. Mansbridge was 34 years of age at time of death, was born at Cheltenham, England, coming to Alberta and locating in Alix where he has since resided.

In addition to a sorrowing life-partner and two sons Sidney aged 7 years and John Cecil aged 3 years, he leaves a father and mother, Mr. and Mrs. M. C. Mansbridge of Stalbridge, England, and two brothers, one in northern B. C. and the other in New Zealand.

The remains were brought to Alix and the funeral held on Wednesday afternoon from St. Francis church at Alix cemetery, Rev. G. M. Morgan conducting the services.

The pallbearers were all old neighbors of the family: Messrs. M. Schupf, J. Tallent, F. Malton, F. Pinnell, C. B. Howe and G. Rogers.

Masonic Picnic

The committee in charge of arranging the Annual Masonic picnic met in mirror on Tuesday and settled all the preliminaries. This event is participated in by Bashaw, mirror and Alix and has always been a delightful affair. It has always been held on the shore of Buffalo Lake at Mr. Jewell's residence.

The date set for this year's picnic has been set for Wednesday, July 21st.

Master Willard Hopous of Lacombe is a holiday guest of his friend Master Eldon McGoigal.

We should have had another picnic eight months ago. It was postponed because of the expense. It will be held now and the past eight months would have been saved.

Joint Picnic

A big time is assured those who attend the Joint Picnic at the Ties U. F. A. & U. F. W. A. in that village on Wednesday, July 21st. A good line of sporting events has been prepared, baseball, horseshoe, athletic events, etc., ending with a dance in the evening. The ladies of Ties are noted for their coöperative and in consequence the edify will be plentiful and very good. Come all.

New Spuds July 4th

Mr. F. Mass informs us that on Sunday last, just six weeks after planting, they had new potatoes the size of a large hen egg, for dinner. We believe this a record, not only for 1926, but for years.

Dominion Day Girl

At Mrs. Palmer's Nursing Home, on July 1st, to Mr. and Mrs. A. Miller of Alix, a daughter.

Mr. Norman Mansbridge, being summoned to Alix on account of his brother's death, is expected to arrive from B. C. on Thursday.

Mr. and Mrs. A. S. Bissett and son and Mervin Hunter left Tuesday on a ten-day motor trip over the Windermere highway.

Mr. and Mrs. J. Docherty and Mr. and Mrs. Coon are Calgary visitors this week.

A Letter of Appreciation

To all workers and supporters who assisted me in the election I wish to express my sincere thanks and appreciation.

I feel very pleased with the splendid vote polled with the faithful and loyal support of so many of my old friends.

It is gratifying to note that there was no mudslinging or personalities either from our side or from our opponents so that the campaign has been clean for every respect.

While the forces of class government have prevailed, for the time, it is inconceivable that their success can be permanent in a country where all the foundations of Government are based on the principle of "Equal participation by all the people in the affairs of Government with regard to class or creed or occupation; of the people, for the people, by the people."

IN CONFERENCE

A business meeting of the executive of the Central Women's Club was held on Wednesday last to discuss matters in connection with the Fund. On invitation the following Provincial Government members were in attendance: Donald Cameron of Honey, Executive Committee; G. W. Smith of Red Deer, Red Deer County; A. L. Saunders of Wettable, Shellier County; and Mon. Mrs. Parry of Alix in Lacombe County.

Taking advantage of this meeting, a delegation comprising the Alix council and the Board of the Municipality waited on them to read proposals.

The new community hall at Haynes is to be opened this month with a big dance. Watch for posters announcing date and giving all particulars.

It is to be a grand affair and an affair well worth attending.

THE CHANGE IN LETTER POSTAGE

The new letter postage rates came into effect July 1st.

Local letters - are the same - 3c for first ounce, and 1c for each additional ounce.

Letters to Canada, the United States and North America are 3c for the first ounce, instead of 2c as before, and 1c for each additional ounce.

Letters to Great Britain and the Empire - 3c for first ounce, instead of 2c as previously, and 1c for each additional ounce.

Other countries - 3c for first ounce, and 4c for each additional ounce.

There is no change in the rates on postcards.

The thermometer registered 79.09 on Monday, but this intense heat lasted but two days.

Application For Lease of Road Allowance or Surveyed

Notice is hereby given that C. Mills of Haynes has made application to the Minister of Public Works, Edmonton, for a lease of the following road allowance or surveyed highway, viz.:
 On the north side of the N. E. 1 - Sec. 11, Tp. 39, Rge. 21, W. 4th.

Any protest against the granting of the above mentioned lease must be forwarded to the Minister of Public Works, Edmonton, within thirty days from the date of this notice.
 Dated at Haynes, C. Mills.

Municipal Council Minutes

The council of the Municipality of Lamerton No. 396 met at the office of the secretary on Saturday, July 10th, at 7 p. m., with all members present and Reeve E. C. Sherburne occupying the chair.

The minutes of the meetings held June 12th and 26th were approved of as read.

The reeve reported that the council as a body had visited the proposed change of road near 28-39-23-1 and that they had also met the deputations asking for the change and the party through whose land the proposed diversion was suggested and after going over the entire situation and decided that they were not in favor of making the change suggested by the deputation.

The secretary presented a letter from H. G. Ahern of Tees stating that the cattle running loose about Tees are a public nuisance and asking that something be done towards abating the nuisance and the secretary was instructed to write Mr. Ahern that under the Domestic Animals Act he can have the animals impounded and if any damage has been done he can present his claim to the poundkeeper of the district.

Re 55 acres 3-38-23-4 Mr. Crown moved that the secretary be instructed to advise Mr. C. N. Williamson that he can have the fraction until March 1st next for the amount of the 1926 taxes, approximately \$15.50.

The secretary was allowed two weeks vacation. Communications from the Lacombe General Hospital and the Royal Alexandra Hospital at Edmonton re hospital accounts and the secretary was instructed to write the different hospitals that the periods referred to were not in the indigent class and were perfectly able to take care of their hospital accounts.

A number of accounts were passed for payment on motion of Councillor Crown.

The meeting adjourned at 5 p. m.

Stock Food From China For Alix

This week Mr. J. W. Kenda received a letter from Commander Pilcher, who is now at Hongkong, China, conveying his regards to all his old friends and incidentally informing him that he had shipped his two tons of oil cake manufactured from the Soya Bean, which was proving a very valuable stock food in that country, and asked him to make a test of same with a view to putting it in general use in Alberta. The test will be watched with interest. The Commander says he intends to return some day to reside at Alix which he claims is the best spot he has yet found.

Miss Daisy Doherty is home from Calgary on a few days vacation.

Among those attending the Edmonton Fair this week are Mr. and Mrs. J. R. Mackie, Mr. and Mrs. R. G. Lowe and Mr. Harrington.

Mr. Geo. Ross tells us that last week he was using cauliflower from his own garden.

Mrs. E. A. Mann and Miss Audrey Mann left on Wednesday afternoon via C.N.R. on a six weeks' visit to the old home at Petrolia and Ontario points.

The Fair Close At Hand

Two weeks from today is the first date of the Alix Fair and from indications there will be a larger exhibit than ever. The reason has been ideal for all manner of crops and garden truck while from squires received we believe the other departments in the hall will be well filled. The stock exhibit promises to show a decided improvement also.

The committee in charge of the entertainment are arranging for good programs each day.

Wednesday, August 4th, has been set by the President for arranging and clearing up the fair grounds and he would like to have all members and directors on the job that afternoon.

The Ladies Picnic

The Ladies Aid regular meeting on Wednesday took the form of a picnic at the beautiful home of Mrs. P. Jamieson west of town. There were a goodly number of members present and a most enjoyable time spent.

Hit In The Eye

At Wednesday's picnic Jimmy Lowe had the misfortune to be hit in the eye by a baseball and the wound was such that medical attention was necessary. The doctor put in a number of stitches but could not tell whether the eyeball was injured or not.

Miss Margaret A. Mauter of Clive is arranging to visit our town each week to teach piano and will be here on the 3rd of next month to arrange her class. See announcement on this page.

We understand Mr. H. G. Flach of the Alberta Lumber Co. has been transferred to Delia and will move his family to their new home early next month. H. G. has been a resident of Alix for a good many years and we regret the family's removal. May they find happiness and prosperity at Delia.

I will be in Alix at the Nelson Hotel on Tuesday, AUG. 3rd, to make arrangements to give pianoforte lessons to anyone interested

July Wedding

A pretty wedding took place at the home of Mr. and Mrs. Perry of near Teas on Tuesday of last week when their adopted daughter, Miss Margaret Wolden, was united in marriage to Mr. Norman Bradshaw. The ceremony was performed by Rev. Sneddon of Teas. We join in wishing the happy couple hearty congratulations and best wishes for a happy married life.

Preparing For Action

The Liberals of the Red Deer riding have called a convention for Monday next, July 26th, at 2 p. m. in the Auditorium Hotel, Red Deer, for the purpose of selecting a candidate to contest this constituency in the forthcoming Federal Election. All supporters of the party are invited to be present.

On Tuesday afternoon Mrs. J. R. Macle entertained a number of the old friends of her guest, Mrs. C. C. Garber, at afternoon tea and social chat. There were around a dozen present and a very enjoyable afternoon is reported.

Mrs. McNeil of Hamilton, Wash., is visiting with her sister, Mrs. L. Fisher.

Roads Convention For Alberta

The annual convention of the Canadian Good Roads Association will be held in Edmonton, Alberta, some time in September, the exact date to be announced shortly. Members of the executive committee of the association visited the province recently to arrange for the convention. About 700 delegates are expected to attend.

EMPLOYMENT INCREASED

Considerable improvement in employment conditions of last year is noted during the present season. During the last six weeks the greatest employment increase has been in the harvesting of more or less than for the same period last year. In order to make plant for the harvest season a conference of the western managers on election with representatives of the western governments will be held the week ending August 1st at Winnipeg.

Free Foot Comfort DEMONSTRATION THE BIG STORE, Alix

Have persons out of every one have some form of foot trouble. It may be weak or broken-down arches, weak ankles, corns, calluses or bunions or probably a case of tired, aching, painful feet. Regardless of what may be the cause of your foot suffering, you will find quick and lasting relief at our store during this special demonstration.

Foot Comfort Expert from Personal Staff of Dr. Wm. M. Scholl

At considerable expense this store has arranged for the service of one of Dr. Scholl's most skilled foot comfort experts. He will be pleased to see, on the above date, all persons suffering from any form of foot trouble. His services are absolutely free.

Free Photo-graph Prints of Your Feet

In a few seconds' time, without removing the shoe, he can make a perfect impression of your feet that positively shows if you do have foot troubles and to what stage the trouble has progressed. Come in and get a sample of Dr. Scholl's Zepo-pod for corns. They remove the cause—blisters and pressure. They, too, are absolutely free.

Picnic Tomorrow

The U. F. A. are holding a picnic, to which all are invited, on the last day of this month, Saturday, July 31st, at the beautiful home of Florence Parby, north of town. In addition to the program of athletics, an address will be given in the afternoon by William Irvine of Calgary.

There is no doubt you will enjoy yourself if you attend, but don't forget to bring your lunch basket.

Picnic commences at noon.

O. S. A. Field Day August 5th

A farmers field day is to be held at the Old School of Agriculture, on Thursday, August 5th. The purpose of the occasion is to provide a means that will give those who attend an insight into the crop and soil field work at the o. s. a. and also obtain some valuable information on farm problems.

Make the occasion a picnic outing; attend with the family; bring your lunches; the o. s. a. will supply tea, coffee and facilities for games. Everybody welcome.

Alix 4 - Settler 3

With just time to finish, on account of diminishing daylight, Alix on Monday evening added another win to their credit when in a league game with Settler they carried away the heavy end of a 4-3 tally. Mervin Hunter hurled for the locals and Wally Wood acted in like capacity for the visitors. It was a stiff tussle all round and a peach of a game to watch. L. B. Fisher umpired. The follow was the score by innings: Settler 100100100-3 Alix 30010000-4

ITEMS OF INTEREST

Sunday next is August 1st.

Remember the Alix Fair is on the 6th and 7th of next month (Friday and Saturday).

Mr. and Mrs. R. W. Peacock left on Sunday to spend a few days at Calgary and Banff.

The Wednesday half holiday, which has been in force for two months, came to an end this week.

The next service in St. Pius church will be held on Sunday, August 22nd.

Mr. U. G. Marvay, who underwent an operation at the Lacombe hospital a short time ago, returned home on Saturday and is regaining his strength very fast.

Except when old honey klugs over the palm of milk, nothing causes more profanity than a broken covey with just a few more furrows to plow and every prospect of a rain storm. Be on the safe side and use good live oak which can be had from the Alberta Lumber Co.

The regular monthly meeting of the village council will be held next on Thursday evening.

Ted Price and Colin Andrews, who have spent the past month with a special gang at the C. N. R., return home today (Friday).

The regular meeting of the Women's Institute will be held at 3 p.m. on Thursday, August 5th, in the rectory.

Mrs. L. Hroodick has been spending a portion of this week with her daughter in Edmonton.

H. J. Small, agent specialist, will be at The Imperial Hotel, Alix, on Thursday, August 19th, and every third Thursday of the month thereafter.

A joint picnic of Odd Fellows and Rebekahs and their families will be held at Haunted Lake on Monday evening next, August 2nd, and an invitation is extended to the members of these orders to come along and enjoy the fun. Bring your basket provisions and equipped for your own number.

Have you procured your Fair Prize List.

You cannot begin too soon to build that home of your own, a home which will really live. Remember the half the pleasure of a home lies in its beauty, attractiveness and harmony of design. Let the Alberta Lumber Co. show you their modern house plans.

Mr. and Mrs. W. H. Price motored to Lacombe last Monday evening and landed in their Chevrolet touring car for a ride of the same make.

The cement walk on Alberta Ave. is complete and the gang has since been busy laying strips on Jamieson street and in front of the Imperial hotel.

A very pleasant event was the social afternoon spent at the home of Mrs. M. H. Cook on Friday of last week when practically all the members of the Ladies Aid met to bid goodbye to their Secretary-Treasurer, Mrs. H. G. Finch. In addition to social chat and a dainty luncheon, served by Mrs. W. Tallman, on behalf of the organization Mrs. D. Klein presented the guest of honor with a china vase as a slight remembrance and token of appreciation of her work with them.

Some of our farmers commenced ryecutting this week. Mr. and Mrs. R. L. Toepfer, who have spent the past month motoring in the mountains and as far south as Idaho, are expected home this week.

We understand that the Central Creamery contemplate enlarging their premises this fall and adding additional equipment to take care of their rapidly increasing business.

The Central Cream Pool Has Found Alix a Profitable Point WHY NOT OTHERS?

On March 2nd, 1925, the Central Cream Pool started with 153 members, during the last 8 months the membership increased to 750, and over \$24,000.00 was saved for the members.

On June 1st, 1926, the membership stood at a little over 1,200, and the volume has increased 57 per cent over 1925, while the manufacturing expenses have been reduced by one cent per pound butter.

The Central Cream Pool is now practically the largest Creamery under one roof in the Province.

There are over 3,000 cream producers in the territory covered by the Association. Why should they not all co-operate, join the Association to further decrease cost of manufacturing and distribution, and standardize a high quality of butter?

The Central Cream Pool is organized on the sound basis accepted and adopted by the leading Dairy Producing Sections of the world, the Local Unit Plan, under full control by the members.

RIPLY RIPPLES

No doubt the Alix people were greatly disturbed about 9 p. m. on Wednesday at the commotion on their street. To relieve their curiosity we will inform that was only the Dye out Dyeing.

Mr. Templar of Vancouver has taken a position with one of our farmers.

Fred Mann should use a little more modesty with his Laid when away from home. Imagine stripping her in public. Easily seen his wife is a w.

Frank Cockrell attended Lacombe fair this week.

Mr. Dye of Langdon was a visitor at the home of his son of town a few days last week and while here he purchased the section west of town known as the old Pan rucker place.

Everybody in Ripley district is going to the Alix Fair next week.

H. H. Mann took 1st, 2nd and 3rd in his exhibits of Berk Hogs, at the Stettler Fair, last week.

TEES TATTLINGS

The Tees U. F. A. and U. F. W. held a picnic on the 21st of July, a large crowd was in attendance comprising a goodly number from surrounding towns. The Clive brass band furnished some very good music. There was a ball game, Tees vs. Nebraska, but the visitors getting the worst of it rung in some of Clive's team, then it the close the score stood 14 to 15 in favor of Tees. The ladies put on a big dinner which it enjoyed. There were foot races for the boys, girls, men and women, three-legged races, tug of war climbing the greasy pole and a dance and picture show in the evening. Everyone had a big time.

Mr. E. R. Fry started on the evening of the 17th by auto for Lacombe to catch a late train for Calgary to be present at his daughter's wedding. He got about a mile out of town, had a blow out and had to sit there while Raymond Heath came back for repairs but he said he saw other cars in the ditch waiting for a team to haul them out.

Miss Charlotte Bellhouse, who has been nursing in Edmonton, was home last week on a short vacation.

The home-grown strawberry social and p. at Stady Nook, the home of Mr. and Mrs. Gish, was well attended and although it rained a heavy shower during the evening, they repaired to the house, music consisting of solos, duets and quartette, was furnished, the game of horseboos also furnished considerable amusement. The hospitality of Mr. and Mrs. Gish was especially mentioned by many.

Mr. Joe King (see Miss Alice Craik) has gone to Calgary to join her husband.

CANAL GROVE FIELD DAY AT EXPERIMENTAL STATION IN LACOMBE

The recent rains have caused a wonderful growth and everything at the Experimental Station will be seen at its best. There will be something to interest every member of the family. While possibly only the men will be interested in the 4000 or more grain and forage crop plots, the women and children will be interested in the horse, cattle and hogs the poultry, the bees and the vegetable gardens. Everyone will enjoy seeing the beautiful grounds and the production of perennial and annual flowers. One of the most interesting features will be the drive around the farm which will start at 11:30. Come early and bring your family and lunch and spend a day of pleasure and profit at the Experimental Station Lacombe, on Saturday, August 7.

FAIR NOTES

The G. W. V. A. are putting on a dance each night of the fair with the Bullwatt orchestra supplying the music. On Saturday night the dance will start at 8 p. m. sharp.

Don't forget to put up your flag on fair days.

Attend the fair both days you will be well entertained.

The list has been considerably enlarged this year and the society is offering more money than ever for exhibitors. If you have not been an exhibitor here-to-fore why not start in 1926? Your help to swell the showing will be appreciated.

This is one day in the year when the whole community should come together, it is primarily a farmers day but the townsmen is equally interested.

Alix Fair Is On Today And Tomorrow

This afternoon (Friday) there will be a Junior Baseball and Basketball Tournament. These will be good contests which you should not miss.

Tomorrow (Saturday) a Senior Baseball Tournament will be staged with four good teams competing and you are assured of real snappy play. First game at 1 p. m. sharp. There will also be horse racing.

The exhibitors will outnumber last year's showing by a handsome margin.

The children from 5 to 80 years will enjoy the merry go-rounds and the various booths.

—LET'S GO—

The Alix Nine Wins Money Every Game

The Alix ball tossers have been playing in the best of luck the past ten days, on their three trips they have been in on the money every time.

Thursday of last week at the Eskine tournament they copied off the first stake by winning Stakes 8 to 3 and Botha 11 to 8.

At Red Deer fair on Friday they won from Ponoka 8 to 3 but lost to Red Deer, bringing home second money.

And in the tournament at Camrose on Monday they won from Meeting Creek 6 to 3 and lost to Ponoka 1 to 0. For the win they received \$75 and \$40 for playing the second.

The record to date is six times in the money out of eight games played.

Day Labor Cheapest For Laying Walk

The council meeting last Monday evening was taken up pretty much with settlement for the large amount of work done so far this year on our streets.

The figures for laying the three walks were on the table and demonstrated the wisdom of the council in having the work done by day labor. These walks cost a trifle or 60 per cent. of the contract price for other walks and the work is Alix.

The council decided to put in a number of gravel walks and do a little more grading, but the major portion of the work is finished for 1920.

If the good work is kept up year after year we will soon have streets second to none.

TEACHER OF PIANO

I will be in Alix at the Nelson Hotel on Tuesday, AUG. 3rd, to make arrangements to give pianoforte lessons to anyone interested.

Local Happenings

Mr. and Mrs. C. Bissett of Chauvin have been visiting friends in the community.

Colin S. Andrews has taken a position as junior on the staff of the Royal bank.

Raspberry picking has been an added delight to the Alix housewives the past ten days. The fruit is large and the crop abundant.

Miss Janet Golberg and Master George Golberg of Leo are spending a portion of their holidays with their grandparents, Mr. and Mrs. Geo. Ross.

Mr. and Mrs. G. F. Whittingback of Bashaw were in Alix on Wednesday.

Mrs. F. Jones and children of Halkirk are visitors of her parents, Mr. and Mrs. H. Hudkins.

The Alix basketball team won by a score of 22 to 7 from the Clive team at the U. F. A. picnic near that town on Wednesday afternoon.

Wednesday Of Next Week, August 18th Selected As Second Day Of Alix Fair

For the first time in its nineteen years of operation the
Alix Fair was put out of commission with wet weather.
Opening up with every promise of a successful exhibition,
the fair got away to a good start on Friday of last week,
Children's Day, and we believe it was one of the best first
days we have ever had.

The hall exhibits came crowding in until the closing
hour when in the neighborhood of 700 entries had been
made. In many cases the showing was away over last year
especially in the fancy work which was more than doubled.

It being a little early in the season the vegetable
sections were not filled, but even at that there were 166 ex-
hibits and competition was keen. The showing of flowers
was magnificent. We are indeed sorry that the crowd
which always attends the second day, were deprived the
privilege of viewing the hall with its load.

The sporting end of the day was well looked after with
baseball and basketball. The first game, Mirror vs. Er-
kine, proved a winner for the latter team 9 to 3, while in a
ten-inning bout Alix defeated Erskine by a 5 to 7 tally.

Our girls retained first money in the basketball.
The heavy rain which set in in the evening and con-
tinued most of the night made it impossible for the stock
men to bring in their exhibits over the muddy roads, and
at a meeting of the directors Saturday morning it was de-
cided to postpone the second day till Wednesday, August
18th, which will be stock day. The sports program as
previously arranged will be carried through.

Communication

To the Ratepayers of Alix

I notice in this paper of
Aug. 6th it was claimed that
the cost of laying sidewalks
this summer was 60 per cent.
of that of previous sidewalks,
this I presume includes the
walks which I contracted for
and put in. The cost of put-
ting in the walks this year by
day labor came to 68¢ for 60
cubic inches; the cost of the
sidewalk which I put in by
contract labor, which also in-
cluded removing old walks
and grading, was 46¢ for 144
cubic inches; so you can see
that day labor prices was 1.55¢
per cubic inch, contract labor
price was .46¢ per cubic inch.
These figures are correct and
talk for themselves.

vention in Lacombe last Tuesday
evening Mr. J. LaPrance was

Woolly Industry Is Aid To Population

Also Steps To Build Up More Progressive Race

The poultry industry will help to raise the level of prosperity in the South, according to the Georgia branch of the American National Poultry Association, speaking at the annual convention of the group at the Veterans Hotel in Macon last night.

W. W. Brown, who is president of the International Poultry Association, is in Macon on business. He is a resident in Plover, Illinois, and is making a tour of the South to promote the World Poultry Convention, to be held in Chicago in the summer of 1937.

Mr. Brown it seems as though the great triumph of the Great War had been the development of the poultry industry as one of our public men, says the New York Times. Forty years, he said, have passed since the war, and poultry has become one of our great industries. He has no doubt as he said the memory of what happened to Europe and Asia in the war is still fresh in our minds, though, after criticism and cautious and anticipated difficulties with regard to the poultry industry, he said that the poultry industry has shown its proper proportions when asked against the possibility of another war.

In the North European intelligence Mr. Brown is killed and wounded, in my opinion of the war array of the poultry industry, he said, the United States spent two and a half times as

grains in feeding. It is evident that the birds are not getting enough energy and either the ration or the environment must be changed. There is some change in the Old Land over the restrictions imposed—more water, more feed, and more light. But, of course, the most important factor of consideration is the lack of food.

With Old Land's explanation, the birds' question of increasing protein in the ration is answered. "We would like to see the birds to live better," says the manager. "We would like to see the birds to live better, but we have to live with the birds, or to give better food to the birds." The manager says, "The primary need, people, but the birds are in a situation, where they have an opportunity."

Round up of Wild Horses

New stamping may be the last event of this kind in the West.

What may be the last wild horse roundup is now in progress in the stretch of territory between Medicine Hat and Headland, and between the Bow and Wild Horse Rivers. The animals that are caught are skinned or shot. Those that are weaned are kept, those that are not are destroyed. The heads of wild horses have been mounted in the last few years with their hair but come a milestone to the ranchers.

A Picnic

The Union Sunday School will hold a picnic at Haunted Lake, Alix beach, on Friday, August 27th. Plans are to leave the church at 2 o'clock. Children and their parents are welcome, bring baskets of lunch (equipped) with cups and plates for your own number.

Ripley School Has Good Showing

Four pupils wrote on the Grade Nine examinations, of these (only one had been successful in passing grade eight exams last year) two of these pupils (Leona Olson & Ward Barrett) passed, the former making an average of 74 per cent. and Ward an average of 72 per cent. Leona Olson made a perfect mark (100 per cent.) in Algebra. Last year only 15 pupils in the whole province obtained that mark in Grade 9, so Leona has made somewhat of a record this year. Of the remaining two, Lee Olson passed in five out of six subjects and Nellie Carr in four subjects. Two Grade 8 pupils wrote, Bernice Bell and David Carr, both passed.

There are 32 pupils in the school and as the teacher only took charge in the last half of the term, thus being under a heavy handicap to both herself and pupils (a change of teachers) the results speak for the work.

Local Happenings

Mrs. W. H. Price and her two boys, Ted and Harry, left on Thursday to spend a week in Calgary.

Frank Scott and Leland Fisher went holidaying last Thursday to Edmonton, the former will remain to attend school.

Mrs. F. R. Mitchell is visiting for a week with friends in Calgary.

The Blue Birds six-piece orchestra will give their concert on Monday next, Aug. 23rd, and put on a dance in the Vet's hall. See advt. on page 8.

Mr. and Mrs. Russel Larvin and children of Leo were visiting this week at the home of the lady's parents, Mr. and Mrs. George Ross.

In our report of the Alix pupils who were successful in the Grade 8 exams we missed the names, Nan Howe, Ruth Cooper and Catherine Gray.

Tees Tidings

Miss Larina McMillan was visiting relatives and friends in Cive last week.

The Tees schoolhouse and outbuildings are undergoing repairs the school has been treated to a new floor and a porch and a fresh coat of paint throughout. Messrs. Jim Schamehorn and Fred Hanes are doing the work.

Jack and Robert Ahern, who went out to Mission, B. C., on July 1st to pick strawberries, returned last Wednesday. They say B. C. is a wonderful country and that they just lived on Fruit and had a very enjoyable outing.

Miss Jennie Sundberg of Taber is visiting her sister here, Mrs. Fred Hanes.

BILL ISN'T LOST, IN FACT HE IS NEARING HOME

Editor Free Press, Alex
Dear Sir:—We have moved to the Lower Fraser Valley and it is sure a great place, small fruits, apples, plums and pears, it is sure a wonder. Mission is a lovely place, dairy-farm, fruit jam factory, poultry raising. The mile route man says he has about thirty cows and heaps about fifty hundred hens. I was over to buy some eggs the other day from a neighbor, his chickens were kept in pens of 100 to the pen, he said he bought one thousand poultry the other day. Not many Chinese here but one can harvest the largest crop of Japs this side of Japan. In Victoria one can harvest a good crop of Chunks, they seem to be the ever-lasting class, all ages.

Alex is the best place of all. I expect to be up there soon if only for a short time. It is lovely here but it is not home to me, so take me back to old Alberta where there is plenty of room and all, where the ducks wear "daisy free-briches" and plenty of Datto's beef for a square. Victoria is too dry, I mean it doesn't rain there. Give my best to all the boys.

Yours truly,
WILLIAM KRAFT.

Contrary to prediction the postponed second-day of the Fair (Wednesday) proved up to last year as far as exhibits were concerned, and also attendance. The weather was all that could be desired and the entertainment splendid. We will publish a list of the prize winners next week. The ball tournament resulted in Erskine taking home first money and boys retaining second, the scores being: Alia v. Stettler 3-0; Ciro v. Erskine 5-3 and in the play of Alia v. Erskine 3-4. The horse racing numbers were well filled.

Auction Sale

The Ladies' Aid of the Union church are arranging for a Public Auction in the near future to raise money to complete the church-painting fund and are issuing an appeal to all those who are willing to donate articles for this sale. Communicate with the secretary, Mrs. E. Peers. We will announce date later.

Purchase Thresher

In order to avoid delays in marketing their crops and also assist their neighbors to do likewise, Messrs. O. Berg and G. Lane joined forces in purchasing a threshing rig, which they unloaded from the C. P. R. on Wednesday. It consists of a Nichols & Shepard separator and a John Deere engine.

Learning About Alberta

Request for full information concerning Alberta, with suitable illustrations, has been received by the provincial publicity bureau from the California council of education, which is revising its geographical text books, and wishes to include a generous reference to Alberta. This is one of many indications received recently that greater attention is being paid to securing information about the Canadian west than ever before, by the people across the line.

Try It

This is for married readers. Someone has discovered that the figure 3852 invariably come from adding the following: The year of one's birth, one's age, the year of marriage and the number of years married.

The puzzle, which is bewildering to most people, rests on the obvious fact that 3852 equals twice 1926, and that the year of birth plus present age always equals 1926, as does also the year of marriage plus the number of years of the duration of the marriage.

Mrs. A. C. Meil, who has spent several months in the southern part of the province also in B. C. and the U. S., returned home on Wednesday to assist during the harvest and threshing.

Miss Audrey Blisset returned on Tuesday from spending her summer holidays with friends near Brandon, Man.

Mr. T. Pinnell of Victoria, B.C., arrived in Alia the past week to visit at the home of his brother west of town.

School re-opens on Wednesday of next week, September 1st, after the summer vacation.

Mr. and Mrs. W. Findlay and daughter returned to Stettler after visiting for a week in Alia.

The next public holiday is Monday (Labor Day) 6th of September.

Except when old bonesy hicks over the pail of milk, nothing causes more profanity than a broken crenel with just a few more minutes to show and every prospect of a rain storm. Be on the safe side and use good live oals which can be had from the Alberta Lumber Co.

On Friday evening of last week an exceedingly pleasant time was spent at the home of Mr. and Mrs. C. Cockrill, east of town, when in order to christen their new barn a dance was given to which everybody who cared was invited. To the woe man's ours the large crowd continued to make merry. The abundant luncheon supplied by the participants was extra good.

Mr. R. G. Lowe returned on Saturday from spending a week in Calgary.

You cannot begin too soon to build that home of your own, a home in which you will really live. Remember that the pleasure of a home is in its beauty, attractiveness and harmony of design. Let the Alberta Lumber Co. show you their modern house plans.

Mrs. E. T. Hunter went to Calgary on Monday where she underwent an operation for gaiter which she understood was successful as she is now improving nicely.

A cement walk is being put in front of Thompson's hardware store.

Mr. W. Jackson of Sylvan Lake was in town over the week end and we understand that he has leased the Thompson building on Main street and will return early next month and open an up-to-date bakery. This will be a welcome announcement to our citizens.

H. J. Stoll, sight specialist, will be at The Imperial Hotel, Alia, on Thursday, September 23d, and every third Thursday of the month thereafter.

Rev. Father Harrison of Lacombe was in town on Monday conducting mass and reading catechism with a class of twelve and in the afternoon Bishop O'Leary of Edmonton arrived and conducted the confirmation service.

The bider was put into use this week on a number of the farms and with any kind of decent weather harvest will be general next week.

The regular meeting of the Women's Institute will be held on Thursday, Sept. 2nd, at 3 o'clock in the rest room, it is the annual meeting for brothers. All grand mothers, whether personally invited or not, are welcome and invited. A special program is being prepared.

Mrs. G. A. Thompson on Monday took her little son Grant to the Red Deer hospital for treatment. For the past couple of weeks the little fellow has been under the doctor's care with complications following a heavy cold and the doctor ordered expert nursing. We trust to hear of his speedy recovery.

Walter Denney, who has spent the summer at Craigbrook, B. C., arrived home the forepart of the week to his place in the west.

Shooting season will soon open and as per usual The Free Press office is the place to buy your bird license, Duck and goose shooting will soon open on September 15th but prairie chicken and quail are protected till the first of October.

Nurse Stagle left the forepart of the week to spend a couple of months at Unity, Sask.

Mr. W. C. Tallman entered the hospital at Carleton Place on Tuesday to undergo an operation for appendicitis.

The Word "Protection"

There are not many words in our language that mean more than the word "protection." It describes a condition in every phase of our existence. But our mother's protection. It was she who first introduced us in the principle of protection. Her protection. The strong protection the word. A dog the condition of safety, protects his master or whoever he regards as his master. A fence protects your property. A lock protects your home. A seal protects you from the weather. Clothing protects your body. The protection from the weather. And the protection from the family's financial position. Police protect our homes and cities and soldiers our country. Nearly all members of the animal kingdom have some form of protection; their claws, bristles, teeth, looks, stinging, weight, strength, color, speed or wings. All are means of protection. Present in a flash: law of nature, and while it is a law that can be disregarded under rapidly selected circumstances, and for a period of time, that time passes just as certainly as the law of nature evolves that is always in motion.

We pass laws to protect us from undesirable internal competition. For example, our minimum wage law, a law providing against child labor, prison labor, summary conditions and what not. We should express that it is necessary to protect our wages, standard of living, and the conditions under which we work, against foreign competition arising from conditions that we will not tolerate, when even such countries as our goods cost their markets by means of high tariff walls against us. If we open our markets to those who employ child labor, prison labor, long hours and low wages, how can we make our goods cheaply enough to hold our markets when we establish the same favorable conditions? Our wages mean that goods: cheap wages, cheap goods. Our production under high wages may be called ordinary protection under low wages, but our production under low wages will be called cheap production under high wages, other conditions being equal. We mention this to clear up the confusion that comes to some who observe cheap goods produced under good living conditions in the United States and cheap goods produced under poor living conditions in Europe. Europe and Japan, and possibly China, will have the machine of mass production and then their goods will under good conditions under the same conditions as we produce by a tariff wall.

Canada, on account of her position as a highly protected country (the United States) has no such tariff wall as we have. But even Britain, who had the chance and adopted Free Trade, has found that the impossible law of complete protection has failed.

If we look at the matter in a plain common sense way, we shall not be deceived as to how to bring prosperity to Canada.

Did you ever think of it in this light? Think it over carefully.

Addresses by

J. R. McCLURE and
W. J. BOTTRILL
of Red Deer

THE ALIX FREE PRESS

Published by the ALIX FREE PRESS, Ltd., 101 St. James Street, Albx.

Mr. Tolson went to Canada on Thursday and returned today accompanied by Mrs. Callahan who is rapidly recovering from her recent operation.

Les Pears and Gordon Lowe returned on Thursday from their holiday trip to the U.S.

Mrs. G. A. Thompson went to Red Deer on Wednesday and returned home next day with her little son Grant who has been in the hospital for a couple of weeks.

What The Municipal Books Tell Us

There having been considerable controversy with reference to the laying of cement walks in our town this year, and previous, relative to the cost, we asked for the exact figures that our ratepayers may see that the council are to the best of their ability handling the municipal affairs in their interests.

The amount paid out for walks this year was \$446. made up as follows:

Cement	\$191
Labor	175
Gravel at pit	15
Hauling gravel, cement and water, on trolleys, and removing old walk	65

The total number of cubic feet laid was 1148. Mr. McConigal's tender, and we might say here the council were perfectly satisfied with it, being the lowest submitted, was 60¢ per cubic foot which would have run this year's walk up to \$600.00, therefore the council by day labor saved \$242.80. In the one case the contractor took all the risk, for which he was entitled to remuneration; in the other, the town depended on the men to do a day's work at a day's wage, and do it right.

U. F. A. POLICIES

A VOTE FOR
ALFRED SPEAKMAN
the U. F. A. Candidate

is a vote for:

The retention of the Crow's Nest route on grain, and its products, which mean, at least, that some a bushel on all wheat shipped, and which would be destroyed by the Conservative Party.

A sound system of Rural Credits for the setting down of our tariff schedule wherever possible, in the interests of lower living and production costs.

The lowest possible freight rates on coal, and the increased use of Alberta and Maritime coal in the Canadian market.

The encouragement of co-operative marketing, and the extension of our trade in farm products to the markets of the world.

A system of old age pensions for those who, after a lifetime of toil, few poverty and privation in their old age.

A revelation of losses made under the Borden-Bethers Act.

Constructive co-operation between all classes and sections in the country in the plans of a distributive party system.

Clean government, sound administration and non-partisan support of all measures which are for the general welfare of Canada. If you believe these policies are sound, vote for Alfred Speakman who has been consistent in their support since his entrance into public life.

The U. F. A. Executive, Electoral District of Red Deer Advt.

MISS PHYLIS HENN

of Clive wishes to announce her intention of starting a music class, piano and theory, at Albx on Sept. 1st. Anyone wishing to take advantage of this opportunity please communicate with Miss Henn.

Conservative Policy Ably Expounded At Monday Night's Meeting

SPEAKER FOR THE U. F. A. CANDIDATE
EXTENDED COURTESY

Speaking in support of the Conservative candidate for
the Red Deer Constituency, Messrs. W. J. Bottrell and J.
R. McClure were greeted by a fair audience last Monday
evening despite the inclement weather. Mr. J. R. MacIsaac
acting as chairman, introduced the speakers.

Mr. Bottrell is a very pleasing spokesman and kept the
attention of his hearers throughout. He voiced the topic
of the meeting, namely "Why an election?" and went on to
show that beyond question the Progressives were responsible
for saddling this expense on the people at a time which
was anything but opportune. Had they been true to the
trust imposed in them by Mr. Meighen the various measures
before the house would have been put through and the
business of the session completed. He said that he would
not take up the Customs Scandal as it was too utterly dirty
to discuss. He spoke at length on the tariff, pointing out
that in his opinion the only solution to our present difficulties
was a protection of our industries which would bring
prosperity to our country. He closed by asking the support
of the electors for Mr. LaFrance who was thoughtfully
in accord with the principles of government as laid down by
the Rt. Hon. Arthur Meighen.

The U. F. A. had advertised a meeting for the same
evening but as there was no audience to address, the speaker,
Mr. Cameron, came to the Conservative gathering and on
invitation from the chair, now took the floor and in a
half hour address urged a vote for the U. F. A. on the
grounds that party government was rotten and that the
Conservative party were responsible for going to the country
at this hour. He outlined the program of his party
(which by the way, must have been copied from the
Conservatives) and wound up by condemning Mr. Meighen,
who he said, had stated that he would cancel the Crow's
Nest agreement. "The men responsible for the election
should not be returned" said the speaker.

Mr. McClure was the final
speaker of the evening and on

Grandmas At W. I.

The regular meeting of
the W. I. on Tuesday afternoon
of this week took the form of
a social entertainment of the
grandmothers of Alix and
district. The program consisted
of readings, a short
sketch entitled "What every
woman knows" which was
enjoyed by all present.

The prize given for a contest
was awarded to Grandmother
Sheldon.

About 30 persons sat down
to a banquet, the table being
beautifully decorated with a
profusion of flowers. Mrs.
F. R. Mitchell being the eldest
grandmother present was
asked to cut the handsomely
decorated cake adorning the
centre of the spread. After
it had done justice to the
many good things provided,
Mrs. Pettit proposed a toast
to the grandmothers to which
Mrs. Findlater very pleasantly
replied. Mrs. Yarwood
then gave a very interesting
and helpful talk, first to the
grandmothers and led up to the
object and work of the
W. I. A few of the members
gave short talks after which
all sang Auld Lang Syne.
The president, Mrs. S. C.
McClure, made a very capable
speech.

Wm. Kraft, who has spent the summer in various parts of B. C., returned to Alix on Friday.

The monthly meeting of the council of the Municipal District of Lanerston will be held on Saturday afternoon.

Tuesday of next week is election day.
H. J. Sault, night specialist, will be at The Imperial Hotel, Alix, on Thursday, September 23rd, and every third Thursday of the month thereafter.

Alvin Shae has been transferred to the Royal Bank at Big Valley and left on Tuesday to assume his new position.

A letter from Rev. G. Renwick, a recent incumbent of the pulpit of the Union Church, Alix, about now of Braddock, Sask., conveys the information that he will leave with his family on the 22nd of this month to take up residence in New Zealand.

Rev. Woods started for Alix on Sunday last to hold service as announced but when two miles out of Mirror his car became mired and he was compelled to abandon the trip.

A wedding of interest to a large number of citizens, was solemnized in the Union church at White Rock, B. C., on Wednesday of this week, September 18th, when Dorothy Neola, daughter of Mr. and Mrs. Albert Clark, formerly of Alix, was united in marriage to Mr. Lorne Robert Gehman.

Miss Kathleen Mann went last week to teach in a school near Spiran Lake.

A purchase of household effects will be held in Alix on Saturday, September 18th. Parties wishing to enter articles may leave lists at The Free Press Office. Harry Lynn will "do the talking."

In your name on the voter's list? If it is not on election day will be your own fault. Set that it is there now, before the day arrives.

The fourth annual Alberta Stocker and Feeder Show will be held in Calgary on October 18th, followed by an auction sale on the 19th, of all the entries.

Last week Mrs. F. Sheldon moved from her residence on Jamieson street into the house that she owns on Railway avenue.

Mr. and Mrs. G. Lindeen and family are now comfortably settled in the residence at the Alberta Lumber Works where Mr. Lindeen has been installed manager. We extend a hearty welcome to this family.

Margaret, the little daughter of Mr. and Mrs. Clark Walker, was taken to the hospital on Tuesday to undergo an operation for appendicitis.

Our Annual Appeal

A great many big bills come due in newspaper offices at this time of year. For this reason it is customary to make a special request of subscribers to pay up their subscription arrearages at this time of year. We are very anxious to get all the subscriptions that we possibly can paid now. A great many have promptly renewed and we appreciate their promptness; others have overlooked the matter and are still in arrears. These arrearages are a trial to the publisher who attempts to meet his obligations. To you severally it means little so a remittance will be appreciated. Read the label on the paper you are now reading.

The winner of the sixteenth prize will obtain \$0.02. The winner of the seventeenth prize will obtain \$0.01. All estimates and estimates for the above prizes must be sent to the publisher of the Alix Free Press.

ONE BOOMERANG THAT HURT

A few days ago an interesting conversation was overheard between two farmers. One farmer had shortly before decorated the family with a new automobile, and while the proud owner was relating the merits of his new purchase, he added "and do you know I saved \$35 on the price of this car because the duty on cars has been reduced." The second Mr. Farmer was a thrifty, steady-going man with some reputation for being a manager and financier, and knowing that the owner of the newly purchased automobile was a successful poultry man, he inquired how many hens were in his flock, his answer was "I have 100 of the finest layers there are in the Alix district, they average me 30 dozen eggs per week the year round and the average price I have received is 30c per dozen. That just makes me \$9.00 per week or \$468, or about half the price of my car in one year, and I don't see why the government doesn't not impose the same tariff on American eggs coming into the country as the Americans impose on our eggs going out their country. The tariff balance is 5c per doz. against our eggs. You are quite right, agreed the other farmer, we should be protected to the same extent as the American farmer. Just figure out what it means on your production for one year from your 100 hens. The year's output amounts to 1,560 dozens of eggs, for which you get \$468. If the tariff were the same as the American tariff you would get 5c per dozen more for your eggs, which would be \$78 more than you now receive. Well you saved \$35 on the price of your car, and it should last you for seven years, which amounts to a saving of \$5 per year, so you see you are saving \$5 per year on your automobile you are losing \$78 per year on one of your best investments.

I guess you are right, confound it! I never stopped to figure it out that way before. What fools we mortals are, we have been grasping at a shadow and losing the substance. That settles it for me, in the coming election I will vote for Jos. G. LaFrance to help the Home. Mr. Meighen for an Administration that will give us farmers a equal chance with the American farmer. Just to think that I should have been getting that much more each year for my eggs, why I should have had enough money extra to buy another car in the seven years. P. S.—In the month of March alone three millions of American stage eggs shipped into this country and you know the result.

Mr. Meighen is going back to put into effect Conservative principles (there is no doubt about it) and we might better be in the Government than an onlooker from the benches of the U. F. A. whose members after all are lined up with one party or the other. There are only two sides to a question and the third side is to stay the least superficial and most of security with hands tied for lack of lumber to force his requests.

POOL CONTROLS

WIC ACREAGE

The wheat pool in Alberta now has under contract three and one-half million acres of wheat, or more than half the total acreage in that crop.

A field of 52 bushels an acre of winter wheat was obtained on the farm of L. Atkinson, near Barons, Southern Alberta, during the past week.

BRITANNIA'S LOOK OVER ALBERTA

A party of British manufacturers visited the province during the past week, paying short visits to Edmonton, Calgary and the Prince of Wales Ranch.

PROVINCE HANDLES SCHOOL BOOKS

With the reopening of schools last week the Provincial Department of Education took over the supplying of all school books in the province at cost to the public. This will effect a saving of about 20 per cent. to the purchaser.

Monday Night's Meeting

(Continued from page 1)

being announced, jumped into the bit in answer to the
previous speaker. "I thoroughly agree with the statement
that those responsible for this election should not be re-
tained" and he for we all know beyond question that the
progressive bunch were the guilty ones; it is not true that Mr.
McGowan has stated that he will cancel the Crow's Nest
agreement, what he has stated is that he believes in equal
rights to all and that if the arrangement is in one
section of our country it should be practiced in other needy
localities." Commenting on the coal situation he stated
that we should employ 50,000 miners in place of the 10,000
now engaged in this work, and it could only be done by a
protective tariff.

The speaker took up the Peace River scandal, which
has been proven, and pointed out that had it not been for
the crookedness practiced there, two Conservatives would
have gone to Ottawa, and with a difference of four the
present election would have been avoided.

Mr. McClure did not mince matters, but spoke to the
point in his denunciation of McKenna King, and also the
instability of the Progressive group. He pointed his ability
by answering the questions flung at him from Liberals and
Progressives satisfactorily and unhesitatingly.

The meeting closed with God Save The King

TO THE ELECTORS OF THE RAD DIRK FED.

REAL RUSSIAN

Red Deer, Alta, Sept 4, 1928

Ladies and Gentlemen:

Having received the unanimous
nomination as U. F. A candidate in
the riding, and having been so
able, owing to the state of the
roads, and my own previous ill-
health to meet with many of you
personally, I am taking this op-
portunity of addressing you.

While acting as your representa-
tive in the past I have endeavored
to advance the interests of this
riding, and to co-operate with other
in the solution of our national
problems.

I have, to the best of my ability
promoted and supported such measures
as would promote commercial and
social and Dominion-wide prosper-
ity.

If again honored with your con-
fidence, I shall continue in my
advisory and support of the pol-
itics which I have always felt to
be essential in the development of
this country.

A fiscal policy which, while pro-
tecting unfair and unfair com-
petition, would not permit the
exploitation of the consumer, nor
honor or restrict our international
trade.

A continuation of the Crow's
Nest agreement, which has brought
about partial equalization of our
freight rates.

Rural credits, and the regula-
tion of loans made to our Soldier
Settlers.

Legislative and administrative
efforts when necessary in main-
taining and extending my sys-
tem of co-operative marketing.

Old age pensions and the de-
velopment of the Canadian mail
for Crow's Nest mail.

I believe these matters can be
satisfactorily dealt with when,
and not till when, we find them
as business problems and not as
political issues, and, further, that
stability of government can only
be established on a basis of sound
policy and no operative action.
If my views meet with your ap-
proval and my past record meets
your confidence, I ask you to
again support me on September
14, and to remember that the
most effective expression of your
good will is the vote which you
cast.

Yours faithfully,
ALFRED SPEAKMAN

Liberals Swing Into Power With A Good Working Majority

RETURNERS SHOW THAT ONLY ONE CONSERVATIVE WAS
RETURNED FROM THE THREE PRINCE PROVINCES
R. B. BENNETT OF WEST CALGARY

At the poll on Tuesday the Liberals were endorsed by
the voters of the Dominion and their leader, W. L. Mac-
kenzie King will be called upon to form a Government.

The results so far as we
can obtain them as we go to
press would indicate that the
King Government, embodying
the 11 Liberal-Progressives,
will have a good working
majority over all others.

Liberals	118
Conservatives	90
Progressives	8
Liberal-Progressives	11
U. F. A.	11
Labor	3
Independent	2
Doubtful	2

Alberta has done pretty
well, having sent representa-
tives to three of the seven
different groups in the house
and added another, namely:
U. F. A. 11
Liberal 3
Conservative 1
Labor 1

The three constituencies
bordering on Alix all returned
U. F. A. as follows:

A. Speakman for Red Deer
with an easy win, the result
from 135 polls out of 156
giving him 5175 and LaFrance
2181.

Lucas of Camrose went in
by a large majority.

Irvine of Wetaskiwin won
by a fair margin.

No doubt the vote through-
out Alberta was light on
account of the extremely mis-
erable day, and Alix was in
the same boat. Out of the
162 names on the list only 50
per cent. exercised their fran-
chise with a result of 48 for
LaFrance and 33 for Speak-
man.

NOTES

Happy is the (Government)
that the sun shines on. The
King wedding day was not
very bright and the groom's
influence on the weather has
proved little as yet.

Hon. Arthur Meighen was
defeated at Portage La Prairie,
while Mackenzie King
carried Prince Albert by a
large lead.

In Alberta Charles Cross
went over the embankment
on a toboggan.

Quebec was unchanged and
the Maritime provinces broke
about the same, but old On-
tario threw the wrench into
the works when she gave a
gain to the Liberals of 10.

Let's hope that the prom-
ised prosperity will materialize
in the Ottawa family will be
agreed.

Mrs. Conquest of Calgary
addressed the school children
on Monday afternoon last in
the interests of Red Cross
work and then reorganized a
branch of the Junior Red
Cross.

A car of apples was un-
loaded at Alix this week.

Hon. Irene Parby is spend-
ing the month with friends
at Mission, B. C.

The report in circulation
to the effect that J. W. Siss-
ons had sold his interests in
the Pearl Coal Mine is not so
so. We direct your attention
to the report on page 8.

The forward of this week
Mr. T. Cruikshank unloaded
from the C.P.R. a new Twin
City tractor.

ITEMS OF INTEREST

The Women's Guild of St. Pankras church are holding a sale of home cooking and serving tea in the W. I. rooms tomorrow afternoon, September 21st.

Mr. France, President, and Mr. Bussell, Secretary of the Pearl Coal Co. arrived in Alix on Friday and went next day to spend a few days at their property south of town. During a conversation they informed us that the mine was now in shape to take care of all orders and that they anticipated a spur would be built in the near future so that cars could be loaded right at the mine.

Don't forget that an auction sale of household effects in Alix on Saturday, September 18th.

H. J. Scott, night specialist, will be at the Imperial Hotel, Alix, on Thursday, September 23rd, and every third Thursday of the month thereafter.

The Sunday School lesson for next Sunday will be found in Lev. 26: 1-5; 14-20. Golden Text—"Do not drink wine nor strong drink, thou, nor thy sons with thee."—Lev. 10: 9. Temperance lesson.

Attendance last Sunday was 27 children and 7 adults.

Mrs. C. M. Yarwood, as Constituency Convener of the W. I., goes to Lacombe today to preside at the annual conference. She will be accompanied by a number of the ladies from the Alix local. At this session, which is being held in the Orange Hall, Mrs. H. J. Montgomery of Wetaskiwin will deliver an address and the Lacombe ladies will serve refreshments.

We understand that Mr. and Mrs. P. Ames are this week moving to the old Taylor farm which has been leased for a three-year term. He will still crop the home place.

TEES TIDINGS

On Thursday, September 9th, nine ladies met at the home of Mrs. Fry to partake of tea and cake which was much appreciated, and the collection taken in aid of the preacher's salary, amounted to \$13.30.

Mr. and Mrs. Marley Lockwood, formerly of Tees, now living at Pemulan, Alberta, are rejoicing over the birth of a son on August 20th.

Mr. Tristram Fry, who is well known by the older residents of the surrounding districts, hopes to arrive in Calgary about the 23rd and to pay a visit to his brother Postmaster E. N. Fry of Tees. He has been on a visit to England to his friends there whom he had not seen for over 20 years and no doubt he will have lots of news.

Following a clearing up of the weather, the binders were once more put in operation on Saturday and since then a large percentage of the crop still standing has been put in stock. The new moon on the 6th was the forerunner of the change accompanied by frost at nights while doing damage to the gardens was not heavy enough to hurt the grain. The crop cut before the rain is badly sprouted in the stock which will cut to grade somewhat.

Our Annual

Appeal

A great many big bills come due in newspaper offices at this time of year. For this reason it is customary to make a special request of subscribers to pay up their subscription arrearages at this time of year. We are very anxious to get all the subscriptions that we possibly can paid now. A great many have promptly renewed and we appreciate their promptness; others have overlooked the matter and are still in arrears. These arrearages are a trial to the publisher who attempts to meet his obligations. To you severally it means little so a remittance will be appreciated. Read the label on the paper you are now reading.

SUMMARY OF RED CROSS PEACE TIME WORK IN THE PROVINCE OF ALBERTA

Junior Red Cross—In our schools 19038 children have been enrolled in Junior Red Cross work for health, happiness and citizenship. 955 Junior branches have been organized in Alberta schools.

Crippled Children—613 crippled children have been cared for through the Junior Red Cross in the past four years. Our Junior Red Cross Hospital in Calgary has been responsible for the larger number of cases cared for.

Nursing Outposts—In Red Cross Nursing Outposts to care for the sick amongst our new settlers in outlying districts, 1860 patients have been treated and 405 babies born in safety.

Home Nursing Classes—Through home nursing classes, women in 77 districts have received instructions in the care of the sick and the better care and feeding of their babies.

Health Service—Red Cross Health Service has provided radio talks, lantern lectures and free distribution of the best health literature.

Immigration—Red Cross immigration service has extended a welcome to 1,052 families coming into Alberta, and keeps in touch with the new settler from the Canadian Seaport to the time the family are established as Canadian citizens.

Relief—Red Cross emergency service is always ready to meet distress. Relief has been furnished to thousands of persons suffering from crop failure, sickness, epidemic or other misfortune. We Ask—That our appeal in your district will enlist as many Red Cross members as possible at \$1.00 each.

That you will commemorate Red Cross Day, Saturday, October 30th, by an entertainment or event of some kind with proceeds in aid of Red Cross.

That you will enlist the interest of the local clergy of all denominations in a Red Cross Sunday for the purpose of giving publicity to the work.

All necessary campaign supplies and literature will be provided from this office. A Red Cross organizer will visit your district shortly. May we count on your help?

Mrs. C. B. Waagen,
1st Vice-President and Sec.-Secretary

LOOKING FOR DARGAINS

If you go up and down the stores of a town and inquire the cost of some special quality or grade of product you will often find considerable variations in the price. Some concerns will not speculate much on that particular line and cannot afford to make low prices on it. Others will have bought a lot of that stuff and will be making a special drive to work it off. How is the consumer to know which stores are selling a given article at the best figures? He might take his time and call around at all the stores and inquire. That would take a great deal of effort and few people would have patience to do it. Probably after they had visited one or two stores they would take the next offering made to them and be satisfied.

regardless of the fact that if they kept on inquiring they might find done better.

The only practical way for the public to find out what stores sell the cheapest of any given line of stuff is for the stores that have bargains to advertise them and for the public to read the advertising and take advantage of such special chances. That is just what is happening all the time. Advertising in the form that provides an information service by which the public learns of special opportunities, and is put in a position to get its supplies at minimum figures.

No butcher likes to be roasted, but it is no more uncomfortable than being married and being kept in hot water.

Robert: "You and your wife should be as one."

Robert: "We really are as one."

"How's that?"

"She's the one and I'm the sought."

M. D. Council Minutes

The council of the Municipal District of Lamerton No. 105 met at the office of the secretary on Saturday, the 11th September, at 1 p. m.

(Members present) were Councillors Cockrill, Tallman, Cunningham and Crown.

In the absence of Rees Sherburne, Deputy Rees Tallman occupied the chair.

The minutes of the previous meeting held August 14th were approved and read on motion of Councillor Cockrill.

The claim of Mr. Andrew Allan of Tanglefoot Lake Ranch for \$75.00 for damages to buggy, etc., caused from defective flooring on bridge between 35 and 36-29-23-4 was disallowed for the reason that the council refused to accept responsibility for the upkeep of the bridge referred to.

A bill for \$65.00 for hospital services, University of Alberta Hospital, re case of Freda Peterson of Mirror was left over until next meeting of council, the secretary in the meantime to investigate in regard to the place of residence of the patient.

A number of accounts were passed for payment on motion of Councillor Cockrill.

The meeting adjourned at 2.30 p. m.

Stray

Strayed from my farm 3 miles south of Alix in August four calves, white, black and white and 2 roans, also one black yearling heifer.

The Weather Man Still Cranky

The snow storm which greeted the district last week was rehearsed again to some extent the first of this and has put another crimp in the harvesting operations. The clouds had cleared away on Friday and it looked as though we were in for better weather and the farmer looked forward to finishing up. The previous storm, which not damaging the standing wheat to any great extent, had left the oats and barley in some cases as flat as the floor, and the present storm is not improving the temper of the harvester to any appreciable extent. Wonder when threshing will start?

A general change in the C. P. R. passenger service goes into effect on Sunday next, September 26th.

Notice To Relatives of Persons on The Voters' List

MUNICIPAL DISTRICT OF
LAMERTON NO. 398

Notice is hereby given that during the months of October and November, applications may be made under the provisions of Section 184, of the MUNICIPAL DISTRICT ACT for inclusion in the Voters' List of the Municipal District of Lamerton No. 398 on the part of relatives of persons upon the Voters' List.

The wife, husband, father and mother and every son and daughter of any person whose name appears upon the Voters' List are entitled to be placed upon the said list—
(a) if he or she is resident upon land of the said person within the municipal district or abate him in a business in respect of which he is taxable; and

(b) if he or she is of the full age of twenty-one years; and
(c) if his or her name does not already appear on the list as a voter; and

(d) if he or she duly makes application in accordance with this notice.

For this purpose the office of the Secretary-Treasurer will be open during the usual office hours every day in the said months which is not a legal holiday.

R. G. LOWE,
Secretary-Treasurer
Alix, September 20th, 1926.

A Garden For All The Year

The summer is gone and with it the beauty of the garden (flower and vegetable) and we must give credit to those who year after year do this in this way to beautify our town. It would be unfair to make special mention, but comment should be made on the interior of the C. P. R. depot. While Agent the Street maintains an outside garden second to none, he specializes on pot gardening and as a result the general waiting room is kept for twelve months a veritable forest of flowering plants which are a delight to the company's patrons. There are better than 30 varieties in the collection.

Tees Tidings

Mr. Hay, who has been filling the pulpit at Tees church and Nebraska and Gadaby Lake School houses the past summer, started on his home ward journey Monday morn. He is going via Lake Louise, Vancouver, Seattle & Denver then Chicago, continuing his way to Princeton, N.J. where he has to put in two more years of study before he will be a full fledged minister. Mr. Hay made many acquaintances while here and was well liked, we wish him success in his undertaking.

Saturday evening while Bernard Lawson, Jack Abern, Bobbie Shepard and Bruce McMillan were driving to Crows a dog ran out at the bend in the road near Jim Haynes' place, frightened the team causing them to turn suddenly and upset the democrat. Injuring Bruce under. [Concluded on page 8]

Hockey Meeting Tonight

To get away to a good start and make necessary
preparations, before freeze up, for a hockey and skating
risk for the coming winter, a public meeting is called
for tonight (Friday) in The Free Press office. Last
year the team paid its own way, and we had good hockey,
from the gate and it is desirable to organize for even
better results and more games. Come out to the meeting
and voice your opinion.

1927 Conference To Be Held In Alix

MRS. C. M. YARWOOD UNANI-
MOUSLY RE-ELECTED
CONVENOR

The Annual Conference of
the Ponoka-Lacombe consti-
tution of Women's Institute
was held on Monday, Sept.
27th, in the S. A. hall at
Lacombe. Mrs. Yarwood of
Alix, the constituency convenor,
presiding. Mrs. Montgomery
of Wetaskiwin was also present.

On account of the bad
roads there were not as many
present as other years but the
majority of branches met in
most favorable reports. showing
vast interest and progress
taken in the work.

Mrs. Yarwood gave a splendid
report and took on the
duties of the office which was
very much appreciated. Mrs.
Montgomery addressed the
meeting in her usual pleasant
and helpful way, she also sang
a solo which was equally appreciated.

The standing committee
convenors gave very good
reports of their work.

The election of officers resulted
in Mrs. Yarwood being
unanimously re-elected as
constituency convenor for another
year with Mrs. Andrews of
Alix as secretary-treasurer.

Convenor Household economics—Mrs. McCormack of
Mirror.

Child welfare—Mrs. King
of Mirror.

Education and better schools—Mrs. Shearer, Lacombe.

Agriculture—Mrs. Ball of
Blackfalds.

Immigration—Mrs. Pettit
of Alix.

Legislation—Mrs. Roberts
of Lacombe.

Canadianisation—Mrs. Carson
of Blackfalds.

On invitation of the president
officer the 1927 conference
will be held at Alix.

The meeting was closed by
singing God Save The King,
after which the Lacombe ladies
served a delightful banquet in
their rest room.

Well, the weather is begin-
ning to look somewhat better
—crash yet.

Final Payment By Alberta Pool

The Alberta Wheat Pool
will make the final payment
to members of the pool some
time about the middle of this
month, according to information
secured from the pool
office in Calgary. It was ex-
pected that the final payment
would be made earlier, but
owing to the delay in making
up the accounts it has not
been possible earlier.

E. Parby & Son announce
that they will hold an Auction
Sale early in November of
horses, milch cows, sheep,
purebred Suffolks and Oxford
rams, machinery and house-
hold effects.

Mr. and Mrs. E. Arthur
and daughter Marion of
Oranville, Ont., are spending
the week at the home of

How Your Children Grow?

Only a few more days of the summer holiday season, and most of the children will be back to school. It is a good idea to have a check-up on the growth of your children. The following are some of the things to look for:

Weight. The weight of your child should be compared with the standard weight for children of the same age. If the weight is below the standard, it may be a sign of malnutrition.

Height. The height of your child should be compared with the standard height for children of the same age. If the height is below the standard, it may be a sign of stunted growth.

Teeth. The teeth of your child should be examined for decay and other defects. If there is any decay, it should be treated as soon as possible.

Stomach. The stomach of your child should be examined for indigestion and other disorders. If there is any indigestion, it should be treated as soon as possible.

General Health. The general health of your child should be examined. If there is any illness, it should be treated as soon as possible.

EVERYBODY WELCOME

R. B. DOES ONE BETTER IN TRUE WESTERN STYLE

During the election campaign, Miss Agnes McPhail during a speech at Hanover ridiculed her opponents for saying that parliament was no place for a woman—even getting women speakers to say women had no place in politics. She said her opponents had carried on a whispering campaign and one of their whispered scandals was that she had got a note from Mr. Assenine King. "Yes," she said, "I got many notes from him. I also got notes from Mr. Arthur Meighen and Mr. Bennett sent me maple sugar as well as notes."

Tora (not) Leader.
At a boy, R. B., go it while you are young. Show those eastern guys that Alberta is on the job and never stops half way. But why use an eastern delight? Next time send her some cereal made from No. 1 Northern.

BETTER THAN EXPECTED

Henry Ford thinks he is setting a precedent by his inauguration of a 5-hour day. Well, Old Man Weather has been setting a one-day-week for the farmer, and that Sunday. For several weeks it has been fair over Sunday and then rain or snow to prevent harvest for the balance of the week.

However, for the past week cutting has been going forward and prospects are that threshing will be in full swing next week. Seth Walker was the first to deliver grain at the local elevator for which he received No. 3. We claim this is extra good for wheat cut before the first rain and standing out through all the snow and rain since then, it would almost seem that a pleasant surprise is in store for the farmer when the thrasher gets in motion.

New Telephone Rates Necessary

Because

The old rates tend to generate new revenue pressures for disbursement for a large number of the telephone companies of the Province of \$25,000,000 to \$50,000,000.
The old rates barely paid for operating expenses and interest charges on the capital debt.
The increased charges of new a addition send a quarterly increase in the rate and must be paid.
Operating expenses have been cut for 1926-27 and in the last three years must be cut to meet the further reduction of the telephone rates.
The United Telephone Company of Canada has been advised by the Public Utilities Commission that it must reduce its rates to meet the requirements of the Public Utilities Commission.

Fatal Auto Accident At Stettler

On Tuesday night last an
Overland Sedan, being driven
by George Osborne of Stettler,
tipped over a quarter of a
mile north of that town, when
the driver, seeing he was
following the wrong trail,
attempted to turn back to
the main road. Mrs. Ferguson
and little son, at one time
residents of Alix, were passengers
in the car and when it
commenced to tip the unfortunate
woman jumped out and
was pinned beneath the
machine. The other occupants
were unharmed but were
unable to release her and had
to summon aid from town.
When the car was lifted life
was extinct, practically all
the ribs were broken and also
the collar bone. The body
was conveyed to town and
Coroner Dr. Connolly found
an inquest unnecessary as
death was purely accidental.

Tees Tidings

In Tees United Church the Ladies' Aid will meet at 3 p. m. Thursday, Oct. 14th to discuss the ways and means of having the heater pipes replaced of their long standing refused soot which has been a menace to the eyes of preacher and congregation for the past few cold Sundays. Present members and newcomers invited to attend. Be punctual "time and tide wait for no man."

Obituary

The death of Arlington Hanson, brother of Mrs. J. Holmes, occurred early last week at the home of his sister. The deceased had been ill for some time with cancer, and was fifty years of age.

The funeral was attended by many relatives and friends, and the music was contributed by members of the Mirror choir, the services being conducted by Rev. R. G. Wood and interment taking place in the Alx cemetery.

Mr. Harry Dawson came over from Calgary Saturday and spent the week end at the home of Mr. and Mrs. J. F. Dennis.

Mrs. Osh and Mrs. E. Harris called over the week end at Stettin.

Mr. E. F. Morris spent a couple of days in Edmonton last week on business.

Mr. and Mrs. Jim Skinner of Vernon side came over today to visit with Mr. and Mrs. Marie. Miss Handford spent the week end at home in Edmonton.

Mr. and Mrs. Josie drove over from Lacombe on Sunday and visited relatives here.

Farmer are all busy thrashing during the fall weather.

Miss Charlotte Holmstrom came home Saturday for a short visit. Mr. Ovin Couard stopped a cup of what to Vancouver.

At the Lacombe sheep sale and show on Wednesday of last week Mr. P. Jamieson of Alix entered three head of Hampshire ram-lambes and in competition with fifteen in his class was awarded the 1st, 2nd and 3rd ribbons and also championship. The three were sold and brought the top notch price.

Son of Lord Vivian En Route To Mirror

Port Arthur, Ont., Oct. 12 —Hon. A. C. C. Vivian, son and heir of Lord Vivian, of Bodin, Cornwall, England, is a visitor in Port Arthur today, en route to Mirror, Alberta, where he will become a farm student. He arrived this morning accompanied by Mr. and Mrs. F. G. Fym who are also going to Mirror. Mr. Fym is a son of R. M. Fym of this city.

The son of Lord Vivian bears a diploma from the Great Northern Railway Co. of England, for services rendered as a fireman on the Corbush-Riveria express. England's fastest train during the recent general strike. He is 19 year-old and has just left Eton college.

Will Move

C. N. Depot

This week an agreement was reached between the officials of the Canadian National Railway and the Alix Village Council whereby Lake street will be graded from Main street straight through to the C.N. tracks and the work of brushing, in preparation for the grader, was done the day following the agreement. In return the railway will move the Canadian Northern depot to the foot of the new grade and fit it up to replace the present station which will be converted into freight sheds. This will be a decided improvement and will eliminate the nasty spot on the present road at the bend of the lake.

Miss E. McAllister Smith, R. N., of Eton, Sask., is visiting at the home of Mr. and Mrs. T. Sample.

We learn that one of our women's organizations have started preparations on a play to be staged some time next month or early in December. 'No doubt this will be welcome news to our citizens who know and appreciate the talent this organization will have to draw from. We can look forward to a real treat.

The results from threshing are a surprise both as to quality and quantity. Crops that were cut early in the season and have stood out through the continued wet and stormy weather, contrary to expectations, are grading in most cases a straight three and the yield is anywhere from 18 to 40 bushels. Threshing is now in full swing and with some eighteen machines pounding away in this district a quick clean-up will result.

Minutes of The Lamerton M. D. Council Meeting

The regular meeting of the council of the Municipality of Lamerton was held in the secretary's office at Ails on Saturday, October 9th, at 1 p. m.
Present: Councillors Cockrill, Tallman, Sherburne, Cunningham and Crown. Reeve Sherburne occupying the chair.

The minutes of the previous meeting held Sept. 11th were approved as read on motion of Mr. Cunningham.
The hospital account from the University Hospital at Edmonton re Miss Paula Peterson, was held over until the next meeting.

The secretary presented a letter from Mr. MacPherson, bridge engineer, Department of Public Works, stating that the question of responsibility for upkeep of bridge between Ails and 16-39-21, between the Village of Ails and the Municipality of Lamerton had been referred to the Attorney General's Department for a decision.

On motion of Councillor Tallman, the council approved the application of the Pearl Coal Co. for a spur track crossing the road allowance between 32 and 33-23-4.

A letter was read from Mr. W. R. Miller of Ponoka protesting against the charges made by the poundkeeper, Division 4 for impounding cattle, and after discussion the secretary was instructed to write Mr. Miller that in the opinion of the council the charges made were perfectly legitimate and in fact that the actual amount allowed by the "Domestic Animals' Act."

On motion of Councillor Crown the treasurer's monthly financial statement was accepted as read.

The secretary was instructed to forward check for \$150 to the treasurer of the Buffalo Lake Live Stock Association re purchase of scales at Clive, motion by Councillor Crown, carried.

A number of accounts were passed for payment on motion of Councillor Cockrill.

There's a big time in store for you on the 29th—Wait and watch for full announcement.

Seriously Burned

Last Wednesday evening Clive, son of Mr. and Mrs. J. W. Sissons of the Pearl Coal Mine, was seriously burned about the face, neck, chest and arms, when some powder was exploded by a light which the lad was carrying while looking for some tools. He was brought to Nurse Magel's home in Alix where everything possible is being done to relieve his sufferings.

Knocked Down By A Ram

On Tuesday the doctor was called to the Stone home south of town to attend the little four-year-old daughter of Mr. and Mrs. Clarkson who had met with an accident. The girl had wandered into the sharp corral where she was knocked down by a ram and before she could be rescued was badly bitten around by the animal. Fortunately there was no bones broken although she received some nasty bruises.

Mr. and Mrs. H. A. Rhodes and Mr. R. C. Wilson of Cochrane have been spending week with the lady's mother, Alix.

A Plucky Lad

With his elbow out of joint the result of a fall from his horse, the ten-year-old son of Mr. and Mrs. J. Hurley last Sunday drove his team several miles home and then fainted from the pain. Medical attention put the arm right and the lad will soon be o. k.

Three cases of scarlet fever are reported to date, one in Alix, the son of Mr. and Mrs. W. Schulz, and two in the country, Danny Findlater and R. Waddy. We understand all three are improving as rapidly as can be expected.

Mr. F. Yenke has moved into town, taking up his residence on Prairie street.

To The Sick

If you are ill and require nursing come to my residence and be taken care of in a nice bright room with every equipment and expert attention.

THE TOWN

Mrs. W. B. Cramer was unfortunate the other day in hurting her foot which necessitated a trip to the doctor at Lacombe.

Jim Schenckhor had a bad luck streak the other day and had to go to Edmonton for repairs for his threshing rig. It is too bad that a machine has to lay idle during the fine weather.

Mr. H. Delhouse went to Calgary Saturday on business.

Miss Anna Verey was successful in winning a crown from a Hosiery Co. in a contest of flowers that grew in the garden, and understand there were 10 other girls with correct answers but whose explanations of how they picked out their explanations were not as clear and to the point as Miss Verey's, they however will share in the cash prize.

Jim Skinner of Morningdale and E. F. Morris indulged in duck hunt one day last week but did not have much luck bagging the wild birds.

Mrs. McIntosh of Saskatoon, who has been visiting here with her sister-in-law, Mrs. A. Vanmeer, returned home Saturday. Mrs. Vanmeer accompanied her for a two weeks' visit.

Messrs. E. Pailby & Son shipped two cars of cattle to Calgary Oct. 19th.

The U.F.W.A. held a business meeting in the Jubilee hall last Saturday and expect to hold a "Thanksgiving" dinner there.

Preston McDonald went to Olds Wednesday morning to complete his third year in the Agricultural college.

Miss Annie Verey was the victim of a runaway accident the other day which might have resulted fatally, the team running away threw her out

THE RED CROSS MANDATE FROM

THE LEAGUE OF NATIONS

The annual appeal of the Canadian Red Cross is once again before the public, who are asked to express their interest in the humanitarian work of the society in a practical way by joining as members and by contributions in cash. Although nearly eight years have passed since Armistice, and in spite of the fact that Red Cross has been functioning vigorously during the whole of that time, there are still some people who have but a hazy idea of what Red Cross is all about, and where the money goes.

The head office of the society has met that need for information in an excellent little pamphlet, which presents concisely the aims and services of the organization.

To quote this leaflet: "Red Cross was not ended when the bugles blew 'Clear Fire' at the Armistice. At the Versailles Conference it was determined that Organized Red Cross Societies could give further invaluable aid to sick and suffering humanity. In consequence, the Covenant of the League of Nations includes this Article XXV: 'The members of the League agree to encourage and promote the establishment and co-operation of duly authorized voluntary national Red Cross organizations having as purposes The improvement of health, the prevention of disease and the mitigation of suffering throughout the world.'"

The Canadian Red Cross Society is striving to fulfil this obligation and asks the citizens to endorse its efforts by enrolling themselves as members.

of the wagon, bruising one arm and leg but aside from that she is all right. She says she is going to stop riding in wagons and use her car from now on.

Mrs. A. W. Ardley is enjoying a visit with her sister, Mrs. Johnson, who came down from Wetaskiwin last Wednesday.

W. A. Lynch Loses Home By Fire

W. A. Lynch, farmer in
the Langdon district, and
living about half a mile from
Langdon, suffered a severe
loss by fire when his house
was burned to the ground
early Saturday morning, 16th
October. Mr. Lynch arose at
5 p. m., lit the fire and
prepared part of the break-
fast and then went out to the
barn to feed the horses. In
the meantime the fire started
in some way while the two
boys were still asleep. Fred
and Lionel, who are around
10 and 13 years of age. The
smoke awoke the boys and
they climbed through the
window and ran to the barn
to tell their father. Mr. Lynch
hurried back to the house
but the fire had got too much
of a start.

Mr. Lynch and family went
from Alix to Langdon last
spring and took over the farm
formerly occupied by R. D.
Dye. Mrs. Lynch and baby
and two girls were visiting in
Calgary at the time. The
house was fully covered by
insurance and it is thought
that the household contents
were partly covered by insur-
ance.

Thursday of the month thereafter.

Mr. and Mrs. W. H. Mitchell and son Ronald, after a
two weeks' visit in Alix, returned on Friday of last week to
their home at Lloydminster.

Dr. Shore has gone back to Calgary after spending a
couple of weeks in Alix visiting his numerous friends, and
incidentally having a shoot.

Mrs. Dean returned the latter part of last week from
spending a couple of weeks at Phoenix.

The regular meeting of the Women's Institute will be
held in the rest room at 9 o'clock on Thursday, November
14th. It is hoped that Mrs. E. Parby will give her paper
on "Pioneer life in Alberta."

Mr. P. Yarwood of Edmonton has been spending the
past few days with his parents, Mr. and Mrs. C. M. Yarwood.
He is accompanied by his son, Master Jack.

Mr. H. H. Hinkley of Hatic, B. C., arrived in town on
Saturday to look after his interests in the crop on his farm
northwest of Alix.

The Sunday School lesson for next Sunday will be

Proverbs 23:32.

Attendance last Sunday was 20 children and 5 adults.
Mr. and Mrs. L. Sweet are "dodging" now, and like
claims to like the new car pretty well.

On Friday evening of last week a pleasant time was
spent by the members of the Women's Institute and their
husbands when they assembled in the rest room and enjoyed
a few hours at bridge. Mr. and Mrs. E. M. H. Parby
were the guests of the evening, the occasion being a
social to this week's couple are they here for their Calgary
home. At the close of play a dainty luncheon was served
and then on behalf of the Institute, Mrs. Yarwood presented
Mrs. Parby with a small token of remembrance, at the
same time expressing regret at the loss sustained in the
district and by the W. I. on the family's removal. The
recipient responded in her usual appreciative manner, voicing
her regrets at parting with her many friends, and on
leaving her association with the W. I. which she had
learned to love.

Miss Doris Robertson of Huxley was a visitor with her
sister in Alix over the week end.

Miss L. Howell returned to Edmonton on Monday
after a visit of three weeks at the Brookers home. She was
accompanied home by Joe Brookers who will visit for a few
days in the city.

Dr. R. A. McCormack, dentist, will re-commence his
visits to Alix next month. See his ad. in this issue.

Showers in parts of the district on Sunday evening
held everything up for a day, but close to town the rain was
so light that an hour's sun dried the grain.

Jean Deen arrived in Alix on Monday after spending
several months in Saskatchewan.

Robert Stots left Tuesday morning to attend the Agricultural College at Oids.

After reading at Corson for the past few years in the
George Collingwood returned on Tuesday and will return
to the employ of Thompson & Co. at Huxley.

Even at that thrashing in our district will be finished
almost a month earlier than last year.

Our Annual Appeal

A great many big bills come due in newspaper offices at this time of year. For this reason it is customary to make a special request of subscribers to pay up their subscription arrearages at this time of year. We are very anxious to get all the subscriptions that we possibly can paid now. A great many have promptly renewed and we appreciate their promptness; others have overlooked the matter and are still in arrears. These arrearages are a trial to the publisher who attempts to meet his obligations. To you severally it means little so a remittance will be appreciated. COUNTRY MERCHANT IS UNPENSABLE

If it is good business and sound economy for a portion of the community to send to a distant city for a portion of the merchandise they require, then it follows as a logical conclusion that it would be better business if all the people bought all their requirements that way. The inevitable result of such a course would be that there would be no towns and villages throughout Canada—just half a dozen big cities from which everyone would obtain all of their merchandise.

It would of course be absurd to suggest that such a development would be desirable in the best interests of either the country as a whole or of the people who make a practice of sending their money to mail order houses. It doesn't require much imagination to conceive the inconvenience and even downright hardship which would be experienced by even the most prosperous people on the farm if there were no small towns. While some larger centres are necessary, it is the country towns, not the big cities, which are the backbone of Western Canada. And it is the merchants that make a town. Without the local stores, and other businesses that follow them, there could be no town. Without towns it would hardly be possible to maintain existence on the farm. It is therefore the obvious advantage of all farm and town dwellers to do everything possible to encourage the development of efficient and prosperous local stores.

Every order placed with a distant and prosperous local store is in effect in the opposite direction. Yet it is always the patrons of the mail order house who have the most fault to find with the local store.

Dad Lee Says
There may not be money in farming but there is in driving a grain team at the threshing time, but it's hard on the rest of your trousters.
Talk about preserving our country—some of our boys have their time pretty well taken up if they combine this job with doing their regular "picking."

Dad says he doesn't mind how many girls call him an old "spunk" so long as they put "spark" in front of it.

He says the way of the troubadour may be hard but the path of the honest, hard working, good looking thresher is a damn harder one.

Dr. Shore discovered while here last week that the scarcity of ducks was due to the fact that lead poisoning, caused by digging up shot from the bottom of the lakes, had killed so many of them. Dad says this is a matter for the Board of Trade. He would suggest sign boards warning the duck to examine each lake carefully before going in swimming.

Dad says that with so much pressure being brought to bear, he doesn't see how he can refuse to allow the same "Laf" to appear on the ballot at the next village election. He is afraid somebody might try to get his full and then obtain his consent. He is not used to such a unusual situation.

He believes in that old saw "love and let love." But the trouble is nobody loves a fat man.

Council Grants Permission To Cross Street

The regular monthly session of the village council was held last Monday evening and it proved an interesting one.

The minutes of the October meeting were read and approved.

Two communications were read from the Central Cream Pool as follows:

(a) Requesting permission to cross Leon street with a spur from the C. P. R. to their plant.

Permit granted.

(b) An offer to advance the cost of constructing a road parallel with the C. N. R. to the foot of Railway avenue and thence into town.

Mr. F. Setters, secretary, attended (with his coat and hat off) to support the application.

It was pointed out that a temporary road had already been provided over this route and council thought this was all that was necessary this fall, permission having been granted by the owner of the land to use it until next spring. This road will provide a short cut to farmers coming in from the south with grain or stock to be shipped over the C. P. R.

Councillor Toepfer informed the council that he had been approached by Father Harrison of Lacombe re property on which to erect a church, and council unanimously agreed to comply with the request.

The secretary was given the necessary authority to proceed with the tax enforcement in accordance with the Act.

A number of accounts were passed for payment and the meeting adjourned.

Mr. J. H. Cassel of Olympia, Wash., who came up in August to look after his crop interests at Clive, was in Alix on Wednesday bidding goodbye to his many old friends who are leaving for home the day following. J. H. went down from Clive to the U. S. some eighteen months ago and says he likes the men here very much, one of the main attractions being that his good wife has much better health, but it does him good to pay a visit to the old haunts.

Mr. L. Chino, who underwent an operation at the Red Deer hospital, returned this week and is recovering very quickly and will soon be his old self again.

Arm Fractured By Belt On Thresher

Mr. Percy Walter of Teesmet with a painful accident on Monday of this week. He was riding around his threshing rig when he was caught by the belt and sustained a double fracture of his arm and was also badly bruised about the head. Dr. McNab was summoned and the arm was set, after which he was taken to Red Deer where an X-ray proved that the displacements had been properly set and he is now residing at Clive for constant attention by the doctor.

A car of poultry was shipped from Alix on Wednesday by A. G. Ditto to the Edmonton City Dairy. The total weight was 3567 lbs.

F. Golder has rented the Woolgar acreage east of town and is moving his piggery to this property this week.

At last the 1926 threshing machine of the stat-

Have You Seed Oats

From reports we believe
that by a just distribution of
the oats in this district, suit-
able for seed, there will be
ample for all next spring, but
we would advise those farm-
ers who will require to buy
to arrange at once and those
who have oats for sale to
make a test for germination
as soon as possible. Outside
buyers are scouting around
and we do not want to see
our local farmers short when
the time comes for seeding.

TEES TIDINGS

Mrs. D. B. McMillan and Miss Haywood were Lacombe visitors last Saturday.

Mrs. Marion Ahern and Florence Ahern are visiting with Mr. and Mrs. Frank Ashdown over the week end and the guests of Mr. Fred and Miss Jean Ashdown.

Dan McMillan has been slightly under the weather the past few days but is feeling better now.

Miss Alice Wright came home from Coronation for the Thanksgiving holidays.

The U. F. W. A. held a Thanksgiving supper and a dance Monday, and a large crowd attended. The floor was crowded so there was hardly room to dance the Charleston and do it thoroughly.

Mr. W. E. Tees just purchased a carload of heifers and had them shipped here from Edmonton.

A hiking party was organized here the object being to get out more in the fresh air. Miss Hayward is chairman and the first trip was made Monday, the party walking about three miles and having lunch on route.

Mr. A. W. Ardley is taking a course in agriculture at the Olds College.

A. Vannier is away on a

short holiday. T. Thoraldsen is taking his place.

WESTERN CANADA

DAIRY CONVENTION

The annual convention of the Western Canada Dairy Association will be held in Edmonton on February 8, 9, 10 and 11 next.

When the coal men are complaining that there is no business you can imagine what Alberta weather has been so far this fall, and can you realize that November is more than a third gone and that six weeks from tomorrow is Christmas Day. With the present so-overcast weather it will be hard to tell just where fall quits and winter begins. We believe "Sunny Alberta" is the best bet yet.

Have you an opening for a smart young man, asked the confident youth.
Yes, close it when you go out, said the manager.

When Adam in bliss Asked Eve for a kiss, She puckered her lips with a coo.

With looks quite ecstatic She answered emphatic I don't care, Adam, if you do.

November Wedding

A pleasing event took place
in Lacombe on Wednesday of
this week when two popular
young people of Alix were
united in wedlock, namely
Miss Lillian Hamilton, daughter
of Mr. and Mrs. J.
Hamilton, and Mr. Wallace
Demers. The happy couple
are spending a few days in
Calgary where they return home.
We join in wishing for them
every happiness.

The Girls Delivered The Goods

The banquet on Friday
night of last week given by
the C. G. I. T. girls to their
co-mothers, was a great success
about 50 persons in all part-
taking of the season's deli-
cacies provided. The tables
were beautifully decorated
and in the candle light pre-
sented an inviting appear-
ance. The girls entertained
with their club songs. Mar-
jorie Mann, president of the
senior group, made a very
efficient chairman. Several
toasts were given by the girls
and Mrs. Yarwood give the
members a splendid talk on
"Usefulness" which was
very much enjoyed. Credit
is due the leaders of this or-
ganization for the good work
they are doing for our girls.

Farewell Party

A pleasant party took place
on Tuesday, November 16th,
at the home of Mr. and Mrs.
Hamilton for their daughter
Lillian, whose marriage to
Mr. Wallace Demers took
place the day following. The
guests gave the bride-to-be a
shower of many beautiful
gifts, flowers, silver and china.
After a dainty luncheon pro-
vided by the girls, the company dis-
persed wishing the young
couple much happiness. Among
those present were: Mes-
sieurs J. Docherty, J. Chief,
J. Boehm, B. Todd, J. Mull
F. Sheldon, C. B. Carl, S.
Butley, N. Hurly, C. Rouse,
O. Sundberg, L. E. Rouse,
W. E. Strange, O. Gilmore,
L. Galt, P. S. Walker, P.
McCallum, Mr. and Mrs. P.
Aasen, Marie Schuepf, Helen
and Blanche Gilmore, Miss
and Master Webster and Mr.
A. Demers.

Notice

M. D. COUNCIL MEETING

The council of the M. D. Lamerton No. 398 met at the
office of the secretary in monthly session Saturday, Nov-
ember 13th, at 1 p. m.

All of the members were present with Reeve Sherburne
in the chair.

The minutes of the previous meeting held October 9th
were approved of as read on motion Councilor Cockrell.

The secretary presented a letter from the Attorney
General's Department re responsibility for maintenance of
bridge 35 and 36-39-23-4, the letter stated that in the opinion
of the Department the said bridge was within the Municipality
of the Department and that the Municipality are respon-
sible for its upkeep. After considerable discussion it
was the unanimous opinion of the council that the Attorney
General's Department were rather indefinite in their state-
ment and that the matter be taken up still further with
that department and Councilor Crown moved that Mr.
Sherburne proceed to Edmonton and go into the matter
thoroughly with them.

Re committee Councilors Cockrell and Crown in con-
nection with claim for damages done by impounded cattle,
the committee reported that they had investigated the
damage claim made by Mr. Gesselman and that in their
opinion the damage done, if any, was very slight and con-
sidered that \$2.50 would be a fair estimate of Mr. Gesselman's loss. The committee also pointed out that some ac-
tion should be taken to prevent such trivial cases coming
before the council and also prevent the waste of time and

Farewell Party

On Friday night of last
week about 76 neighbors and
friends gathered at the home
of Mr. and Mrs. O. Gilmore
to bid them goodbye before
they left for their new home.
Music, dancing and cards was
the order of the evening. Mr.
James Docherty and others
handled the violin. A half-
night's bountiful lunch was
served by the ladies, after
which Mrs. Mull with a few
kindly remarks on behalf of
their neighbors and friends
expressed their regrets on
such an estimable family leav-
ing our neighborhood and
presented them with a purse
of \$15 as a token of friend-
ship. Mr. Gilmore responded
appropriately, and in the
evening's hours of the morn-
ing all dispersed to their homes
wishing the family abundance
of success in their new home.

Our Threshers

There are many outfits running.
Outfits medium, large, and small.
But that one of Stone's and Nelson's
is the best of them all.

You should see their forks swinging
As the sheaves they go a-swinging
And the thrasher boys are singing
All the time.

You should hear the engine running
And the separator humming.
And the bundle teams all coming
Right on time.

There is music in their motions
And affection in their notions.
Though the job be big as oceans
They like it fine;

Be it package or just
Or mechanic they can show it.
Or a fact, by jove, they know it.
They're so reliable.

Who keeps the engine going
For make a splendid going
And knows everything worth knowing
—Mr. Stone.

He's the father of the teachers.
The companion of the preachers
And the friend of all the farmers
That are dumb.

Jack Nelson is the operator
Of our rumbling tractor
Right along.
His experience is gigantic
Big enough to drive him frantic
But he still remains romantic.

As a song
John Stone is most sagacious
With manners mild and gracious.
And he sure acts pugnacious
At any time.

The ladies all believe him
For they know he won't deceive 'em.
They are waiting to receive him
All day long.

Then there's our young friend Bob.
Whom we know is not a snob,
And he surely likes the job
(Of hauling grain).

There's a little lady's heart
That will break when they must part
For Bob is going to leave the art
Of farming there at Olds.

And then there's Mr. Monto
With whom everything is smooth.
There's no trick he isn't onto;
Great or small.

He likes to tease the fair sex
Till they get a kind of complex.
But they're sure to take a reflex
Afterall.

There is also Archie Mac.
Who has studied up the track
Of moving wheels along a track.
Fast or slow;

With thought and much devotion
He has studied every model
And he sure knows a good notion
How they go.

Oh! You know you'll never, never
See an outfit half so clever,
Though you search and search for ever
For fine boys;

For we are rooting, tooting,
Double jointed, high faluting
Level headed, rapid shooting
Bunch of boys.

AN OUNCE OF PREVENTION

NOW is a good
time to make sure
that all the stores,
pipes, chimes, fur-
naces, etc., are in
good working order
so as to withstand
steady using during
the winter months.
A little care at the
present time may
mean the saving of
thousands of dollars
through loss by fire
later on.

As has been very
fortunate during the
past few years, and
we have a very reason
why the good record
can not be continued
if the residents will
only use the proper
precautions.

ITEMS OF INTEREST

Mr. George Ross last week purchased a two acre tract
of land from the Sims estate and after moving a house
thereon will take up his residence there which will make it
handier for him as a signman at the town.

Dance tonight (Friday) in the Ved's Hall. Alix.

Leland Benselick returned on Monday to his home at
Penoka after having spent a week at the house of his sister,
Mrs. V. Goodenrich.

The first bridge party of the season given by the W. I.
on Friday night of last week, proved very popular an en-
joyable, there being about fifty players. The prize were
won by Mrs. E. Evans and Mr. D. Puffer. The next ses-
sion will be on Monday evening oct., November 29th, when
Madame Toepfer, Pettit, Cockraik and Cruikshank will
be the caterers. All are welcome.

Mrs. A. C. Findlater is visiting for a few days with her
son, Mr. A. Findlater of Lantz.

H. J. Small, night specialist, will be at The Imperial
Hotel, Alix, on Thursday, December 16th, and every third
Thursday of the month thereafter.

Wednesday of next week is the first day of the Xmas
month. Have you ordered your Christmas cards? If not
come in and see our display of personal cards.

The U. P. W. will meet on Saturday, November 27th, at
2 p. m., when Mrs. T. Sample will read an article on "Tex-
as Immigration from Dakota." All interested in the
welfare of children are cordially invited.

The Sunday School lesson for next Sunday will be
found in Judges 7:4-12:21. Golden Text—"Be strong in
the Lord and in the power of his might."—Eph. 6:10.

Attendance last Sunday was 27 children and 8 adults.

The Annual Meeting of the W. L. will be held in the
rest room on Thursday next, December 2nd. Election of
officers and exchange of gifts. Every member expected.

Messrs. R. G. Lowe and Councilor Cunningham are
in Calgary this week as representatives of Landerston Mu-
nicipality to the Municipal Association Convention.

He: "Indeed, am I the first man that ever held you in his arms?"
She: "Yes, of course. Why should men always ask the same questions?"

TEES TIDINGS

[TOO LATE FOR LAST WEEK'S ISSUE]

Mrs. H. Bellhouse and daughter Dot and son Charlie and Cyril Cook visited at Lacanabe on Tuesday.

Miss Brown Bellhouse went to Calgary Monday where she is to be married to Mr. H. W. Dawson on the 16th.

Mr. Elmer Peeler had a severe case of poisoning recently caused by eating tomatoes that had acidified, he is now at Clive under the doctor's care.

The U. F. W. A. had a meeting in the Colebrook hall on Friday, they are planning on a larger hall soon.

Miss Marjorie Walker was in town Saturday visiting at the home of Mr. and Mrs. Ahern. She is teaching near Ponoka but her school has been closed for a few weeks on account of scarlet fever in the district.

Mr. and Mrs. Fred Hanes were Edmonton visitors on Thursday and Friday of last week.

Hugh McKinnon and Glen Hudkins shot a large lynx the other day.

Miss Albert Montgomery has been visiting her uncle, Mr. Wm. Hart, the past week.

Mr. Angus Montgomery saw a fox running in the brush back of his hen coop recently.

A pleasant gathering of the relatives and friends of Mrs. Serena Crink was held at her home here last week, the 11th, to celebrate her ninety-first birthday. Tea and cake was served and a general good time was had.

A large number of the friends and relatives of Miss Brookside Bellhouse gathered at the home of Mr. and Mrs. Harry Bellhouse Thursday night, the object being a shower for Miss Bellhouse. She received a number of very nice presents from all and the evening was passed with games and music and dancing till midnight, then a nice lunch served finished off the evening. All wished the lady a long and happy voyage on the matrimonial sea of life.

Our merchants are putting their Christmas Goods on display and the various places of business are beginning to take on that pleasing holiday appearance.

Isn't it nice to think of snow for Christmas.

Bad Accident In Grading Gang

Mr. P. C. Toepfer of Alix,
in charge of the grading gang
at the C. N. R., met with a
nasty accident on Tuesday
afternoon. Owing to frozen
ground, dynamite was used
and in clearing away after a
shot, a large chunk of frozen
earth being hauled away by
a team, broke loose and in
rolling down the grade caught
Paul's leg, breaking it in
three places just above the
ankle. Dr. Sutherland sent
the bones but it will be
some weeks before he will be
able to use the injured mem-
ber.

One day early in the week
the doctor was called to the
home of Mr. and Mrs. O.
Thompson to give medical at-
tention to their little son who
fallen and received a nasty
cut on the head.

Conserve Seed Oats

All possible steps are being
taken by the provincial and
dominion seed branches to
conserve the supply of seed
oats in the province, due to
the shortage which exists.
The elevator companies are
responding to the request
that they store whatever seed
oats are available, and it is
hoped that if all elevator
companies do this, rather
than ship the oats out of the
province, the situation can be
taken care of. Farmers who
need seed oats should apply
to elevators at once. Those
farmers who have oats they
wish to use for seed should
obtain a germination test as
soon as possible.

day evening was, as usual,

Scarcity of Spuds

Mr. R. Thompson was a visitor to his old home south of Calgary last week and on his return informed us that one of the chief deficiencies of that locality is a lack of spuds, there being lots of communities in which not a potato was to be found. He believes that later on those of our farmers lucky enough to have tubers for shipment will command a fancy price, and should you wish to ship at any time he can put you next to a ready market.

Local Concert Draws Full House

In every respect living up to their announcement of a "High Class Entertainment" the management of the concert in connection with St. Francis church, on Tuesday evening was greeted with a packed house. It is symbolic of the confidence of the confidence of the public in our local talent that a crowded house has always greeted a home production and we have yet to be disappointed in an evening well spent. The Tuesday night affair was entirely different from other programs in that it exhibited not only dramatic talent but brought out musical, vocal and eclectically accomplished. And we wish to congratulate Bashaw on having in their midst talent such as was exhibited by Mr. and Mrs. Marshall and Mr. Cranston. It is unnecessary to sound the praise of those taking part in the two short plays as the Alx people know well they do it, suffice to say both productions were a laugh from start to finish. Mrs. J. M. Smith in her rendering of "The Bishop and the Cow" established a lead in elocution in the community, while F. J. Betters in his comic monologue was a scream. Mr. L. China sang two numbers and responded to the encore. It was an evening that will long be remembered as one of the brightest spots of the winter of 1926.

Mr. D. Rose of Nansimo, B. C., is a guest at the home of his parents in Alx.

L. Fisher, O. Sundberg, T. Cruikshank and C. Anderson returned on Tuesday from their big game hunt with four fine moose and two deer.

Joe Fox left Thursday to spend the winter at Salt Lake City.

United Farmers of Canada

(ALBERTA SECTION)

This article is published in order that the farmers may judge the new organization on its actual merits and further, to counteract possible misrepresentation that may be made as to the actual aim.

In joint convention, attended by 1,500 Saskatchewan, Alberta and Manitoba farmer delegates, about evenly divided between the Saskatchewan Grain Growers' Association and the Farmers' Union of Canada, amalgamation of these two bodies was effected July 15th, 1926, in an organization to be known as the United Farmers of Canada.

The body was organized "on a provincial basis with an inter-provincial outlook," extending to the farmers of Alberta and Manitoba an invitation to organize provincial sections founded on the same principles and to elect representatives to an international body that shall from time to time pass on agricultural matters of inter-provincial, national or international character.

We commend to you the need of a common school of thought in our prairie provinces and the soundness of the principles adopted by this new organization, as follows: (1)—Recognizing the need of a strictly vocational, educational and social organization that shall include all farmers regardless of their political or sectarian view, standing shoulder to shoulder in the interest of a common vocation, leaving to each member the privilege of affiliating with such political or sectarian body as he may see fit, we hereby pledge the United Farmers of Canada (Alberta section) to remain a non-party political attitude.

(2)—We are directly opposed to any interlocking between farm organization officials and the Pool, or between political officials and the Pool.

(3)—In order to prevent the dangerous policy of our officers perpetuating themselves in office through organization of a factional machine within our organization, we pledge that the officers of the United Farmers of Canada (Alberta section) shall not be eligible to hold the same office within our organization for more than two consecutive years.

(4)—That in the interest of independence, our organization shall be financially self-sustaining, refusing financial aid from other organizations.

(5)—That only bona-fide farmers—those whose financial income is derived chiefly from farming—shall be eligible to membership in this organization. The primary function of a farmer organization should consist of educational service; yet no Canadian organization of the past has offered a systematic plan for the education of its members—the exact service for which the farmer pays his membership fee. In the past, farm school locals have been left to shift for themselves, lacking the intelligent direction, the educational service presumed to come from the Central Office. This policy resulted in dry rot within your organization, as proven by loss of membership due to lack of interest. Chicken suppers, dances and other social functions, offered with a view to entangling interest, failed to produce the desired effect since they failed to constitute the main service for which the farmer pays. Hence we appeal for your co-operation in the organization of an educational body, the Central Office of which shall supply each monthly local meeting with authoritative data covering the links in marketing, a course covering every movement of grain from the time it is dumped in the local elevator until it is found in the hands of the consumer. This course will include laboratory selling returns on damp, sprouted and frosted wheat samples secured from our members, precise valuation of actual costs of conditioning, tough and damp wheat; spread in actual milling value between grades as demonstrated by laboratory research; study of eight years milling tests of various grades; the mixing grade and how it works; grain in grades; overages. This data will be authoritative in every respect and of intense interest and great value to every farmer, part of which will be demonstrated by our educational organization on this Continent. In order to do this we need your sympathy and help.

Forty Thousand Saskatchewan farmers offer to you an invitation to join hands on the above principles of amalgamation—an invitation which in no manner conflicts with your political or religious views.

We ask you to immediately take this matter up with a few of your neighbors—two or three—and discuss with them the advisability of a hearing at your point. Will you do this? Following your local conference we ask you to secure a hall or schoolhouse for a hearing. There will be no further obligations on your part, other than those posing the bills which will be sent on request.

For that meeting may be held to advantage. Quite a number of Alberta farmers are already forward and calls for headquarters.

The spirit of leadership in this new organization will naturally come in your midst. This matter will be left entirely to the will of a provincial committee to be held during this winter. The national committee will be held in January.

TEES TIDINGS

The Tees school children are making a skating rink
right in town on a vacant lot where it will be handy for all.
An Edmonton City Dairy Poultrey Car stopped here
this week and a number of the farmers sold their turkeys,
getting a good price for them.

Mr. Bell from near Bishaw, who has a home at New
Waggon, Oregon, went there last week to spend the winter.
Kuneth and Clarence Montgomery are out at Mr.
Giehart's this week getting out busines for feed.

Miss Lavina McMillan, who has been in Calgary the
past month, has returned home again.

Miss Bertha Kercher, who has been visiting Mrs.
Serena Craik for the last two months, is spending a few
days at home this week.

The U. F. W. A. is putting on an entertainment which
will consist principally of a Mock Trial on Dec. 14th.

A farewell party was held by the U. F. W. A. here last
Friday night in the Colebrook Hall for Mr. and Mrs. J. B.
Frank who expect to go away soon for the winter. A large
number of relatives and friends were present and enjoyed
themselves playing whist and other games, also at midnight
when a very bounteous supper of sandwiches, coffee and
cake was served. All wished Mr. and Mrs. Craik a joyous
and happy winter and a warmer one than they should have
if they remained here.

Shield Winners

Through an oversight, we
forgot to announce the
decision of the judges, Mr. I.
Sweet, as to the disposition
of the shields awarded each
year by the town for the best
kept street and property for
the summer of 1922. The
street shield was awarded to
Nillock street and the indi-
vidual property shield went

to the home of Mr. and Mrs.
G. H. Darlow.

Five names were placed in
nomination for the 1922 coun-
cil at Monday night's meeting
namely, the old council and
Messrs. T. Wilton and Chas.
Woolgar. Councillor Thomp-
son and C. Woolgar with-
drew leaving Councillors J.
R. Macle and P. C. Tupper
and T. Wilton to handle the
town's affairs next year.

4000 Families Turkeyed By Alix

Almost 228 tons of food, practically all turkeys, was shipped from Alix during the past ten days. To the shipment the country contributed of 39,000 lbs., dressed, for which they paid 30c a lb. as an initial payment and the balance will be forthcoming after sale, they loaded on Monday and Tuesday. Mr. A. G. Ditto shipped 5,733 lbs., live, on December 9th. These shipments contained some really beautiful birds that will make happy many a family this Xmas.

Two Accidents This Week

Mrs. A. C. Finlater met with a nasty accident on Monday last when she fell and broke a bone in her left ankle. The doctor was away at the time but when he arrived home in the evening lost so much time in getting out to her home and setting the bone.

While descending from the hay left in his barn on Wednesday morning, Mr. C. M. Karwood slipped and in falling struck on a two-by-four which fractured these ribs. He received medical attention and is now confined to bed.

1927 Officers

The 1927 officers for the V. I. as per election at their annual meeting held a few days ago, is as follows:

President—Mr. R. C. Andrews.
Vice-President—Mrs. W. L. Lewis.
Secretary—Mrs. G. A. Thompson.
Treasurer—Mrs. Linsen.

Thank You

The ladies of the Guild of St. Peter's church wish to express their appreciation of the assistance given them by the ALIX business men and others, in staging their concert last week.

Miss Eva Solomon returned from her visit with friends at Red Deer.

Mrs. A. G. Ditto and Mr. Linsen were the prize winners at Tuesday night's bridge party.

The Alberta Pacific Elevator will be closed for holiday week, December 24th to the 27th, 1936.

Local Items

Mrs. Wilton was in Camrose on Wednesday and Thursday, having gone to visit Mr. Wilton at the hospital.

By the time the girls' hair grows out they will look so much like women that we will have to learn them all over again.

A committee will be in attendance at the Vet's hall from 5 p.m. on the evening of the Xmas entertainment, December 22nd, to receive gifts to go on the tree. Doors open in the evening at 7.30.

We don't believe our merchants ever carried a nicer Xmas stock than they have this year.

WHAT THE MERCURY TOLD US

Saturday 15 above zero
Sunday 17 below zero
Monday 36 below zero
Tuesday 36 below zero
Wednesday morning registered the lowest, 41 below zero but by evening the thermometer showed but 8 below.

We believe this is the first time the thermometer has registered as low as 40 since the winter of 1916.

There is one advantage to the cold snap, it makes perfect road traction.

Not "Made In Canada"

Consider this: you are a Jew. But, O thou Jew who dost thou not grace the crown of the Canadian magazine, who shouts from his factory tops to "Buy Goods Made in Canada," yet practices none but the dearest of Jewry? Why, we ask, should the Canadian manufacturer not buy goods made in Canada, while he is expecting the Canadian consumer to follow such a course?

This morning, when we stirred up the breakfast porridge our eye was attracted by the sentence on the Quebec note: "Cartons printed in the U. S. A." Curious to know whether this was a general practice, we raided the pantry and picked up a carton of corn meal, another breakfast cereal produced by the same concern, and the same inscription was printed thereon! Evidently this big corporation, which specializes in preparing breakfasts for Canadian digestion, cannot see the necessity of helping along the wheels of the Canadian printer and bookbinder.

But, prompted by this discovery, we investigated further along the pantry shelves, and, finding that our breakfast coffee, the very bacon we nibbled, and the salt with which we seasoned our eggs, were all wrapped in cartons "Printed in U. S. A." is it any wonder that the credit of Canadian labor is towards the United States? Our very manufacturers themselves discourage loyalty to Canadian production.

It is a common sight to see a product of the United States wrapped in a container bearing the words "Made in Canada?"

The life of a dollar bill is ten months, but the life of those he gets hold of is about ten minutes.

To sharpen scissors, cut sandpaper. You will not have to wait for a grinder to come around. Keep a sharp edge of sandpaper in the machine drawer.

"It's the same old story," as Adam said when he parted with his rib, "hanging up at the Imperial means everything going out and nothing coming in."

If the girls are going to let their hair come back, the next thing will be to see what can be done about their clothes.

Many men are called but few have the nerve to jump out of bed and beat the wife to the fire making these cold mornings.

His laughs best who gets the first laugh on the other fellow.

So Nicholas Hack has gone back to Dixie. I always said he was married but I never knew his name before. Wonder if there are any little Hacks.

You can make your mark more easily if you are not an easy mark.

People who believe in birth control should consider that with every increase in population there is just one more chance of a future candidate for Alix Municipal honor.

ITEMS OF INTEREST

One week from tomorrow is Christmas Day.

The Annual Christmas Tree and Entertainment in connection with Alix Consolidated School will be held in the Vet's hall on Wednesday evening, December 22nd. A good program has been prepared by the children under the management of the ladies of the P. T. A.

Frank Brooker came up from Red Deer on Saturday to spend Sunday at home.

December 23rd

We were mistaken in announcing the next visit of H. J. Small, night specialist, on December 16th. It should have been the week following, Thursday, December 22nd, when he will be at the Imperial Hotel, Alix, and every third Thursday of the month thereafter.

Saturday evening about five o'clock Mr. T. M. Wilton was suddenly taken with violent pains in the abdomen which necessitated the calling in of the doctor who rushed him by car to Mirvick and then by train to the Camrose hospital where an operation was performed last night. At time of writing we understand he is recovering as fast as can be expected. Mr. L. Chisholm accompanied the doctor in the car and both received some severe frost bites while shivering through the last 21 miles into Mirvick.

The Sunday School lesson for next Sunday will be found in 1st Samuel 17; 3:12-15 Golden Text—"Direct your hearts unto the Lord, serve Him only"—1 Samuel 3:8. Attendance last Sunday was 30 children and 5 adults.

NOTICE: The Rest Room of the W. I. will be open on Wednesday and Friday afternoons of next week for the convenience of the country ladies while in town doing their Xmas shopping.

Following a blizzard which raged Friday night and all day Saturday, the bottom of the thermometer "bust" at 38 below zero on Sunday night.

Cream took another jump of 3c on Monday making the price now paid at the Central Creamery, Alix, 27c.

Our old-timers will regret to learn that Mr. C. Paxton, who at one time was an Alix business man, but for the last few years has conducted a general store at Delburne, has sold out "lock, stock and barrel" and is leaving for Misericordia where he has purchased an auto business. Good luck to you, Charlie.

The heavy snow storm the latter end of last week resulted in late passenger trains on both the C. P. R. and C. N. R. for a few days. The National had the hardest going with a number of trains completely tied up on their Calgary-Edmonton line south of Trochu.

Mr. H. Hickling, who came to Alix to superintend his auction sale, has returned to his home at Hatic, B. C. He has sold the ranch to an Edmonton man but we understand that Mr. Lear will still remain in charge.

Our merchants here, the past few days, were dignifying their annual quota of handsome calendars.

The moose hunters were very liberal with their kill and as a result a goodly number of our citizens have been enjoying nice juicy moose roasts the past few days.

On the last Sunday of the month, December 26th, the Alix Union Sunday School will hold their annual Xmas service with a program by the children, a treat and the year's awards distribution.

TO DELBURN LAST SATURDAY

Pae Delburne last Saturday.
 He was a handsome man, and a good
 But he's over-looking that it is
 For he's over-looking that it is
 Sometimes he strikes a real good day.
 And then he calls himself a mere play.
 But when he hits a stretch like this
 Heure takes chances on a total loss.
 To Delburne in the storm he went.
 With patience tried and temper bent:
 He cried that said in spite of a. b. . .
 And Charlie that he does right well.
 He has a rather handsome face,
 His act in the are full of grace;
 He'd go through fire as hot as Hades
 To meet the men and kiss the ladies.
 So when a sale you wish to hold
 Call in this auctioneer so bold;
 He'll come in spite of old man snow
 And sell your stock from cow to hog.

TEES TIDINGS

In the divorce proceedings at the Coblebrook hall here
 between Smith and Saythe, some very queer angles to the
 case were divulged and more startling developments are
 looked for soon, for Lawyer Conn has been having some
 very earnest conversation with his client and rumor has it
 that the case may be quashed and a new action be brought
 against some one who is being held in the dark at present.

Charh Bellhouse shot a bold coyote right near his
 henhouse while it was trying to nab a chicken. These animals
 are getting very bold and many a farmer loses poultry
 and does not know where or when it went.

Mrs. Henry Sayers and son Lester and daughter
 Lillian were Lacombe visitors on Saturday.
 Ted Bellhouse, who went up north of Edmonton a
 short time ago, has succeeded in getting a deer and is now
 among the moose - samplings and expects to get one soon.

Fred Hanes was shopping in Lacombe Saturday.
 Mr. and Mrs. John Craik are visiting with friends and
 relatives out north this week.

Mr. and Mrs. J. S. Spence and family have gone to
 Medicine Hat for the winter.

Miss Lavina McMillan, Alberta Montgomery, Bertha
 Kernshaw and several more of the young people took in the
 dance at Civic Thursday night.

Mrs. F. S. Henth was shopping in Lacombe Friday.
 Miss Marjorie and Florence Ahern were Lacombe visit-
 ors last Saturday.

Miss Muriel Vanmeer is this week laid up with a very
 bad cold.

Mr. A. W. Ardley has gone to Vancouver for the win-
 ter.

Owing to the extremely bad weather, the meeting of the
 C. N. R. on Thursday connecting of the Lanerton M.
 D. country, which was slated to the connecting Y between
 for Saturday last, had to be postponed, it was impossible
 for the councilors to get here.
